This includes $25,250 to $31,050 that must be paid to the franchisor or affiliate.

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit 7 for information about the franchisor or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY MEDIATION AND LITIGATION ONLY IN CALIFORNIA. OUT-OF-STATE MEDIATION OR LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO MEDIATE WITH OR SUE US IN CALIFORNIA THAN IN YOUR OWN STATE.

2. THE FRANCHISE AGREEMENT REQUIRES THAT CALIFORNIA LAW GOVERNS MOST OF THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.

3. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, the words "TUPSS," "we," "our" and "us" refer to The UPS Store, Inc., the franchisor. "You" means the person or entity who buys the franchise.

The Business

The UPS Store Centers ("Centers") are retail service businesses which offer mail and parcel receiving, packaging, and shipping services through various carriers and provide a wide range of other authorized products and services, including notary, printing, copying, office supplies, and communications (such as fax) services. Centers are targeted to the needs of businesses of all size, small office/home office workers, and busy consumers who are looking for timesaving services. We have developed a service distribution network enabling national and international companies to utilize your Center for their shipping, packaging, postal, print services, and other business and communication needs. We previously offered franchises for Centers under the "Mail Boxes Etc.®" trademark but, in order to take advantage of long term business opportunities, starting in 2003 we began to re-brand the entire domestic system under the The UPS Store® name. UPS is our parent entity (see below). However, the core underlying business that we are franchising remains the same as the business we and our predecessors have franchised for approximately 35 years (see below).

You will sign a Franchise Agreement (Exhibit 1) to operate a single Center at a location, which you choose, subject to our acceptance. Centers traditionally are located in highly visible locations in strip shopping centers or in high foot-traffic downtown areas. This disclosure document describes our franchise opportunity for Centers at those types of "Traditional" sites. Only if mutually desired, we and you may enter into a non-mandatory Center Option Agreement (Exhibit 2). This gives the option holder the exclusive conditional right to secure the real estate and franchise rights for a Center within a particular geographic area. Not all option holders become our franchisees. See Exhibit 2 for details.

The market for the goods and services you will sell is established, and your customers will be the general public. You will have to compete in this market with other businesses selling the same or similar products and services on a local, regional, and national basis. You may also compete with specialty service providers such as copy centers, quick print centers, and office supply companies. We believe you can compete effectively as a result of the broad range of products and services you may offer to customers and our marketing programs, service arrangements, advertising and promotion programs, and service distribution network.

In addition to offering a franchise opportunity in the "Traditional" Center locations described above, we also offer a franchise opportunity for Centers to be located at "Non-Traditional" sites (as that term is defined in the Franchise Agreement), which include colleges, universities, hotels, resorts, military bases, convention centers, airports, self-storage facilities, inside other retailers, office buildings, bus or train stations, and outlet or regional malls. We use a separate disclosure document to describe our franchise opportunity for Centers to be located at those types of "Non-Traditional" sites (our "Non-Traditional FDD"). The Franchise Agreement offers you a right of first refusal to develop certain types of Non-Traditional sites in your franchise Territory.

We also offer an updated Rural Program (to be marketed as the "Main Street" Franchise Model) for Centers to be developed and operated in a rural area or small town/city community. One of the key features of this program is a reduction in the capital requirements associated with these Rural Centers. We may determine which Centers qualify for the Rural Program, although we expect that the area in which a Rural Center will be located generally will be a market in which the total population within a 5-mile radius is less than 30,000 and where the proposed Rural Center's location is at least 15 miles from an

urbanized area and any other The UPS Store® Center. See Items 5 and 7 of this disclosure document.

We utilize the services of "Area Franchisees" in some, but not all, U.S. geographic markets. Our current and future Area Franchisees are not our employees. Rather, they are independent contractors that we have contractually appointed to act on our behalf, only within their respective Area Franchise territories, to: (1) solicit sales of new The UPS Store franchises, unless we have released them from most of those sales duties by entering into an Area Development Management ("ADM") Agreement with them; and (2) perform a wide variety of post-sale management responsibilities that we must perform under the Franchise Agreement. Although we have delegated these responsibilities to our Area Franchisees, they are not a party to our Franchise Agreement with you. This means that we retain a direct obligation to perform those responsibilities to the extent those responsibilities are obligations we owe you under the Franchise Agreement.

We currently do not sell any new Area Franchises. However, we do periodically renew, consent to the transfer of, and purchase-back Area Franchises. If you purchase a franchise in a geographic market serviced by one of our Area Franchisees, there is no guaranty that Area Franchisee will continue to serve throughout your Center's entire franchise term (including any renewals). At all times, we retain the right to provide post-sale support to your Center directly from our Headquarters and/or from our Regional Vice Presidents (identified in Item 2) and their respective personnel, which are described in the Regional Map which is Exhibit 10.

Our current Area Franchisees are identified in Exhibit 9 (cross-referenced from Item 2). Exhibit 9 also identifies any applicable litigation and bankruptcy proceedings in which our Area Franchisees are or have been involved.

Us and Our Affiliates

Our predecessor, Mail Boxes Etc. USA, Inc., was a wholly owned subsidiary of Mail Boxes Etc. Both of these corporations changed their name after April 30, 2001.

On April 30, 2001, United Parcel Service General Services Co., ("UPS General Services," an indirect wholly owned subsidiary of United Parcel Service, Inc., both Delaware corporations) acquired substantially all of the assets, and some of the liabilities (but none of the stock), of Mail Boxes Etc. and Mail Boxes Etc. USA, Inc. Immediately afterward, all such acquired assets and liabilities, other than goodwill and long-term investments, were transferred by UPS General Services to United Parcel Service of America, Inc. ("UPS of America"). Immediately afterward, all assets and liabilities that were transferred from UPS General Services to UPS of America – except for all our related intellectual property – were transferred to UPS of America's wholly owned subsidiary, "Mail Boxes Etc., Inc.," a Delaware corporation (which is us). We changed our formal corporate name from "Mail Boxes Etc., Inc." to "The UPS Store, Inc." on October 1, 2012.

Accordingly, as of April 30, 2001: (1) neither Mail Boxes Etc. nor Mail Boxes Etc. USA, Inc. held any ownership interest in our assets, and (2) neither United Parcel Service, Inc. nor any of its wholly owned subsidiaries (including us) held any ownership interest in (or responsibility for the liabilities of) Mail Boxes Etc. (the former parent company) or Mail Boxes Etc. USA, Inc. (the former franchisor company).

UPS is the world's largest express carrier and largest package delivery company, serving more than 200 countries and territories around the world with 2014 revenues of $58.2 billion. (Source: UPS 2014 Annual Report to Shareholders.) Other than through us, its indirect subsidiary (starting on April 30, 2001), UPS has not offered franchises for the same type of business described in this disclosure document or any other business and has not operated the same type of business described in this disclosure document. UPS's principal business address is 55 Glenlake Parkway NE, Atlanta, Georgia 30328. In

addition to maintaining a contractual relationship with United Parcel Service, Inc., as referenced in The UPS Store Contract Carrier Agreement (Exhibit K to the Franchise Agreement), you may also have business dealings as our franchisee with these UPS affiliates: iShip, Inc., UPS Capital Corporation, and UPS Ground Freight, Inc.

We maintain our principal place of business at 6060 Cornerstone Court West, San Diego, California 92121. This was also our predecessor's principal business address. We conduct business under the name The UPS Store. We and our predecessor have, in aggregate, offered franchises for businesses similar to the type offered in both this disclosure document and our Non-Traditional FDD since June 11, 1980. The franchised businesses offered in this disclosure document and in the Non-Traditional FDD will operate under the The UPS Store name. We have been offering franchises for Centers located in the U.S. (excluding Guam and the U.S. Virgin Islands) exclusively under the The UPS Store name since approximately April 2003. Before that time, franchises for Centers were offered exclusively under the Mail Boxes Etc. name. In February 2003, we began a re-branding process for our system in the United States by which existing Centers meeting certain eligibility requirements changed their trade name from Mail Boxes Etc. to The UPS Store and changed certain operating procedures, although the underlying business remained the same. We colloquially have referred to this process in internal communications with franchisees and vendors as "Gold Shield." As of April 14, 2015, our domestic franchise network consisted of approximately 4,491 The UPS Store Centers. We currently do not own or operate any The UPS Store Centers (see Item 20), although we periodically may do so. We have not offered franchises in any other line of business. As of this disclosure document's issuance date, we do not conduct any other business activities. Our predecessor did not offer franchises in any other line of business.

Special Industry Regulation

Various federal, state, and local laws, rules, and regulations ("laws") may impact the operation of your Center. Examples include: (i) United States Postal Service regulations, including certain forms and notifications to U.S. Postmasters, for example, filing a USPS Form 1583 on each mailbox customer you service, and complying with certain customer return addressing requirements; (ii) laws governing the shipment and transport of hazardous substances, alcoholic beverages, firearms, food, plants, agricultural products, and animals; (iii) inspection of scales by the Dept. of Weights and Measures; and (iv) laws requiring you to accept service of process for customers in some states. Centers must offer notary services. Notaries are usually regulated by state laws, which may require training, fingerprinting, and a competency test. Certain services such as money transfers/money orders may also require fingerprinting or a bond. You must comply with these laws and with laws that apply generally to all businesses. You should investigate these laws and regulations when evaluating your franchise acquisition.

Agents for Service of Process

Our agents for service of process are listed in Exhibit 8.

ITEM 3
LITIGATION

1. Morgate LLC, et al. vs. Mail Boxes Etc., Inc.; BSG Holdings Inc.; BSG Holdings Subsidiary Inc.; United Parcel Service, Inc., a Delaware Corporation; United Parcel Service, Inc., an Ohio Corporation; United Parcel Service, Inc., a New York Corporation; Garcher Enterprises, Inc.; Gary and Cheryl Williams; and Rocky Romanella (Superior Court for the State of California, County of Los Angeles, Case No. BC 294647, filed April 25, 2003). Six franchisees and a franchisee association originally filed a complaint against United Parcel Service, Inc. ("UPS"), several officers of UPS, and an area franchisee, but not us, alleging that UPS, in implementing the program under which most franchisees re-branded their Mail Boxes Etc. stores as "The UPS Store," violated California, New York, and Illinois franchise laws, the Massachusetts unfair trade practices act, and Section 17200 of the California Business and Professions Code and committed tortious interference. In the early stages of the lawsuit, plaintiffs sought a preliminary injunction to enjoin, among other things, the continued offering of the franchise agreement amendment by which franchisees re-branded as The UPS Store and also sought rescission and damages for the franchisees who had re-branded. The court denied the plaintiffs' motion for a preliminary injunction. Plaintiffs subsequently filed a 3rd amended complaint which, among other things, removed the franchisee association as a plaintiff and added some defendants, including us. The 4th amended complaint included over 100 additional plaintiff-franchisees and added breach of contract and state franchise or deceptive trade practices/unfair competition law claims. It also alleged class action claims on behalf of The UPS Store franchisees. We and UPS filed a motion to strike and demurrer to the 7th amended complaint, which had added over a half-dozen common law tort causes of action. The court granted our motion. Plaintiffs sought a writ from the Court of Appeal regarding certain claims that the trial court had dismissed in the 6th and 7th amended complaints. In March of 2005, the Morgate plaintiffs offered to dismiss their lawsuit against Garcher and the Williams. Both Garcher and the Williams were dismissed with prejudice from the lawsuit. Some of the Morgate plaintiffs had alleged causes of action against Garcher and the Williams which included claims of misrepresentation. The parties agreed to the dismissal in exchange for the Williams and Garcher agreeing to release, among other claims, potential claims they had against the Morgate plaintiffs who had sued them. On July 26, 2005, the Court of Appeal issued an order affirming the demurrers on certain causes of action brought under the California Franchise Investment Law ("CFIL") as to those plaintiffs who did not sign the amendment by which franchisees re-branded as The UPS Store. The Court of Appeal overruled the demurrer to the tortious interference with contractual relations cause of action, concluding that certain price and service allegations in the 6th and 7th amended complaints should not have been stricken. Plaintiffs subsequently filed 8th, 9th, and 10th amended complaints, which modified certain allegations and plaintiffs. We and UPS answered the 10th amended complaint filed on January 11, 2006.

On December 1, 2005, plaintiffs filed a motion for preliminary injunction, seeking to enjoin us from requiring those plaintiffs whose franchise agreements were up for renewal to re-brand as The UPS Store as a condition of renewal. We successfully defeated that preliminary injunction motion. On July 14, 2006, plaintiffs filed a motion for class certification, which the court denied. The Court of Appeal reversed the superior court's order denying class certification on October 18, 2007. In the meantime, on July 17, 2006, we and the other defendants filed motions for summary judgment against 43 plaintiffs. On November 21, 2006, the superior court granted us summary judgment as to 3 plaintiffs who were scheduled for trial in November 2006. On April 3, 2007, the superior court awarded us and the other

defendants $261,355 in attorneys' fees and also stayed the action until the plaintiffs' appeal from the November 2006 summary judgment was decided. On May 23, 2008, the California Court of Appeal reversed the superior court's summary judgment award. The Court of Appeal did not conclude that we and the other defendants had engaged in any wrongdoing. Rather, it held that there were certain triable issues of fact.

On October 10, 2008, plaintiffs filed a new motion for class certification, which defendants opposed. The matter was continued several times. Ultimately, on October 30, 2009, the court certified a nationwide class of former Mail Boxes Etc. Center franchisees who converted to The UPS Store Centers on or before March 21, 2003. The defendants filed a motion for summary judgment that was granted. The class representative filed an appeal. The Court of Appeal reversed the ruling and remanded to the trial court for further proceedings.

On September 3, 2008, the trial court set a trial date of February 17, 2009 as to three plaintiffs who did not convert to The UPS Store, which subsequently was extended and ultimately vacated. The court allowed defendants to file new motions for summary judgment or summary adjudication against the first three plaintiffs and one additional plaintiff with a 2001 franchise agreement, which they did on October 3, 2008. In the course of briefing, the first three trial plaintiffs voluntarily dismissed their claims under California consumer protection statutes. At a hearing on January 5, 2009, the court denied the motions for summary judgment against the first three plaintiffs. At a hearing on February 25, 2009, the court denied the motion directed to the plaintiff with a 2001 agreement.

The court thereafter issued an order severing one issue of contract interpretation for a bench trial. That trial was conducted on August 3 and 4, 2009. On October 30, 2009, the court issued a final ruling that we did not breach the franchise agreement by requiring franchisees to execute a The UPS Store franchise agreement as a condition of renewal. The court stayed the case until January 13, 2010 so that Plaintiffs could, if they wished, seek immediate appellate review of that ruling. Plaintiffs filed a petition for writ review on November 25, 2009. The Court of Appeal denied the writ petition. On February 10, 2010, the court set a trial date of April 26, 2010 for the first three plaintiffs with 1993 form franchise agreements. Shortly before the trial was to begin, the trial court ruled that most of the opinions of plaintiffs' damages expert were inadmissible. One of the three plaintiffs then dismissed all of its claims except its claim that we did not have the right to require it to execute a The UPS Store franchise agreement as a condition of renewal, and allowed judgment to be entered against it. That plaintiff filed an appeal. On November 8, 2011, the Court of Appeal affirmed the trial court ruling. On February 21, 2012, McDougal filed a Petition for Review with the California Supreme Court, which denied the petition. Jurisdiction was returned to the trial court for further proceedings regarding the remaining plaintiffs. On March 4 and 5, 2013, the parties participated in a settlement conference and reached a settlement in which 143 franchised centers would be paid $4,200,000. The settlement was finalized on or about October 31, 2013. The claims of the class are not part of the settlement, and those claims remain pending. On March 31, 2014, plaintiff filed a Thirteenth Amended Complaint alleging various misrepresentation claims based on California common and statutory law. Trial is currently scheduled to begin on April 4, 2016. We intend to defend this action vigorously.

2. Independent Association of Mailbox Center Owners, Inc., et al. vs. Mail Boxes Etc. USA, Inc., a California Corporation; Mail Boxes Etc., a California Corporation; Mail Boxes Etc., Inc., a Delaware Corporation; United Parcel Service, Inc., a New York Corporation; United Parcel Service, Inc., an Ohio Corporation; United Parcel Service of America, Inc., a Delaware Corporation; and James Amos (Superior Court for the State of California, County of San Diego, Case No. GIC 814146, filed July 11, 2003). Plaintiffs, 35 existing franchisees operating their franchised Centers under the "Mail Boxes Etc." name, as well as IAMCO, a trade association purporting to represent an unspecified number of franchisees, sued the defendants, including us, our predecessor, and certain of its affiliates (see Item 1), alleging breach of

written contract and covenant of good faith and fair dealing, interference with contractual rights and prospective economic advantage, violations of the California Franchise Investment Law, violations of the California Cartwright Act, breach of the Uniform Trade Secrets Act, defamation and disparagement, and violations of Sections 17000 and 17200 of the California Business and Professions Code. Plaintiffs alleged that the defendants conspired to unlawfully obtain for UPS control over the pack-and-ship market and expand UPS's drop off and shipment network at the franchisees' expense by usurping franchisee customer lists, using that data to analyze and survey customer trends and demographics, and then forcing franchisees to accept an undisclosed business model dramatically different from that upon which they had made their decision to invest in an independently owned business. Plaintiffs further alleged that the defendants used unlawful conduct to cause a forfeiture by Mail Boxes Etc. franchisees of their initial investments in their franchised businesses and instituted unlawful pricing methods designed to injure competitors and reduce UPS's obligations to its employees and drivers. Plaintiffs sought unspecified compensatory and punitive damages, interest, costs of suit, restitution of franchisee payments, disgorgement of revenue, penalties, attorneys' fees, and injunctive relief, including transfer of the Mail Boxes Etc. trademarks, trade name, and trade dress and colors to plaintiffs.

Defendants moved to compel arbitration, which the court granted on November 10, 2003. Plaintiffs divided into 2 groups and filed 2 separate arbitration demands with the American Arbitration Association and JAMS, No. 74 1140012404 TNC and No. 1100040889, respectively (both filed on February 2, 2004), which alleged claims similar to those alleged in the complaint. On September 16, 2005, the Court of Appeal upheld the defendants' motion to compel arbitration but ruled that the plaintiffs should be allowed to consolidate their claims before the AAA and JAMS. After negotiations, the parties agreed that the JAMS claimants would dismiss their arbitration demand and return to the Superior Court. On or about October 23, 2007, the San Diego Superior Court granted summary judgment in favor of defendants.

During the pendency of the procedural matters described above, the arbitration of one franchisee – O-Cubed Technology, Inc. – proceeded before a JAMS arbitrator. After a 3-week hearing, which included testimony from 12 other franchisees (many of them members of IAMCO), the arbitrator, on June 20, 2005, issued an Interim Award (made final on July 25, 2005) finding against O'Cubed Technology, Inc. and in favor of the defendants, including us, on every single claim asserted by O'Cubed. The arbitrator concluded that the defendants did not breach the franchise agreement or the implied covenant of good faith and fair dealing, did not interfere with any contractual rights or prospective economic advantage, did not engage in defamation or disparagement, and did not violate any of the various franchise, antitrust, and unfair competition statutes alleged. O'Cubed moved in the Superior Court to vacate the arbitration award, which motion was denied. On January 31, 2006, O'Cubed filed a petition for a writ from the Court of Appeal with respect to that ruling, which the Court denied.

In the main JAMS proceeding, the defendants filed a motion for judgment on the JAMS claimants' pleadings in the Superior Court on July 28, 2006. The Court granted defendants' motion in part, dismissing the claims under the California Franchise Relations Act, the Cartwright Act, and Section 17200, granting plaintiffs leave to amend. On September 29, 2006, plaintiffs filed an amended complaint in Superior Court, which included amended franchise law and Section 17200 claims. On October 31, 2006, defendants filed a motion for judgment on the pleadings on the plaintiffs' franchise law and Section 17200 claims and to dismiss IAMCO as a plaintiff in the Section 17000 and 17200 claims. On June 7, 2007, the Superior Court granted the motion for judgment on the pleadings as to the franchise law claim and dismissing IAMCO as a party. As to the Section 17200 claim, the Court granted the motion to the extent the claim was based on misrepresentations. On June 8, 2007, defendants filed a motion for summary judgment. On September 7, 2007, the Court granted defendants' motion to strike from a newly-filed 2nd amended complaint the franchise law claims, a prayer for penalties for elder abuse, and allegations of misrepresentations in the Section 17200 claim. On October 19, 2007, the Superior Court granted defendants' motion for summary judgment against all plaintiffs in the Superior Court action.

In the AAA arbitration, defendants filed a motion for summary judgment on June 15, 2007. On October 5, 2007, the arbitrator granted the summary judgment motion as to the plaintiffs' claims for alleged failure to comply with California law regarding franchise disclosures, violation of the California Unfair Practices Act, certain alleged breaches of contract, including our purported failure to assume the obligations of the prior franchisor, and defamation. All other claims were subject to arbitration hearings that took place in October and November 2007. The arbitrator issued her decision on April 11, 2008. The arbitrator ruled in favor of all the defendants on, among other things, the plaintiffs' alter ego claim, breach of contract and implied covenant of good faith and fair dealing claim (regarding defendant's right to require the plaintiffs' execution of a new form of franchise agreement and to change the marks and system upon renewal), equitable estoppel claim, constructive termination claim, breach of contract claim (regarding use of the National Media Fund), breach of contract claims (regarding national advertising, local marketing materials, logoed products, use of confidential information, and assignment of contracts), and tortious interference claims. The arbitrator did rule in favor of the plaintiffs on their covenant of good faith and fair dealing claim regarding our implied obligation not to impair or disparage the Mail Boxes Etc. brand. Nevertheless, while the plaintiffs initially had sought close to $50 million in damages for all of their claims in the litigation, the arbitrator awarded the plaintiffs a total of approximately $769,000 on this claim.

In June 2008, all of the plaintiffs (involving 27 Mail Boxes Etc. Centers) and defendants in this case reached a settlement. The defendants paid a total of $2,970,000 to all plaintiffs in return for full releases. The plaintiffs no longer operate their businesses in association with any of our trademarks.

3. Triple Z Postal Services, Inc. v. United Parcel Service, Inc., Mail Boxes, Etc., Inc., Atlantic Mailboxes, Inc. and Tripp Singer (Supreme Court of New York County, New York, Index No. 05/118057, filed December 30, 2005). Plaintiff, a former franchisee, sued us, UPS, and the area franchisee asserting claims for tortious interference with contract, tortious interference with prospective business advantage, fraud, fraudulent misrepresentation, and violation of Sections 340 and 349 of New York's General Business Law (New York's Donnelly Act and Consumer Protection Act, respectively). Plaintiff alleged that implementing the Gold Shield Program breached the franchise agreement; however, it did not assert a breach of contract claim. Plaintiff sought compensatory, treble and punitive damages from UPS, us and/or the area franchisee totaling approximately $54 million, attorneys' fees, a declaration that the Gold Shield Program is illegal, the voiding of all Gold Shield Amendments in New York, and an injunction against further Gold Shield Amendments in New York. On November 28, 2006, the Court granted our and UPS's motions to dismiss the entire case for improper venue. Plaintiff re-filed the action in San Diego Superior Court on December 29, 2006 and filed a notice of appeal from the dismissal order on January 2, 2007. Triple Z did not name Tripp Singer or Atlantic Mailboxes Inc. as defendants in the California action. This case was related to the Morgate case above and the parties stipulated to a stay of the action pending resolution of the appeal from summary judgment in Morgate. After the appeal in Morgate was resolved in favor of TUPSS and UPS, we and Triple Z participated in a settlement conference on October 29, 2013, at which we settled the case with a payment to Triple Z of $21,000.

4. Century City Business Corp. v. Mail Boxes Etc., Inc. (Superior Court of San Diego County, California, Case No. GIC 868806, filed February 24, 2006). Plaintiff, a franchisee, filed a complaint against us, our predecessor, and UPS related to implementation of the Gold Shield Program. Plaintiff asserted claims for tortious interference with contract, tortious interference with prospective economic advantage, fraud, concealment, false advertising under Cal. Bus. & Prof. Code § 17500, breach of contract, negligent misrepresentation and violation of Cal. Bus. & Prof. Code § 17200. Plaintiff sought an unspecified amount in compensatory and punitive damages, restitution and disgorgement, attorneys' fees, a declaration that defendants violated Sections 17200 and 17500, and an injunction enjoining defendants from continuing to engage in the alleged wrongful conduct. On or about December 18, 2008,

the court granted our motion for summary judgment. Plaintiffs appealed and the case was settled for $50,000 before the appeal was heard.

5. PCTAN Investment Inc., et al. v. Mail Boxes Etc., Inc., a Delaware corporation; N2, Inc., a California corporation; and Navnit Bhalla, an individual (Superior Court of California, San Mateo County, Case No.: CIV 459177, filed November 28, 2006). Plaintiff was a franchisee who alleged that it purchased a The UPS Store from defendants based on misrepresentations and omissions. Plaintiff maintained that substantial risk factors such as competition from United Parcel Service were not disclosed, that certain contractual obligations including relating to shipping prices were not met, and that we terminated the franchise without good cause. Plaintiff alleged breach of contract, fraud, negligent misrepresentation, violations of the California Franchise Investment Law; violations of the California Franchise Investment Act and violations of the California Business & Professions Code section 17200. On October 19, 2007 we filed a motion for summary judgment. Before the summary judgment motion was heard, the parties agreed to resolve the dispute for the sole purpose of compromising and settling disputed claims. Resolution of this matter did not constitute an admission of the truth or correctness of any claims asserted. Under the terms of the settlement, we agreed to pay plaintiffs $100,000.

6. Allan B. Ho, on behalf of himself and all others similarly situated v. Mail Boxes Etc. USA, Inc. and Mail Boxes Etc. Center #2710 and Nancy Newport, individually (Circuit Court of Cook County, Illinois, County Department, Chancery Division, Case No. 99 CH 03657, filed March 9, 1999). This case was filed as a class action complaint against our predecessor and one of its franchisees. Allan Ho (the named class representative) purchased packaging and shipping services from our predecessor and was charged a mark-up over the U.S. postal rate. He alleged that, through the training and instruction and cash register software package provided to its franchisees, our predecessor acted to conceal from consumers the fact and amount of its postage mark-ups. Ho alleged that our predecessor's practices violated the Illinois Consumer Fraud Act (the "ICFA") and that it was liable to the class under an unjust enrichment theory to disgorge all stamp sale and meter mail "profits." The court certified a class of Illinois residents who (i) used Store 2710 or any other franchisee to send packages through the U.S. Postal Service at any time after March 9, 1994, (ii) paid an amount for postage, stamp sales, or metered mail that exceeded the actual postage required to be affixed by the U.S. Postal Service, and (iii) were not informed by our predecessor or its franchisees that the amount charged for postage, stamp sales, or metered mail exceeded the postage required to be affixed for the U.S. Postal Service. Ho filed 2nd and 3rd amended complaints in 2004 naming us, United Parcel Service General Services Co., and United Parcel Service, Inc. (collectively the "UPS Entities") as defendants and asserting claims under the ICFA and various conspiracy and fraudulent conveyance claims. On January 24, 2005, the Court dismissed the ICFA and conspiracy claims against United Parcel Service General Service Co. and United Parcel Service, Inc. with prejudice. On February 10, 2005, Ho filed his 4th amended complaint, naming only our predecessor, us, Store 2710 (franchisee), and Nancy Newport as defendants. The defendants' motions to dismiss the civil conspiracy and fraudulent conveyance claims were granted. On June 21, 2007, the Court denied the defendants' motion for class decertification. In May 2008, the parties entered into a Stipulation and Settlement Agreement to resolve the action. On or about February 9, 2009, the Court approved the final settlement. Class counsel was awarded $1,700,000; a settlement fund in the amount of $750,000 was established for customers to claim a maximum of $2.00 per transaction, up to 3 transactions, provided they requested to be compensated and could establish that they met various criteria confirming that they purchased U.S. Postal products at a The UPS Store or a Mail Boxes Etc. Center. We agreed to modify the receipt of any transaction for U.S. Postal products to read "U.S. Postal Rates Are Subject to Surcharge." While the Court approved the settlement, an intervenor appeared and challenged the approved settlement and filed an appeal. On or about October 16, 2009, the parties entered into a settlement with the intervenor resolving her objection to the settlement. The intervenor settlement called for defendants to make a charitable contribution in the amount of $190,000, a onetime payment to intervenor's counsel in the amount of $200,000 and a payment to the intervenor in the amount of $10,000. Upon administration

of the settlement, the case was dismissed with prejudice.

7. Noho Enterprises, Inc. vs. Mail Boxes Etc. USA, Inc. and Mail Boxes Etc., Inc. (Demand for arbitration before JAMS, Reference No. 1400007648, filed April 22, 2003). Plaintiff, a franchisee at the time operating its franchised center under the "Mail Boxes Etc." name, commenced an arbitration proceeding against us and our predecessor alleging that, in instituting and implementing the program under which most franchisees re-branded their stores as "The UPS Store," we breached the parties' franchise agreement, breached the implied covenant of good faith and fair dealing, tortiously interfered with plaintiff's relationships with its vendors and customers, engaged in unfair competition under Section 17200 of the California Business and Professions Code, and violated the Massachusetts deceptive trade practices act. Plaintiff sought a declaration that we had breached our obligations under the franchise agreement and that these breaches amounted to a constructive termination of the franchise agreement. On February 1, 2005, the arbitrator issued a ruling finding that we breached the franchise agreement and the covenant of good faith and fair dealing and violated Section 17200 of the California Business and Professions Code and the Massachusetts deceptive trade practices act. All claims against our predecessor were dismissed. The arbitrator did not rule on damages. We and the plaintiff reached an agreement to settle the case. We agreed to purchase its business, located in Cambridge, Mass. near Harvard University, for $5 million. Mutual releases were executed, the closing occurred on May 27, 2005, and the arbitration was dismissed with prejudice.

8. Bady, Inc. v. Mail Boxes Etc., Inc. (U.S. District Court for the Northern District of Illinois, Case No. 04 C 6197, filed September 23, 2004). Plaintiffs were two franchisees who collectively executed franchise agreements for 3 Mail Boxes Etc. branded franchises in 2002 before the rollout of the Gold Shield program. Plaintiffs contended that we violated various franchise and consumer protection laws, including the California Franchise Investment Act, by allegedly omitting material facts concerning the rollout of the Gold Shield program from our Franchise Offering Circulars and that implementing the Gold Shield program constituted an anticipatory breach of the renewal provisions of their franchise agreements. On September 26, 2005, the court dismissed the fraud-based causes of action alleging material omissions and misrepresentation relating to the roll-out of the Gold Shield program but declined to dismiss the cause of action for anticipatory breach of contract. We settled with both plaintiffs in separate agreements on or about September 20, 2005. Under the settlement with K&K Alliance, Inc. ("K&K"), a new franchisee purchased the existing Mail Boxes Etc. Center and converted it to a The UPS Store Center. In addition, we paid K&K $10,000 upon completion of the transfer. Under the settlement with Bady, Inc., the parties released their claims against each other, except that Bady, Inc. remained obligated to comply with its Non-Competition and Non-Solicitation Agreement. The settlement agreement with Bady, Inc. did not require us to pay any money to Bady, Inc.

9. Shrejee Corporation and Punam Patel v. Nanvit Bhalla, Neelam Bhalla and Mail Boxes Etc., Inc. (Superior Court of San Mateo County, California, Case No. CIV 449614, filed September 15, 2005). Plaintiffs, former franchisees, asserted claims for breach of contract, general negligence, breach of fiduciary duty, and violation of Cal. Bus. & Prof. Code § 17200 arising out of a finder agreement entered into between plaintiffs and their area franchisees. Plaintiffs alleged that the area franchisees breached the finder agreement and acted as unlicensed business opportunity brokers in violation of California law and that we were vicariously liable for the area franchisees' actions. Plaintiffs sought unspecified damages in excess of $25,000, attorneys' fees, and treble and exemplary damages. On February 8, 2006, the court dismissed plaintiffs' claim against us for breach of fiduciary duty without leave to amend and plaintiffs' claim against us for negligence with leave to amend. The court also struck plaintiffs' requests for treble and exemplary damages. The parties agreed to resolve the dispute for the sole purpose of compromising and settling disputed claims. The resolution did not constitute an admission of the truth or correctness of any claims asserted by either party. Under the settlement, we agreed to pay plaintiffs $37,500.

10. Wayne Smith v. Mail Boxes Etc. USA, Inc., BSG Holdings Subsidiary, Inc., Mail Boxes Etc., Inc., and Wesley David and Sonya Davis (U.S. District Court, Eastern District of California, Case No. CIV S-01-2271 WBS DAD, filed December 11, 2001). Plaintiff, a consumer, alleged that an additional fee charged by Mail Boxes Etc. Centers to assist customers with monetary compensation in the event of package loss or damage violated various consumer laws. Plaintiff sued our predecessor and a putative class of its franchisees. The case was consolidated with pending litigation against UPS and other defendants in a multi-district litigation proceeding relating to the collection of premiums for reinsured excess value ("EV") insurance ("MDL Proceeding") in federal district court in New York. In late 2003, the parties reached a global settlement resolving all claims and all cases in the MDL Proceeding and releasing claims asserted against all defendants. All defendants expressly denied any and all liability. On July 30, 2004, the court granted final approval to the substantive settlement terms. The settlement became effective on September 8, 2004. Under the settlement, UPS provided qualifying settlement class members (including Mail Boxes Etc. franchisees and their customers) with vouchers toward the purchase of specified UPS services (available directly from UPS or from participating Mail Boxes Etc. franchisees) and agreed to pay attorneys' fees and costs. Other defendants contributed to the costs of the litigation and settlement. The vouchers expired in July 2005; the value of services for which vouchers were redeemed totaled $5 million. On November 2, 2005, the court issued an order awarding plaintiffs' counsel fees and costs of $3 million.

11. The Business Store, Inc. v. Mail Boxes Etc., Inc. and United Parcel Service, Inc., Civil Action No. 3:11-cv-3662 (MAS) (D.N.J.). On or about April 20, 2011, plaintiff filed a complaint in the Superior Court of New Jersey, Law Division, Middlesex County. The complaint alleged violations of the New Jersey Franchise Practices Act, breach of contract and the duty of good faith and fair dealing, tortious interference with prospective economic advantage, and fraud, arising out of The Business Store's franchise relationship with us. Defendants filed an Answer denying all liability and we filed a Counterclaim seeking damages as a result of The Business Store's failure to pay amounts owed pursuant to the Franchise Agreement. Defendants removed the action to the United States District Court for the District of New Jersey on June 24, 2011. On September 12, 2012, by leave granted, defendants filed a Third-Party Complaint against the individual guarantors that operated The Business Store seeking damages for amounts due and owing under the Franchise Agreement. Following initial discovery proceedings, the matter was fully resolved. We paid the plaintiff $10,000 for a full release. A Stipulation of Dismissal was entered in the case on March 1, 2013.

12. The UPS Store, Inc., United Parcel Service, Inc., and United Parcel Service of America v. Robert Hagan, Thomas Hagan, Ridge Assets, Inc., 3A, Inc., Ridgepac, Inc., Tanmor, Inc., Ridge Logistics, LLC, Tommys Doc Squad, LLC, Ridgedown, Inc., Robpack, LLC, Ridge Pen, LLC, Tompack, LLC, Bigpack, LLC, and NYPS, LLC, v. Bradley Kaplan, ABC CORPS 1-8 d/b/a "The UPS Store Centers 1786, 4386, 4419, 4769, 5158, 5472, 5979, and 6341," John Wong, ABC CORPS 9-13 d/b/a "The UPS Store Centers 4190, 4248, 5388, 6404, and 6415," Kevin Panchmia, ABC CORPS 14-17 d/b/a/ "The UPS Store Centers 5958, 5961, 6374, and 6387," Ketan Seth, ABC CORPS 18-21 d/b/a "The UPS Store Centers 0304, 4611, 4754, and 5138," Jerome Taylor, ABC CORPS 22-25 d/b/a "The UPS Store Centers 0526, 1052, 2992, and 4831," Mark Taylor, ABC CORPS 26-28 d/b/a "The UPS Store Centers 0745, 1083, and 0647," Shyam Buxani, Mohan Buxani, Danny Dansignani, ABC CORPS 29-30 d/b/a "The UPS Store Centers 0444 and 1492," Abu Rahman, ABC CORPS 31-32 d/b/a "The UPS Store Centers 4163 and 5777," Shueb Choudhury, ABC CORP 33 d/b/a "The UPS Store Center 5865," Tani Sussman, ABC CORP 34 d/b/a "The UPS Store Center 4766," Sylvester Onurah, ABC CORP 35 d/b/a "The UPS Store Center 5017," Otis Davis, ABC CORP 36 d/b/a "The UPS Store Center 6367," Marcos A. Lopez, ABC CORP 37 d/b/a "The UPS Store Center 4768," Charmaine Raphael, ABC CORP 38 d/b/a "The UPS Store Center 6166," Mohammed Riaz, ABC CORP 39 d/b/a "The UPS Store Center 5899, Chad Jaafar, ABC CORP 40 d/b/a "The UPS Store Center 5953," Danny Spies, ABC CORP 41 d/b/a "The UPS Store Center 4472," Ed Xu, ABC CORP 42 d/b/a "The UPS Store Center 5296," Sandra Machado, and J&S Quest

Services, LLC d/b/a "The UPS Store Center 5565" (United States District Court for the Southern District of New York, Case No. 14 cv 1210, filed February 25, 2014). We, UPS of America, and United Parcel Service, Inc. filed suit against former franchisees and their guarantors to enforce the post-termination covenants and for trademark infringement, breach of contract, unfair competition, misappropriation, and conversion arising out of, among other things, the defendants' failures to comply with the post-termination provisions of their franchise agreements. The former franchisees were terminated after receiving multiple Notices of Material Default for multiple material breaches of the franchise agreements, including, in many instances, overcharging customers. Despite the termination of the franchise agreements, the franchisees, among other things, failed to de-identify the former centers and to comply with the post-termination covenants in the non-competition and non-solicitation agreement. In the complaint, we seek, among other things, injunctive relief, damages relating to unpaid royalties and other amounts due, and attorneys' fees. United Parcel Service, Inc. seeks damages relating to unpaid UPS shipping fees and attorneys' fees. On April 16, 2014, the defendants filed an answer denying our claims as well as a counterclaim against us, UPS of America, and United Parcel Service, Inc. and a third-party complaint against certain other franchisees. The defendants alleged, among other things, that the franchise agreements and Contract Carrier Agreements were selectively enforced against them; they were required to comply with a "zero tolerance" policy regarding overcharging customers; there were sales and billing discrepancies at other franchise locations with respect to, among other things, calculation of billable weight, communication regarding the guaranty for ground shipments, "up-selling" to air shipments, and application of fuel surcharges and they were retaliated against for raising these alleged sales and billing discrepancies; we provided inaccurate information to them about other franchisees' compliance, about the defendants' own non-compliance, and future expansion plans; they were not provided with a commercially reasonable franchise system and not told the business model would be altered; their franchises were terminated without good cause, and their businesses were attempted to be transferred to other franchisees as part of a scheme to obtain the defendants' business without compensation and without providing them an opportunity to sell their franchises; they were required to execute unlawful releases in connection with the purchase or renewal of their franchises; the plaintiffs and other franchisees have profited by the closure of the defendants' former centers; and their contractual relationships with lenders, landlords, and vendors were disrupted. The defendants seek a declaratory judgment that they have not infringed the Marks. They assert claims against us, UPS of America, and United Parcel Service, Inc. for breach of contract, fraud, breach of the duty of good faith and fair dealing, violation of the First Amendment, breach of the New York Franchise Sales Act, N.Y. Gen. Bus. Law §687, violation of the California Franchise Relations Act, Cal. Bus. & Prof. Code § 20020, and violation of Cal. Bus. & Prof. Code § 17200. They also asserted claims against us, UPS of America, United Parcel Service, Inc., and certain franchisees for unfair trade practices under California law, Cal. Bus. & Prof. Code §17000 et seq., fraudulent and deceptive trade practices under New York law, N.Y. Gen. Bus. Law §§349-350, unjust enrichment, and tortious interference with contract. The defendants seek declaratory and injunctive relief, damages of $50,000,000, treble damages, restitution, treble and punitive damages, attorneys' fees, and costs of suit, including post-judgment interest. We filed a motion to dismiss the counterclaims. The court granted the motion in part and denied it in part, dismissing all claims except the claim for violation of N.Y. Gen. Bus. Law §§349-350. The defendants filed an amended complaint, asserting the N.Y. Gen. Bus. Law §§349-350 claim and a claim for false advertising under the Lanham Act. We filed a motion to dismiss both claims, which was argued on September 18, 2015 and taken under submission. On October 23, 2015, we filed a motion for summary adjudication against defendants on the claims for breach of the franchise agreements and the Contract Carrier Agreements. We intend to pursue this matter vigorously.

13. Liping Luo a/k/a Kelly Luo, Global Access Enterprises, Inc., and David Hang v. The UPS Store, Inc. (Supreme Court of the State of New York, County of Queens, Index No. 5968-2014, filed on or about April 16, 2014, removed to the United States District Court for the Eastern District of New York, Case No. 14-cv-05318-ERK-RML, on September 11, 2014). Plaintiffs, a franchise applicant and her wholly-

owned company, filed suit against us asserting breach of contract, breach of the implied covenant of good faith and fair dealing, promissory and equitable estoppel, negligence, negligent misrepresentation, and loss of business as a result of our alleged failure to execute a franchise agreement. On October 9, 2014, the franchise applicant's alleged partner sought to join the action. On October 30, 2014, the parties reached a settlement of all claims in the lawsuit, including a payment by us of $138,000. On February 25, 2015, the court dismissed the lawsuit.

14. Teresa Long, on behalf of herself and a class of similarly situated persons v. The UPS Store, Inc. and The Britt-Tiff Company d/b/a The UPS Store #3152 (Jefferson Circuit Court, Kentucky, Civ. Case No. 15-CI-000695, filed on February 12, 2015). Plaintiff filed suit against us and one of our franchisees, asserting claims on behalf of herself and seeking to certify a class alleging the same claims. In the original complaint, the plaintiff and her proposed class claim that we and our franchisee violated KRS §64.300 by charging notary fees in excess of the statutory limit and that this conduct also violated the Kentucky Consumer Protection Act. Plaintiff and her proposed class seek to void and refund all notary fees collected in excess of the statutory limit, plaintiff has sought her own notary fees paid, punitive damages, and attorneys' fees, and plaintiff and her proposed class also have sought a declaration that we and our franchisee not charge customers notary fees in excess of the statutory limit and a permanent injunction prohibiting such charges in the future. We filed our answer on April 8, 2015, denying these allegations and disclaiming any involvement with the notary fees charged by any of our franchisees. Since the filing of our answer, the plaintiff has filed an amended complaint which essentially repeats the allegations of the original complaint and adds as additional defendants each of our franchisees who are located in the State of Kentucky. We, along with the franchisees, are in the process of filing responses to the amended complaint. Our franchisees are represented by independent counsel.

15. Capital CPMG, Inc. v. Mail Boxes Etc., Inc. (Superior Court of California, County of San Diego, North County Division, Case No. 37-2015-00024642-CU-CO-NC, filed July 24, 2015). Plaintiff is a former franchisee that signed its franchise agreement in 2000 before the rollout of the Gold Shield Program. Plaintiff did not elect to participate in the Gold Shield Program in February 2003, opting instead to continue operating under the Mail Boxes Etc. ("MBE") brand in place when it first signed its franchise agreement. Plaintiff alleges that after we refused to renew its franchise agreement when it expired in June 2010 (ostensibly because the plaintiff refused to rebrand to The UPS Store®), the plaintiff continued operating under the MBE brand under an oral franchise agreement that was to continue for an unspecified timeframe. Plaintiff alleges that we sent a notice of termination of the oral franchise agreement on August 20, 2014, stating that termination would be effective on August 29, 2014, and requiring the plaintiff to surrender the premises and assign the lease to us by the same date. Plaintiff avers that we violated the Delaware Franchise Security Law and breached the franchise agreement by failing to give timely notice of termination and terminating without just cause. Plaintiff seeks unspecified damages, attorneys' fees, costs, and expenses, including loss of goodwill and profits. We intend to defend this action vigorously.

16. Moxie Venture, L.L.C., Melinda Vincent, and Anton Vincent v. The UPS Store, Inc. (United States District Court for the District of Minnesota, Case No. 0:15-cv03704-RHK-JJK, filed on September 21, 2015). Plaintiffs, an existing franchisee and its owners, filed a complaint against us alleging fraud, negligent misrepresentation, breach of contract, breach of the implied covenant of good faith and fair dealing, and a violation of the Minnesota Franchise Act resulting from our allegedly having induced the franchisee and its owners to sign a franchise agreement and personal guarantees based on misrepresentations about the projected revenue and cash flow they would experience in operating a Center. Plaintiffs claim that we made financial performance representations other than those appearing in the Franchise Disclosure Document they received before signing the franchise agreement and also misrepresented the suitability of their Center's location. Plaintiffs also assert breach of contract and the covenant of good faith and fair dealing resulting from our alleged failure to provide a functioning

software system, requiring the franchisee to participate in the "Access Point" drop off program, and using the franchisee's territory as a test market for the "Bill My Account" program. Plaintiffs seek rescission of the franchise agreement and personal guarantees, restitution damages, costs, disbursements, and reasonable attorneys' fees or, alternatively, unspecified damages exceeding $75,000 on each count. We intend to defend this action vigorously.

17. Morton, LLC v. The UPS Store, Inc., United Parcel Service Company, Inc., Flannery Investment Group, Inc., and Jeffrey H. Flannery *et al.* (Circuit Court of Shelby County, Alabama, Case No. 58-CV-2015-900813.00, filed September 10, 2015). Plaintiff, a current The UPS Store® franchisee with two Centers in Alabama, filed a complaint alleging that its decision to purchase its second The UPS Store® Center franchise was based on fraudulent misrepresentations and the concealment of facts by the defendants. Plaintiff claims that before acquiring its second The UPS Store® Center franchise, our area franchisee had affirmed that the plaintiff would be the only United Parcel Service Authorized Shipping Outlet ("ASO") in the plaintiff's geographical territory and that an ASO and a The UPS Store® franchise location would not open in the same area. Plaintiff claims that only after signing the franchise agreement for its second The UPS Store® Center did it learn that another entity had rights as an ASO in the same geographic territory. Plaintiff asserts that the defendants concealed this fact to induce the plaintiff to sign a franchise agreement believing it had exclusive rights in the geographic territory. Plaintiff seeks an unspecified amount of costs and compensatory and punitive damages. The defendants intend to defend this action vigorously.

18. Tucker v. United Parcel Service, Inc. and The UPS Store, Inc. (United States District Court for the Southern District of New York, Case No. 15-cv-03576, filed on May 7, 2015). The plaintiff, an alleged consumer of UPS shipping services, asserts 2 putative class claims against UPS and us for alleged violation of Section 349 of the New York Consumer Protection Law and unjust enrichment. The plaintiff seeks to represent both a national class and a New York subclass of plaintiffs. The claim for violation of Section 349 is brought only on behalf of the plaintiff and the New York subclass. The plaintiff's complaint focuses on 2 purported practices of third-party retailers, including our franchisees: (1) selling higher-cost Air Services when less expensive Ground service is available with the same time-in-transit guarantee; and (2) marking up package dimensions to inflate a package's dimensional weight, impacting shipping cost. On the first issue, the plaintiff generally alleges that retailers, including our franchisees, sell customers UPS 2nd Day Air service for short distance shipments even when 2nd Day Air service is not available and affirmatively mislead customers by denying that Ground service is guaranteed or misstating delivery times for Ground service. The plaintiff also claims that UPS transports short-distance Air packages via ground transportation, yet charges Air rates and the Air fuel surcharge. As to dimensional weight, the plaintiff alleges that retailers inflate dimensional weight to collect higher transportation charges, and then seek billing adjustments from UPS based on the correct dimensional weight, but do not refund the alleged overcharges to their customers. The plaintiff claims that we and UPS encourage and profit from these practices. The plaintiff seeks class certification for all similarly-situated consumers on a national and New York-specific basis; a declaration that the alleged acts violate New York General Business Law Section 349; injunctive and equitable relief prohibiting the alleged activities; an accounting of alleged consumer overpayments; restitution; unspecified compensatory, statutory, and treble damages; interest; and attorneys' fees and costs. On August 7, 2015, in order to eliminate duplicative discovery, prevent inconsistent pretrial rulings, and conserve judicial resources, the United States Judicial Panel on Multidistrict Litigation granted our and UPS's motion to transfer this lawsuit to federal district court in California for inclusion in pending multidistrict litigation involving similar claims against UPS (but not us). That multidistrict litigation is identified as In re United Parcel Service "Air-in-Ground" Mktg. and Sales Practices Litig. (MDL No. 2153, United States District Court for the Central District of California). We and UPS intend to defend this action vigorously.

Litigation required to be disclosed involving one or more of our Area Franchisees, even if not involving us, is disclosed in Exhibit 9 of this disclosure document.

Except as described above, no litigation is required to be disclosed in this Item.

ITEM 4
BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5
INITIAL FEES

Option Fee

(Not applicable to renewing franchisees or purchasers of existing franchised Centers.) If we and you agree to sign a non-mandatory "Center Option Agreement" (Option Agreement), you must pay a Center option fee, the amount of which we and you negotiate based upon the option term's length and the option territory's size and value. In fiscal year 2014, we were paid 1 option fee of $7,500. You pay us the option fee when you sign the Option Agreement (see Exhibit 2). The option fee is not refundable or credited against your Initial Franchise Fee. During the Option Agreement's term, you will hold the exclusive conditional right to secure the real estate and franchise rights to open one or more (as specified) Traditional Centers within the defined option territory according to the option schedule and other requirements. We may develop and grant others the right to develop Non-Traditional Centers within the defined option territory.

Paying the option fee does not guaranty that you will become a franchisee. Rather, paying the option fee and signing the option agreement prohibit us and everyone else from opening a Traditional Center in the option territory during the option term while you attempt to secure a site or sites, secure financing, and otherwise satisfy our requirements for franchise ownership.

Initial Franchise Fee

(Not applicable to renewing franchisees or purchasers of existing franchised Centers.) You must pay us an initial franchise fee of $29,950 if this is your first Center and $19,950 if this is your 2nd or subsequent Center. These fee discounts apply to concurrent ownership and are not granted based upon former ownership. To qualify for a $19,950 Initial Franchise Fee, you must own at least a 50% interest in: (1) at least one existing The UPS Store franchise; and (2) this new franchise.

If we and you do not sign a non-mandatory Center Option Agreement, you must sign an LOI (LOI - FDD Exhibit 4), pay an Initial Application Fee ($7,500 if you do not currently own any interest in one of our franchises and $3,750 if you do own an interest, as described in the previous paragraph) that would be fully credited against your Initial Franchise Fee, and pay the balance of your Initial Franchise Fee when you sign your Franchise Agreement. As stated in the LOI, the Initial Application Fee is one-half refundable (*i.e.*, $3,750 of $7,500 if you do not currently own any interest in one of our franchises) or one-third refundable (*i.e.*, $1,250 of $3,750) if you do own such an interest if at the end of the LOI term you do not for any reason timely satisfy any of our written conditions for final approval or otherwise refuse to accept a franchise that we may offer you.

If we and you agree to sign a non-mandatory Center Option Agreement, then you need not sign a "Letter of Intent for a The UPS Store Franchise" (LOI) or pay an Initial Application Fee (described in the LOI), but you must pay your entire Initial Franchise Fee when you sign your Franchise Agreement.

The Initial Franchise Fee is fully earned when paid and non-refundable.

Initial Franchise Fee for "Rural" Centers

We have reduced the start-up costs of our franchise opportunity for certain small town markets nationwide. The Initial Franchise Fee under the Rural Program is $9,950 and is not refundable. You must sign an LOI and pay an Initial Application Fee as described in the preceding section.

Initial Franchise Fee for "VetFran" Veterans Program

We are a member of the International Franchise Association and participate in the IFA's VetFran Program, which provides an approximately 30% discount on initial franchise fees to veterans of U.S. Armed Forces (or spouses of active duty service members) who otherwise meet the Program's requirements. First-time purchasers of franchises that are veterans of the U.S. Armed Forces are eligible to pay a reduced Initial Franchise Fee as follows. The Initial Franchise Fee (non-Rural Program) for your first Center will be reduced from $29,950 to $19,950 ($10,000 reduction). The Initial Application Fee for a Center under the VetFran Program is $3,750. As stated in the LOI (Exhibit 4(b) to this disclosure document), the Initial Application Fee is one-third refundable (*i.e.*, $1,250 of $3,750). To qualify for this discount, the Veteran(s) must own at least a 50% interest in the franchise. "Veteran" means a recipient of an honorable discharge as evidenced by the U.S. Department of Defense. It is the Veteran's responsibility to give us the required documents to obtain the VetFran incentive. There is no VetFran discount if you are receiving this franchise disclosure document in connection with either a purchase of an existing franchised business or renewal of your Center's franchise rights.

Initial Franchise Fee for Conversion and Non-Traditional Site Programs

Despite the fees described above, we may from time to time reduce the Initial Franchise Fee, offer financing, defer the Initial Franchise Fee and/or provide other terms at our discretion for Centers to be located at Non-Traditional and conversion locations. Please refer to our Non-Traditional FDD if you are interested in developing a Center at a Non-Traditional location.

Center Development Fee

We, an Area Franchisee, or a third party we designate (the "Center Development Coordinator") must provide and manage a general contractor to construct your new Center and provide site selection and lease negotiation assistance. You must pay the Center Development Coordinator our Center Development Fee. We may collect this Center Development Fee directly from you or direct you to pay the Center Development Coordinator. You must pay this before commencement of Center build-out when the franchise fee or transfer fee is paid or at such other time we designate.

The fee is $5,000 for all newly constructed Centers, franchise renewals, franchise transfers, franchise relocations, franchise "Re-Openings" (the sale of a new franchise located at a previously closed Center), TUPSS 2000 remodels, and facelift remodels, except as follows. This fee will be 20% of the local labor and local material costs you incur– not including items supplied by us or our approved vendor (the "20% Fee") - if the upgrades (transfer, renewal, or Re-Opening) are for improvements that are less than a "TUPSS 2000 Remodel," which means upgrades not requiring a new Center design. However, if the 20% would exceed $5,000, you would have to pay only the $5,000 fee. This fee is not refundable.

Design Fee

You must pay our then current Design Fee to prepare a general Center design. Payment is due when you sign your Franchise Agreement. The current Design Fee is $1,050 in connection with your purchase of a

new The UPS Store franchise. Please see Item 6, footnote #16 for a description of the Design Fee in other situations. This fee is not refundable.

Initial Marketing Plan (IMP) Fee

You must pay the then current IMP Fee when you sign your Franchise Agreement (applicable for newly constructed and conversion of Traditional Centers; not applicable to renewing Franchises; optional for purchasers of existing franchised Centers). You must pay the IMP Fee for re-opened Centers unless we waive the requirement. We will waive the IMP Fee for qualified Multiple Center Owners for new Center sales that are booked by the end of April 2016. We or our designated vendor will manage disbursement of the IMP Fee to support your Center's initial marketing plan. Details regarding the IMP are set forth in the Operations Manual and may be updated from time to time. The current IMP Fee paid to us is $7,500 ($4,000 for centers developed under the Rural Program). This fee is not refundable.

Proprietary Software and Technology-Related Fees

As more fully described in Items 7 and 11, you must license our proprietary software from us. Applicable fees are currently as follows:

One-Time Per Franchise Proprietary Software License Fee (New Franchise Only) $4,750

($3,750 if you are purchasing your second franchise, $2,750 if you are purchasing your third or greater franchise, and $2,750 if you are acquiring a Center franchise under our Rural Program.) If you are purchasing your second or greater franchise, you may seek financing for this fee as described in Item 10 of this disclosure document. However, the fee discounts do not apply to Site Development Program ("SDP") franchises, which are described below.

Annual Technology Development and Support Fee (New Franchise and Transfers) $1,150

The Annual Technology Development and Support Fee must be paid each year, including when your Franchise Agreement begins. If you are purchasing your second or greater franchise, this fee is reduced from $1,150 to $1,050 per Center so long as all of your Centers pay this fee one time annually (not monthly billing). This fee is $1,050 if you acquire a Center franchise under our Rural Program. In the future, this fee is subject to change. Potential fee discounts do not apply to Site Development Program franchises.

One-Time Per Franchise POS Vendor Software License Fee $500

If you are purchasing a new, re-opened, or existing (transfer) franchise, you must pay to vendor iShip a $100 iShip set-up fee.

You must participate in and be connected to our Virtual Private Network ("VPN"), which is our proprietary online communications system. See Items 7 and 11 for more details. No fee above is refundable.

Training Fees

To understand your training fees, you must first understand the basic structure of our training requirements. See Item 11 of this disclosure document for a more detailed description of our New Franchisee Training Program. In summary, in all instances except one (described below), our Franchise Agreement requires that your Center be operated full-time by a "Primary Operator" (who may be you or a Center employee) who must successfully complete all parts of our New Franchisee Training Program.

Our New Franchisee Training Program consists of: (1) Web-Based Training (WBT); (2) the In Store Experience (ISE) (5 days for ISE I and 5 days for ISE II) – where you train in a The UPS Store; and (3) the 9-day University Business Course (UBC) (including 3 days of Print Services Training) held at our The UPS Store University located at our Headquarters in San Diego, CA.

As detailed in Items 11 and 15 of this disclosure document, there is only one instance where your Center's day-to-day operations do not need to be managed full-time by a Primary Operator who completed the New Franchisee Training Program. This is where you are an "Active" Multiple Center Owner (MCO). An MCO is someone who has an ownership interest (*i.e.*, even 1%) in the franchise rights of at least 2 Centers and has a controlling ownership interest in the franchise rights of at least one of these multiple Centers. By "Active," we mean that you are an MCO that devotes full time and attention to overseeing the performance of all your Centers.

If you are an Active MCO and do not wish for one or more of your Centers to be operated by a Primary Operator, then each Center without a Primary Operator must be overseen and supervised by a "Certified Operator," *i.e.*, the individual who (1) works full time on premises in the Center and helps oversee the Center's day-to-day operations and (2) has successfully completed all assessments, Web-based training, and Certified Operator Training (COT). COT is held at a local/regional Certified Training Center and provided by a Certified Trainer and must be completed no later than 30 days after your newly franchised Center opens or you acquire ownership of an existing (*i.e.*, "transfer") Center. If you are not an Active MCO, you may (but need not) enroll a Center employee(s) in COT subject to space available in the COT class and the employee's satisfying the prerequisite eligibility criteria for COT. Also, if you are an "Absentee" MCO (*i.e.*, an MCO who either does not work in any Centers or works as a Primary Operator in only 1 Center), each of your Center's day-to-day operations must be overseen and supervised on premises by a Primary Operator.

All first-time MCOs (including "Active" MCOs) must attend and successfully complete our "Multiple Center Owner Workshop" (MCOW) no later than 6 months after your newly franchised or re-opened Center opens or you acquire ownership of an existing (*i.e.*, "transfer") Center. This currently is a 4-day program held at our Headquarters in San Diego, CA. You must complete MCOW: (1) even if you (or your Primary Operator) previously successfully completed the New Franchisee Training Program; and (2) even if you are not, or do not intend to be, an "Active" MCO (*i.e.*, you have, or will have, a Primary Operator for each of your Centers).

You are required to attend, or have at least one supervisory employee who works full time at the Center attend, and successfully complete all parts of the Print Services Training program. Alternatively, you may successfully complete, or have a supervisory employee successfully complete, the Print Services evaluation/training administered by a Certified Trainer for a designated fee. Each Center must have at least 1 supervisory employee who works full time at the Center attend and complete all parts of the Print Services Training program. If the supervisory employee who attended and successfully completed all parts of the Print Services Training program is no longer employed at the Center, you must have a replacement as soon as possible, in no event more than 60 days.

For new or re-opened franchises, all training fees are paid when you sign the franchise agreement. They are not refundable. For purchases of existing (transfer) Centers, all applicable training fees are collected at the close of escrow. If for any reason the training fees are not collected at these times, they must be collected before attendance at any of the training programs. You will also be responsible for all travel and living expenses you or your Center's employees incur in attending any of our training programs.

2. Multiple Center Owner and Certified Operator Training Recurring and Escalating Late Fees

It is critical for you (or, as applicable, your supervisory employee) to timely attend and successfully complete MCO Workshop, Print Training, and COT training by the deadlines stated above. If you do not do so, your training fees (see charts above) already paid will not be refunded (*i.e.*, we will retain them), and you must pay us additional recurring and escalating late fees up to the original training fee amount (which is not refundable), as detailed below. These fees will be charged to you via EFT. You would be required to re-register for MCO workshop (and/or, as applicable, COT training).

Site Development Program ("SDP")

From time to time, we or an Area Franchisee signs (as tenant) a Center lease at a location we have accepted with the intention of later assigning or sub-letting such lease to a qualified third party franchisee.

When TUPSS is the SDP Lease's Tenant/Assignor

When we are the tenant of the location, we may (but need not) offer you the opportunity to assume the lease. You need not assume the lease unless you want that location. We usually assign (and, in some cases, sublet) such leases to franchisees before the build-out of the leased Centers. In these cases, the Center's build-out must be done by the franchisee that assumes the lease from us. We do not sign Franchise Agreements "with ourselves" in connection with SDP leases. Instead, you would simply purchase a new franchise, and we would assign the SDP Center lease to you. There would be no franchise "transfer process" in the SDP lease assignment from us to you.

When an Area Franchisee is the SDP Lease's Tenant/Franchisee

If and when an Area Franchisee is the tenant of an SDP location that we have accepted, such Area Franchisee may (but need not) offer you the opportunity to assume the lease. Again, you need not assume the lease unless you want that location. If an Area Franchisee transfers (with our consent and waiver of our right of first refusal) the SDP Center's lease and franchise rights more than 6 months after the Center has opened for business to the public, then such transfer is subject to the normal (non-SDP) transfer process described in our Franchise Agreement. This would include the payment of all transfer-related fees (see Item 6), *i.e.*, Transfer Fee, Processing Fee, and Pro-Rated Renewal Fee for Transfers (all non-refundable).

However, if an Area Franchisee transfers to you (with our consent and waiver of our right of first refusal) the SDP Center's lease and franchise rights either before, or up to 6 months after, the Center has opened for business to the public, then such SDP transaction is a "hybrid" combination of certain requirements that apply to "Traditional" franchisee-to-franchisee transfers and certain requirements that apply to newly-constructed franchises that we sell. The following is a description of this unique hybrid transaction.

1. Even though the assignment of an SDP lease and franchise rights to you is a type of franchise "transfer," neither the Area Franchisee seller nor you, as SDP buyer, must pay us the following types of transfer-related fees so long as your purchase is completed either before, or up to 6

months after, the SDP Center has opened for business to the public: Transfer Fee, Processing Fee, or Pro-Rated Renewal Fee for Transfers.

2. If you are purchasing an SDP franchise (and assuming an SDP lease) from an Area Franchisee, then your purchase price will consist of: (a) most or all of the Area Franchisee's out-of-pocket expenses associated with the SDP lease (*e.g.*, security deposit and rent paid) and its SDP franchise rights ($29,950 Initial Franchise Fee, a portion of which Area Franchisee receives for services rendered); and (b) in most (but not all) cases, a reasonable amount that compensates the Area Franchisee for the value provided, and the risks incurred, in holding such SDP Center lease available for assignment to you (all non-refundable)**.**

3. If you purchase an SDP franchise (and assume an SDP lease) from an Area Franchisee, you also must pay directly to us (and not to your Area Franchisee) the following fees which apply to all newly-constructed franchises: the Design Fee, the Initial Marketing Plan Fee, and the Training Fees (including MCOW, if applicable). These 3 fees must be paid to us when you sign your Franchise Agreement. Additionally, you must pay the following fees directly to us after you sign your Franchise Agreement: One-Time Per Franchise Proprietary Software License Fee, Annual Software Development and Upgrade Fee, and POS Software License Fee. (If you purchase an SDP franchise (and assume an SDP lease) from an Area Franchisee, you need not pay us an Initial Franchise Fee.) None of these fees are refundable.

4. Even if the SDP Center may have been opened for up to 6 months before you purchased it from an Area Franchisee, you need not pay a "Pro-Rated Renewal Fee for Transfers," and your Franchise Agreement term will be a full 10 years.

5. At times, this disclosure document distinguishes between costs of a "newly constructed Center" or a ''new franchise," on the one hand, and an "existing Center" or "existing franchise rights," on the other hand. If you assume an Area Franchisee's SDP lease and franchise rights before (or up to 6 months after) the SDP Center's opening to the public for business, you would incur all or (depending upon the amount of build-out completed by the Area Franchisee before the assignment) some of the build-out costs associated with ''newly constructed" Centers disclosed in Item 7 of this disclosure document, even though you would be purchasing "existing franchise rights."

Referral Fees

If, after you become and remain one of our franchisees, you complete and send us a "referral brochure" or other approved paper or electronic form that clearly identifies you and your Center number as the party making the referral and responsible for referring to us a prospective franchisee for a new domestic The UPS Store Center (not as part of a transfer), and your referral actually purchases a franchise for a new Center, you will receive a referral fee from us. If submitting a paper form, you must send us the original referral brochure; faxes are not acceptable. Our current policy is to "thank you" for the referral by having you receive $5,000 if a new Traditional Center is involved and $2,000 if a new Rural Center is involved. (We do not pay referral fees for Non-Traditional Centers or Access Model Centers.) We reserve the right, in our sole and absolute discretion, to change the amount of this referral fee. We may end or change this policy, and impose rules and conditions, whenever we choose. We do not expect or want you to be involved in the sales process at all. As one of our existing franchisees, you simply are passing along to us the name of someone you know who might be interested in acquiring a new franchise.

Finder's Fee [1, 8]	The greater of $11,980 or 10% of your Center's sales price	Upon sale of your Center	See Footnote 8, including how this may be a Broker's Fee.
Finance Charges [1, 3]	Highest annual rate allowed under applicable law.	Upon demand	Billed on all items that exceed 42 days or later.
Design Fee[1,16]	$250, $660, or $1,050	Upon demand and always prior to commencement of our Center Design for you	See Footnote 16
Non-Compliance Fee	Currently $250**,** but we may charge up to $1,000	When billed	Due if you deviate from our requirements. This compensates us for administrative and management costs, not for our damages due to your default.

Footnotes to Item 6 Chart:

1. Except as noted above, all fees are imposed and collected by and payable to us. No fee is refundable. Except as noted, all fees currently are uniformly imposed.

2. In exchange for services rendered, Area Franchisees (if applicable) receive from us 50% of all royalties paid to us by franchisees located in their Area Franchise territory.

3 Interest begins from the date of the underpayment.

4. You must maintain the types and minimum amounts of insurance (naming us and our designated Affiliates as additional insureds) that we specify in your Franchise Agreement or the Manuals. You may obtain additional insurance as you desire. Insurance policies may not be amended or canceled without at least 30 days' prior written notice to us. You must provide certificates of insurance evidencing coverage on an ongoing basis.

5. Except for Family Transfers, this fee does not apply if transferring 50% or more of ownership interest. This fee also does not apply if the sale of less than 50% of ownership interest would transfer controlling interest of franchise. (Example: A owns 49%, B owns 20% and C owns 31%. Sale of C's 31% interest to B would effectively transfer controlling interest of the franchise from A to B. These situations would all be treated as a "transfer," be governed under Section 11 of the Franchise Agreement, and require payment of a Transfer Fee, Processing Fee, and a Pro-Rated Renewal Fee for Transfers.)

6. Section 11.7(e) requires payment of the ''then-current'' Incorporation Fee. Such amount may be more than $350 at some time in the future, and that amount would then apply.

7. Paid to us by existing franchisees that are selling their Centers or wish to know what their Centers' required upgrades (computers, equipment, fixtures and decor – exterior and interior) would be if they were to sell their Centers and transfer their franchise rights. If such existing franchisee does not proceed with such a franchise transfer within 12 months of such Upgrade Evaluation, then we will keep the Upgrade Evaluation Fee as earned. If, however, such existing franchisee does proceed with such a franchise transfer within 12 months of such Upgrade Evaluation, then such Upgrade Evaluation Fee will be applied as a credit against the monies owed to us as indicated on the final demand and account breakdown. The amount of upgrades we determine in the Upgrade Evaluation will be valid for a 12-month period following the Upgrade Evaluation, subject to any changes in price or our requirements. An additional $500 Upgrade Evaluation Fee would be required only if such second Upgrade Evaluation is conducted more than 12 months after the first Upgrade Evaluation. If a second Upgrade Evaluation Fee is paid, it would be credited against the monies owed to us as indicated on the final demand and account breakdown if the Center transfers within 12 months.

8. If and when you wish to sell your Center, you will be permitted (but not required) to retain our (or, if we authorize, our designee's) services to assist in your efforts to identify potential purchasers of your Center. You then must sign our approved form of Finder's Agreement with us or our designee who has been given access to our proprietary database of franchise applicants. We or, as applicable, our designee will undertake best efforts, but there is no guaranty that we or our designee will be able to introduce you to a purchaser for your Center. The Finder's Agreement specifies when a Finder's Fee would be owed by you (as seller or "transferor") to us or our designee. Your Finder's Fee will always be an amount that is the greater of 10% of your Center's purchase price or 40% of the then-current Initial Franchise Fee for a first-time franchise (as of April 30, 2015, 40% of the $29,950 Initial Franchise Fee is $11,980), except that if your heirs or representatives seek to sell your Center in the event of your death or incapacity, this fee will be reduced to 25% of our then-current Initial Franchise Fee for a first-time franchise (*i.e.*, 25% of our current $29,950 is $7,487.50). As noted in Footnote 9 below, if you do not pay a Finder's Fee to us or our designee, the Processing Fee for the sale of your Center will be $4,000. Where permitted under applicable law, we or our designee (such as our Area Franchisee) may offer to represent you (the franchise transferor) as a business resale "broker" and not merely as a "finder." In such case, your using such services would remain optional for you, and the amount of the "Broker Fee" you would pay us or our designee (such as our Area Franchisee) would not be greater than the maximum amount of the Finder's Fee defined above.

9. Sections 5.1(b)(ii)(A-C) and 11.3(f)(i-iii) of your Franchise Agreement specify that the following fees (referenced in this Item 6 chart) must be paid in connection with a transfer of a franchise: Transfer Fee, Processing Fee and Pro-Rated Renewal Fee for Transfers. These fees must be paid to us, whether by the seller (transferor) and/or the buyer (transferee). Section 5.1(b)(ii)(A-C) applies if you are the buyer (transferee) because it modifies your Initial Franchise Fee payment obligation, and Section 11.3(f)(i-iii) applies if you are the seller (transferor).

   These fees are all defined in Section 23 of your Franchise Agreement. The current Processing Fee is listed as $4,000 or $1,000. If a Finder's Fee (see Footnote 8 above) is paid by the seller (transferor) in connection with a franchise transfer where the purchaser (transferee) has been disclosed with this disclosure document, the amount of the Processing Fee is $1,000. If a Finder's Fee is not paid to us or our designee by the seller

(transferor) in connection with a franchise transfer where the purchaser (transferee) has been disclosed with this disclosure document, the amount of the Processing Fee is $4,000.

10. Subject to modification by us from time to time, if the prime rate falls below 5%, then only for purposes of calculating our loan interest rates, the Prime Rate will be fixed at 5%.

11. a. Until further written notice from us, your requirement to contribute 2.5% of your Center's monthly STR to the NAF will not exceed a certain fixed dollar maximum amount ("NAF Cap") on such contributions. As of April 30, 2015, your NAF Cap is as follows:

January through November	$1,576 per month
December	$3,136 per month
ANNUAL NAF CAP	$20,472

b. We reserve the right at any time, upon written notice to you, to change the formula we use for adjusting the NAF Cap.

12. A majority vote of the franchisee members of your DMA Co-op will determine the fee's fixed-dollar amount. However, we may require DMA Co-op fees of 0.5% of your Center's STR (if this is more than the fixed-dollar amount). Also, if 51% or more of the franchisees in your DMA Co-op vote to increase the fee to more than 0.5% of STR, they may do so up to a cap of 3% of STR. The DMA Co-op's fees will not be changed more than once per year.

13. See Franchise Agreement Section 11.2(e) and Section 23 for a description of a "Family Transfer."

14. Allowable Exclusions from "Subject to Royalties (STR)" include deposits, international customs duties, money orders, money transfers, public service payments, outsourcing to other centers, sales tax, UPS Saturday delivery charges (if not marked up at point of sale), stamp and metered mail cost, iShip fees, and other exclusions as specified in the Center Operations Manual. Other exclusions not listed in the manuals must be approved in advance by TUPSS in its sole and absolute discretion.

15. If you are purchasing an existing (transfer) Center, please note as follows. We require that you and your seller utilize the services of a third party escrow company or escrow attorney ("Escrow") to administer certain aspects of our franchise transfer process, including exchange of monies. You and your seller may use only the third party Escrow vendor designated by us or our Area Office. The fees for this service charged by the Escrow third party must be paid by you and/or your seller. The amounts of these Escrow fees vary depending upon the particular location (geographic market) and possibly upon other factors.

16. If you renew your franchise rights, you must pay us a $660 Design Fee for any changes in the Center's general design. In all other situations, the Design Fee currently is $1,050. If we prepared the design for the Center (for which you already paid our Design Fee) and you want to change any aspect of the design, you must pay us an additional $250 for each change in the design plans. In all instances, the Design Fee is non-refundable.

FOOTNOTES

1. Start-up expenses may be lower under the Non-Traditional site Program and may be higher in markets such as Manhattan, NY. Please refer to Item 7 of our Non-Traditional FDD for the estimated initial investment if you wish to develop a Center at a Non-Traditional site.

We estimate that the total range of start-up expenses under the Rural Program (the 2nd chart) is from approximately $139,673 to $254,562. However, a franchisee's actual costs will vary depending on, among other things, whether the landlord covers some of the build-out costs and the condition of the site at which you plan to operate the Center. In addition to the reduced franchise fees under this program (see Item 5), there are cost reductions (described in the footnotes below) in the area of required equipment. The actual costs for Centers participating in this program will, like all Centers, vary depending upon individual circumstances. These Rural Program cost estimates are also provided in connection with the disclaimer listed below under the heading "General."

GENERAL

We have prepared these estimates based on our experience, which is primarily in establishing and operating Centers. Except as expressly indicated otherwise in the chart above, these estimates describe your initial cash investment up to the opening of your Center. They do not provide for your cash needs to cover any financing you incur or your other expenses. Further, they do not include royalty amounts payable each month to us. You should not plan to draw income from the operation during the Center's start-up and development stage, the actual duration of which will vary materially from Center to Center and cannot be predicted by us for your Center (and which may extend for longer than the 3-month "initial phase"). We cannot guarantee that you will not have additional expenses starting the business.

You must have additional sums available, whether in cash or through a bank line of credit, or other assets which you may liquidate or against which you may borrow, to cover other expenses and any operating losses you may sustain, whether during your start-up and development stage or beyond. The amount of necessary reserves will vary greatly from franchisee to franchisee, may be more than the "Additional Funds" amounts described in footnote 11, and will depend upon many factors, including your Center's rate of growth and success, which in turn will depend upon factors such as the demographics and economic conditions in the area in which your Center is located, your ability to operate efficiently and in conformance with our procedures and methods of doing business, and competition.

Under certain circumstances, an existing franchised Center's franchise agreement terminates with the possibility of a new franchisee commencing operations at the Center under a new franchise agreement (*i.e.*, not through our transfer process). Such "Re-Openings" may not incur many of the build-out and related costs specified in this Item 7 chart that are incurred with newly constructed Centers. However, in these situations, we condition our sale of such Re-Opened new franchises on the franchisee's promise to upgrade such Center's image, computers and equipment to our specifications as if such Center were acquired through our transfer process. Additionally, the purchaser of a new franchise at an existing location may have challenges that are not faced by purchasers of new franchises at newly constructed sites, including delays in setting up accounts with vendors, the need to pay cash to vendors for a period of time, and the need to obtain releases of liens from the previous owner's business creditors. In the past, purchasers of new franchises at such existing locations have accepted these challenges, presumably based upon their conclusion that such challenges were outweighed by the fact that their total start-up costs (including initial franchise fee and cost of upgrades) would often be less than if they would have acquired the rights to such location through an asset purchase from the previous owner. We make no representation whether there would be any savings in any particular Re-Opening.

Our option fee, initial franchise fee, initial marketing plan (IMP) fee, software and technology fees, center development fee, and training fees are discussed in detail in Item 5 above. Some of these fees may be reduced if you qualify for MCO or other discounts.

2. Travel and Living Expenses While Training: You will incur expenses associated with The UPS Store University Training programs, including transportation, lodging and food. The cost will depend on the distance the trainee must travel and type of accommodations you choose and will increase if you send more than one trainee.

3. Real Property: A typical new Center generally occupies 800 to 1,800 square feet of interior space in vanilla shell condition, which includes finished ceiling, electrical panel, storefront, prepped demised walls, HVAC, lighting fixtures, electrical outlets and telephone wiring/panel installed for the Center. Cost per square foot of leasing commercial space varies considerably from region to region depending on the location and market conditions affecting commercial property. The figures on this line item represent the cost of the first 3 months' rent for most Centers ($1,500 to $6,000 per month) and the cost of a security deposit equal to one month's rent ($1,500 to $6,000). {Some landlords require a security deposit equal to 2 or more months' rent.} Some urban markets – especially Manhattan Borough, NY – can have Center rents of $5,000 to $11,000 per month for a smaller than usual site. Some rural markets can have Center rents less than the "low" figure listed on this line item. These numbers represent a typical landlord/tenant relationship. There is considerable variance, from market to market, regarding whether real estate taxes, insurance and common area maintenance (CAM) are charged to the Center via "net lease" or included in rent via a "gross lease."

4. Leasehold Improvements, Etc.: You will need to install modular fixtures and make other Leasehold Improvements as listed below. Construction costs in some areas of the country may exceed these estimates. All construction work done in a Center build-out must be performed by a TUPSS-approved state trade licensed and bonded company in the required area, *e.g.*, fixtures, installations, exterior signage, electrical, etc. If local law requires your Center's design drawings to receive an architectural seal before submitting them for permitting, your general contractor must hire an architect for you who meets local certification or similar requirements. Although most new Centers do not require architectural services, those that do incur fees ranging from approximately $150 to $8,100, and such fees will typically appear on your construction bid.

*Some markets may experience 10% to 40% higher costs with regard to labor, leasehold improvements and other related construction costs. Not all centers incurred costs for each and every category. Costs in the columns for Traditional Low and Rural Low show the lowest incurred cost above $0.

**The "Traditional" number ranges above reflect the costs of all Traditional Centers built out during 2014 for which we received cost ledgers. The highest total build-out cost of $167,089 was recorded for a center that had an expense

of $18,960 for HVAC and $24,366 for electrical. The average costs are $4,883.80 for HVAC and $6,328.59 for electrical. Less than one-half of centers have expenses for HVAC for our build-out.

***The numbers in this last line-item reflect (for the time period measured) the actual lowest amount of costs incurred by a franchisee, the actual highest amount of costs incurred by a franchisee, and the actual average amount of costs incurred by all franchisees.

****The rural number range and average reflect, with one exception, the cost of all Rural Centers built out during 2014 for which we received cost ledgers. The one exception was a Rural Center that had a non-standard build-out cost of $201,064.40. This Center required uncommon investment for vanilla shell preparation of $97,730, general labor cost of $38,820, and contractor overhead of $21,250.

5. Mandatory Computer Equipment and Installation.

   a. POS System: 2 units required for new, re-opening, and existing transfer franchises and for renewals; approximately $3,332 to $3,914.

   b. Back Office computer (with monitor): 1 unit required per Center. Approximately $900 to $1,200.

   c. Print Production computer (with monitor and TUPSS Image (i.e. configurations)): 1 unit required per Center. Approximately $1,161.

   You must purchase POS System hardware, Back Office Computer(s), Print Production computers, and PinPad devices solely from us.

   A one-time technology installation fee ranging from $1,140 to $2,440 is payable to us. This fee covers in-center networking and the set up and networking of the POS System, Back Office computer(s), and Print Production Computer. You must use only the TUPSS-approved vendor for all technology installations. Additional computers will be set up and networked for an additional $300 per system. Freight shipping costs for your opening order of computers is $640 to $1,066 plus taxes where applicable. For further explanation about computers and software, please see Item 11.

6. Other Mandatory Equipment: You must purchase or lease certain items of equipment. We offer financing for equipment and fixtures as described in Item 10. The following are our mandatory equipment packages. The estimates in this chart are for lease (3 months) of equipment. Items 3, 4, and 8 below are included in the "Copiers and Printers" line-item in the Item 7 chart. The remaining items are included in such chart as "Other Equipment." Item 9 below (see vii for more details) describes the recommended print services equipment specifications and their estimated costs, which are above and beyond the current minimum requirements for mandatory print services equipment. Because we are in the process of exploring a possible major enhancement to the print services offered by The UPS Store Centers, we reserve the right during your franchise term to convert these recommended specifications to minimum mandatory specifications and to require you to then come into compliance by paying for, installing, and using such upgraded equipment.

10.	Media Device	(viii)
11.	Alta Pak or MINI PAK'R®	(ix)
12.	Mettler-Toledo scale (2)	(x)

(i) The estimated price will be $71 ($40 under the Rural Program) per month if leased (with a 15% down payment), or $3,550 if purchased ($1,464 if purchased under the Rural Program).

(ii) If you lease your fax machine, the price ranges between $8 and $19 per month. The price to purchase is approximately $300.

(iii) Black and White Digital Multi-Function Printer (MFP). You will need, at minimum, one black and white digital copier. The minimum acceptable speed for any black and white copier will be 50 copies per minute. Monthly equipment charges vary depending on the equipment and program chosen and number of copies run. If you lease a 50 copies per minute black and white copier, your price ranges between approximately $175 and $480 per month. Purchase prices range between approximately $8,500 and $19,800 per copier to meet or exceed our minimum mandatory specifications. This black and white digital copier must have a TUPSS-approved interfaced controller that enables printing of computer files in black and white directly to the black and white digital copier. An automated document-folding machine is also required if not included on your black and white copier, and estimated purchase price for this machine is $645. Recommended (but not currently required) for black and white printers are the in-line stapling and document folding unit. The estimated purchase price for these items ranges from $1,400 and $3,525. The combined monthly lease price for these items is estimated to range between $30 and $98.

(iv) Color Digital Multi-Function Printer (MFP). You will need, at a minimum, one mid-range, 30 copies per minute color laser copier. Color copier monthly equipment charges vary depending on the equipment and program chosen and number of copies run. If you lease this equipment meeting our minimum specifications, your price ranges between approximately $250 and $500 per month. Purchase prices range between approximately $12,000 and $25,500. This color laser copier must have a TUPSS-approved interfaced controller that enables printing of computer files in full color and black and white directly

to the color laser copier. Recommended (not currently required) for color printers are the in-line stapling and document folding unit. The estimated purchase price for these items ranges from $1,550-$3,600. The combined monthly lease price for these items is estimated to range between $30 to $325.

(v) Virtual Private Network (VPN). You must participate in and be connected to our Virtual Private Network ("VPN"), which is our proprietary online communications system, in the manner specified in our Manuals and as is updated from time to time. VPN access requires a dedicated Broadband connection through an Internet Service Provider (ISP) service, the cost of which varies considerably from market to market. Other methods of connectivity are permitted to our VPN only when we determine that Broadband connection (DSL, cable, or T-1) is not possible at your Center. Otherwise you must access our VPN via a Broadband connection with at minimum a single static public Internet Protocol (IP) Address with an IP Gateway on the same subnet. Broadband connection requires your purchase from our approved vendor(s) (if any) of DSL or cable or T-1 or other service that satisfies our Broadband specifications. (Estimated monthly Broadband service fees vary significantly by vendor and by types of services selected). Also note: your service provider may require additional charges to you associated with ordering or installing the actual communication circuit from the service provider and required circuit termination equipment.

Regardless of how you access our VPN via Broadband or other approved method, you must satisfy these additional requirements:

(1) Your Center's POS System, Back Office Computer(s), and Print Production Station must be ''wired'' and networked in accordance with our specifications;

(2) The following equipment must be installed by a TUPSS-approved vendor:

(a) A TUPSS-approved 8-Port Ethernet Switch, Estimated Purchase Price: $55. A TUPSS-approved 16-Port Ethernet Switch is recommended, Estimated Purchase Price: $105

(b) TUPSS-approved VPN communication equipment: Netscreen, Estimated Purchase Price: $550 (for Broadband)

Due to the rapid changes in VPN-related technology and our ongoing efforts at developing and improving such technology, we anticipate that (1) we may approve alternative or additional vendors, products and services for VPN technology, and (2) the above estimated prices may vary and change considerably depending on numerous market factors.

(vi) Required print finishing equipment consists of TUPSS-approved binding equipment, a commercial stack cutter, a laminator, and start-up supplies. Lease payments range between $167 and $242 per month. The purchase price ranges between $1,597 and $5,725. Postage Meter must be leased or rented or you have the option to use an approved online postage system, Endicia, with postage printer at approximately $40 to $113 per month.

(vii) Recommended (Subject to Later Requirement) Print Finishing Equipment Specifications:

(1) If you did not purchase printers with this recommended (but not initially required) print finishing (*i.e.*, the in-line stapling and document folding unit)

equipment included, you must purchase these items separately if and when we convert this from a recommended to a required specification. The estimated combined purchase price for the in-line stapling and document folding unit is $2,500 and the combined monthly lease for these 2 items is estimated to range between $51 and $73.

(2) A TUPSS-approved commercial business card slitter for creating on-demand business cards. 10-up or 12-up configurations are acceptable. The price to purchase an approved slitter starts at approximately $100 to $2,000. The monthly lease of this item is estimated to be $67.

(viii) You must have a media device to store and move a file or files from a remote computer to your in-Center local area network. An example of such a device would be a "thumb drive" or a "jump drive." Approximate price is $30.

(ix) Alta Pak's estimated price is $150. This device dispenses packing peanuts. MINI PAK'R's estimated price is $625. MINI PAK'R is a bubble-wrapping machine that replaces traditional packing peanuts.

(x) The estimated price of the 2 scales, which weigh in pounds and ounces, is $1,088.

(iv) Packaging Materials
Large retention insert (minimum of 5 inserts)
Small electronic retention insert (minimum of 5 inserts)

8. Utility Deposits: We estimate that you will need to provide deposits for utilities. Deposits depend on the practices of the utility company. You must also register your business with the local county, along with fictitious name and other requirements of your local or state government. These entities may charge a fee for such registration. You also may be required to pay state sales tax and a refundable UPS deposit.

9. Insurance: The figures in the Item 7 chart are expenses calculated on a yearly, per center basis for a small business-owners package policy (property and liability) premium. Insurance costs vary based on many factors such as coverages and limits selected, insurance company chosen, and your Center's building construction, fire protection, and other individual risk characteristics. Also, there is a considerable variance of insurance costs from market to market. For example, a limited number of urban and coastal Centers can have premiums in the $5,000 to $10,000 range. Your costs will increase if you purchase other lines of insurance, which may possibly be required by your state's law.

10. Additional Funds: This estimates the funds needed to cover your initial expenses for the first 3 months of operation (other than the items identified separately in the table). It includes payroll costs but not any draw, salary, or living expenses for you. However, this is only an estimate, and it is possible that you will need additional working capital during the first 3 months you operate your Center and for a longer time period after that. New businesses often generate a negative cash flow. High cost markets such as Manhattan, NY might be double the amount estimated here. This 3-month period is not intended, and should not be interpreted, to identify a point at which your Center will "break even." We cannot guarantee when or if your Center will break even. Your costs will depend on your management skill, experience, and business acumen; local economic conditions; the prevailing wage rate; competition; and your Center's revenues (STR) during the initial period. We have relied on our many collective years of experience in our industry to compile these estimates. You should review all figures in this Item 7 carefully with a business advisor before you decide to acquire the franchise. Except as provided in Item 10, neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on the availability of financing

generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt service obligation.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except as described below, there are no goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate or comparable items related to establishing or operating your Center that you currently must buy or lease from us (or an affiliate), from designated or approved suppliers, or according to our standards and specifications**.**

Goods, Supplies, Inventory and Services

You must adhere to our System in operating your Center. We reserve the right to approve all supplies not provided by us but which contain or use our Marks. When your Center opens for business, you must stock and display the initial inventory of products, accessories, equipment, supplies, and technology (including hardware, software, and external components) specified in the Manuals. At all times, you must stock and display the specified inventory in quantities needed to meet reasonably anticipated consumer demand. You must participate in and comply with the terms and conditions of the Corporate Retail Solutions (CRS) Program, which may be available online, and any aspect of our E-Commerce Program that we designate as mandatory.

As a The UPS Store franchisee, you obviously will feature, and offer to your customers, various UPS shipping services in operating your Center. UPS will be the preferred carrier of choice for your franchise per the UPS Incentive Program Contract Carrier Agreement (Exhibit K to the Franchise Agreement). When you sign the Franchise Agreement, you also will sign the UPS Incentive Program Contract Carrier Agreement with UPS, which will contain certain shipping, pricing, and procedural requirements for offering and selling UPS shipping services. You must comply with this Contract Carrier Agreement because an uncured or incurable default under, and resulting termination of, the Contract Carrier Agreement likewise will result in the termination of your Franchise Agreement.

Equipment & Fixtures

You must purchase and install, at your expense, all fixtures, furnishings, equipment, decor, and signs we direct. You must purchase and install at your Center only fixtures, furnishings, equipment, decor, signs, or other items that are supplied either directly by us or by our approved vendors. We are an approved supplier of some of these products, and you must purchase these items from us or our approved vendors. Among the most important of our requirements is that you use only our approved vendors for your print services equipment.

Technology Equipment and Software

As more fully described in Item 11, you must install and use exclusively at your Center the computer hardware and software we designate. You also must participate in and be connected to our Virtual Private Network ("VPN"), which is our proprietary online communications system. You also must license from us and install and use our Proprietary Software System.

You must participate in certain programs we designate (for example, our Corporate Retail Solutions Program as set forth in Section 7.5 of the Franchise Agreement and our E-Commerce Program set forth in Section 7.6 of the Franchise Agreement). In order to participate in such programs, you may need to obtain or upgrade certain equipment (such as a specific POS System), software, facilities, policies, procedures, and skills. You must comply with our data security requirements.

Advertising

You may not use any advertising or marketing materials until we have authorized them in writing.

You must comply with the Social Media requirements, as described in our Social Media policy (or otherwise in writing), in connection with technology-based, franchise-related social networking. "Social Media" includes participation in common social network Web sites like Facebook; professional networking sites like Linked In; live-blogging tools like Twitter; file, audio and video-sharing sites; online comment boards and review sites, and other social networking or media sites or tools. We periodically may, in our sole discretion, determine which Social Media activities are approved (or not permitted) for franchise-related social networking. Social Media is an evolving area and we anticipate ongoing changes and updates to the Social Media policy. You also must comply with our email marketing policies.

Records

All bookkeeping and accounting records, financial statements, and reports you submit to us must conform to Generally Accepted Accounting Principles and meet our requirements.

Insurance

You must maintain insurance as required by the Franchise Agreement and the Center Operations Manual. Required insurance includes commercial general liability insurance, "special perils" coverage on your business personal property, including equipment, fixtures and supplies at your Center, employers' liability and workers' compensation insurance, commercial hired and non-owned auto liability coverage, and commercial auto liability coverage for vehicles titled in your business name. If you fail to obtain and maintain any required insurance, we may purchase it on your behalf at your expense. The Center Operations Manual specifies: (1) all then-current types of minimum required insurance coverages; (2) all then-current minimum amounts of required insurance coverage; and (3) your need to list us as an additional insured, franchisor grantor, and loss payee.

All insurance must be placed with a reputable insurance company licensed to do business in the state in which the Center is located and having a Financial Size Category equal to or greater than XV and Financial Performance Rating of "A-" or higher as assigned by Alfred M. Best and Company, Inc.

Approval Process

If you desire to purchase or lease any products or services from other than TUPSS-approved suppliers, or if you desire to purchase or lease other than specified products or services from a TUPSS-approved supplier, you must submit to us a written request for approval of the proposed supplier together with such evidence of conformity with specifications we reasonably require. We may require that our representative be permitted to inspect the supplier's facility and that samples from the supplier be delivered for evaluation and testing, either to us or to an independent testing facility we designate. We may require that you pay a charge not to exceed the reasonable costs of evaluation and testing. (See Item 6) Our criteria for supplier approvals are contained in the Manuals. We will, within 60 days after our receipt of the completed request or completion of the evaluation and testing (if required by us), notify you in writing whether we approve or disapprove the proposed supplier. We will not unreasonably withhold our approval; however, we do reserve the right to limit the number of approved vendors servicing our franchise network. You must not order or sell any products or services of the proposed supplier until you receive our written approval of the proposed supplier.

We may from time to time revoke our approval of particular products or suppliers. Upon receipt of written notice of revocation, you must stop ordering and/or selling any disapproved product and stop

purchasing from any disapproved supplier; you must use products purchased from approved suppliers solely for the purposes of operating your Center and not for any other purpose. You must maintain in sufficient supply (as we may require in the Manuals or otherwise in writing), and use at all times, only such fixtures, furnishings, equipment (including computer hardware, software, copy machines, telephone, and fax machine), signs, products, materials, and supplies conforming to our standards and specifications.

This process that allows us to consider (and possibly approve) your proposed use of alternative suppliers does not apply, and is not available, to suppliers of products and services used in the construction, build-out, remodeling or image/décor of your Center.

You must not purchase products containing our and our affiliates' protected logos or marks unless the supplier has been authorized and licensed to reproduce the logos, names and Marks.

Modifications

Our mandatory specifications, standards and operating procedures are described in the Manuals. We may modify the Manuals at any time. Modifications will become effective upon publication on the The UPS Store Hub or as we otherwise specify in writing.

Categories Of Goods And Services for Which We are The Only Approved Supplier or An Approved Supplier

We are the only approved supplier of fixtures, graphics, mailboxes, computers and peripherals, certain software, window signs, acrylics, technology installations, security gates and storefront signage. We will derive revenue from the sale of these products. There are no purchasing or distribution cooperatives for any of the items described above.

Precise basis by which we will or may derive revenue or other material consideration as a result of required purchases or leases:

During our last fiscal year, we had revenues of $163,456,492. Of this amount, approximately $27,773,410, or approximately 17% of our total revenues, consisted of revenues from selling or leasing to franchisees equipment and supplies for their Centers and for the right to use our Proprietary Software and POS System and Back Office Computer(s).

We do not provide any material benefit to you (for example, granting additional franchises) for purchasing particular products or services or using particular suppliers. We do negotiate purchase arrangements with several suppliers (including price terms) for copiers, carpet, corrugate, receipt paper, uniforms, service brochures, window shades, business cards, stationary, software, rubber stamps, shredding services, credit card processing services, loan facilitation services, postage meters/services, floor mats, finishing equipment, printers, fax machines, copy controls, greeting cards, specialty packaging, communication services, security systems, and hiring services. In doing so, we and our affiliates seek to promote the overall interests of the franchise system and our interests as the franchisor.

Although we are the only approved supplier for our Proprietary Software and the POS System and Back Office Computer(s), we will receive revenue from certain approved vendors or suppliers. Of our last fiscal year's $163,456,492 in revenues, approximately 2.7% consisted of revenues from vendor or supplier administrative fees. These administrative fees are usually calculated based upon a percentage of total franchise purchases, *i.e.*, not flat fees (typically ranging from 0% to 5% of total franchisee purchases).

The estimated proportion of required purchases and leases to all purchases and leases by the franchisee of goods and services in establishing and operating the franchise business:

Your purchase or lease of products and services under our specifications will represent approximately 54% of the total estimated cost to establish and approximately 95% of the total estimated cost to operate the franchised business.

All of our officers identified in Item 2 own shares of UPS stock. UPS is a supplier of shipping services to you.

During its last fiscal year (2014), UPS earned $529,800,920 in gross revenues from selling UPS shipping services to our U.S. network of franchises. During their last fiscal year (2014), our affiliates named as follows earned the following amounts in gross revenues from selling services (as specified) to our U.S. network of franchises: (1) iShip, Inc. (iShip software and service): $8,383,823; (2) UPS Capital Corp. (customized declared value coverage): $14,238,722; and (3) UPS Freight (freight shipping): $3,992,305.

ITEM 10
FINANCING

Except as provided below, we do not offer direct or indirect financing and do not guarantee your note, lease, or obligation. We cannot determine whether you will be able to obtain third-party financing for all or any part of your investment nor predict the financing terms if you in fact are able to obtain financing. Currently, we do not receive direct or indirect payment from any person or entity in exchange for his, her, or its obtaining or placing financing for you.

TUPSS occasionally provides financing for qualifying prospective franchisees or prospective Multiple Center Owners under our guidelines, including our Premier Ownership Program. We reserve the right to add, change or delete any financing programs at any time. (Our Premier Ownership Program is an incentive program designed to reward franchisees who operate role-model Centers and will, in our judgment, enhance the overall value of the The UPS Store network. The Premier Ownership Program is open to individuals who own, directly or indirectly, a majority equity interest or an equally shared majority equity interest in the franchise rights of 2 or more Centers, each of which meets and maintains the Premier Ownership Program's operational standards and excellence requirements. These requirements cover, among other things, vendor compliance, hours of operation, uniform and financial compliance, financial planner submission, image compliance, and participation in all required profit center categories.)

We may offer you financing for your initial equipment for up to $50,000 of the initial costs of equipment and fixtures financed through an equipment lease with us. A copy of our present standard form of equipment lease is attached to our Franchise Agreement as Exhibit G. Our standard form lease provides for a term of up to 5 years with payments due monthly, plus a nominal lease-processing fee. Our lease financing provides the following parameters. If the Prime Rate (as that term is defined below) quoted on the business day before the lease's effective date is lower than 5%, then our lease financing rate will be 9% (a "floor rate" of 5% plus 4% over such "floor rate"). If the Prime Rate is 5% or greater, then our lease financing rate will be such Prime Rate plus 4%. If you default, we may repossess the leased items and terminate the equipment lease agreement. We require a security interest in your Center's assets and any leased equipment. From time to time, in our sole discretion, we may require additional collateral in order to facilitate approval and mitigate the risk in a transaction. Franchisees satisfying our Premier Ownership Program eligibility requirements benefit from a reduced lease rate (Prime Rate or 5% floor rate, whichever is higher, plus 2%, plus waiver of the lease fee.

In our discretion, we may offer Multiple Center Owners loans in amounts up to 100% of the cost to purchase additional existing Centers (up to $150,000), or up to 100% of the cost to build out additional Centers (up to $150,000) (franchise fee and working capital cannot be financed), bearing interest as follows. If the Prime Rate is lower than 5%, then our Multiple Center Owner financing rate will be 7% (a "floor rate" of 5% plus 2% over such "floor rate"). If the Prime Rate is 5% or greater, then our Multiple Center Owner financing rate will be such "Prime Rate" plus 2%. Rate adjusts annually January 10th each calendar year based on the Prime Rate quoted on the first business day of each calendar year. Maximum annual change of interest rate is plus or minus 1%, with a maximum life of loan change in interest rate of plus or minus 5%. The floor or lowest Prime Rate allowed is 5%. All Centers owned by the franchisee would be collateral for the loan. The loan is fully amortized over 8 years. Franchisees satisfying our Premier Ownership Program eligibility requirements benefit from a reduced interest rate (Prime Rate, subject to a 5% minimum) plus 0% or 1% depending on how many Centers the franchisee then owns. Also, the franchisee has 2 repayment options: Interest-only for the first 12 months and then an 84-month amortization period or a 96-month amortization period. We would waive the 1% loan fee, though the franchisee is responsible for the cost of all UCC related fees and all applicable taxes. All Centers owned by the franchisee would be collateral for the loan.

In our discretion, we may offer TUPSS 2000 remodel loans, under which we will loan up to $75,000 to qualifying franchisees to remodel their Centers, bearing interest as follows. If the Prime Rate is lower than 5%, then our TUPSS 2000 remodel financing rate will be 6% (a "floor rate" of 5% plus 1% over such "floor rate"). If the Prime Rate is 5% or greater, then our TUPSS 2000 remodel financing rate will be the Prime Rate plus 1%. The term of these loans is up to 66 months. Rate adjusts annually January 10th each calendar year based on the Prime Rate quoted on the first business day of each calendar year. Maximum annual change of interest rate is plus or minus 1%, with a maximum life of loan change in interest rate of plus or minus 5%. The floor or lowest Prime Rate allowed is 5%. All Centers owned by the franchisee would be collateral for the loan.

For all of these financing programs, if you qualify, you must sign our then-current forms of Secured Promissory Note, Security Agreement, and General Release. Our current forms of Secured Promissory Note and General Release in Connection with Financing are attached to this disclosure document in Exhibit 11. Our current form of Security Agreement is attached to the Franchise Agreement as Exhibit F. The franchisee (and all Owners if the franchisee is an entity) must personally guarantee the debt. The debt will also be secured by the assets of all Centers currently owned, as well as the assets of any Centers subsequently acquired, by the franchisee borrower. The debt can be prepaid at any time with no prepayment penalty. As specified in the Secured Promissory Note, you have potential liability upon default, including the acceleration of all sums due, and responsibility for our attorneys' fees, late fees, court costs, and other reasonable collection costs.

Events of default under the Security Agreement include failure to pay any monies due under the Franchise Agreement, any promissory note, or the equipment lease; breach of any other contractual obligation; false or misleading representations under the Security Agreement; loss or destruction of the collateral; liens on the collateral; bankruptcy or insolvency; and declines in the collateral's value. If you default under the Security Agreement, we have all rights available under the Uniform Commercial Code and also may accelerate the maturity of any notes payable to us, take possession of the collateral, sell the collateral, and take over the franchised business.

We do not have any past or present practice or intent to transfer, assign, discount, or sell to a third party, in whole or in part, any note, contract, or other instrument signed by any franchisee, but we reserve the right to do so in the future. There are no waivers of defenses by you in the Franchise Agreement, Equipment Lease, or Security Agreement. However, under the Promissory Note you waive demand, presentment for payment, notice of nonpayment, notice of protest, and the right to assert any setoffs or counterclaims. The term "Prime Rate" means the prime rate as published from time to time in the Money Rates section of The Wall Street Journal or, if such rate is no longer published in The Wall Street Journal, a comparable index or reference rate selected by us in our sole discretion. The Prime Rate may not necessarily be our lowest or best rate.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance. We may delegate some of the following obligations to any one or more of our Area Franchisees (though, as explained in Item 1, you may or may not have the services of an Area Franchisee) or to approved vendors.

Pre-Opening Obligations. We have the following obligations to you before you open your Center for business:

1. (Not applicable to renewing franchises or purchasers of existing franchised Centers.) After we receive your completed site review package, proposing a particular site for your Center, we will review such completed package and either accept or reject the proposed site, typically within 14

days. You are solely responsible for selecting your Center's site. Our acceptance is not a guarantee or other assurance that the site will necessarily be successful. The factors we consider in accepting locations include visibility and accessibility, traffic patterns, parking, size, physical characteristics of existing buildings and lease terms. It is your responsibility to secure a site accepted by us under a lease or real estate purchase contract. We do not lease Center sites to franchisees. Your lease (or real estate purchase contract) must state, among other things, that its terms are subject to our acceptance. We will perform all of our other obligations set forth in the Franchise Agreement and, if applicable, Center Option Agreement. Such option-related obligations are, in summary: (1) grant of option upon execution of Option Agreement and payment of Option Fee; (2) review (and acceptance or rejection) of your proposed real estate contract (typically a lease) for your proposed Center(s) called for under your Option Agreement; (3) review of other information regarding proposed site; (4) review of your financial and operational qualifications; (5) counter-execution of your Franchise Agreement(s) and related documents if and when you have satisfied pre-requisite criteria; and (6) we will attempt to first resolve any dispute arising under the Option Agreement through non-binding mediation. The Option Agreement provides that if you do not submit to us a site that satisfies (in our sole judgment) our site criteria by the deadlines set forth in the Option Schedule, then the Option Agreement is subject to termination and we will keep your entire Option Fee. (Franchise Agreement, Section 3.1, 3.2; Option Agreement, Sections 1.1, 2.2, 3.4, 3.5 and 7.2)

2. (Not applicable to renewing franchises or purchasers of existing franchised Centers.) After we receive the completed pre-construction forms and as-built drawings for your Center location, we will provide you with a Center design. (Franchise Agreement, Section 3.3)

3. Your Area Franchisee (if you have one) or one of our employees or approved vendors will coordinate your Center's construction. This person is the Center Development Coordinator. You must use a licensed and bonded general contractor provided by your Center Development Coordinator for the actual build-out of your Center. Completed construction must satisfy our specifications and comply with all applicable laws, including local building codes. (Franchise Agreement, Section 3.4)

4. We will give you electronic access to our confidential Manuals (including all revisions), which are available on the The UPS Store Hub, to use during the franchise term. The Manuals contain our standard operational procedures, policies, rules and regulations with which you must comply. (Franchise Agreement, Section 7.2) The Table of Contents of our Operations Manual (as of the end of our most recent fiscal year) is listed below.

5. We will license you our Proprietary Software. See discussion below under "Computer Systems" heading. (Franchise Agreement, Section 7.1 (f); Software License Agreement)

6. Shortly after you send us certain required initial marketing information, we will develop a plan to use your Initial Marketing Plan fee.

7. We will provide our Pre-Opening New Franchisee Training Program:

We offer you a multi-phased New Franchisee Training Program that focuses on developing the business management, technical, conceptual and diagnostic skills necessary to grow your franchised business. Following an introductory Web-based training ("WBT"), there are 2 basic parts to our New Franchisee Training Program: (1) the In Store Experience ("ISE") Parts I and II, each of which is 5 days; and (2) the University Business Course ("UBC"), which is 9 days in San Diego at our The UPS Store University. Our Vice President of Learning and People Services, Kevin Foley, supervises our New Franchisee Training Program and all of our other training programs for franchisees and Center employees.

See Item 15 of this disclosure document for a description of who must complete our pre-opening New Franchisee Training Program. In summary, with one exception, each Center's day-to-day operations must be overseen and supervised by a "Primary Operator" who first must have successfully completed our New Franchisee Training Program. This Primary Operator may be you or your supervisory employee who does not own any of your Center's franchise rights. The single exception is that if you are an "Active MCO," as defined in the Franchise Agreement, your newest Center's day-to-day operations may be overseen and supervised by a full-time, on-premises employee who is a "Certified Operator;" *i.e.*, has successfully completed our Certified Operator Training ("COT") program.

English Proficiency: To be eligible for ownership of a franchised Center, the controlling owner of the Center's franchise rights must demonstrate to our satisfaction that he/she can proficiently read, write and converse in the English language. We may require an English proficiency test, administered by either us or a testing firm we retain. This English proficiency requirement applies (a) even if the controlling owner of the Center's franchise rights is not the Center's Primary Operator and (b) also to the Center's Primary Operator or (if applicable) the Center's Certified Operator.

We provide a comprehensive set of instructional materials and methods for use in our New Franchisee Training Program.

The following list is an overview of our New Franchisee Training Program curriculum. This program is facilitated approximately 12 times per year. Web-based training modules (completed before in-store training) and in-store training are scheduled to precede and follow the University class training. The second week of the In Store Experience, ISE II, can be completed no earlier than 4 weeks before the Center's projected opening date.

References to "Off-site" mean anywhere you have an online connection.

Post-Opening Obligations. We have the following obligations to you during your Center's operation:

1. We will make available to you for a license fee, and subject to other terms and conditions described in the Manuals and Software License Agreement, computer systems and software and periodic upgrades. These include systems for accounting, administration, financial reporting and manifesting. These software systems and their terms of use are set forth in the Manuals and Software License Agreement. (Franchise Agreement, Section 4.2; Software License Agreement, Exhibit E) You must comply with our data security requirements.

2. If you request, we will provide reasonable continuing consultation and advice regarding your Center's operation by telephone, fax, The UPS Store Hub, or other electronic means. In our sole

discretion, we may send a representative to your Center to discuss your Center's operation with you. (Franchise Agreement, Section 4.2)

3. In our discretion, we will present periodic supplemental or additional training programs and refresher courses for all franchisees and their supervisory employees (mandatory or optional, in our discretion). You must pay all travel and living expenses and compensation for you and your supervisory employees to attend training programs, though we may also make available distance learning over the Internet. You must pay our then-current reasonable charges as set forth in the Manuals. (Franchise Agreement, Section 4.1(e)).

4. We will develop and provide you with advertising and promotional materials for local and regional marketing, for publication or reproduction and distribution at your expense. We reserve the right to be reimbursed for our costs of producing such materials. (Franchise Agreement, Section 4.2)

Post-Opening Training

We may, from time to time, offer additional learning programs for ongoing education. We reserve the right, in our sole and absolute discretion, to require additional (*i.e.*, post-opening) training for you (the franchisee) and/or your supervisory employees working in your Center(s).

As noted in Item 5 of this disclosure document, all first-time Multiple Center Owners ("MCOs") (including, "Active" MCOs) must attend and successfully complete our "Multiple Center Owner Workshop" (MCOW), no later than 6 months after you sign your Franchise Agreement. This currently is a 4-day program held at our Headquarters in San Diego, CA. You must complete MCOW: (1) even if you (or your Primary Operator) previously successfully completed the New Franchisee Training Program; and (2) even if you are not, or do not intend to be, an "Active" MCO (*i.e.*, you have, or will have, a Primary Operator for each of your Centers).

We will make various learning materials and programs available to you for use in training employees working in your Center. We strongly encourage you to utilize these programs and in some cases may require their use. We will offer a variety of continuing education programs, including online learning programs via the Learning Center, Internet, regional training workshops and networking meetings. We encourage you to attend all of these programs and in some cases may require your attendance.

While not obligated to do so, we ordinarily conduct meetings and/or seminars to provide additional guidance to our franchisees in marketing, advertising, equipment, technology and business management. We are responsible for our own costs incurred in setting up these meetings and/or seminars. You are responsible for all of your costs associated with transportation, food and lodging. Although not obligated to do so, we also customarily hold a franchisee convention no less frequently than every 24 months. Attendance at the franchisee convention is strongly encouraged. You must attend, at your expense, all networking meetings held by our Area Franchisees (if one exists for your Center) or us in the areas where you have Centers. So, for example, if you have Centers in more than one area, you must attend the networking meetings held in each area.

Advertising

National Advertising Fund

You must contribute to the National Advertising Fund (''NAF'') for all The UPS Store Centers (see Item 6). We have decision-making control of all NAF activities and (except as provided below) expenditures for as long as the NAF remains in existence, including the creation and production of all advertising and marketing concepts and materials and their geographic, market, and media placement and allocation.

We have established the Marketing Advisory Council ("MAC"), comprised of members representing area franchisees, franchisees, and us, with a chair elected by the members. Subject to our candidate eligibility criteria and other MAC policies and rules that we may periodically update, franchisees and area franchisees elect their own representatives to participate in the MAC. The MAC is governed by bylaws that may be amended periodically as provided in the MAC's charter. The MAC serves only in an advisory capacity concerning the NAF's administration and operation, except that the MAC has the right to determine whether the NAF should pay for the media plans proposed, created, and to be implemented by us. Your Operations Manual contains additional information regarding the NAF and MAC. We have the power to change or dissolve the MAC as provided in its charter.

All franchisees operating The UPS Store Centers contribute to the NAF at the same rate. Any and all The UPS Store Centers that we currently own, or may own in the future, must contribute to the NAF on the same basis. The NAF may be audited at our discretion; otherwise, its statements are unaudited. The NAF's financial statements are available for review upon written request. We do not receive any payment for providing goods or services to the NAF. If total NAF contributions exceed the expenditures by NAF in any fiscal year, the excess will be retained in the NAF for future advertising expenditures. No portion of the NAF is used for advertising that is principally a solicitation for the sale of franchises.

The media used for advertising products or services offered by Centers may include Internet, television, radio, print, direct mail, and sales collateral material. Coverage is local, regional and national. The source of the advertising includes our in-house Marketing/Advertising department, a national advertising agency, and, optionally, regional advertising agencies. Our national advertising agency advises us on strategy direction for advertisements. (Franchise Agreement, Section 8) NAF monies need not be spent in any manner that is proportionate or equivalent to NAF contributions from particular The UPS Store Centers or in any geographic area. We have no obligation to spend any NAF funds in your market. If we terminate the NAF, unspent monies will be distributed to The UPS Store franchisees in proportion to their respective NAF contributions during the preceding 12-month period.

NAF contributions were used as follows in 2014: 65% for media placement, 12% for production, 8% for administrative expenses, and 15% for other (including co-op advertising).

The UPS Store Marketing Fee ("Marketing Fee")

We collect a Marketing Fee of 1% of "Subject To Royalty" or "STR" (as discussed in Item 6), which we use for public relations and other marketing activities, including research and development, testing, and pilot programs to promote the sale of existing or new products and services which could potentially produce revenues for Centers; for promotional programs to assist specific franchises; for promoting the sale of new franchises; for marketing research; and for similar matters. We have complete discretion as to the use and allocation of these funds, which may be used to pay direct program costs and/or overhead expenses related to the activities above. Any and all The UPS Store Centers that we currently own, or may own in the future, must contribute a Marketing Fee on the same basis. However, any The UPS Store Centers operated by UPS or its subsidiaries (other than us) need not contribute a Marketing Fee on the same basis.

Advertising Co-Ops

1. The standard for establishing market-wide co-ops is the television Designated Market Area (DMA) as measured by ACNielsen Corporation, an independent media research and measurement company. DMAs are ACNielsen's geographical assignment of exclusive TV markets defined by counties.

The DMA co-op uses funds raised by monthly dues paid by its members and provides meaningful input and recommendations to the national advertising agency and us for the purpose of collective regional

advertising, public relations and marketing programs promoting The UPS Store brand and its products and services. The use of funds by DMA co-ops will vary from co-op to co-op.

Monthly dues are determined by a majority vote of the DMA co-op membership, but we reserve the right to modify co-op dues as set forth in the Co-op Bylaws. Co-op monthly dues must be sent directly to us via electronic funds transfer by the date specified (see Item 6). Franchisees in a DMA co-op contribute at the same rate. Any The UPS Store Centers we operate in a DMA co-op area would contribute to the co-op on the same basis as franchisees. You may review unaudited statements and records regarding the DMA co-op's activities.

When signing the Franchise Agreement, The UPS Store franchisee automatically becomes an active member of the co-op assigned to the local DMA. Participation in the DMA co-op is required as specified in The UPS Store Advertising Co-op Guidebook, which includes Co-op Bylaws; Media Guidelines; sample forms/reports; operational procedures and other materials relating to the DMA co-op's administration and operation. We can control the DMA co-op's operation and periodically modify the Co-op Guidebook as we deem best. You must comply with Co-op Guidebook changes.

We can have the DMA co-op changed, dissolved or merged with another The UPS Store advertising co-op whenever we think best. We reserve the right to determine and control the DMA co-op's advertising materials, activities, selection of advertising agency and expenditures.

The NAF and the Marketing Fee are utilized to produce creative, purchase nation-wide advertising and develop Local Store Marketing tools and resources. The DMA co-ops are required to use marketing materials, including creative, we designate.

2. Starting in 2011, we provided co-ops made up of 10 or fewer Centers with the opportunity to be designated a "self-managed" DMA co-op. A majority vote by the DMA co-op members is required to implement the change. The sole difference between a standard DMA co-op and a "self'-managed" DMA co-op is as follows: The members of a "self-managed" DMA co-op provide input and recommendations to us (and not to the national advertising agency) for the purpose of only regional and/or local (not collective) advertising, public relations and marketing programs promoting The UPS Store brand and its products and services; and we may implement an alternative (or optional) method for receipt of funds for marketing purposes. We reserve the right to terminate a DMA co-op's "self-managed" designation upon 60 days' written notice. The Co-op Guidebook has been updated to reflect this change.

Center Web Sites

In order to promote and maintain a consistent brand image and message, we provide each Center with a standard, single page Web site for the purpose of advertising its location, contact information, operating hours, and products and services. Franchisees who are interested in developing a more robust, customized Web site may do so only through the TUPSS-approved vendor for customized Web sites. Franchisees may not develop their own Web sites relating to their respective franchises or product and service offerings.

Franchisees may not register their own domain names relating to their respective franchises, especially domain names using a trademark or trade name of UPS or us, including, without limitation, such names as United Parcel Service, UPS®, The UPS Store®, UPS Store, Mail Boxes Etc.®, Mail Boxes, or any words or letters that are confusingly similar, including "TUPSS."

While Center Web pages are our property, franchisees may customize these Web pages and sites to reflect the products and services offered at their respective Centers. However, all such customizations must

conform to our Web site guidelines, the policies we impose in Franchise Agreements, the Center Operations Manual, and other documents or releases.

Length of Time to Open Franchised Business

We estimate that the typical length of time between signing the Franchise Agreement and opening the franchised business will be 60 to 120 days (immediately if you are renewing or signing the Franchise Agreement in connection with a transfer). Factors which may affect this time period include Center design approvals and the ability to procure and install equipment and computers, make acceptable financing arrangements, obtain any required approvals and zoning and building permits, and resolve other factors bearing on construction.

Computer Hardware

See Item 7, Footnote 5 for a detailed description of the computer hardware you must purchase. As noted in Item 7, the cost of purchasing the required POS System is approximately $3,332 to $3,914. The purchase of these systems includes a standard 3-year uplift warranty on peripherals. The cost of purchasing a required Back Office computer is approximately $900 to $1,200. The cost of purchasing a required Print Production Computer is approximately $1,161.

Verifone MX 915 PIN Pad for each POS System (purchased from us)

Depending upon your communications service provider and our VPN specifications, which may be updated from time to time, additional VPN-related equipment may be necessary.

Hardware Maintenance

As of April 30, 2015, the vendor from whom we purchase computers for configuration and resale to franchisees provides a standard 3-year warranty with the peripheral and non-peripheral computer hardware. In the future, we may purchase computer equipment from vendors that do not offer such standard 3-year warranty but can be purchased for an additional fee. Pricing and specifications are subject to change due to technological and program changes.

In the long-term best interests of our System as a whole, we may revise our technology-related specifications from time to time. Consequently, you may be required to upgrade or update your computer system and data security policies and procedures. There is no contractual limitation on the frequency and cost of this obligation, though our industry reflects an update or upgrade for data security requirements every year and all other areas every 2 to 3 years. As described in Item 8 and in this Item 11, we will make available to you a computer software system. The hardware component of the system is described above. You have a contractual obligation to purchase and install ongoing upgrades to this system and to comply with all data security requirements we establish from time to time. There is no limitation on the frequency or cost of this obligation.

For a fee, you must also license from us our proprietary software package, costing (including related fees) as follows:

One-Time Per-Franchise Proprietary Software License Fee	$4,750.00
Annual Technology Development and Support Fee	$1,150.00

This Annual Technology Development and Support Fee must be paid each year, including upon the commencement of your Franchise Agreement. This fee is subject to reasonable increases from time to time.

Computer Software

Our proprietary software that must be purchased upon the build-out of your Center, included in the $4,750 fee, is: (1) Counter Manifest System (our affiliate iShip, Inc. is the licensor) (processes packages for shipping); (2) Mailbox Manager (tracks mailbox services); (3) Point of Sale System (POS) (processes daily customer transactions); (4) CMS Services (customized integration between the Counter Manifest System and POS System); (5) Z Services (customized integration between POS System and QuickBooks Pro); and (6) Corporate Retail Solutions Management System ("CAMS") (tracks Corporate Retail Solution transactions). There is also a separate POS software license fee of $500.

Commercially available software currently required for use in our systems, not included in the $4,750 fee, includes (1) QuickBooks Pro® (from us or local vendor); (2) Microsoft® Office Professional (from us or local vendor); and (3) Adobe® Creative Cloud or Adobe® Creative Suite® (only from local vendor).

We use a secure protocol to independently access your POS software and retrieve data in order to develop our databases, which will be used to further develop our products, services, marketing campaigns, etc. We reserve the right to use our secure protocol to automate royalty and other fee payment and reporting. There are no contractual limitations on our right to access this information. We may, as often as we deem appropriate (including on a daily, continuous basis), independently, remotely access the POS System and any and all other computer and technology systems you use to retrieve all other information regarding the Center's operation (excluding employee- and employment-related information).

ITEM 12
TERRITORY

You will be permitted to operate your Center at a specific location acceptable to us. Although we must accept your proposed site, the ultimate decision and final responsibility on whether to accept your Center's site and premises lease are yours. Our acceptance will be based upon various factors, including visibility and accessibility, traffic patterns, parking, size, physical characteristics of existing buildings and lease terms. You may not relocate the Center without our prior written consent, which we may grant or withhold as we deem best based on the particular circumstances and what is in the Center's and our system's best interests. Factors include, for example, the proposed market area, its proximity to other Centers, whether you are complying with your Franchise Agreement, whether you properly de-identify the old Center, and how long it will take you to open the new Center.

Your Franchise Agreement will have an attached map and written description that will describe a geographic area surrounding your Center (your "Territory"). There is no minimum territory size we grant you. Your Territory size depends on market factors in the area. We will establish your Territory's boundaries before you sign your Franchise Agreement. Boundary lines extend only to the middle of the boundary line of demarcation, *e.g.*, to the middle of a street or highway, and another Center may be located on the boundary line but outside your Territory. We may modify your Territory in our sole and absolute discretion when the agreement is transferred or renewed or if you relocate the Center during the franchise term. There are no restrictions on your soliciting or accepting orders from consumers outside your Territory. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. This is the case, in part, because we have the right to establish Non-Traditional sites in your Territory (see discussion below).

During your Franchise Agreement term:

a. Except as set forth below (and more specifically in Section 1.2 of the Franchise Agreement), neither TUPSS or its Affiliates will own or operate a Center (as defined in the Franchise Agreement) nor license or franchise others to do so at any site located within your franchise Territory (as defined in the Franchise Agreement).

b. Subject to "Franchisee's Right of First Refusal for Non-Traditional Site Development," we or our Affiliates may own or operate, or license or franchise others to own or operate, Centers at "Non-Traditional" sites (as defined in the Franchise Agreement) anywhere within your franchise Territory and regardless of the proximity to your Center (subject to limitations set forth in Section 1.3 of the Franchise Agreement). (For details regarding your "Right of First Refusal for Non-Traditional Site Development," see Section 1.3 of the Franchise Agreement. For information about our franchise offering for Centers to be located at Non-Traditional sites, see our Non-Traditional FDD).

c. We reserve for ourselves (and for our Designees) the exclusive, unrestricted right to produce, franchise, license, sell, distribute and market any products or services (under any brands, including our trademarks) from any Retail Outlets (including Traditional Centers or Non-Traditional sites) the physical premises of which are located outside your franchise Territory, regardless of (i) the Retail Outlet proximity to your Center, or (ii) whether or not such products or services are purchased by customers whose residences or places of business are located within your Territory.

d. We expressly reserve (for ourselves and our Designees) the exclusive, unrestricted right to sell, distribute and market any products or services (under any brands, including our trademarks) to customers (wherever located) through all Retail Outlets and other distribution channels physically located or otherwise operating within or outside the Territory (but not through Traditional Centers the physical premises of which are located within the Territory). For example, we (and our Designees) may utilize the following alternative channels or methods of distribution under this provision: the Internet and other electronic communications methods, mail order catalogs, direct mail advertising, and telemarketing. In addition, United Parcel Service, Inc. ("UPS") and its operating subsidiaries (but not including us) have the right to sell UPS products and services through customer counters, air service counters, drop boxes, and independently-owned businesses (Commercial Mail Receiving Agency ("CMRA") and non-CMRA) that also function as authorized shipping outlets but do not operate under the System, whether such alternative channels or methods of distribution are physically located or otherwise operating within or outside the Territory.

e. TUPSS and its Affiliates may, without any restrictions whatsoever, engage in any other activities they desire within or outside your franchise Territory that are not specifically prohibited above or elsewhere in your Franchise Agreement, including the activities described in Sections 1.2 (c) and (d) of your Franchise Agreement.

We need not compensate you if we engage in any of the activities described above. Continuation of your territorial rights described above does not depend on your achieving a certain sales volume, market penetration, or other contingency. We have the right to modify your Territory's boundaries upon a transfer or renewal of your Franchise Agreement or if you relocate the Center during the franchise term. Except as described above, you have no options, rights of first refusal, or similar rights to acquire additional franchises. We may allow you, in our sole and absolute discretion, to operate a permanent or temporary kiosk location at any location so long as it is not within another franchisee's territory. STR from such kiosk locations is subject to the same fees as your Center and transactions from such locations must be reported through your Center.

Except for renewal franchises and purchasers of existing franchised Centers, you are (subject to our prior written approval) permitted to enter into a "Center Option Agreement" (see Exhibit 2) with us. In exchange for an option fee, you (the option holder) receive a protected option territory. Not all option holders become franchisees. This Center Option Agreement does not grant you any protected territory to operate a Center. If you (as option holder) did effectively exercise your option, you would sign a Franchise Agreement with a defined franchise "Territory" (see above). Your Franchise Agreement's territory would not necessarily match your option territory. In fact, it is likely that your franchise territory would be significantly smaller than your option territory.

ITEM 13
TRADEMARKS

The following "UPS" Marks are the primary Marks that you will use in operating your Center. All of them are registered on the Principal Register of the United States Patent and Trademark Office (USPTO).

Determinations: There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving the principal marks. We do not actually know of either superior prior rights or infringing uses that could materially affect your use of the Marks in any state.

Agreements: UPS Market Driver, Inc., one of our affiliates, has licensed the Marks to us for our franchise program. If we breach the license agreement and fail to cure the breach within 120 days after UPS Market Driver notifies us of the breach, UPS Market Driver may terminate the license agreement. We must pay royalties to UPS Market Driver, maintain the nature and quality of the Marks to the standards and specifications set by UPS Market Driver, protect the Marks, maintain sales records, maintain liability insurance, and not assign our license rights. UPS Market Driver has derived the right to use and sublicense the Marks from UPS of America (see Item 1), the owner of all the Marks. If either of the license agreements described above expires without renewal or is terminated while your Franchise Agreement still is in effect, you may continue using the Marks in operating your Center for the remaining term of your Franchise Agreement (and during any expressly granted and permitted franchise renewal terms) as long as you comply with all of your contractual obligations in operating the Center.

Branded Vehicle Program: If you seek to operate a branded vehicle to promote your franchised business, you must comply with the Branded Vehicle Program, which is detailed in your Center Operations Manual. This program has very strict requirements, including the type and condition of vehicles that qualify for participation, use of our vendors and approved graphics/materials for branding the vehicle, minimum insurance coverage, etc. There is no guarantee that your vehicle will be approved for the Branded Vehicle Program, which is an optional program.

Trademark Protection: If you learn of any alleged infringement of the Marks or challenge to your use of the Marks under the Franchise Agreement, you must notify us immediately. You may not settle or compromise any trademark claim. We have the right to defend, compromise or settle these claims at our sole cost and expense, using attorneys of our own choosing, and you must cooperate fully with us in defending these claims. We will bear your incidental legal expenses to participate in any action, except for the cost of your separate legal counsel if you elect to be represented by counsel separately. Both during and after the franchise term, you must not directly or indirectly contest, derogate, disparage or impugn any of our Marks. We may take any action (or no action) we deem best against trademark infringers. The Franchise Agreement does not obligate us to take any particular action against a trademark infringer.

If any legal action is brought against you by a third party alleging that your use of the Marks violates a third party's rights, we will indemnify you against (and reimburse you for) all directly related costs (including attorneys' fees) and damages for which you are held liable, so long as (i) you immediately notified us of the claim(s); (ii) your use of the Marks was fully authorized by us; (iii) you are not in default of your Franchise Agreement or any other agreement between you and us; and (iv) you execute any and all documents and do whatever is deemed necessary or advisable in our (or legal counsel's) opinion to protect our interests in the Marks.

Infringing Uses & Modification: As of this disclosure document's issuance date, we know of no superior rights or infringing uses which would materially affect your use of the Marks. We reserve the right, in our sole discretion, to designate one or more new, modified or replacement Marks for your use, or reduce the number of Marks available for your use, and, upon written notice from us, you must implement such new, modified or replacement Marks in addition to or in lieu of any previously designated Marks. Any expenses or costs associated with your use of any such new, modified or replacement Marks will be your sole responsibility.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or patent applications material to the franchise. You do receive the right to use copyrighted materials produced for Centers, including Proprietary Information, Confidential Information, and Trade Secrets (as those terms are defined in the Franchise Agreement) published in our confidential Manuals and other materials as well as proprietary computer software (See Item 11). We claim a copyright in numerous materials; some are registered with the United States Copyright Office, some are not. We intend to renew any copyright that is important for our business. You may use our copyrights only as we specify while you operate your Center (and must stop using them if we so direct you). There currently are no effective adverse determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials.

We do not actually know of any infringing uses of our copyrights that could materially affect your use of the copyrighted materials in any state. We and our affiliates need not protect or defend copyrights, although we intend to do so if in the system's best interests. We and our affiliates may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We and our affiliates need not participate in your defense and/or indemnify you for damages or expenses in a copyright proceeding.

You must treat the information contained in the software, Manuals and any other manuals or supplemental material we supply as confidential and use all reasonable efforts to maintain this information as secret and confidential. The software and Manuals are our property and you may not duplicate, copy, disclose or disseminate the contents of the software and Manuals at any time, without our

prior written consent. We may modify or supplement the software and Manuals upon notice or delivery to you. Upon the termination or non-renewal of your franchise, you must return all Manuals and software to us, because we own these materials. All information about our System revealed in the Manuals constitutes our Proprietary Information.

You must not, during or after the franchise term, communicate, divulge, or use for the benefit of any other person, partnership, association or corporation, any Confidential Information, Proprietary Information, Trade Secret, knowledge or know-how concerning your Center's method of operation which may be communicated to you or of which you may be apprised by virtue of your operation under the terms of the Franchise Agreement, including information, knowledge, or know-how regarding our System. You may divulge this Confidential Information only to those Center employees who must have access to it in order to operate your Center.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We do not require you to participate personally as the Center's direct, "on-premises" operator or supervisor of operations. However, with one exception described below, each Center's day-to-day operations must at all times be directly supervised full-time by an on-premises "Primary Operator," as that term is defined in your Franchise Agreement. Your Center's Primary Operator may be either: (1) you, as owner of some or all of the Center's franchise rights (either directly, or indirectly through a legal entity such as a corporation, LLC, etc.); or (b) your supervisory employee. All Primary Operators must first successfully complete our New Franchisee Training Program, described in Item 11 of this disclosure document. The only situation in which a Center's day-to-day operations need not be supervised by a Primary Operator is when a person proposed to own the new Center's franchise rights (directly, or indirectly through a legal entity) is an "Active MCO" whose supervisory employee has successfully completed our Certified Operators Training ("COT") program. "Active MCO" means a Multiple Center Owner that devotes full time attention to overseeing the performance of all of their (more than one) franchises but is not physically present full-time in any one of those Centers. Active MCOs opening a new Center may have that Center's day-to-day operations supervised by their supervisory employee who is the on-premises Certified Operator, *i.e.*, someone who has successfully completed COT. COT is described in Item 11, and we reserve the right to modify the content of the COT program in the future as we deem best. The Center's employees/managers need not have an equity interest in you or the Center. We do not restrict whom you may hire as the Primary Operator as long as he or she successfully completes our training program.

If you are a corporation, limited liability company, or partnership, your owners must personally guarantee, via your signed Continuing Personal Guaranty ("CPG"), your obligations under the Franchise Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations, including the covenant not to compete contained in the Non-Competition and Non Solicitation Agreement (Exhibit D to the Franchise Agreement). The CPG is Exhibit A to the Franchise Agreement.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use the premises solely for the operation of the Center; must keep the Center open and in normal operation for such minimal hours and days as may be specified by us; must refrain from using or permitting the use of the premises for any other purpose or activity at any time without first obtaining our written consent; and must operate the Center in strict conformity with the methods, standards and

specifications we may from time to time require in the Operations Manual or otherwise in writing. You must not deviate from such standards, specifications and procedures without our prior written consent. You must sell or offer for sale only such services and products expressly approved for sale in writing by us. You must sell or offer for sale all types of services and products specified by us and must not deviate from our standards and specifications without our prior written consent. We have the unlimited right to change the types of authorized business products or services you may sell.

Our System may be supplemented or modified from time to time. You must comply with all of our requirements, including offering or selling new and different products we specify. We impose no limitations on the customers to whom you may sell goods and services.

With two exceptions, you are free to offer the Center's products and services to your customers at any prices you wish. The first exception is that you may not charge customers more than the maximum retail prices designated by UPS for the various shipping services that the Center offers to its customers. UPS will specify these maximum retail prices in the Contract Carrier Agreement. (They will be based on the actual zone, weight, and service level of each individual package or letter.) In reliance on your following these maximum pricing guidelines, we will use our best efforts to ensure that UPS gives you discounts and incentives on your wholesale cost for such UPS services. These discounts and incentives also will be reflected in the Contract Carrier Agreement. UPS periodically may modify the required maximum retail prices for shipping services as well as the wholesale discounts and incentives. However, UPS will give you 90 days' prior written notice of any proposed change in its incentive levels. Maximum retail prices and wholesale discounts and incentives may differ among franchisees due to various factors, including the differing costs of doing business in different geographic markets such as Hawaii, Alaska and Puerto Rico.

The second exception is that we reserve the right, in our sole and absolute discretion, to designate a specific price or set your maximum retail prices for certain products and/or services that you sell to certain Corporate Retail Solutions ("CRS") customers. Your mandatory participation in all CRS programs is described in Section 7.5 of your Franchise Agreement.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This historical financial performance representation contains:

(1) the actual, average, annual adjusted gross sales (defined below) during each of the 2014, 2013, and 2012 full calendar years of all The UPS Store® Centers in the United States and Puerto Rico that (i) were in operation during the entire 2014, 2013, or 2012 calendar years (and reported their gross sales during the entire year), (ii) were in operation as of January 1 of the 2014, 2013, or 2012 calendar years and then operated until at least sometime in December of that calendar year (and reported their gross sales for the entire timeframe during which they operated), and (iii) opened sometime during January of the 2014, 2013, or 2012 calendar years and then operated until at least sometime in December of that calendar year (and reported their gross sales for the entire timeframe during which they operated); and

(2) as a component of that system-wide adjusted gross sales information, the actual, average, annual adjusted gross sales during each of the 2014, 2013, and 2012 full calendar years of the top-performing (in terms of adjusted gross sales) 5%, 10%, and 20% of the franchised The UPS Store® Centers in the United States and Puerto Rico that (i) were in operation during the entire 2014, 2013, or 2012 calendar years (and reported their gross sales during the entire year), (ii) were in operation as of January 1 of the 2014, 2013, or 2012 calendar years and then operated until at least sometime in December of that calendar year (and reported their gross sales for the entire timeframe during which they operated), and (iii) opened sometime during January of the 2014, 2013, or 2012 calendar years and then operated until at least sometime in December of that calendar year (and reported their gross sales for the entire timeframe during which they operated).

A The UPS Store® Center's adjusted gross sales in a particular year are included in the calculation of the

system-wide average adjusted gross sales during the 2014, 2013, or 2012 calendar years (subject to the qualifiers in 1(i) through (iii) and 2(i) through (iii) above) even if (i) that Center's ownership changed during the calendar year or (ii) the Center did not operate during one or both of the other calendar years represented in this historical financial performance representation.

Note: TUPSS has not independently audited this information.

[We owned and operated during 2013 one of the 4,306 total The UPS Store® Centers in operation during the 2013 Year.]

(c) The actual 2012 average adjusted gross sales of all The UPS Store® Centers in the United States and Puerto Rico (both franchised and company-owned) that were in operation and reported gross sales from January 2012 until December 2012 (the "2012 Year") were $401,921. Of the 4,256 total The UPS Store® Centers in operation and reporting gross sales during the 2012 Year, the adjusted gross sales of 1,825 Centers (43%) exceeded this average. [We owned and operated during 2012 one of the 4,256 total The UPS Store® Centers in operation during the 2012 Year.]

"Adjusted gross sales" (for purposes of computing the system-wide averages) are defined as a franchisee's total "gross sales" (not including sales taxes collected from customers), plus "gross commissions" earned, less certain permitted "exclusions."

- The term "Gross Sales" currently is defined in our Franchise Agreement as the total of all revenue derived from products and/or services sold by or through a Center during the franchise term, whether evidenced by cash, services, credit, property, barter, electronic funds transfer, or other means of exchange, and whether or not the products and/or services are sold in any other Center, including: (a) revenue from sales of any nature or kind whatsoever derived by a franchisee or by any other person or entity (including a franchisee's affiliates) from the Center; (b) sales of products and/or services in violation of the Franchise Agreement at locations other than the franchisee's permitted location (including a permitted Kiosk); (c) the proceeds of any business interruption insurance after satisfying any applicable deductible; (d) sales from vending devices, including pay telephones; (e) mail or telephone orders received or filled in or from the Center; (f) orders taken in or from the Center although filled elsewhere; (g) proceeds from insurance payments for theft of revenue if revenue was not previously reported on royalty reports; and (h) revenue received by a franchisee on account of its participation or involvement, whether mandatory or voluntary, in an E-Offering (including the Online Printing Program), irrespective of the particular products, services, or support actually made available by the franchisee in the E-Offering. "Gross Sales" includes UPS shipping costs that a franchisee receives from its customers.

- The term "Gross Commissions" currently is defined in our Franchise Agreement as the total amount of all commissions actually earned by a franchisee during the franchise term on account of those transactions occurring at the Center in which the franchisee acts as agent for certain vendors or service providers specified in the Manuals, for example, UPS Drop-Off Program compensation.

- Examples of permitted "exclusions" are Counter Manifest System Processing Fees and deposits toward products to be sold or services to be rendered.

Average annual adjusted gross sales are calculated by dividing total adjusted gross sales during the particular year for all The UPS Store® Centers in the United States and Puerto Rico that were—subject to the qualifiers in 1(i) through (iii) and 2(i) through (iii) at the beginning of this Item 19—in operation during that year (and reported their gross sales for the entire timeframe during which they operated) by the number of The UPS Store® Centers that were in operation during the timeframes described in 1(i) through (iii) and 2(i) through (iii) at the beginning of this Item 19 (and reported their gross sales for the entire timeframe during which they operated). These averages do not include the adjusted gross sales of 164, 153, and 157 The UPS Store® Centers that were in operation in the United States and Puerto Rico but did not operate during the specified portions of the 2014 Year, 2013 Year, or 2012 Year, respectively (and/or who did not report their gross sales for the entire timeframe during which they operated). The averages also do not include the adjusted gross sales of any of the Mail Boxes Etc. Centers that operated during all or part of the 2014 Year, 2013 Year, or 2012 Year, respectively.

The UPS Store® Centers whose annual average adjusted gross sales are included in the calculation reported above are located at both "Traditional" and "Non-Traditional" sites. All The UPS Store® Centers that were in operation during the specified portions of the 2014 Year, 2013 Year, or 2012 Year and reported their gross sales are encompassed in this financial performance representation no matter where they operated or their size. Traditional sites are highly visible locations in strip shopping centers or high foot-traffic downtown areas in urban, suburban, and rural markets. On the other hand, Non-Traditional sites are colleges, universities, hotels, convention centers, airports, resorts, military bases, self-storage facilities, inside other retailers ("store-within-store"), office buildings, regional or outlet malls, bus or train stations, and other similar facilities in urban, suburban, and rural markets. Of the 4,359 total The UPS Store® Centers counted for the 2014 Year, 4,189 were at "Traditional" sites and 170 were at "Non-Traditional" sites. Of the 4,306 total The UPS Store® Centers counted for the 2013 Year, 4,155 were at "Traditional" sites and 151 were at "Non-Traditional" sites. Of the 4,256 total The UPS Store® Centers counted for the 2012 Year, 4,123 were at "Traditional" sites and 133 were at "Non-Traditional" sites.

Corporate Retail Solutions Program Component of Centers' Adjusted Gross Sales

Corporate Retail Solutions (or “CRS”) means a program designed to provide special product and service offerings and/or business terms to employees, customers, clients and/or guests of, and/or other end users of our system’s products and services located at, designated corporate or other clients of ours or UPS, including for-profit and not-for-profit corporations, associations, and other business organizations, government agencies, educational and other institutions, and administrative bodies. Franchised Centers must participate in all services and programs we make available to every client in the CRS Program and follow all CRS Program work orders and instructions, which may differ among individual clients. The CRS Program component of a Center's adjusted gross sales includes transactions for distinctive (1) products, services, and business term processes and (2) discount card programs.

Additional Explanatory Notes Applicable to All The UPS Store® Centers

All of the Centers whose adjusted gross sales are included in the averages above are substantially similar to one another in terms of products and services offered and sold to the public. They also are substantially similar to The UPS Store® Centers we expect new franchisees to operate under new Franchise Agreements signed with us. We obtained the adjusted gross sales information for franchised The UPS Store® Centers from monthly royalty payments and reports received from franchisees. We have not independently audited that information.

Actual adjusted gross sales of The UPS Store® Centers vary widely. Numerous factors affect the gross sales of a particular The UPS Store® Center, including traffic count; site accessibility, visibility, attractiveness, and size; amount of time in business; local and regional economic and regulatory conditions; local competition; climate and weather; population density; the franchisee's management skill, experience, business acumen, work effort, and ability to promote and market a The UPS Store® Center effectively in the local market; and the degree of adherence to our standards, specifications, methods, and procedures in operating the Center.

Some The UPS Store® Centers have sold this amount. Your individual results may differ. There is no assurance that you will sell as much. Written substantiation of all financial performance information presented in this Item 19 will be made available to you upon reasonable request. This financial performance representation was prepared without an audit. Prospective franchisees or sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his/her opinion with regard to their contents or form.

The adjusted gross sales numbers reported above do not reflect costs of sales, operating expenses, or other costs or expenses that you must deduct from gross sales to obtain your net income or profit. A non-exclusive list of the types of expenses a franchisee might incur includes: (1) labor costs, including taxes and benefits; (2) shipping costs; (3) cost of goods sold; (4) advertising and marketing expenses; (5) rent, utilities, and common area maintenance and other charges to occupy the Center's premises; (6) training costs; (7) costs of maintenance, insurance, security, and supplies; (8) royalties and other payments due to us; (9) debt service; (10) professional fees; and (11) taxes. You might incur other costs, which will vary from Center to Center and in different market areas.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Donald L. Higginson, The UPS Store, Inc., 6060 Cornerstone Court West, San Diego, California 92121, (858) 455-8800, the Federal Trade Commission, and the appropriate state regulatory agencies.

Franchisees signed confidentiality clauses during the last 3 fiscal years. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with our franchise system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you. Less than 1% of our entire franchise system (current and former franchisees) signed confidentiality clauses during any of our past 3 fiscal years restricting them from discussing with you their experiences as a franchisee in our franchise system.

We have a The UPS Store Franchisee Advisory Council ("FAC"). The FAC's officers are The UPS Store franchisees. These officers are elected by their peers (*i.e.*, their fellow The UPS Store franchisees), and there are regularly scheduled FAC elections that we help to administer. We established FAC and cover FAC officers' reasonable, approved FAC-related expenses (*e.g.*, travel to meetings). The FAC's mission is to represent the collective interests of our The UPS Store domestic franchisee community and to advise us on a wide variety of business initiatives, programs and priorities facing our The UPS Store franchise system. You can receive the contact information (*i.e.*, names, business phone numbers, email addresses, business mailing addresses) of the elected FAC officers by calling us at (858) 455-8800 and asking for our Franchise Services Department, as FAC does not have its own separate address.

The following independent franchisee organizations have asked to be included in this disclosure document: The UPS Store Area Franchisee Association at afaboard@theupsstore.com and the National TUPSSO Franchise Owners Association at Association@tupssofoa.org, 19785 W 12 Mile Rd., Southfield, MI 48076, (248) 559-1690.

4. Consolidated Statements of Cash Flows for each of the 3 years in the period ended December 31, 2014; and

LOCATION OF FRANCHISEE'S THE UPS STORE® CENTER:

THE UPS STORE CENTER NO. _____

IN THIS AGREEMENT, CAPITALIZED WORDS AND PHRASES SHALL HAVE THE MEANINGS SET FORTH IN SECTION 23.

TUPSS (either directly or through its Affiliate) owns and has the right to license certain Marks, including "The UPS Store," the distinctiveness and value of which are acknowledged by Franchisee;

TUPSS has developed and continues to develop know-how and a comprehensive System for operating Centers which provide from retail locations, or elsewhere at TUPSS's direction and/or with its prior written consent, authorized postal, packaging, shipping, business, communication, and other goods and services;

TUPSS has developed and continues to develop and provide services, sales development programs and other related benefits for use by its franchisees under the Marks and System;

Franchisee acknowledges substantial goodwill and business value in the Marks, System and services, and Franchisee understands and accepts the importance of TUPSS's Standards and Specifications for quality, appearance, and service to the value of the System, and the necessity of operating Franchisee's business activities in conformity with the System as it exists now and as it may be modified from time to time; and

Franchisee desires to acquire from TUPSS, and TUPSS is willing to grant Franchisee, a franchise upon the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, IN CONSIDERATION OF THE FOREGOING, THE FEES AND OTHER SUMS PAYABLE BY FRANCHISEE AND THE MUTUAL COVENANTS CONTAINED IN THIS AGREEMENT, THE PARTIES AGREE AS FOLLOWS:

1. GRANT OF FRANCHISE, RELOCATION, TERRITORY & NON-TRADITIONAL SITE RIGHT OF FIRST REFUSAL

1.1 Grant of Franchise and Relocation

a. TUPSS hereby grants Franchisee, and Franchisee hereby accepts, the limited right and license during the Term to use and display the Marks, and to use the System, to operate one (1) Center at, and only at, the Location upon the terms and subject to provisions of this Agreement and all ancillary documents hereto.

b. Franchisee may relocate Franchisee's Center (even within the Territory) only with TUPSS's prior written consent, and upon such terms and conditions as TUPSS may prescribe in the Manuals, which may include: (i) modification of the boundaries of the Territory; and (ii) upgrading, renovating or remodeling the proposed new location to the then-current design and other criteria or specifications indicated in the Manuals.

1.2 Territory

During the Term:

a. Except as set forth in this Section 1.2, neither TUPSS nor its Affiliates will own or operate a Center, as that term is specifically defined herein, nor license or franchise others to do so at any site located within the Territory.

b. Subject to "Franchisee's Right of First Refusal for Non-Traditional site Development" set forth in Section 1.3 below, TUPSS or its Affiliates may own or operate, or license or franchise others to own or operate, Centers at Non-Traditional sites at any site within the Territory.

c. TUPSS expressly reserves (for itself and for its Designees) the exclusive, unrestricted right to produce, franchise, license, sell, distribute and market any products or services (under any brands, including, but not limited to, the Marks) from any Retail Outlets (including, but not limited to, traditional Centers or Non-Traditional sites) the physical premises of which are located outside of the Territory, regardless of (i) the proximity of such Retail Outlet to the Franchisee's Center at the Location, or (ii) whether or not such products or services are purchased by customers whose residences or places of business are located within the Territory.

d. TUPSS expressly reserves (for itself and for its Designees) the exclusive, unrestricted right to sell, distribute and market any products or services (under any brands, including, but not limited to, the Marks) to any customers (wherever located) through all Retail Outlets and other distribution channels physically located or otherwise operating within or outside the Territory (but not through traditional Centers the physical premises of which are located within the Territory).

Without limiting the generality of the foregoing, TUPSS (and its Designees) may utilize the following alternative channels or methods of distribution under this Section 1.2(d): the Internet and other electronic communications methods, mail order catalogs, direct mail advertising, and telemarketing. In addition, United Parcel Service, Inc. and its operating subsidiaries (but not including TUPSS) have the right to sell UPS products and services through customer counters, air service counters, drop boxes, and independently owned businesses (CMRA and non-CMRA) that also function as authorized shipping outlets but do not operate under the System, whether such alternative channels or methods of distribution are physically located or otherwise operating within or outside the Territory.

e. TUPSS and its Affiliates may, without any restrictions whatsoever, engage in any other activities they desire within or outside of the Territory that are not specifically prohibited under this Section 1.2 or elsewhere in this Agreement, including, but not limited to, the activities described in Sections 1.2(c) and (d) above.

f. Nothing herein shall grant Franchisee any options, rights of first refusal or similar rights to acquire additional franchises within the Territory or areas contiguous to the Territory or anywhere else, and Franchisee acknowledges that Franchisee and other franchisees, and TUPSS and its Affiliates, are not prohibited from serving customers based on their residence or place of business, and that such customers, including customers located in Franchisee's Territory, are free to patronize any Center or TUPSS business of their own choosing.

g. Franchisee's rights to the Territory described herein shall continue during the initial term hereof and shall be subject to modification, at TUPSS's reasonable sole discretion, at the time of transfer or renewal of this Agreement.

h. Franchisee may not open or operate any Kiosk, within or outside the Territory, without TUPSS's prior written consent, and TUPSS may require Franchisee to sign a separate form prescribed by TUPSS addressing such Kiosk's training, staffing, operational, and other requirements, which do not provide TUPSS the ability to exercise direct or indirect control over the working conditions of the Center's employees (except to the extent such indirect control is related to TUPSS's legitimate interest in protecting the quality of its products/services or brand), and confirming that Franchisee's operation of such Kiosk is governed by this Agreement's terms and conditions.

1.3 Franchisee's Right of First Refusal for Non-Traditional Site Development

a. During the Term, if Franchisee and its Affiliates are then in substantial compliance with all operating and other obligations under this Agreement and all other franchise agreements then in effect between TUPSS and Franchisee and its Affiliates for Centers, and if Franchisee also then satisfies TUPSS's then current financial and operational criteria for the acquisition of additional franchises for Centers (including, if applicable, the criteria to be approved as an MCO), TUPSS grants to Franchisee a right of first refusal to attempt to secure the real estate rights and franchise rights for Centers at Non-Traditional sites within the franchise Territory solely in conformance with the procedures and conditions described in Sections 1.3(b) through 1.3(g) below.

b. If and when (i) TUPSS receives any bona fide opportunity from a qualified franchisee or prospective franchisee (in the form of a lease or option or letter of intent signed by a landlord and containing a contingency provision requiring franchisor's approval, hereafter "Third-Party Notice") to develop a Center at or within a Non-Traditional site within Franchisee's Territory, and (ii) TUPSS decides that the proposed terms and conditions are acceptable, then TUPSS must promptly forward a copy of such Third-Party Notice to Franchisee via Certified Mail, return receipt requested, or via overnight mail service (with recipient's signature required).

c. If Franchisee seeks to exercise its right of first refusal, then Franchisee will have ten (10) days from the date of its receipt of the Third-Party Notice to deliver to TUPSS a written "Franchisee Exercise Notice" that must unconditionally accept any and all terms and conditions that were contained in the Third-Party Notice. Such delivery must be via Certified Mail (return receipt requested) or via overnight mail service (with recipient's signature required).

d. Franchisee understands that its attempt to exercise its right of first refusal under this provision will not be effective unless, after providing the Franchisee Exercise Notice to TUPSS, Franchisee also promptly delivers to TUPSS a fully executed "Addendum to Lease" that would modify the lease corresponding to such Non-Traditional site.

e. Franchisee further understands and agrees that its attempted exercise of its right of first refusal may be prevented from becoming effective if and when the party with whom the third party has contracted (i.e., landlord) refuses for any reason to permit the assignment of such third party's contract rights in such Non-Traditional site to Franchisee.

f. If Franchisee effectively exercises its right of first refusal for Non-Traditional site development under this provision, then such Non-Traditional site may be developed without having to execute a "Center Option Agreement" or pay a Center Option Fee.

g. Notwithstanding the foregoing, Franchisee understands that the right of first refusal described above shall not be granted to Franchisee with regard to any opportunities to develop a Non-Traditional site within Franchisee's Territory where such opportunity is part of: (i) an opportunity with either (A) a governmental organization (including, but not limited to, a U.S. military service), (B) an educational organization, (C) a convention center, (D) a tribal venue, (E) an airport, or (F) a hotel, or any authorized representative of any such organization; or (ii) a multiple location opportunity with a privately or publicly owned business organization, in which case TUPSS or its Affiliates may pursue and develop such Non-Traditional sites within Franchisee's Territory with such organization.

2. TERM AND RENEWAL

2.1 The term of this Agreement shall begin on the Effective Date and shall continue for a period of ten (10) years, unless sooner terminated properly as provided herein (the "Term"). In the event Franchisee fails to renew or TUPSS elects not to renew this Agreement (in accordance with Sections 2.2 and 2.3), this Agreement will expire. Expiration of this Agreement shall constitute termination for all purposes and effects. Franchisee agrees to operate the Center in compliance with this Agreement for the entire Term, unless sooner terminated properly as provided herein.

2.2 Provided that Franchisee shall have complied with all the terms of this Agreement, and subject to fulfillment of the conditions in Section 2.3 below, Franchisee shall have the right and option to renew the franchise granted pursuant to this Agreement for successive periods of ten (10) years each.

2.3 As conditions to renewal, Franchisee must:

a. provide TUPSS written notice ("Renewal Notice") of Franchisee's intent to renew this franchise not less than six (6) months nor more than thirteen (13) months prior to the end of this Agreement's Term;

b. pay a renewal fee in an amount equal to twenty-five percent (25%) of the initial franchise fee specified in the Then-Current Agreement for new Centers (the "Renewal Fee") not later than 6 months prior to the end of the Term;

c. execute the Then-Current Agreement for new Centers and all other documents or instruments required by TUPSS in connection therewith;

d. be in compliance with this Agreement, including payment of all fees due, the requirements described in the Manuals, and all other agreements then in effect between TUPSS or its Affiliates and Franchisee;

e. be current with all financial obligations to third parties, including Franchisee's landlord and other vendors of products or services for Franchisee's Center;

f. prior to the deadline set forth in Franchisee's Upgrade Agreement, upgrade, remodel and refurbish the interior and exterior image of Franchisee's Center as mandated by TUPSS to comply with TUPSS's then-current Standards and Specifications as described in the Manuals;

g. execute a general release (in a form prescribed by TUPSS) in favor of TUPSS and TUPSS's Affiliates from any claims arising during the term of this Agreement;

h. provide TUPSS written confirmation, satisfactory to TUPSS, that Franchisee maintains the right to possess the Center at the Location for the ten (10) year term of the renewal Franchise Agreement;

i. if Franchisee leases its Center from a third-party lessor (landlord), deliver to TUPSS (if it has not already done so) an "Addendum to Lease" that is fully executed between the lessor and the renewing franchisee, covering the ten (10)

year term, plus any extensions thereof. A sample of the "Addendum to Lease" that must be signed and provided to TUPSS is attached as an exhibit to this Agreement;

j. no later than sixty (60) days prior to the end of this Agreement's term, Franchisee must have purchased from TUPSS all of the equipment (including computers) required in order to upgrade Franchisee's Center to then-current System Standards and Specifications for POS System hardware, software and any other computer-related systems required for Centers;

k. successfully complete Certified Operator Training at Franchisee's sole expense;

l. not be subject to any legal determination and/or claims that it and TUPSS are joint employers; and

m. not have contested, either directly or indirectly, any finding or determination that TUPSS and Franchisee are not joint employers.

2.4 If and when TUPSS receives Franchisee's timely renewal notice, TUPSS agrees to give Franchisee notice, not later than sixty (60) days after receipt of the Renewal Notice, of TUPSS's decision whether Franchisee has the right to enter into a renewal Franchise Agreement. Notwithstanding that TUPSS's notice may state that Franchisee has the right to enter into a renewal Franchise Agreement, any such right would be subject to Franchisee's continuing compliance with all of the provisions of this Agreement up to the date of its expiration/termination.

3. SITE LOCATION AND CONSTRUCTION OF CENTER

3.1 Site Location

The location of Franchisee's Center, set forth on page one of this Agreement, has been accepted by TUPSS. Nevertheless, TUPSS's acceptance of the location set forth above as the Location shall in no way constitute a representation or an express or implied warranty as to the viability or success of a Center at such location. Upon TUPSS's acceptance of such proposed location, such location shall be deemed to be the "Location," as defined herein.

3.2 Franchisee's Lease

Franchisee shall not enter into any lease or purchase agreement for the Location unless and until (i) Franchisee shall have submitted to TUPSS all site-related information required by TUPSS; and (ii) TUPSS shall have accepted such proposed Location and the terms of said purchase agreement or Franchisee's Lease for the Location, as applicable. Franchisee shall deliver to TUPSS a true and correct copy of Franchisee's Lease for the Location, if applicable, fully executed, within five (5) business days after TUPSS's request. If not so provided upon TUPSS's request, Franchisee authorizes TUPSS to contact the landlord directly to obtain from the landlord a copy of Franchisee's Lease for the Location. Nevertheless, Franchisee acknowledges that TUPSS is not obligated to review Franchisee's Lease (or real estate purchase agreement) prior to or after TUPSS's acceptance or rejection of the proposed Location. Franchisee shall duly and timely perform all of the terms, conditions, covenants and obligations imposed upon Franchisee

under Franchisee's Lease. Franchisee promises that its Center's Lease shall be subject to the "Addendum to Lease" (attached as Exhibit I to this Agreement), which provides (in summary) as follows:

(a) that TUPSS has the right (but not the duty) to assume Franchisee's Lease upon (i) Franchisee's (tenant's) uncured default under Franchisee's Lease, (ii) Franchisee's (tenant's) non-renewal of Franchisee's Lease, or (iii) the termination and/or expiration of this Agreement; and

(b) that Franchisee's landlord shall not unreasonably withhold or delay its consent if and when TUPSS (if it has exercised its rights under the "Addendum to Lease") seeks to assign the Lease to any third party that is creditworthy and meets TUPSS's then-current standards and requirements for franchisees; and

(c) if Franchisee's Lease or this Agreement is terminated and/or expires, and TUPSS fails to exercise its right to assume Franchisee's Lease, Franchisee agrees to promptly de-identify the Premises and remove signs, decor and other items which TUPSS reasonably requests be removed as being distinctive and indicative of a Center. TUPSS (or its designee) may enter upon the leased premises without being guilty of trespass to effect such de-identification if Franchisee fails to do so within ten (10) days after such termination or expiration. Franchisee shall pay TUPSS for its reasonable costs in effecting de-identification.

In addition to the requirements specified above, Franchisee must be the named tenant, and sign as tenant, under the Lease for the Location. Franchisee may not, for example, occupy the Location via a Lease signed by the landlord and an Affiliate of Franchisee.

3.3 Center Design

Upon receipt from TUPSS's Center Development Coordinator of completed pre-construction forms and as-built drawings of the Location, TUPSS shall provide to Franchisee a Center design for the Location containing TUPSS's design requirements, including building specifications (locations of walls, counters, retail displays, fixtures, and equipment) (the "Center Design"). TUPSS does not represent or warrant design compliance with Applicable Laws, including the ADA (Americans with Disabilities Act). Franchisee shall, at its sole cost and expense, ensure that the Center Design complies with all Applicable Laws (including the ADA), and Franchisee shall obtain any required architectural seals, engineering seals and other required approvals. The cost of any leasehold improvements, equipment, fixtures and displays, and of any architectural and engineering drawings, are Franchisee's sole responsibility. Franchisee must utilize TUPSS's design department to prepare and complete all construction drawings for new Centers, remodels, relocations, conversions, Kiosks and upgrades, which services shall be subject to TUPSS's then-current fees, as described in the Manuals.

3.4 Center Development Coordination

TUPSS's designated "Center Development Coordinator" shall provide and manage a general contractor for the construction of the Center at the Location (the "Center Development Coordination Services"), including the initial construction of the Center (as provided in Section 3.5), remodels, relocations, conversions, and image upgrades. TUPSS's designated Center Development Coordinator shall provide such services as are

customarily provided by a construction supervisor, including acting as a liaison with the general contractor. TUPSS's designated Center Development Coordinator shall be an independent contractor of Franchisee. Franchisee shall utilize the Center Development Coordination Services as provided above and pay TUPSS's designated Center Development Coordinator the then-current Center Development Fee.

TUPSS assumes no responsibility for any damages, delays, cost overruns, disputes, or otherwise regarding construction or the Construction Coordination Services performed by TUPSS's designated Center Development Coordinator.

3.5 Construction of the Center

a. Upon receipt by TUPSS's designated Center Development Coordinator of the Center Design, Franchisee shall at its sole cost and expense promptly cause the Center to be constructed, equipped and improved in accordance with the Center Design, unless TUPSS shall, in writing, consent to modifications thereof. Franchisee shall contract with, at its sole cost and expense, licensed architects and general contractors selected by TUPSS's designated Center Development Coordinator to prepare such architectural, engineering and construction drawings and site plans as are necessary to supplement the Center Design in order to obtain all permits required to construct, remodel, renovate and/or equip the Center at the Location.

b. Subject only to causes beyond the reasonable control of Franchisee, such as, by way of illustration, strikes, material shortages, fires and acts of God, which Franchisee could not by the exercise of due diligence have avoided, Franchisee shall complete construction or renovation, as the case may be, of the Center at the Location and all improvements therein, including installation of all fixtures, signs, equipment and furnishings, as soon as possible, but in any event within three (3) months after commencement of construction. In completing such Center construction or renovation, Franchisee shall utilize only the architect and general contractor selected by TUPSS's designated Center Development Coordinator. The operation of the Center at the Location by Franchisee shall commence not later than twelve (12) months following the Effective Date.

c. The time periods for the commencement and completion of construction and the installation of fixtures, signs, machinery and equipment as referred to in this Section 3.5 and in the Manuals are the essence of this Agreement. If Franchisee fails to perform its obligations contained in this Section, TUPSS may deem the Franchisee's failure to so perform its obligations a material breach of this Agreement.

3.6 Maintaining and Remodeling of the Center

a. Franchisee shall maintain the condition and appearance of the Center at the Location in a "like new" level of cosmetic appearance consistent with the image of Centers as attractive, clean, and efficiently operated, offering high quality products and services. If at any time, in TUPSS's reasonable judgment, the state of repair, appearance or cleanliness of the Center at the Location or its fixtures, equipment, furnishings, or signs fails to meet TUPSS's image Standards and Specifications, Franchisee shall immediately upon receipt of notice from TUPSS

(or from Area Franchisee) specifying the action to be taken by Franchisee (within the time period specified by TUPSS but in any event within thirty (30) days of such notice) correct such deficiency, repair and refurbish the Center at the Location, and make such modifications and additions to its layout, decor and general theme as may be required by TUPSS, including replacement of worn-out or obsolete fixtures, equipment, carpet, furniture, graphics, and internal window and external signage and repairing and repainting the interior and exterior of the Center at the Location.

b. If the Center at the Location is damaged or destroyed by fire or any other casualty, Franchisee, within thirty (30) days thereof, shall initiate such repairs or reconstruction, and thereafter in good faith and with due diligence continue (until completion) such repairs or reconstruction, in order to restore the Center at the Location to its original condition prior to such casualty; any such repair and reconstruction shall be completed as soon as reasonably practicable but in any event within six (6) months following the event causing the damage or destruction. If, in TUPSS's reasonable judgment, the damage or destruction is of such a nature or to such extent that it is feasible for Franchisee to repair or reconstruct the Center at the Location in conformance with the then-current Standards and Specifications of TUPSS, TUPSS may require that Franchisee repair or reconstruct the Center at the Location in conformance with the then-current Standards and Specifications.

4. TRAINING AND FRANCHISOR'S CONTINUING OBLIGATIONS

4.1 Training

a. Initial (Pre-Opening) New Franchisee Training Program for First Center

TUPSS's New Franchisee Training Program must be successfully completed in the prescribed sequence by Franchisee's Primary Operator. As may be updated by TUPSS from time to time, the New Franchisee Training Program consists of Web-Based Training ("WBT"), the In Store Experience ("ISE") and the University Business Course ("UBC") (including three (3) days of Print Services Training) held at TUPSS's Headquarters.

b. TUPSS shall determine and update the contents and manner of conducting the New Franchisee Training Program in its sole discretion. However, the New Franchisee Training Program will be structured to provide business management and practical training in implementing, managing and operating a Center. Franchisee shall pay all travel, living, compensation, and other expenses, if any, incurred by Franchisee or by Owner and/or by the Center's employees in connection with attendance at such initial New Franchisee Training Program. Franchisee may not open its Center at the Location, and, in the case of a transfer (i.e., Assignment) of an existing Center, Franchisee may not assume active operation of the Center, until all required training has been successfully completed to the satisfaction of TUPSS by Franchisee's Primary Operator or (if applicable) Certified Operator to the extent set forth in Sections 4.1(a) and 7.3 of this Agreement.

c. Franchisee acknowledges that because of TUPSS's superior skill and knowledge with respect to the training and skill required to manage and operate the Center in accordance with the System, the determination as to whether or not the individuals indicated above have satisfactorily completed such training shall be determined by TUPSS in its sole subjective judgment, exercised in good faith.

d. All phases of the New Franchisee Training Program pursuant to Section 4.1 shall apply only if this is the first Center owned by Franchisee and shall not be required if this Agreement is executed as a second-or-greater or renewal franchise agreement, except that if this Agreement is Franchisee's second-or-greater franchise agreement: (i) all Centers must be managed by a Primary Operator or (if Franchisee is an Active MCO) by a Certified Operator; and (ii) Franchisee must successfully complete the MCO workshop as described in the Franchise Disclosure Document accompanying this Agreement and in Section 4.1(b) above.

e. Multiple Center Owner (MCO) Workshop: The MCO workshop is for any MCO (as defined in Section 23) who purchases an additional Center, even if Franchisee has previously graduated from TUPSS's New Franchisee Training Program, and who (or whose designated business partner, person, etc.) has not attended the MCO workshop in the past. Franchisee (or, as applicable, Owner) must attend and successfully complete a four (4) day Multiple Center Owner workshop ("MCOW") program held at TUPSS's Headquarters no later than six (6) months after the effective date of this Agreement.

f. Print Services Training: Franchisee is required to attend, or have at least one supervisory employee who works full time at the Center attend, and successfully complete all parts of the Print Services Training program. Alternatively, Franchisee may, for a designated fee, successfully complete, or have a supervisory employee successfully complete, the Print Services evaluation/training administered by a Certified Trainer. Franchisee must have someone who has successfully completed the Print Services Training program employed at the Center full time in a supervisory capacity. If the employee who attended and successfully completed all parts of the Print Services Training program is no longer employed at the Center, Franchisee must complete or have a full-time active supervisory associate complete Print Services Training within sixty (60) days.

g. Additional (Post-Opening) Training

TUPSS, at its sole discretion, may require: (i) Franchisee, (ii) if Franchisee is an Entity, its Owners, and/or (iii) Franchisee's Primary Operator (or, if applicable, Franchisee's Certified Operator) to attend such supplemental or additional training programs which may be offered from time to time during the Term, including, at TUPSS's option, distance learning (e.g., training over the Internet) and training required to participate in one or more E-Offerings. Franchisee shall pay all travel, living, compensation, and other expenses, if any, incurred by Franchisee and/or the Center's employees in connection with attending such additional training. Franchisee shall pay TUPSS's then-current reasonable charges (as set forth in the Manuals) for any such training performed by TUPSS.

h. Franchisee shall ensure that each Center employee is adequately trained and certified, or re-trained and re-certified, to the extent necessary to enable the Center (i) to comply with the System, (ii) to comply with the then-applicable Data Security Requirements, or as may be otherwise required by TUPSS from time to time, and, if applicable, (iii) to participate in an E-Offering, and shall use curricula and certification forms designated by TUPSS.

4.2 Franchisor's Continuing Obligations

From time to time during the Term, Area Franchisee, TUPSS or TUPSS's designee shall provide the following assistance and services to Franchisee:

a. Non-exclusive software licenses, upon such terms and conditions as specified in the Manuals, for the computer software programs specified in the Manuals, including software for such functions as accounting, administration, financial reporting and manifesting.

b. Upon Franchisee's written request, reasonable continuing consultation and advice regarding operation of Franchisee's Center by telephone, fax, The UPS Store Hub, or other electronic means, or, if the situation warrants in TUPSS's judgment, through on-site assistance by Area Franchisee or, if none, TUPSS or TUPSS's designee (which, in the case of on-site assistance by TUPSS, shall be subject to the availability of personnel and TUPSS's scheduling requirements and at TUPSS's sole discretion).

c. Development of certain creative materials (including such items as billboard design, radio and videotape material, public relations releases, and copy for newspaper and magazine advertisements and flyers) for local and regional marketing. TUPSS shall make such materials available to Franchisee, at Franchisee's expense, for publication or reproduction and distribution by Franchisee. TUPSS reserves the right to require reimbursement from Franchisee of costs for producing such promotional material.

5. FEES AND OTHER PAYMENTS

5.1 Franchisee shall, in accordance with the following, pay to TUPSS the following fees:

a. An Initial Franchise Fee (as defined in section 23 of this Agreement) on or before execution of this Agreement. The Initial Franchise Fee is fully earned by TUPSS upon receipt and is not refundable.

b. However, the Initial Franchise Fee shall not apply if Franchisee is:

i. signing this Agreement as a renewal of a previous franchise agreement with TUPSS. In such cases, the Renewal Fee set forth in Section 2.3(b) of this Agreement shall apply instead of the Initial Franchise Fee; or

ii. signing this Agreement in connection with the purchase of an existing Center. In such cases, instead of TUPSS's having to receive payment of the Initial Franchise Fee, TUPSS must receive (either from Franchisee,

also known, for these purposes, as "buyer" or "transferee," and/or from Franchisee's "seller" or "transferor"):

A. a "Transfer Fee" (as defined in Section 23 of this Agreement); and

B. a "Processing Fee" (as defined in Section 23 of this Agreement); and

C. a "Pro-Rated Renewal Fee for Transfers" (as defined in Section 23 of this Agreement); and

D. an "Upgrade Evaluation Fee" (as defined in Section 23 of this Agreement);

c. A continuing royalty in an amount equal to 5% of STR, payable via EFT in accordance with Section 5.2 (the "Royalty");

d. A marketing fee in an amount equal to 1% of STR, payable via EFT in accordance with Section 5.2 (the "The UPS Store Marketing Fee") and used in accordance with Section 8.1;

e. A national advertising fee in an amount equal to 2.5% of STR, payable via EFT in accordance with Section 5.2 (the "National Advertising Fee"). The National Advertising Fee will be subject to certain annual contribution caps, as provided in Section 8.2;

f. Fees for all phases of the Franchisee learning program, for Print Services Training, and (as applicable) for the MCOW learning program, in the amounts set forth in the then-current The UPS Store Franchise Disclosure Document;

g. An advertising cooperative fee in the amount, and payable via EFT in the manner, specified in Sections 8.3 and 8.4 (the "Co-op Fee"); and

h. Any other applicable fees, as set forth in the then-current The UPS Store Franchise Disclosure Document.

5.2 Manner of Payment

a. Franchisee shall calculate the Royalty, The UPS Store Marketing Fee, the National Advertising Fee, and the Co-op Fee due to TUPSS each Accounting Period, and submit any and all documents required to be submitted to TUPSS via TUPSS's then-current method of electronic delivery, within fourteen (14) days after the end of the applicable Accounting Period (even if the 14th day falls on a weekend or holiday) or such other period as may be specified in the Manuals. Payment of these and all other amounts owed to TUPSS must be received by TUPSS on or before the twentieth (20^{th}) day of each month. However, if TUPSS does not receive Franchisee's Royalty report by the 14th day after the end of the applicable Accounting Period, TUPSS will estimate Franchisee's required Royalty, The UPS Store Marketing Fee, and National Advertising Fee payments

and then debit those amounts on the first business day following the 14th day (rather than on the 20th day);

b. TUPSS requires an electronic funds transfer ("EFT") payment program, under which TUPSS will electronically debit from Franchisee's bank account the fees described herein, including, but not limited to, those specified above as payable via EFT. Franchisee shall comply with the procedures specified in the Manuals for such electronic funds transfer program and perform the acts and sign the documents, including authorization forms, that TUPSS, Franchisee's bank and TUPSS's bank may require to accomplish payment by electronic funds transfer, including authorizations for TUPSS to initiate debit entries and/or credit correction entries to a designated checking or savings account for payments of fees and other amounts, including interest, payable to TUPSS. If Franchisee fails to timely report STR to TUPSS for any calendar month, then TUPSS, in addition to any applicable late charges, has the right, but not the obligation, to debit from such account an estimated amount equal to the fees due and payable to TUPSS during the most recent calendar months for which the reports were received by TUPSS. If Franchisee's Center closes voluntarily or involuntarily, Franchisee acknowledges that TUPSS has the right to debit from such account the estimated amount of fees owed to TUPSS at the time of the closure.

5.3 In order to secure full and prompt payment of the fees and other charges to be paid by Franchisee, and to secure performance of Franchisee's other obligations and covenants under this Agreement, concurrently herewith Franchisee shall execute the Security Agreement attached hereto as Exhibit F.

5.4 Other Payments

In addition to all other payments provided herein, it shall be a material requirement for Franchisee to pay to TUPSS, its Affiliates, its designees, and others promptly when due:

a. all obligations, royalties, trade accounts, promissory notes, financing agreements and equipment lease payments arising out of the operation of Franchisee's Center;

b. all lease or rental payments for Franchisee's Location;

c. all amounts advanced by TUPSS or which TUPSS has paid, or for which TUPSS has become obligated to pay, on behalf of Franchisee for any reason whatsoever;

d. the amount of all sales taxes, use taxes, personal property taxes and similar taxes which shall be imposed upon Franchisee and required to be collected or paid by TUPSS (a) on account of STR or (b) on account of the Royalty, The UPS Store Marketing Fee, the Initial Franchise Fee, the National Advertising Fee, or the Co-op Fee collected by TUPSS from Franchisee (but excluding ordinary income taxes). TUPSS, at its sole discretion, may collect the taxes in the same manner as the Royalty is collected herein and promptly pay the tax collections to the appropriate Governmental Authority; provided, however, that unless TUPSS so elects, it shall be Franchisee's responsibility to pay all sales, use or other taxes now or hereinafter imposed by any Governmental Authority on the Royalty, Initial Franchise Fee, The UPS Store Marketing Fee, National Advertising Fee,

and Co-op Fee. It shall also be Franchisee's sole duty to timely pay any and all taxes that become payable in connection with Franchisee's Center;

e. any amounts due on account of purchases of goods, supplies or services relating to Franchisee's Center;

f. for re-designs by TUPSS of transferring, existing, Re-opening, or relocating Centers, a then-current Center Development Fee and Design Fee; and

g. the Non-Compliance Fee described in Section 22.1.

5.5 Finance Charges and Late Fees on Delinquencies Owed to TUPSS

a. If Franchisee fails to pay to TUPSS the entire amount of any payment due to TUPSS hereunder promptly when due, Franchisee shall pay to TUPSS, in addition to all other amounts that are due but unpaid (including the late fee described below), finance charges on the unpaid amounts for the period beginning on the day after the original due date and continuing until the date of actual payment, at a rate up to the highest (annual) rate allowed under applicable law.

b. In addition to the finance charges on unpaid amounts as set forth in Section 5.5(a), TUPSS may, at its option, charge a late fee equal to the greater of: (i) ten percent (10%) of any Royalty, The UPS Store Marketing Fee, National Advertising Fee, or Co-op Fee not paid when due for each and every month unpaid, or (ii) $35.00 per month until paid, or (iii) the maximum (annual) rate allowed under applicable law.

c. Section 9.3(b) of this Agreement sets forth Franchisee's interest and late fees in connection with TUPSS's audit of Franchisee.

d. The parties stipulate that the finance charges and late fees set forth in Sections 5.5(a) and 5.5(b) represent reasonable estimates of the additional administrative costs that will be incurred by TUPSS and shall be in addition to and not in lieu of any other remedies available to TUPSS at law or in equity on account of any such default. TUPSS will invoice Franchisee for such late fee amounts, which shall be due and payable immediately when billed. In no event will any late fee or interest exceed the maximum rate allowed by law.

5.6 All payments required hereunder shall be made by Franchisee without deducting any amounts that (i) are owed by TUPSS to Franchisee, or (ii) that Franchisee believes are owed to Franchisee by TUPSS or by any Affiliate of TUPSS.

5.7 If Franchisee is delinquent in the payment of any obligation to TUPSS hereunder, or under any other agreement with TUPSS, TUPSS shall have the absolute right to apply any payments received from Franchisee to any obligation owed, whether under this Agreement or otherwise, notwithstanding any contrary designation by Franchisee as to application. If Franchisee (or any Affiliate of Franchisee) owes any monies to TUPSS (or to any Affiliate of TUPSS), TUPSS shall have the absolute and unconditional right to first deduct any or all of such amounts from any payments of monies owed by TUPSS (or owed by any Affiliate of TUPSS) to Franchisee (or to any Affiliate of Franchisee).

5.8 Throughout the Term of this Agreement, all of Franchisee's Owners must always be a signatory to a valid Continuing Personal Guarantee (attached as an exhibit to this Agreement).

6. OWNERSHIP OF INTELLECTUAL PROPERTY

6.1 Franchisee hereby acknowledges and agrees that all right, title and interest (including goodwill) in and to the System and the Marks are and shall remain vested solely in TUPSS (or, as applicable, in TUPSS's Affiliate), and that any use thereof by Franchisee shall inure to the benefit of TUPSS (and, as applicable, TUPSS's Affiliate). Franchisee hereby disclaims any right or interest in the System, the Marks or the goodwill derived therefrom. Upon termination or expiration of this Agreement, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the System or the Marks.

6.2 Franchisee agrees not to contest, either directly or indirectly, the validity of the Marks or TUPSS's (or, as applicable, TUPSS's Affiliate's) ownership, right, title or interest in the Marks and/or the System and/or TUPSS's (or, as applicable, TUPSS's Affiliate's) sole right to register, use or license others to use the same.

6.3 Franchisee agrees to use the Marks as the Center's sole identification, except that Franchisee must identify itself as the Center's independent owner, operator, and manager in the manner TUPSS prescribes. Franchisee may not use any Mark: (1) with any prefix, suffix, or other modifying words, terms, designs, or symbols; (2) in offering or selling any unauthorized services or products; (3) as part of any domain name, homepage, electronic address, or otherwise in connection with the Internet or other electronic media (except as provided in this Agreement or the Manuals); or (4) in any other manner TUPSS has not expressly authorized in writing. If TUPSS discovers Franchisee's unauthorized use of the Marks, TUPSS may require Franchisee to destroy all offending items (with no reimbursement from TUPSS). Franchisee understands and agrees that any use of the Marks other than as expressly authorized by this Agreement and the Manuals, without TUPSS's prior written consent, constitutes infringement of TUPSS's (and, as applicable, TUPSS's Affiliate's) rights therein, and that Franchisee's right to use the Marks does not extend beyond the termination and/or expiration of this Agreement.

6.4 If Franchisee is an Entity, Franchisee shall not use any of the Marks, any abbreviations or variations thereof, or any words deemed by TUPSS to be confusingly similar to the Marks as part of the name of any Entity or Franchisee's name, including any of the following words: "The UPS Store" or "UPS" or "Store" or "Mail" or "Boxes" or "Etc." or the combined letters "TUPSS."

6.5 Franchisee shall immediately notify TUPSS of any infringements or imitations of the Marks or the System, and of any challenges to Franchisee's use of any of the Marks or the System, of which Franchisee becomes aware. TUPSS (and its Affiliates) shall have sole discretion to take any action, administrative proceeding or litigation affecting the Marks or the System (or to take no action if it or they believe none is warranted)**.** Franchisee shall cooperate in the prosecution or defense of any such action as requested by TUPSS. TUPSS shall bear the legal expenses incidental to Franchisee's participation in such action, except for the cost of Franchisee's separate legal counsel if Franchisee elects to be represented by counsel of Franchisee's choosing.

6.6 TUPSS reserves the right, in its sole discretion, to designate one or more new, modified or replacement Marks for use by Franchisee, and, upon written notice from TUPSS, Franchisee shall implement such new, modified or replacement Marks in addition to or in lieu of any previously designated Marks, as prescribed by TUPSS. Any expenses or costs associated with the use by Franchisee of any such new, modified or replacement Marks shall be the sole responsibility of Franchisee.

6.7 In the event of any legal actions that are brought against Franchisee by a third party alleging that Franchisee's uses of the Marks violate the rights of the third party, TUPSS will indemnify Franchisee against (and reimburse Franchisee for) all directly-related costs (including attorneys' fees) and damages for which Franchisee is held liable, so long as: (i) Franchisee notifies TUPSS of the claim(s) within ten (10) days after receiving notice of the potential violation; (ii) Franchisee's use of the Marks was fully authorized by TUPSS; (iii) Franchisee is not in default of this Agreement or any other agreement between Franchisee and TUPSS; and (iv) Franchisee executes any and all documents and does whatever is deemed necessary or advisable in TUPSS's (or, as applicable, TUPSS's Affiliate's) or its counsel's opinion to protect its interests in the Marks. TUPSS reserves the right to defend any action at its own expense for Franchisee's benefit.

6.8 All ideas, concepts, techniques, and materials relating to the System or a Center ("Improvement"), whether or not protectable intellectual property and whether created by or for Franchisee or its Owners or the Center's employees, must be promptly disclosed to TUPSS and will be deemed to be TUPSS's and its Affiliates' sole and exclusive property, part of the System and works made-for-hire for TUPSS and its Affiliates. To the extent any Improvement does not qualify as a "work made-for-hire," by this paragraph Franchisee assigns ownership of and all related rights to that Improvement to TUPSS and its Affiliates and agrees to take whatever action (including signing assignment or other documents) TUPSS requests to evidence TUPSS's and its Affiliates' ownership or to help TUPSS and its Affiliates obtain intellectual property rights in the Improvement.

7. STANDARDS AND SPECIFICATIONS; CONFIDENTIAL OPERATIONS MANUALS

7.1 Operating Standards and Specifications

a. Throughout the Term, Franchisee shall adhere to the System developed by TUPSS for the operation of the Center, including the system for postal, packaging, shipping, print, business and communication retail service centers under the Marks, as provided herein and in the Manuals.

b. Throughout the Term, Franchisee shall operate the Center in compliance with TUPSS's then-current Standards and Specifications, including TUPSS's then-current Standards and Specifications for external/internal center image specifications, center design, advertising, computer hardware and software, system and data security, equipment, stationery, business cards, business forms, promotional material, E-Offerings, Social Media policies, franchise sales materials (e.g., referral card) and such changes or modifications to the System or the Manuals (including refurbishment or improvement of the Center from time to time) as are adopted by TUPSS from time to time.

TUPSS's Standards and Specifications also include restrictions on Franchisee's maximum retail prices for various UPS shipping services. Franchisee may not

charge customers more than the maximum retail prices designated by TUPSS's Affiliate for various UPS shipping services offered by the Center to its customers. These maximum prices are specified in Franchisee's UPS Incentive Program Contract Carrier Agreement (the "Carrier Agreement""). In reliance on Franchisee's commitment to comply with the designated maximum prices, TUPSS agrees to use best efforts to ensure that its Affiliate gives Franchisee discounts and incentives on Franchisee's wholesale cost for such UPS services. These discounts and incentives also will be reflected in the Carrier Agreement. TUPSS's Affiliate periodically may modify the required maximum retail prices for shipping services as well as the wholesale discounts and incentives. Maximum retail prices and wholesale discounts and incentives may differ among franchisees due to various factors, including the differing costs of doing business with different franchisees operating in different geographic markets.

c. Franchisee shall do business under Franchisee's legal name followed by the initials "d/b/a" and the business name "THE UPS STORE" or such other business name as designated by TUPSS. If Franchisee is required to do so by Applicable Law, Franchisee shall promptly upon the execution of this Agreement file a notice of its intent to conduct its business under the name "THE UPS STORE." Promptly upon the expiration or termination of this Agreement for any reason whatsoever, Franchisee shall promptly execute and file such documents as may be necessary to revoke or terminate such assumed name registration. If Franchisee shall fail to promptly execute and file such documents as may be necessary to effectively revoke and terminate such assumed name registration, Franchisee hereby irrevocably appoints TUPSS as its attorney-in-fact to do so for and on behalf of Franchisee.

d. At the time Franchisee's Center opens for business, Franchisee shall stock and display the initial inventory of products, accessories, equipment, supplies, and technology (including hardware, software, and external components such as payment card readers) specified in the Manuals. Throughout the Term, Franchisee shall stock and maintain inventory in quantities sufficient to meet reasonably anticipated customer demand, all in accordance with the Manuals.

e. Throughout the Term, Franchisee shall be connected to and participate in TUPSS's Virtual Private Network ("VPN") as designated by TUPSS. Franchisee shall comply with the Internet Policies.

f. Franchisee shall utilize the The UPS Store Hub and execute TUPSS's software license in the form attached as Exhibit E.

g. TUPSS may revise its Standards and Specifications for all Franchisees from time to time. Consequently, Franchisee may be required to upgrade or update its (i) computer (hardware and software) system, (ii) data security policies and procedures, or (iii) Center image and trade dress. There is no contractual limitation on the frequency and cost of this obligation, though TUPSS's industry reflects an update or upgrade for (x) Data Security Requirements every year and for (y) all other areas, every two to three years. Franchisee must purchase, install and utilize ongoing upgrades as specified in the Manuals. Franchisee must upgrade to these Standards and Specifications as TUPSS may direct. There is no limitation on the frequency or cost of this obligation.

h. Franchisee must participate in certain operational programs designated from time to time by TUPSS (which may include E-Offerings). Participation in such required programs will require Franchisee to have, obtain or upgrade certain equipment, such as specific computer system and communications systems and other equipment, facilities, policies, procedures, and skills as TUPSS may specify from time to time in the Manuals.

i. Franchisee shall submit to TUPSS, in such form as required by the Manuals, reports containing information about customers of Franchisee's Center, including periodic reports as designated by TUPSS of all the names and addresses of mailbox holders at Franchisee's Center. TUPSS may also access such information from Franchisee electronically. All such information and customer lists shall become the property of TUPSS, and TUPSS shall have the right to contact such customers at any time. In addition, TUPSS may, as often as it deems appropriate (including on a daily, continuous basis), independently, remotely access the POS System and any and all other computer and technology systems used by Franchisee to retrieve all other information regarding the Center's operation, excluding labor and employment-related information.

j. Franchisee understands, acknowledges and agrees that it must fully participate in each and every Corporate Retail Solutions ("CRS") program as is further described in Section 7.5, and its failure to do so constitutes a material violation of this Agreement.

k. Franchisee understands, acknowledges and agrees that, to the extent it operates the Center within a hotel, it must attend all business meetings conducted by or for hotel business staff at which Franchisee's attendance is requested or recommended.

l. In the event of any suspected, alleged, or actual Data Security Incident of which Franchisee becomes aware:

(i) Franchisee must:

(A) immediately notify TUPSS at the designated contact specified in the Data Security Requirements;

(B) cooperate with any TUPSS (or its Affiliate's) request for assistance or information;

(C) provide TUPSS or its designee access to Franchisee's POS System hardware, software, and other computer-related systems, whether remotely or at the Center; and

(D) cooperate and provide assistance in any legal action at TUPSS's request; and

(ii) TUPSS (and its Affiliates) may but have no obligation whatsoever to:

(A) take any action or pursue any proceeding or litigation;

(B) control the direction and handling of such action, proceeding, or litigation;

(C) access Franchisee's POS System hardware, software, and other computer-related systems, whether remotely or at the Center; and

(D) control any remediation efforts.

If TUPSS determines that any Data Security Incident results from Franchisee's failure to comply with this Agreement or Standards and Specificaqtions, Franchisee must indemnify TUPSS for any costs or expenses TUPSS incurs as a result, in accordance with the procedures set forth in Section 17.1. If Franchisee elects to be represented by counsel of its own choosing in any action arising out of a Data Security Incident, Franchisee will bear sole responsibility for all costs incurred by either party as a result of such representation.

7.2 Confidential Operations Manuals

a. Upon the execution of this Agreement, TUPSS shall provide to Franchisee electronic access to the Manuals via password, unless Franchisee has executed this Agreement to renew its franchise for the Center and therefore already has received a password. Franchisee shall not make, or cause or allow to be made, any copies, reproductions or excerpts of all or any portion of the Manuals without TUPSS's express prior written consent. TUPSS shall make available electronically to Franchisee, throughout the Term, the most-current edition of the Manuals. TUPSS may modify the Manuals at any time and from time to time. Modifications in the Manuals shall become effective upon publication by TUPSS on The UPS Store Hub, or as otherwise specified by TUPSS by written notice thereof to Franchisee. The Manuals, as modified from time to time, shall be an integral part of this Agreement and reference made in this Agreement, or in any amendments, exhibits or schedules hereto, to the Manuals shall be deemed to mean the Manuals kept current by amendments from time to time. The Manuals, including the Center Operations Manual, are made available to Franchisee on TUPSS's Internet system by means of a password. Upon expiration or earlier termination of this Agreement, the password will be changed. The provisions of the Manuals and other materials and information, as well as any print-outs or copies (whether electronic or otherwise) made by Franchisee, are licensed to Franchisee from TUPSS. All such Manuals, print-outs, copies (whether electronic or otherwise) and other information shall be returned to TUPSS promptly upon the expiration or earlier termination of this Agreement.

b. Franchisee shall strictly adhere to the Standards and Specifications set forth in the Manuals.

c. TUPSS possesses and continues to develop, and during the course of the relationship established hereunder Franchisee shall have access to, some of TUPSS's Proprietary Information. TUPSS will disclose some of its Proprietary Information to Franchisee in the Manuals, bulletins, supplements, confidential correspondence, or other confidential communications; through the New Franchisee Training Program and other guidance and management assistance; and in performing TUPSS's other obligations and exercising TUPSS's rights

under this Agreement. The Proprietary Information is to be used by Franchisee only in connection with the operation of the Center consistent with the terms of this Agreement and, without TUPSS's prior written consent, shall not be used for any other purpose or disclosed to any third party except Center employees who have a need to know such Proprietary Information to protect the quality of TUPSS's products, services, and brand and who are subject to obligations of confidentiality as to such information that are no less stringent than those provided in this Agreement. Franchisee's provision of Proprietary Information to Center employees to protect the quality of TUPSS's products, services, and brand in no way creates an employment (or joint employment) relationship between or among TUPSS, Franchisee, and the Center's employees. TUPSS has the right to review and approve the form of confidentiality agreement Franchisee uses with Center employees solely to ensure that Franchisee adequately protects Proprietary Information. Under no circumstances will TUPSS control the forms or terms of employment agreements Franchisee uses with Center employees. Center employees are under Franchisee's control, and Franchisee (not TUPSS) is responsible for labor relations and employment practices relating to Center employees.

d. Franchisee will notify TUPSS promptly in writing of any known or suspected misuse or unauthorized disclosure of any Proprietary Information. If Franchisee is required by law to disclose any portion of the Proprietary Information, then Franchisee shall promptly notify TUPSS in advance of any such disclosure to provide TUPSS with a reasonable time to take measures to protect the confidentiality of the information.

e. Upon termination or expiration of this Agreement or upon TUPSS's earlier request, Franchisee shall within ten (10) days return all Proprietary Information in its possession or control or, at the option of TUPSS, destroy same and certify to its destruction.

f. The covenants of confidentiality and limited use set forth in this Agreement will apply after the Effective Date to all Proprietary Information received by Franchisee before and after the Effective Date and will continue from the Effective Date through the termination or expiration of this Agreement and for a period of three (3) years thereafter. Notwithstanding anything to the contrary herein, however, the covenants of confidentiality and limited use set forth in this Agreement shall, for information that constitutes a Trade Secret, continue for such three (3) year period or the period of time that the information retains its status as a Trade Secret under applicable law, whichever is longer.

g. Franchisee acknowledges that money damages alone would be an inadequate remedy for the injuries and damage that would be suffered and incurred by TUPSS as a result of a breach of any of the provisions of this Section 7. TUPSS accordingly, in addition to any other remedies it may have at law or in equity, will be entitled to a restraining order, injunction, or other similar remedy in order to enforce the provisions of this Section 7. Franchisee further agrees that it will reimburse TUPSS for the reasonable attorneys' fees and expenses it incurs as a result of a breach of this Section 7 by Franchisee.

h. The provisions of the Manuals are incorporated herein and shall constitute provisions of this Agreement as if fully set forth herein. All references to this Agreement shall include the Manuals and all mandatory Standards and Specifications contained therein.

7.3 Primary Operator and Certified Operator

Except as provided in Section 7.3(c), Franchisee must designate and retain at all times a TUPSS-approved Primary Operator to oversee and supervise the Center's day-to-day operations. As defined in Section 23 of this Agreement, the Primary Operator may be either: (i) Franchisee; or (ii) if Franchisee is an Entity, an Owner; or (iii) an employee of Franchisee who does not (directly or indirectly) own any interest in the Center's franchise rights.

a. As further defined in Section 23, the Primary Operator must have satisfactorily completed all phases of the New Franchisee Training Program (i.e., Web-Based Training, the In-Store Experience, and the University Business Course, which includes three (3) days of Print Services Training) and must possess a sufficient level of proficiency in the English language so that, besides passing TUPSS's training program (which is conducted in English), he or she can communicate clearly with customers, suppliers, TUPSS representatives, and other third parties**.**

b. The Primary Operator shall devote full-time, on-premises attention to overseeing and supervising the Center's day-to-day operations.

c. The only instance where the day-to-day operations of the Center do not need to be overseen and supervised by a Primary Operator is where the Center is owned by an "Active MCO," as defined in Section 23 of this Agreement. The day-to-day operations of a Center owned by an Active MCO may be overseen and supervised by a "Certified Operator," as that term is defined in Section 23.

d. If Franchisee loses the services of its Primary Operator, Franchisee must have the Center managed by a replacement Primary Operator as soon as practicable, but in no event more than ninety (90) days thereafter. If Franchisee is an Active MCO and loses the services of its Certified Operator, Franchisee must have the Center managed by a replacement Certified Operator as soon as practicable, but in no event more than ninety (90) days thereafter.

e. Franchisee acknowledges that TUPSS's (and, if applicable, the Area Franchisee's) expenditure of time and effort may be increased to support the operations of the Center in the event Franchisee does not employ a replacement Primary Operator (or, as applicable a replacement Certified Operator) within the ninety (90) day period referenced in Section 7.3(d). Accordingly, Franchisee shall compensate TUPSS for this extra responsibility by paying TUPSS $250 per day until Franchisee employs a replacement Primary Operator (or, if applicable, replacement Certified Operator). Franchisee acknowledges that TUPSS will not act as Franchisee's Primary Operator or Certified Operator, nor does TUPSS promise any specific level of involvement in Franchisee's business in exchange for such fee. TUPSS will not exercise direct or indirect control over the working conditions of Franchisee's Center's employees, except to the extent that such

indirect control is related to TUPSS's legitimate interest in protecting the quality of its products/services or brand.

f. Upon the permitted Assignment of this Agreement, the assignee must employ a Primary Operator for the Center as of the effective date of such Assignment, or, if such assignee is an Active MCO, the assignee's Center may be managed by a Certified Operator as of such Assignment's effective date.

7.4 Purchase and Sale of Goods and Services

a. At all times throughout the Term, Franchisee shall offer, sell and provide in connection with the Center all goods and services required, and only those goods and services required or authorized, in the Manuals. Franchisee shall purchase authorized goods and services only from TUPSS-approved suppliers; Franchisee must use products purchased from TUPSS-approved suppliers solely for the purposes of operating the Center.

b. If Franchisee should desire to purchase products from a supplier other than one previously approved or designated by TUPSS, Franchisee shall deliver written notice to TUPSS of its desire to seek approval of such proposed supplier, together with such evidence of conformity with the Standards and Specifications stated in the Manuals. TUPSS or its representatives shall have the right to inspect the proposed supplier's facility and may thereupon request that the proposed supplier furnish TUPSS or its representative, at no cost to TUPSS, product samples for evaluation and testing. Franchisee shall pay TUPSS a charge not to exceed the reasonable costs of evaluating and testing such supplier and its products. TUPSS will use its good faith efforts to notify Franchisee of its approval or disapproval of such supplier within sixty (60) days after TUPSS's receipt of the completed request and completion of the evaluation and testing, if any. TUPSS shall not unreasonably withhold its approval of a proposed supplier; however, (i) TUPSS may revoke approval of particular products or suppliers upon such supplier's failure to continue to meet any of TUPSS's criteria; and (ii) TUPSS reserves the right to limit the number of TUPSS-approved suppliers. Upon receipt of written notice of such revocation, Franchisee must cease ordering and/or selling any disapproved product and cease purchasing from any disapproved supplier. This process that allows TUPSS to consider (and possibly approve) Franchisee's proposed use of alternative suppliers does not apply, and is not available to, suppliers of products and services used in the construction, build-out, remodeling or image/décor of Franchisee's Center.

7.5 Corporate Retail Solutions Program

The following are the terms and conditions under which Franchisee must participate in the Corporate Retail Solutions Program (the "CRS Program"). The CRS Program includes, but is not limited to, any transactions where: (i) the Client (as defined below) pays TUPSS and TUPSS pays Franchisee, and (ii) the Client refers customers and customers pay Franchisee directly.

a. Franchisee agrees to comply with the terms and conditions of the CRS Program, as set forth in the Manuals or work orders, which may be available online, as amended from time to time. Among these CRS terms, TUPSS has reserved the

right, in its sole and absolute discretion, to designate a specific price or set Franchisee's maximum retail prices for certain products and/or services that Franchisee sells to certain CRS customers. TUPSS also has the right to require Franchisee to sign any agreements, certifications, and other documents with the CRS Client ("Client"), and otherwise to comply with conditions reasonably required by the Client, in order to provide products and services to or for the Client.

b. Franchisee agrees to participate in all services and programs made available by TUPSS to every Client, whether currently existing or brought into the CRS Program in the future. Franchisee agrees to follow and comply with all CRS Program workflows and instructions, which may differ among individual Clients. This may include specific packaging materials and/or boxes. Franchisee agrees to comply with all of TUPSS's equipment standards as announced by TUPSS from time to time, including, but not limited to, installation and use of the Virtual Private Network communications system designated by TUPSS for use by Franchisee and the POS System. If TUPSS or the Client provides equipment to Franchisee (whether or not free of charge) in order for Franchisee to participate in the CRS Program with respect to that particular Client, Franchisee must return that equipment to TUPSS or the Client, as applicable, in good working order (reasonable wear and tear excepted) when the Client's participation in the CRS Program ends or as otherwise directed by TUPSS or the Client. If Franchisee fails to do so, TUPSS may set off the equipment's value against any amounts that TUPSS or its Affiliates then owe to Franchisee or otherwise seek to recover that value from Franchisee. Franchisee agrees to comply with all of TUPSS's CRS insurance requirements as announced by TUPSS from time to time. For current CRS equipment and insurance standards, please refer to the Manuals.

c. Franchisee agrees to remain financially current with all obligations to TUPSS. At TUPSS's election, TUPSS may apply any sums owed Franchisee under the CRS Program against any sums owed to TUPSS by Franchisee, including Royalties, The UPS Store Marketing Fees, and National Advertising Fees.

d. All CRS transactions must be entered into the POS System at the time of the transaction, or as otherwise designated by TUPSS, in order to qualify for CRS payment. TUPSS will use best efforts to remit such funds to Franchisee within twenty-five (25) days after the last day of the month in which the report of the transaction was received by TUPSS, where Franchisee has not already received payment directly.

e. Franchisee will be reimbursed by TUPSS, to the extent Franchisee has not already received payment directly, for services rendered to CRS customers the amounts specified in the applicable agreement between TUPSS and Clients, including, but not limited to, carrier rates, packing rates, storage rates, declared value coverage rates, facsimile rates, copy rates, or any other service or product rates designated.

f. Franchisee shall be liable for items in its possession under the CRS Program and must perform all work in accordance with the procedures described in the Manuals, workflow or CRS Program instructions, including packaging and shipping all Client packages. Franchisee agrees to indemnify, defend and hold

harmless TUPSS, Client, and their respective affiliates, subsidiaries, officers, directors, agents and employees from and against any and all claims, liabilities, judgments, or costs arising out of Franchisee's acts or omissions in carrying out its obligations under the CRS Program.

g. Franchisee agrees to assist in processing and resolving claims on packages as part of a particular CRS program as needed.

h. Franchisee agrees that any Client has the right upon thirty (30) days' notice to audit the Franchisee's financial records and books pertaining to its CRS Program. Franchisee must maintain all records and logs pertaining to the CRS Program for a period of two years.

i. If Franchisee, for any reason, does not fully participate in a particular CRS program, TUPSS reserves the right to terminate Franchisee's participation in that program upon ten (10) days' written notice, in addition to pursuing all other remedies available to TUPSS as a result of such material violation of this Agreement.

j. Franchisee may not assign or delegate its duties under the CRS Program without the prior written consent of TUPSS.

k. Franchisee understands that any Client trademark is the exclusive property of that Client, and nothing contained herein shall confer upon Franchisee any right to use such Client trademarks without the express written consent of Client and TUPSS.

l. Franchisee agrees to preserve in strict confidence any information or document it receives from any Client, TUPSS or a CRS Program customer or end-user that is designated or marked confidential or is required by CRS Program instructions or Applicable Laws to be treated as confidential.

7.6 E-Commerce Program and E-Offerings

a. Franchisee agrees to comply with the terms and conditions of, and Standards and Specifications for, any and all E-Offerings (including Online Printing (OLP)) that TUPSS implements through its E-Commerce Program and requires Franchisee to offer to customers, or in which TUPSS requires Franchisee to participate, in connection with Franchisee's Center's operation (or, if applicable, that Franchisee chooses to offer, or in which Franchisee chooses to participate, even though TUPSS has not required it). Such terms and conditions and Standards and Specifications may include, without limitation, eligibility criteria (including obtaining special equipment or other operating assets), training requirements, operational duties, performance standards, and payments due on revenue derived from an E-Offering.

b. Franchisee agrees to remain financially current with all obligations to TUPSS. At TUPSS's election, TUPSS may apply any sums payable to Franchisee under an E-Offering against any sums owed to TUPSS by Franchisee, including Royalties, The UPS Store Marketing Fees, and National Advertising Fees.

c. If Franchisee, for any reason, does not fully or properly participate in a mandatory E-Offering or an E-Offering in which Franchisee has voluntarily chosen to participate, TUPSS reserves the right to pursue all remedies available to TUPSS as a result of such material violation of this Agreement.

8. ADVERTISING AND MARKETING

The parties acknowledge the value of standardized advertising and marketing programs to the growth of the goodwill and public image associated with the Marks and the System and agree as follows:

8.1 An amount equal to all The UPS Store Marketing Fee revenues shall be expended by TUPSS, in its sole discretion, for public relations, research and development, testing, and pilot programs to promote the sale of existing or new products and services for the System; for promotional programs to assist specific regions or franchisees; for promoting the sale of new franchises; for marketing research; and for producing common promotional material for use by TUPSS's franchisees on a local, regional or national basis. TUPSS shall have complete discretion as to the use and allocation of these funds, which may be used for payment of direct program costs and/or overhead expenses related to the above-described activities.

8.2 TUPSS has decision-making control of all activities and (except as provided below in this Section) expenditures of the National Advertising Fund for as long as the NAF remains in existence, including the creation and production of all advertising and marketing concepts and materials and their geographic, market, and media placement and allocation. The Manuals contain additional information regarding the NAF. NAF monies need not be spent in any manner that is proportionate or equivalent to National Advertising Fees paid by particular Centers or in any geographic area. If TUPSS terminates the NAF, unspent monies will be distributed to franchisees in proportion to their respective NAF contributions during the preceding twelve (12) month period.

The Marketing Advisory Council ("MAC"), a committee comprised of representatives of Center franchisees, Area Franchisees, and TUPSS, will serve only in an advisory capacity with respect to the NAF's administration and operation, except that the MAC has the right to determine whether the NAF should pay for the media plans proposed, created, and to be implemented by TUPSS. Subject to TUPSS's candidate eligibility criteria and other MAC policies and rules that TUPSS may update from time to time, franchisees and Area Franchisees will elect their representatives to participate in the MAC. The MAC will be governed by bylaws that may be amended from time to time as provided in the MAC's charter. No portion of the NAF will be used for advertising that is principally a solicitation for the sale of franchises.

Franchisee's National Advertising Fee is subject to certain monthly and annual dollar caps ("NAF Cap"). The current NAF Cap is set forth in the Franchise Disclosure Document associated with this Agreement. TUPSS may adjust the NAF Cap annually. This adjusted Annual NAF Cap amount then is divided by thirteen (13) (months) to establish the adjusted January through November monthly NAF Cap amount. This adjusted January through November monthly NAF Cap amount is then multiplied by 2 to establish the adjusted December monthly cap. Adjusted monthly NAF Caps are rounded down, if necessary, to stay under the adjusted Annual NAF Cap. TUPSS reserves the

right at any time, upon written notice to Franchisee, to: (a) change the formula it uses for adjusting the NAF Cap; or (b) eliminate the NAF Cap.

8.3 Franchisee acknowledges that TUPSS has established an Advertising Co-op for the designated marketing area ("DMA") in which Franchisee's Center is located. By signing this Agreement, Franchisee automatically becomes a member of the Co-op in its DMA (the "DMA Co-op"). Franchisee agrees to participate in the DMA Co-op as TUPSS specifies in its Advertising Co-op Guidebook for Centers, which includes bylaws, media guidelines, sample forms and reports, operational procedures, and other materials relating to the DMA Co-op's administration and operation. TUPSS controls the DMA Co-op's operation, and periodically may modify the Guidebook as it deems best. Franchisee agrees to comply with all changes in the Guidebook.

8.4 TUPSS may have the DMA Co-op changed, dissolved, or merged with another Advertising Cooperative whenever it thinks best. TUPSS will control the DMA Co-op's marketing, advertising materials and activities, selection of ad agency, and expenditures. Franchisee agrees to send its Co-op Fee directly to TUPSS in the manner and by the date TUPSS specifies. A majority vote of the franchisee members of Franchisee's DMA Co-op will determine the Co-op Fee's fixed-dollar amount. However, TUPSS may require DMA Co-op Fees of 0.5% of the Center's STR (if this is more than the fixed-dollar amount). In addition, if fifty-one percent (51%) or more of the franchisees in Franchisee's DMA Co-op vote to increase the fee to more than 0.5% of STR, they may do so up to a cap of three percent (3%) of STR. The DMA Co-op's Fees will not be changed more than once per year. No promotional or advertising plans or materials shall be used by the DMA Co-op or by any of its members without TUPSS's prior written approval.

8.5 Franchisee shall follow all advertising and marketing Standards and Specifications established from time to time by TUPSS. Franchisee shall use, sell or distribute only those advertising or marketing materials that are authorized by TUPSS in writing prior to use.

8.6 For all newly constructed Centers (not renewals or transfers), Franchisee shall pay to TUPSS an Initial Marketing Plan Fee. Franchisee must pay an Initial Marketing Plan Fee for re-opened Centers unless the requirement is waived by TUPSS. Details regarding the Initial Marketing Plan Fee and associated program are set forth in the Manuals as may be updated from time to time. TUPSS shall have complete and absolute discretion to determine the ways in which the Initial Marketing Plan Fee is spent in support of the initial marketing plan of Franchisee's Center.

8.7 Any advertising or other presence or promotion by Franchisee on the Internet must comply with the Internet Policies and Social Media Policies. Franchisee's home page must reside on TUPSS's Web server and must be linked from TUPSS's corporate web site. TUPSS may require changes to Franchisee's home page or other Internet presence on the Internet should TUPSS determine that any information contained therein is not in compliance with the Internet Policies.

8.8 Franchisee shall use the Marks, trade styles, color combinations, designs, symbols and slogans only in the manner and to the extent specifically permitted by this Agreement or the Manuals. Franchisee shall not cause or allow the Marks, or any of them, to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with

any Internet home page, web site or other Internet-related activity, without TUPSS's express prior written consent, and then only in such a manner and in accordance with such procedures, standards and specifications as TUPSS may establish. TUPSS reserves the right to approve all advertising or promotional materials, such as signs, stationery, business cards, forms and supplies which were not provided by TUPSS but which contain or use the Marks. All advertising (including any Internet advertising), publicity signs, decorations, furnishings, equipment or other materials employing the Marks in any way must be approved in writing by TUPSS prior to publication or use.

9. STATEMENTS, RECORDS, INSPECTIONS AND AUDITS

9.1 Statements and Records

a. Franchisee shall keep, maintain, retain, and secure for such period(s) specified in the Manuals true and accurate accounts and records, implement inventory, POS Systems and accounting systems, submit statistical control forms, customer data, access and audit logs, and other reports or information concerning the finances and operation of the Center (collectively, the "Information") in the manner specified in the Manuals and as TUPSS may otherwise require, and, upon TUPSS's request, implement computer and other electronic hardware and software to: (1) assist Franchisee in the operation of its Center in accordance with the System, Manuals, and Data Security Requirements; (2) allow TUPSS to monitor STR, purchases, sales, costs and expenses, inventory, sales mix, usage, and other aspects of the operation of the Center; (3) enable TUPSS to develop chain-wide statistics; (4) assist TUPSS in the development of new authorized products or the removal of existing unsuccessful products; (5) enable TUPSS to refine existing authorized products; and/or (6) generally improve chain-wide understanding of the System (such data or documents created by the foregoing six (6) items also considered "Information"). The Information will not include any records or information relating to the Center's employees, as Franchisee controls exclusively its labor relations and employment practices. Without limiting the generality of the foregoing:

i. On or before the 14th calendar day following each Accounting Period (even if that 14th calendar day falls on a weekend or holiday), or at such other interval as TUPSS may establish, Franchisee shall electronically submit to TUPSS a Monthly Royalty Report verified by Franchisee, on a form prescribed by TUPSS, reporting STR for the preceding Accounting Period, together with such additional financial information as TUPSS may from time to time request.

ii. On or before the 45th day following each calendar quarter during the Term, Franchisee shall submit to TUPSS financial statements for the preceding quarter, including a balance sheet and profit and loss statement, prepared in the form and manner prescribed by TUPSS in the Manuals and in accordance with generally accepted accounting principles, which shall be certified by Franchisee to be accurate and complete.

iii. Within sixty (60) days following the end of each calendar year, Franchisee shall submit to TUPSS a statement of cash flow and cash on

hand, unaudited annual balance sheet, and unaudited profit and loss statement, each prepared in accordance with generally accepted accounting principles, and in such form and manner prescribed by TUPSS, which shall be certified by Franchisee to be accurate and complete. Franchisee shall submit to TUPSS a copy of the original signed IRS 1120 or IRS 1120S tax form each and every year or any other forms which take the place of the IRS 1120 or IRS 1120S forms. Franchisee shall also provide TUPSS with copies of signed original sales and use tax forms contemporaneously with their filing with the appropriate state or local authority. TUPSS reserves the right to require such further information concerning the Center as TUPSS may specify in the Manuals, including, without limitation, monthly balance sheets and profit and loss statements.

iv. Upon TUPSS's request, Franchisee shall cause the aforesaid Information systems to be electronically linked to TUPSS, which may poll and retrieve such Information on a daily basis or at such other interval as TUPSS may determine. Such electronic link must at all times strictly comply with the Data Security Requirements.

b. Franchisee hereby authorizes TUPSS to publish and/or incorporate in reports for use within its network of Centers any or all such Information. Franchisee acknowledges that, during the Term, TUPSS will be a creditor of Franchisee because Franchisee will regularly owe money to TUPSS on account of Royalties and other amounts due and payable under this Agreement or otherwise in connection with the Center's operation. Recognizing that TUPSS will be a creditor of Franchisee throughout the Term of this Agreement, and given the monies that Franchisee periodically owes to TUPSS, Franchisee authorizes TUPSS to periodically pull credit reports on Franchisee and its Owners to confirm their financial condition and standing.

9.2 Inspections

TUPSS or its designated agent shall have the right to enter upon the entire premises of the Center, with or without notice, and obtain full and complete access during business hours to inspect, photograph and videotape the Center and its operation in areas TUPSS maintains the authority to control and/or remedy, including all computers or other technology, including, without limitation, any storage devices that contain customer data or other Information. TUPSS shall also be permitted to inspect and photocopy, or make a digital copy of, any books, paper or electronic records, and documents relating to the operation of the Center in areas TUPSS maintains the authority to control and/or remedy. If any such inspection indicates any deficiency or unsatisfactory condition with respect to any matter required under this Agreement, the Manuals, or the Data Security Requirements, including quality, services, and authorized products, TUPSS shall notify Franchisee in writing of such non-compliance with the Manuals, the System or this Agreement, and Franchisee shall promptly correct or repair such deficiency or unsatisfactory condition. Franchisee shall cooperate with TUPSS in connection with any such inspections or related investigations. TUPSS shall endeavor to exercise its rights under this section in a manner intended to minimize interference with the operation of Franchisee's Center.

9.3 Audit

a. Upon ten (10) days' prior written notice, Franchisee grants to TUPSS or its representatives the right, at any time, to conduct a formal investigation and/or audit of all of Franchisee's financial books and records relating to Franchisee's Center (other than those books and records relating to areas TUPSS has no authority to control and/or remedy, such as the Center's employees, which Franchisee controls exclusively) and to make copies thereof. Franchisee shall cooperate with the audit process, shall provide a reasonable work area at the Center being audited, and make a knowledgeable representative of Franchisee available to TUPSS to answer questions and explain transactions. Franchisee shall keep and maintain at the Location such books and records specified herein and in the Manuals for such duration as specified in the Manuals.

b. If any audit or other investigation reveals an under-reporting or under-recording error of five percent (5%) or more of STR, then in addition to any fees normally due on the under-reported STR, the following will be due: (i) the expenses of the audit/inspection shall be borne and paid by Franchisee upon billing by TUPSS ($475 minimum), (ii) interest will be assessed up to the maximum rate permitted by Applicable Laws, and (iii) a late fee of $25 per week will be charged from December 31st of each year showing under-reporting of five percent (5%) or greater, or from the end of the audit period for a partial year audited, calculated until the audit fees are paid in full.

c. Franchisee hereby authorizes any vendors with whom Franchisee does business to immediately release to TUPSS or TUPSS's agents, upon request by TUPSS or TUPSS's agents at any time during or after the Term, any information, reports, or data that any such vendor may possess or obtain from Franchisee in connection with providing goods or services to Franchisee.

d. In addition to field audits conducted at the Center, TUPSS has the right to perform audits of Royalty Reports at its office and to retrieve documentation from Franchisee to support the accuracy of such reports. Upon written request from TUPSS, Franchisee is required to promptly provide TUPSS with all information requested in order to verify the accuracy of one or more Royalty Reports previously submitted to TUPSS.

10. REPRESENTATIONS, WARRANTIES AND COVENANTS

10.1 During the term of this Agreement, Franchisee and its Owners covenant, represent and warrant as follows:

a. Franchisee: (i) shall use best and continuing efforts to promote and develop the business at Franchisee's Center, and (ii) agrees that if Franchisee is not the Primary Operator, Franchisee must supervise the Primary Operator and shall remain responsible to TUPSS for the Primary Operator's (and the Center's) performance under this Agreement, except that, in accordance with Section 7.3, if Franchisee is an Active MCO, Franchisee may utilize a Certified Operator instead of a Primary Operator and Franchisee must supervise the Certified Operator and remains responsible to TUPSS for its Certified Operator;

b. Franchisee's Primary Operator (or, if Franchisee is an Active MCO, then Franchisee's Certified Operator) shall devote full time, on-premises attention to overseeing and supervising the Center's day-to-day operations;

c. Franchisee shall maintain a sufficient number of competent, conscientious, trained staff to operate Franchisee's Center (the number of employees to be employed remains at Franchisee's discretion);

d. Franchisee and its Owners shall comply with all Applicable Laws and, with respect to computer hardware, software, point-of-sale systems, and Information, all mandatory Payment Card Industry (PCI) Security Data Standards and federal and state regulations or statutes governing (i) the use or disclosure of customer data or (ii) protection or security of such customer data or computer systems;

e. Franchisee or Franchisee's Primary Operator (or, if Franchisee is an Active MCO, then Franchisee's Certified Operator) shall attend, at Franchisee's expense, all networking meetings as arranged by TUPSS or Area Franchisee for the area in which the Center is located, if any. Franchisee should attend and participate in TUPSS's regional and/or national conventions;

f. Franchisee shall arrange for the Primary Operator (or, if Franchisee is an Active MCO, the Certified Operator) and other supervisory employees to attend and successfully complete such training as required by TUPSS from time to time;

g. Franchisee and its Owners shall not disclose, except to Center employees on a need-to-know basis, and shall not make copies of, any Confidential Information, directly or indirectly, or use it in any way, either during the term of this Agreement or any time thereafter, except as authorized in this Agreement;

h. Franchisee and its Owners shall not use the Confidential Information in any business or other endeavor other than in connection with the Center;

i. Franchisee and its Owners shall maintain absolute confidentiality of the Confidential Information during and after the Term of this Agreement;

j. Neither Franchisee, its Owners nor any employee of Franchisee shall make any unauthorized copies, facsimiles or notes of any materials containing in whole or in part the Confidential Information;

k. The Center shall operate and implement all reasonable procedures prescribed from time to time by TUPSS to prevent unauthorized use and disclosure of the Confidential Information, including, without limitation, restrictions on disclosure to Center employees. If Franchisee has any reason to believe that any Center employee has violated such employee's duty to not disclose the Confidential Information to unauthorized third parties, Franchisee shall promptly notify TUPSS and cooperate with TUPSS to protect TUPSS against infringement or other unlawful use, including, but not limited to, the prosecution of any lawsuits if, in the reasonable judgment of TUPSS, such action is necessary or advisable;

1. The Center shall be operated (open to the public for business) at least fifty-eight (58) hours per week, and on the required days, as further detailed in the Manuals, unless TUPSS has authorized (in writing) some lesser amount of hours;

m. When Franchisee and all Owners of Franchisee communicate, in writing or otherwise, with representatives of TUPSS, Franchisee and Owners shall do so in a professional and courteous manner and refrain from profanity and similar abusive or hostile communications. Violation of this provision shall be a material violation of the Franchise Agreement;

n. All spouses of Franchisee's Owners (if Franchisee is an Entity) or Franchisee's spouse (if Franchisee is an individual) must sign TUPSS's Spousal Consent attached as Exhibit J. If Franchisee or one of its Owners gets married after the Effective Date, the new spouse must sign the Spousal Consent within ten (10) days after the marriage date;

o. Franchisee shall maintain itself as an employer separate, independent, and distinct from TUPSS; and

p. Franchisee shall not contest, either directly or indirectly, any finding or determination that TUPSS and Franchisee are not joint employers.

10.2 If (and only if) TUPSS: (i) provides to Franchisee its prior written consent to Franchisee's (or Owners') proposal to engage in a business other than the operation of a Center and (ii) confirms that such other business does not violate Section 2 (titled "Covenanter's In-Term Non-Competition and Non-Solicitation Covenants") of the Owners' Non-Competition and Non-Solicitation Agreement (attached as Exhibit D hereto), then TUPSS's consent shall be further subject to Franchisee's satisfaction of all of the following conditions:

a. such other business shall be conducted at a location other than the Location and shall not interfere with the effective operation and maintenance of Franchisee's Center;

b. Franchisee shall maintain separate books and records, maintain a separate and distinct image as a separate business, and not commingle funds or expenses with the business of the Center;

c. such other business shall not interfere with, injure or otherwise diminish the integrity or value of TUPSS's Marks or goodwill;

d. such other business shall not directly or indirectly compete with Franchisee's Center or have an adverse commercial impact on Franchisee's business; and

e. Franchisee shall pay for and/or reimburse any direct or indirect costs incurred by such other business for goods and services provided by Franchisee's Center.

10.3 As of the Effective Date, the information provided in the Ownership Information Form by Franchisee is true, accurate and complete. Franchisee shall not cause or permit any act or event to occur during the Term which would cause the information provided in the

Ownership Information Form to be untrue, except with TUPSS's prior written consent or as otherwise expressly permitted hereunder.

10.4 Franchisee affirms that all information set forth in applications, financial statements and submissions to TUPSS is, and all future submissions to TUPSS shall be, true, accurate and complete in all material respects, and Franchisee acknowledges that TUPSS has relied, and may hereafter rely, upon the truthfulness, accuracy and completeness of such information.

10.5 Franchisee shall display prominently in Franchisee's Center such promotional literature about TUPSS's franchise opportunities as TUPSS shall from time to time specify, including the method and location of such display.

11. TRANSFER AND ASSIGNMENT

11.1 By TUPSS

TUPSS may assign all of its right, title and interest in and to this Agreement without restriction, and the rights hereunder shall inure to the benefit of its successors and assigns, provided that any such successors and assigns shall agree in writing to assume all of TUPSS's obligations hereunder. Such assignment shall discharge TUPSS from any further obligation hereunder. TUPSS also may change its ownership or form without restriction. In addition, upon such terms as TUPSS may determine, TUPSS may delegate or assign all or some of its obligations and rights under this Agreement to an agent, the Area Franchisee whose territory includes all or part of Franchisee's Territory, or such other Area Franchisee as selected by TUPSS.

11.2 By Franchisee

a. Franchisee is permitted to pledge, encumber or otherwise give any third party a security interest in this Agreement (and the franchise rights associated with this Agreement) only if such third party irrevocably agrees that, if and when it seeks to pursue its rights related to the security interest via a replevin (repossession) action, it shall not be permitted, without the prior written consent of TUPSS, to (i) operate the Center associated with this Agreement, or (ii) resell to a third party the franchise rights associated with this Agreement. In determining whether to grant its consent, TUPSS shall apply its standard criteria, as if the third party (or, as applicable, the third party's proposed assignee) were a candidate to become a franchisee of an existing Center.

b. The rights and duties created by this Agreement are personal to Franchisee, and TUPSS has entered into this Agreement in reliance on many factors, including the character, skill, aptitude and business and financial capacity of Franchisee and its Owners, in the case of a Franchisee which is an Entity. Accordingly, neither Franchisee's (or any Owner's) interest in this Agreement nor any of its (or any Owner's) rights or privileges hereunder, shall be sold, conveyed, assigned, transferred, shared or divided, voluntarily or involuntarily, by operation of law or otherwise (including the division of any community property interest in connection with any divorce proceeding), in any manner (an "Assignment"), without TUPSS's prior written consent as provided in Section 11.3. Any such purported Assignment occurring by operation of law or otherwise, including any

Assignment by a trustee in bankruptcy, without TUPSS's prior written consent shall be null and void and a material default of this Agreement.

c. Any sale, assignment, transfer, conveyance, gift, pledge, mortgage, or other encumbrance of more than 50% (or majority) of the outstanding and issued stock, membership interests, Partnership Rights or other ownership interest of Franchisee by one or more transfers, by operation of law, or by any other event(s) or transaction(s) which, directly or indirectly, effectively changes management control of Franchisee shall constitute an "Assignment" hereunder.

d. It shall also constitute an "Assignment" hereunder if transfer of fifty percent (50%) or less of the ownership interest in Franchisee effectively changes management control of Franchisee. Example: A owns forty-nine percent (49%), B owns twenty percent (20%) and C owns thirty-one percent (31%). Sale of C's 31% thirty-one percent (31%) to B would transfer controlling interest and constitute an "Assignment."

e. Notwithstanding anything to the contrary in Section 11 of this Agreement, a "Family Transfer" shall not constitute an "Assignment." "Family Transfer" is defined in Section 23 of this Agreement as such definition may be supplemented and updated by TUPSS in the Manuals. Franchisee must pay to TUPSS a "Family Transfer Fee" in the amount set forth in the then-current The UPS Store Franchise Disclosure Document (i.e., the one that is in effect at the time of the Family Transfer).

11.3 Franchisee acknowledges the vital importance of Franchisee to the market position and overall image of TUPSS. Franchisee also recognizes that there are many objective and subjective factors that comprise the process by which TUPSS selects a suitable franchisee; therefore, TUPSS may impose any reasonable condition to its consent to any Assignment, including, without limitation, the satisfaction of all of the following conditions:

a. Franchisee and the proposed transferee must complete, execute and comply with all requirements of TUPSS's then-current transfer materials as provided in the Manuals;

b. The proposed transferee must be a person or Entity that meets TUPSS's then-current Standards and Specifications and qualifications for new franchisees of Centers;

c. The proposed Assignment shall be for commercially reasonable terms. TUPSS's consent to any Assignment does not ensure the transferee's success as a franchisee, nor should the transferee rely upon TUPSS's consent to the Assignment in determining whether to acquire the Center;

d. As of the effective date of the proposed Assignment, all obligations of Franchisee hereunder and under all other agreements between Franchisee and TUPSS (and TUPSS's Affiliates) shall be fully satisfied;

e. The transferee must execute a new franchisee agreement, on TUPSS's Then-Current Agreement, for a full ten (10) year initial term;

f. At or prior to the Assignment, TUPSS must receive payment of the following fees from Franchisee (also known, for these purposes, as the "transferor" or "seller") and/or from Franchisee's "buyer" or "transferee":

i. a "Transfer Fee" (as defined in Section 23 of this Agreement); and

ii. a "Processing Fee" (as defined in Section 23 of this Agreement); and

iii. a "Pro-Rated Renewal Fee for Transfers" (as defined in Section 23 of this Agreement); and

vi. an "Upgrade Evaluation Fee" (as defined in Section 23 of this Agreement).

g. Transferee (or its Primary Operator employee) must successfully complete all phases of TUPSS's New Franchisee Training Program to TUPSS's satisfaction and pay all then-current training fees. If Transferee is: (i) an Active MCO, his/her Certified Operator must successfully complete TUPSS's Certified Operator's Training ("COT") program, if Transferee does not wish to have a Primary Operator complete the New Franchisee Training Program for this Center; and (ii) if this is Transferee's second or greater Center, Transferee must complete TUPSS's MCOW program;

h. No later than the deadline set forth in TUPSS's then-current Transfer Upgrade Agreement, Franchisee's Center (exterior and interior) must be upgraded, remodeled and refurbished by Transferee to TUPSS's then-current Center image Standards and Specifications;

i. Franchisee and all Owners shall enter into a general release (in a form prescribed by TUPSS) that will release TUPSS and its Affiliates from any and all suits, claims or causes of action arising from, or in any way connected with, the sale or operation of Franchisee's Center during Franchisee's ownership;

j. TUPSS shall not incur any liability on account of withholding its consent of any proposed Assignment; and

k. No later than the deadline set forth in TUPSS's then-current Transfer Upgrade Agreement, the Center must be upgraded by Transferee to then-current System Standards and Specifications for POS System hardware, software and other computer-related systems required for Centers and then-current Data Security Requirements.

11.4 TUPSS's Right of First Refusal

If Franchisee desires to make any Assignment for value, Franchisee shall, at least thirty (30) days prior to such proposed sale or Assignment, notify TUPSS in writing. Said notice must set forth the name of the proposed purchaser and all terms and conditions of the proposed sale or Assignment and be accompanied by fully completed current TUPSS transfer materials, including a fully executed Purchase and Sale Agreement. The effectiveness of the Purchase and Sale Agreement must be contingent upon TUPSS's waiver of its right of first refusal as described herein and upon TUPSS's consent to the

transaction. The thirty (30) day notice period shall commence upon receipt by TUPSS of all required documents and information stated herein.

11.5 Within such thirty (30) day period, TUPSS may elect to purchase Franchisee's rights under this Agreement and the assets of Franchisee's Center on the same terms and conditions set forth in said notice. In the event that TUPSS exercises its right of first refusal regarding such transaction, the closing shall take place on the earlier of the date stated in the notice of proposed Assignment or ninety (90) days following TUPSS's receipt of all required documents as described in Sections 11.3. and 11.4. above.

11.6 If TUPSS does not exercise its right of first refusal, TUPSS shall notify Franchisee whether it consents to the proposed Assignment, which approval shall not be unreasonably withheld upon compliance with TUPSS's Assignment requirements.

11.7 If Franchisee desires to assign its rights under this Agreement and the assets of Franchisee's Center to an Entity that is owned or controlled by Franchisee, such Assignment may be made only with TUPSS's prior written consent. Franchisee understands and agrees that conditions of TUPSS's consent to any such Assignment include the following:

a. the assignee Entity must execute all agreements then required by TUPSS for a new franchisee, including an assignment of Franchisee's Lease (including "Addendum to Lease") for the premises where the Center is located;

b. all of the assignee Entity's Owners must personally guarantee the full and faithful performance of each and every term, covenant and condition of this Agreement by such transferee Entity;

c. the Owners of such transferee Entity shall personally supervise the operation of the Center;

d. Franchisee must deliver to TUPSS copies of organizational documents of such Entity (e.g., Articles of Incorporation or Association), certified by the appropriate Governmental Authority;

e. Franchisee must pay the then-current Incorporation Fee; and

f. The assignee entity shall not use any of the Marks, or any abbreviations or variations thereof, or any words deemed by TUPSS to be confusingly similar to the Marks as part of the name of any assignee entity, including any of the following words: "Mail" or "Boxes" or "Etc." or "The UPS Store" or "UPS" or the combined letters "TUPSS."

11.8 Death or Incapacity of Franchisee or any Controlling Owner

a. In the event of the death or Incapacity of Franchisee (which is not an Entity) or any of its Controlling Owners (if Franchisee is an Entity), TUPSS shall upon the written request of the heirs or representatives, subject to Section 11.8.b., allow the heirs or representatives a period of six (6) months from date of death or Incapacity to:

i. Demonstrate that such heirs or representatives meet TUPSS's Standards and Specifications for new Center franchisees and execute and agree to the terms of the Then-Current Agreement (except that the term of such agreement shall be the remaining Term hereof and no Initial Franchise Fee shall be payable); or

ii. As an alternative to 11.8(a)(i) above, only if Franchisee's (or, if applicable, Controlling Owners') heir or representative(s) is/are Immediate Family Member(s) that meet TUPSS's Standards and Specifications for new Center franchisees, such Immediate Family Member(s) must execute TUPSS's form of amendment to franchise agreement replacing the name of Franchisee (or, if applicable, of Controlling Owner(s)) with the name(s) of such Immediate Family Member(s) and pay to TUPSS its then-current Non-Transfer Ownership Change Fee; or

iii. Assign this Agreement to a third party acceptable to TUPSS who meets TUPSS's Standards and Specifications for new Center franchisees.

If the heirs or representatives of Franchisee or Controlling Owner sell the Center due to the death or incapacity of Franchisee or Controlling Owner, TUPSS's Finder's Fee shall be reduced to an amount equal to one-quarter (25%) of the then-current Initial Franchise Fee.

A failure to take the action specified in 11.8(a)(i), (ii) or (iii) above within six (6) months from the date of death or Incapacity will be deemed as a default under this Agreement.

b. TUPSS may impose reasonable conditions to the rights granted under Section l1.8(a), including the following which shall be deemed reasonable: (i) the Center must continue to be operated in conformity with this Agreement, the System and the Manuals; (ii) the heirs or representatives register and pay for, and then attend, all training programs TUPSS requires; and (iii) if TUPSS determines in its discretion that the Center is not being operated in accordance with this Agreement, the System or the Manuals, TUPSS shall have the right, but not the obligation, to appoint a Certified Manager for the Center, upon which it shall be entitled, in addition to all other fees to be paid by Franchisee pursuant hereto, to be reimbursed (payable on an estimated basis in advance) for its actual direct and indirect costs in connection with such services and to be indemnified and held harmless from and against any and all risks, losses, costs and liability associated therewith. The Certified Manager will not exercise direct or indirect control over the working conditions of Franchisee's Center employees, except to the extent such indirect control is related to TUPSS's legitimate interest in protecting the quality of its product/services or brand.

11.9 If Franchisee seeks TUPSS's required consent (and a required waiver of TUPSS's right of first refusal) to change less than a controlling ownership interest in the Franchised Business, then a $350 "Non-Transfer Ownership Change Fee" shall be paid by Franchisee to TUPSS.

11.10 If Franchisee is an Entity and seeks TUPSS's required consent to change the name of such Entity (without changing the ownership structure or percentages set forth on the Ownership Information Form), then Franchisee shall pay to TUPSS a $350 "Entity Name Change Fee."

12. DEFAULT AND TERMINATION

12.1 Termination by Franchisee

Franchisee may terminate this Agreement due to a material default by TUPSS of its obligations hereunder, which default is not cured by TUPSS within 60 days after TUPSS's receipt of prompt written notice by Franchisee to TUPSS detailing the alleged default with specificity; provided, that if the default is such that it cannot be reasonably cured within such 60 day period, TUPSS shall not be deemed in default for so long as it commences to prosecute such default within 60 days and diligently continues to prosecute such cure to completion. Such notice must be given within one year of the alleged default. Failure to give such notice shall constitute a waiver of any such alleged default. If Franchisee terminates this Agreement pursuant to this Section 12.1, Franchisee shall comply with all of the terms and conditions of Section 14 and Section 7.2(d) of this Agreement, and Franchisee (or, if applicable, Owners) shall fully comply with the Non-Competition and Non-Solicitation Agreement.

12.2 Termination by TUPSS

TUPSS has the right to terminate this Agreement only for "cause." "Cause" is hereby defined as a material breach of this Agreement.

12.3 Termination with Notice and Opportunity to Cure

Except for any default under Section 12.4, and as otherwise expressly provided elsewhere in this Agreement or by Applicable Laws, Franchisee shall have 30 days after TUPSS's written notice of default in which to remedy any default under this Agreement and to provide evidence of such remedy to TUPSS. If any such default is not cured within that time period, or such longer time period as Applicable Law may require or as TUPSS may specify in the notice of default, this Agreement and all rights granted by it shall thereupon automatically terminate without further notice or opportunity to cure.

12.4 Termination by TUPSS without Notice or Opportunity to Cure

Subject to any controlling Applicable Laws to the contrary, Franchisee shall be deemed to be in material default and TUPSS may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon delivery or attempted delivery to Franchisee of notice by TUPSS of the occurrence of any of the following events:

a. Franchisee is adjudicated bankrupt or judicially determined to be insolvent (subject to any contrary provisions of any applicable state or federal laws), or fails to meet its financial obligations as they become due, or makes a disposition for the benefit of its creditors;

b. Franchisee or any of its Owners allows a judgment against it or them in the amount of more than $25,000 to remain unsatisfied for a period of more than 30 days (unless a supersedeas or appeal bond has been filed);

c. the Center, the Location (including the real property or building thereon), or the Franchisee's assets are seized, taken over or foreclosed by a government official in the exercise of its duties, or seized, taken over, or foreclosed by a creditor or lienholder, and a final judgment against the Franchisee remains unsatisfied for 30 days (unless a supersedeas or appeal bond has been filed);

d. a levy of execution or attachment has been made upon the franchise granted by this Agreement or upon any property used in the Center, and it is not discharged within 5 days of such levy or attachment;

e. Franchisee allows or permits any judgment to be entered against TUPSS or its subsidiaries or affiliated corporations arising out of or relating to the operation of Franchisee's Center;

f. a condemnation or Assignment in lieu of condemnation;

g. if Franchisee abandons the Center at the Location. (For purposes of this Agreement, "abandon" shall mean (i) Franchisee's failure, at any time during the term of this Agreement, to keep the Center open and operating for business for a period of 3 consecutive days, unless such failure to operate is due to fire, flood, earthquake, or similar natural disasters beyond Franchisee's control, (ii) Franchisee's failure to keep the Center open and operating for any period after which it is not unreasonable under the facts and circumstances for TUPSS to conclude that Franchisee does not intend to continue to operate the Center, (iii) in the event of fire, flood, earthquake, or similar natural disasters beyond Franchisee's control causing the Center's closure, Franchisee's inability, refusal or other failure to resume operation of the Center within thirty (30) days after the natural disaster causing the closure unless Franchisee, within such thirty (30) day period, advises TUPSS of its intent to relocate the Center to a substitute site TUPSS accepts and in fact relocates the Center to, and commences operation of the Center at, that substitute acceptable site within one hundred and twenty days (120) days after the natural disaster causing the Center's closure at its original Location, (iv) the termination or withdrawal of permission from the applicable lessor (or host venue) that results in Franchisee's inability to continue operation of the Center at the Location; (v) closing of the Center at the Location required by law if such closing was not the result of a violation of this Agreement by TUPSS; or (vi) any act or statement by Franchisee from which TUPSS reasonably concludes that Franchisee intends to relinquish Franchisee's rights to the Center.);

h. if Franchisee receives 3 or more written notices of default from TUPSS, within any period of 12 consecutive months, concerning any material breach by Franchisee, whether or not such breaches shall have been curable or cured after receipt of notice. Such repeated course of conduct itself shall be considered incurable and be grounds for termination of this Agreement at the same time as, or any time after, TUPSS notifies Franchisee of the third material default;

i. if Franchisee or any of its officers, directors, or key employees is convicted of or pleads guilty or nolo contendere to a felony or any other crime or offense that is reasonably likely, in the sole opinion of TUPSS, to adversely affect TUPSS's reputation, System, Marks or the goodwill associated therewith, or TUPSS's interest therein;

j. if Franchisee purports to make any Assignment without TUPSS's prior written consent or otherwise violates Section 11 of this Agreement;

k. if Franchisee materially misuses or makes any unauthorized use of the Marks or otherwise materially impairs the goodwill associated therewith or TUPSS's rights therein, takes any action that reflects materially and unfavorably upon the operation and reputation of the Center at the Location or upon TUPSS's network of Centers generally, or engages in any unauthorized use, disclosure, or duplication of the Confidential Information, excluding independent acts of employees or others if Franchisee shall have exercised its best efforts to prevent such disclosures or use;

l. if Franchisee makes any material misrepresentations in connection with the execution of this Agreement or the acquisition of the Center at the Location;

m. if (i) Franchisee suffers expiration or termination of the Lease for Franchisee's Center as a result of a default thereunder, (ii) Franchisee fails to cure a default under the Lease within the applicable cure period specified in the Lease, whether or not the landlord terminates the Lease as a result of that uncured default, or (iii) if Franchisee operates the Center at a hotel or other type of non-traditional venue, the hotel, the host venue and/or TUPSS receives five (5) or more customer complaints within a consecutive six (6) month period regarding Franchisee's operation of the Center, whether or not the hotel or host venue takes any action against Franchisee under the Lease;

n. if Franchisee (or, if applicable, any Owner or spouse) shall violate the in-term non-competition or non-solicitation covenant set forth in Section 2 of the Non-Competition and Non-Solicitation Agreement(s), as attached hereto as exhibits(s);

o. if the Small Business Administration-backed funding promised or otherwise represented to be made available to Franchisee on the condition that it sign this Agreement is not made available to Franchisee immediately after it signs this Agreement;

p. if TUPSS has reasonable grounds to believe that Franchisee or any of its Owners, officers, directors, or key employees has engaged or attempted to engage (alone or with others), through one or more affirmative acts or a failure to act, in any fraudulent, dishonest, unethical, immoral, or similar conduct (such as, for example and without limitation, making false representations, concealing or otherwise failing to disclose material information, over-charging customers or charging customers for products or services they did not request or want, or otherwise acting deceptively) in connection with the Center's operation, whether such conduct is directed at or reasonably expected to impact the Center's customers or employees, TUPSS or any of its Affiliates, suppliers, other

franchisees, or another third party (collectively, "Impacted Parties"), and without regard to the actual monetary or other damages actually sustained by one or more Impacted Parties as a result of the conduct. For the purposes of this paragraph, "reasonable grounds" means that, based on TUPSS's or its Affiliate's investigation of the primary facts and circumstances relating to the conduct, it is reasonable for TUPSS or its Affiliate to conclude that the conduct (whether an affirmative act or a failure to act) was fraudulent, dishonest, unethical, immoral, or of a like nature. Whether or not TUPSS actually terminates this Agreement pursuant to this paragraph, Franchisee agrees to indemnify and reimburse any and all Impacted Parties for all damages, financial loss, costs, and expenses (including reasonable attorneys' fees) they incur as a result of the conduct described in this paragraph and in prosecuting claims against Franchisee and any other party that engaged in such conduct (including, in the case of TUPSS if applicable, all action that TUPSS takes to enforce the termination of this Agreement and Franchisee's post-termination obligations and TUPSS's post-termination rights);

q. if TUPSS has reasonable grounds to believe that Franchisee or any of its Owners, officers, or directors has engaged in any lewd or immoral conduct (such as, for example and without limitation, sexual harassment, sexual or other forms of physical abuse, or drug use or trafficking), whether or not in connection with the Center's operation. For the purposes of this paragraph, "reasonable grounds" means that, based on TUPSS's or its Affiliate's investigation of the primary facts and circumstances relating to the conduct, it is reasonable for TUPSS or its Affiliate to conclude that the conduct (whether an affirmative act or a failure to act) was lewd or immoral; or

r. Franchisee fails to comply with any Data Security Requirement or causes or contributes to a Data Security Incident.

12.5 Any material default by Franchisee under the terms and conditions of this Agreement, or any other agreement between TUPSS (or its Affiliate) and Franchisee or Franchisee's Lease, or any default by Franchisee of its obligations to any DMA Co-op of which it is a member, shall be deemed to be a material default of each and every said agreement. Furthermore, in the event of termination, for any cause, of this Agreement or any other agreement between the parties hereto, TUPSS may, at its option, terminate any or all said agreements.

Notwithstanding anything to the contrary contained in this Section 12, if Franchisee's UPS Incentive Program Contract Carrier Agreement is terminated by TUPSS's Affiliate due to Franchisee's failure to cure any material default of that Carrier Agreement, that termination will be considered a simultaneous uncured and incurable material default under this Agreement and will automatically and simultaneously result in the immediate termination of this Agreement without any required notice or other action by TUPSS. Grounds for Carrier Agreement termination include Franchisee's material violation of TUPSS's Affiliate's designated maximum retail prices for various shipping services and options.

12.6 Notwithstanding anything to the contrary contained in this Section 12, in the event any valid Applicable Law of a competent Governmental Authority having jurisdiction over this Agreement and the parties hereto shall limit TUPSS's rights of termination hereunder

or shall require longer notice or cure periods than those set forth above, this Agreement shall be deemed amended to conform to the minimum notice or cure periods or restrictions upon termination required by such laws and regulations. TUPSS shall not, however, be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, arbitration, hearing or dispute relating to this Agreement or the termination thereof.

12.7 TUPSS's rights as stated in this Section shall be without prejudice to any other rights or remedies provided by law or under this Agreement, which include, but are not limited to, injunctive relief, damages or specific performance. TUPSS's failure to terminate this Agreement upon the occurrence of one or more of the above events shall not constitute a waiver or otherwise affect the right of TUPSS to terminate this Agreement because of any other occurrence of one or more of the events set forth above. Further, TUPSS's failure to enforce any term or condition of any other agreement (whether or not with Franchisee) or to terminate such agreement upon the occurrence of one or more of the above events shall not constitute a waiver of TUPSS's right to enforce any term or condition of or terminate this Agreement.

13. TUPSS'S RIGHTS UPON FRANCHISEE'S TERMINATION

Upon the termination of this Agreement as set forth above, in addition to all other rights and remedies of TUPSS (including as set forth in Section 14), TUPSS may, at its option:

13.1 Commence proceedings for damages, injunctive relief or specific performance.

13.2 Purchase from Franchisee, or assign to a third party the right to purchase, the tangible assets (equipment, decor, etc.) of Franchisee's Center at a purchase price equal to such assets' appraised fair market value, from which shall be deducted the following in the following order:

a. All outstanding and unpaid obligations of Franchisee to TUPSS, including all unpaid fees, late payment fees and interest, promissory notes and equipment leases;

b. All of TUPSS's costs of collection of such unpaid obligations, if any;

c. The cost of upgrading Franchisee's Center to TUPSS's then-current requirements for Centers, including image and equipment upgrades; and

d. All outstanding claims of Franchisee's creditors and all accrued but unpaid amounts owed to Franchisee's lessor for the Center as of the date of the purchase, prorated as necessary.

If TUPSS exercises its right to receive liquidated damages in accordance with Section 13.5, TUPSS shall then be prohibited from exercising its rights under this Section 13.2 to purchase the tangible assets of Franchisee's Center.

13.3 Because the termination of Franchisee's Agreement extinguishes all intangible franchise rights that were formerly held by Franchisee, Franchisee acknowledges that the purchase described in Section 13.2 would not be in exchange for any such intangible assets or intangible rights that were formerly held by Franchisee.

13.4 If this Agreement is terminated due to Franchisee's abandonment of Franchisee's Center as described in Section 12.4(g) above, Franchisee has thereby abandoned any rights to the former business, including, but not limited to, any potential proceeds from a potential purchase or sale as described above or any payment or remuneration of any kind.

13.5 Payment of Liquidated Damages

a. If this Agreement terminates prior to its expiration (i) by TUPSS in accordance with the terms of this Agreement, or (ii) by Franchisee not in accordance with Section 12.1 of this Agreement, TUPSS has the right, but not the obligation, to require that Franchisee pay TUPSS liquidated damages ("Liquidated Damages") as set forth in 13.5(c) below. Franchisee's payment of Liquidated Damages to TUPSS shall not be considered as a penalty for Franchisee's breaching this Agreement, but rather a reasonable estimate of TUPSS's damages and lost future fees TUPSS would have received from Franchisee under this Agreement had it not prematurely terminated.

b. Franchisee acknowledges that its obligation to pay to TUPSS Liquidated Damages is in addition to, not in lieu of, (i) Franchisee's obligations to pay any amounts then due to TUPSS, (ii) Franchisee's obligation to fully comply with all of its post-termination duties set forth in this Agreement, and (iii) any other post-termination remedies that may be available to TUPSS under Applicable Law. However, if TUPSS exercises its right to receive Liquidated Damages in accordance with this provision, TUPSS shall then be prohibited from exercising its rights, under Section 13.2 of this Agreement, to purchase the tangible assets of Franchise's TUPSS Center.

c. "Liquidated Damages" shall mean the amount of five percent (5%) Royalty revenue that TUPSS would likely have earned during the period of time from the date of termination until the Agreement's expiration date but in no event greater than two (2) years ("Liquidated Damages Period"). Franchisee acknowledges that the following formula for calculating such damage amounts is applicable and reasonable.

i. If the Franchisee's Center has been open for at least one year, then the Liquidated Damages shall be calculated by multiplying the Royalties paid by Franchisee to TUPSS during the year immediately prior to the Liquidated Damages Period by the number of years (maximum two years) in the Liquidated Damages Period. Any Liquidated Damages Period days in addition to full years shall be pro-rated accordingly.

ii. If the Franchisee's Center has been open for less than one year, then the Liquidated Damages shall be calculated by multiplying the average monthly Royalty paid by Franchisee to TUPSS during the Term by the number of months in the Liquidated Damages Period. Any Liquidated Damages Period days in addition to full months shall be pro-rated accordingly.

iii. To the extent that Franchisee has failed to either pay and/or report Royalties owed to TUPSS during the Term, TUPSS shall be permitted to

reasonably estimate the amount of such Royalties for the purpose of calculating Liquidated Damages.

14. FRANCHISEE'S OBLIGATIONS UPON EXPIRATION AND/OR TERMINATION

14.1 Upon expiration and/or termination (subject to Section 13) of this Agreement, Franchisee shall immediately:

a. Cease to operate the former Center at Franchisee's Location, cease to use the System and Marks in any form, cease to hold itself out as a Franchisee of TUPSS, and not use or identify in any business name any of the words "The UPS Store," or "UPS," or "Store," or "Mail" or "Boxes" or "Etc." or the combined letters "TUPSS" in any combination, form or fashion or any words or letters confusingly similar to any of the words listed above, including, but not limited to, "Mail Boxes," "Mailboxes" or "MailBoxes." Franchisee shall take such action as TUPSS may require to accomplish the foregoing;

b. Pay all sums due to TUPSS, including all sums required to satisfy in full all obligations, trade accounts, promissory notes, financing agreements and equipment leases owing to TUPSS;

c. Return to TUPSS or to its designee the Manuals, all TUPSS- or CRS client-provided equipment, proprietary hardware, software, computer disks and all other trade secrets and other Confidential Information and instructions delivered to Franchisee, and all copies thereof, and certify the deletion or destruction of all electronic copies of the foregoing in compliance with the Data Security Requirements;

d. Surrender to TUPSS such stationery, printed matter, signs and advertising materials containing the Marks, as may be requested by TUPSS;

e. Take such action as may be required by TUPSS, including:

i. transfer and assign the business telephone number, fax number and business Internet e-mail address for Franchisee's Center to TUPSS or its designee;

ii. disconnect and forward all such telephone numbers and Internet addresses to TUPSS or its designee in accordance with the Data Security Requirements;

iii. cease using and/or transfer to TUPSS (at TUPSS's discretion) all Social Media associated with the Marks used by Franchisee and/or the Center in accordance with the Data Security Requirements;

iv.. transfer telephone directory listings, references and advertisements and all trade and similar name registrations and business licenses and cancel any interest which Franchisee may have in the same; and

v. implement all actions stated on TUPSS's "Franchisee De-Identification Checklist".

f. At TUPSS's request, provided TUPSS or its designee does not take possession of Franchisee's Location, make such changes in signs and the furniture, fixtures, decor and equipment at Franchisee's Location as TUPSS may require to distinguish the premises from its former appearance as a Center.

14.2 In the event of termination and/or expiration of this Agreement, Franchisee hereby authorizes and appoints TUPSS to act as special agent or attorney-in-fact for Franchisee to transfer any listed telephone and fax numbers, transfer telephone directory listings, transfer e-mail address and Internet presence relating to Franchisee's Center, and enforce the "Addendum to Lease" executed between Franchisee and Franchisee's lessor.

14.3 In the event of termination and/or expiration of this Agreement, Franchisee hereby authorizes TUPSS to notify Franchisee's customers, vendors, suppliers, landlord, banks, local advertisers and any other appropriate party that this Agreement has expired and/or been terminated.

14.4 Termination and/or expiration of this Agreement shall be without prejudice to any other rights or remedies that TUPSS or Franchisee, as the case may be, shall have in law or in equity, including, without limitation, the right to recover benefit of the bargain damages. In no event shall a termination and/or expiration of this Agreement affect Franchisee's obligations to take or abstain from taking any action in accordance with this Agreement. The provisions of this Agreement that constitute post-Term covenants and agreements, including the obligation of TUPSS and Franchisee to resolve any and all disputes, shall survive the termination and/or expiration of this Agreement.

14.5 Franchisee acknowledges and agrees that the goodwill and other rights in and to the Marks and System and the use thereof shall be and remain the property of TUPSS.

14.6 Upon expiration and/or termination of the Term, if Franchisee does not renew pursuant to Sections 2.2 and 2.3, TUPSS shall have the right and option, but not the obligation, to purchase the tangible assets (equipment, decor, etc.) of Franchisee's Center at a purchase price equal to such assets' appraised fair market value, from which the following shall be deducted:

a. All outstanding and unpaid obligations of Franchisee to TUPSS, including all unpaid fees, late payment fees and interest, promissory notes and equipment leases;

b. All of TUPSS's costs of collection of such unpaid obligations, if any;

c. The cost of upgrading Franchisee's Center to TUPSS's then-current requirements for Centers, including image and equipment upgrades and upgrades necessary to bring Franchisee's Center into compliance with Data Security Requirements; and

d. All outstanding claims of Franchisee's creditors, and all accrued but unpaid amounts owed to Franchisee's lessor for the Center as of the date of purchase, prorated as necessary.

14.7 Because the expiration and/or termination of Franchisee's Agreement extinguishes all intangible franchise rights that were formerly held by Franchisee, Franchisee

acknowledges that the purchase described in Section 14.6 would not be in exchange for any such intangible assets or intangible rights that were formerly held by Franchisee.

15. INSURANCE

15.1 Franchisee shall obtain and maintain throughout the Term insurance coverage in the types and amounts of coverage and deductibles specified in the Center Operations Manual, which shall in each instance designate TUPSS and its designated Affiliates as additional insureds and loss payees as their interests may appear. All insurance must be placed with a reputable insurance company licensed to do business in the state in which the Center is located and having a Financial Size Category equal to or greater than XV and Policyholders Rating of "A-" as assigned by Alfred M. Best and Company, Inc.

15.2 In the event of damage to the Center at the Location that is covered by insurance, the proceeds of any such insurance shall be used to restore such Center to its original condition as soon as possible, unless such restoration is prohibited by Franchisee's Lease or TUPSS has otherwise consented in writing.

15.3 Franchisee shall, prior to opening the Center at the Location, and from time to time thereafter, within 10 days after a request therefore from TUPSS, and annually thereafter, provide evidence of the renewal or extension of each insurance policy by filing with TUPSS certificates of such insurance. In addition, the policies shall contain a provision requiring 30 days' prior written notice to TUPSS of any proposed cancellation, modification, or termination of insurance.

15.4 If Franchisee fails to comply with the requirements specified in this Section 15, TUPSS may, but is not obligated to, obtain such insurance or bonds and keep the same in force and effect, and Franchisee shall pay TUPSS, on demand, the cost thereof.

16. COMPLIANCE WITH LAWS AND OBLIGATIONS

16.1 Franchisee shall comply with all Applicable Laws and, with respect to computer hardware and software and point-of-sale systems, information security, and consumer data, all applicable Payment Card Industry (PCI) Security Data Standards and timely obtain any and all permits, certificates and licenses for the full and proper conduct of business at Franchisee's Center.

16.2 Franchisee shall operate the Center in conformity with all U.S. Postal Service regulations. Franchisee shall implement all changes in U.S. Postal Service regulations immediately upon receipt of notice of any changes provided by the U.S. Postal Service or TUPSS. Franchisee shall implement any changes by the U.S. Postal Service and follow all guidelines as directed by the post office in Franchisee's area.

17. INDEMNIFICATION AND INDEPENDENT CONTRACTOR

17.1 Franchisee shall, at Franchisee's sole cost, defend and indemnify TUPSS, its Affiliates, and their respective Owners, directors, officers, employees, agents, attorneys, accountants, successors and assigns, and hold each of them harmless from and against, and reimburse them for, all losses, claims, liabilities, obligations, damages, attorneys' fees, costs, settlement amounts, judgments, lost profits, charges, expenses and taxes based upon, arising out of, or in any way related to the operation of the Center,

Franchisee's acts or omissions (including Franchisee's noncompliance or alleged noncompliance with any law, ordinance, rule, or regulation, including any allegation that TUPSS or another indemnified party is a joint employer or otherwise responsible for Franchisee's acts or omissions relating to Franchisee's Center's employees), or the breach by Franchisee of any provision of this Agreement. TUPSS and its Affiliates have the right to defend and/or settle any such matter in such manner as they deem appropriate, in their sole discretion, and without the consent of Franchisee. Franchisee shall also reimburse each of the foregoing indemnified parties for all costs reasonably incurred in investigating and defending any such matter, including, without limitation, attorneys' fees and court costs. This Section shall continue in full force and effect subsequent to and notwithstanding the expiration and/or termination of this Agreement.

17.2 In all dealings with third parties, including, without limitation, employees, suppliers and customers, Franchisee shall maintain itself as an employer separate, independent, and distinct from TUPSS and disclose in a manner acceptable to TUPSS that Franchisee is an independently owned, operated, and managed entity licensed by TUPSS under this Agreement. Nothing in this Agreement is intended by the parties to create a fiduciary relationship between them or to constitute Franchisee an agent, legal representative, subsidiary, joint venturer, partner, joint employer, or employee of TUPSS for any purpose whatsoever. TUPSS will not exercise direct or indirect control over the working conditions of Franchisee's Center's employees, except to the extent such indirect control is related to TUPSS's legitimate interest in protecting the quality of its products/services or brand. TUPSS and Franchisee do not share or co-determine the terms and conditions of employment of Franchisee's Center's employees. Nor does TUPSS affect matters relating to the employment relationship between Franchisee and its Center's employees, such as hiring, firing, discipline, supervision, and direction. It is understood and agreed that Franchisee is an independent contractor, and is in no way authorized to make any contract, warranty or representation or to create any obligation on behalf of TUPSS. Neither TUPSS nor Franchisee shall guarantee the obligations of the other or in any way become obligated for the debts or expenses of the other.

18. WAIVERS, FORMS OF AGREEMENT AND AMENDMENT

18.1 No failure of TUPSS to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of TUPSS's right to demand exact compliance with any of the terms herein. No waiver or acceptance by TUPSS of any particular breach or default by Franchisee, nor any delay, forbearance or omission by TUPSS to act or give notice of default or to exercise any power or right arising by reason of such default hereunder, nor acceptance by TUPSS of payments due hereunder shall be considered a waiver or acceptance by TUPSS of any preceding or subsequent breach or default by Franchisee of any term, covenant or condition of this Agreement.

18.2 No warranty or representation is made by TUPSS that all franchise agreements heretofore or hereafter issued by TUPSS for Centers do or will contain terms substantially similar to those contained in this Agreement. Further, Franchisee recognizes and agrees that TUPSS may, in its reasonable business judgment, due to local business conditions or otherwise, waive or modify comparable provisions of other franchise agreements heretofore or hereafter granted to other franchisees of TUPSS in a non-uniform manner.

18.3 No amendment, change or variance from the terms and conditions in this Agreement shall be binding on either TUPSS or Franchisee except by mutual written agreement signed by the parties hereto and specifying the amendment. Change, or variance.

19. NOTICES

All formal legal notices (including notices of default or termination) permitted or required to be given pursuant to this Agreement shall be deemed delivered: (a) at the time personally delivered to Headquarters (if to TUPSS) or Franchisee's address as described in this Agreement (if to Franchisee); (b) on the next day after placing in the hands of a commercial courier service or the United States Postal Service for next day delivery; or (c) five days after placement in the United States Mail by Certified Mail, Return Receipt Requested, postage prepaid, and addressed to Headquarters (if to TUPSS) or to Franchisee's Center address or Franchisee's The UPS Store email address provided by TUPSS (if to Franchisee), or on the date of actual receipt, whichever is earlier.

20. GOVERNING LAW AND DISPUTE RESOLUTION

20.1 Validity, Choice of Law, Venue and Jurisdiction

a. This Agreement shall become valid when counter-executed and accepted by TUPSS, it shall be deemed made and entered into in the State of California and shall be governed and construed under and in accordance with the laws of the State of California, without giving effect to any conflict of laws, except: (i) the Non-Competition and Non-Solicitation Agreement (Exhibit D to the Franchise Agreement) shall be deemed made and entered into, and governed and construed under and in accordance with, the laws of the State that is determined by the "Choice of Law" provision (Section 9) of such Non-Competition and Non-Solicitation Agreement; and (ii) to the extent governed by such federal laws protective of TUPSS's or TUPSS's Affiliates' intellectual property rights in the Marks and in the System, including, but not limited to, the Federal Trademark Act, the Federal Copyright Act, the Federal Lanham Act and the Federal Uniform Trade Secrets Act.

b. Exclusive venue and jurisdiction of any suit arising hereunder shall lie within the courts of the State of California located in San Diego or within the courts of the United States of America located within the Southern District of California.

20.2 Mediation

(a) Before Franchisee may initiate suit or action against TUPSS, Franchisee shall attempt first to resolve a controversy or claim with TUPSS arising out of or relating to the Franchise Agreement ("Dispute") by offering TUPSS the opportunity to engage in coordinated mediation to be conducted within one hundred twenty (120) days after the franchisee first gives notice of such Dispute (the "Mediation Notice"). The Mediation Notice must contain a detailed description of the alleged facts, circumstances and claims giving rise to the Dispute. TUPSS may, in its sole judgment, accept or reject Franchisee's offer to mediate the Dispute by notifying Franchisee of that acceptance or rejection within fourteen (14) days after receiving the Mediation Notice. If TUPSS accepts Franchisee's offer to mediate the Dispute, and unless mutually agreed by

the parties, the mediation shall be conducted in person at TUPSS's Headquarters (or at a location in San Diego, CA designated by TUPSS) and shall be consistent with one of the following mechanisms:

(1) Facilitated mediation, utilizing a single mediator, governed by either (i) the Commercial Mediation Rules of the American Arbitration Association, (ii) the CPR Mediation Procedures, or (iii) in accordance with alternative rules mutually agreed upon by the parties. In the event that the parties cannot reasonably agree as to the rules governing the mediation, TUPSS, in its sole judgment, shall advise Franchisee of the rules governing the mediation. The fees and expenses of the mediator shall be shared equally by the parties. The mediator shall be disqualified as a witness, expert or counsel for any party with respect to the Dispute and any related matter; or

(2) TUPSS, in its sole judgment, may elect mediation by informal meeting and discussion among the appropriate parties without the presence or involvement of a mediator.

Mediation is a compromise negotiation and shall constitute privileged communications under California and other Applicable Laws. The entire mediation process shall be confidential and the conduct, statements, promises, offers, views and opinions of the mediator and the parties shall not be discoverable or admissible in any legal proceeding for any purpose; provided, however, that evidence that is otherwise discoverable or admissible shall not be excluded from discovery or admission as a result of its use in the mediation. Mediation shall be deemed completed one hundred twenty (120) days after the date of the Mediation Notice unless extended by mutual consent of the parties.

20.3 TUPSS may be granted injunctive relief without the necessity of a bond, but upon notice.

20.4 If, during the term of this Agreement, Franchisee and TUPSS are engaged in formal dispute resolution (mediation or litigation), Franchisee and all of Franchisee's Owners must, during such dispute resolution process, continue to comply with all of their contractual duties owed to TUPSS.

20.5 In the event of a dispute relating to the subject matter of this Agreement, any party that requests or otherwise demands electronically stored information shall pay in advance of the identification, preservation, collection, review and production of electronically stored information all reasonable fees and costs associated with producing the information, including, but not limited to, the identification, preservation, collection, review and production of electronically stored information. An estimate of all reasonable fees and costs will be provided prior to the production of the information. In the event this estimate is not paid by Franchisee, TUPSS (including, if applicable, TUPSS's Affiliates) will not provide the information or be obligated to respond to the request or demand for electronically stored information.

21. SEVERABILITY AND CONSTRUCTION

21.1 Every part of this Agreement will be considered severable as set forth below.

a. If a court of competent jurisdiction declares any provision of this Agreement (or any exhibit or other document referred to herein) pertaining to the subject matters referenced in Section 21.1(b) to be invalid or unenforceable, but such provision could be rendered valid and enforceable if modified, then Franchisee and TUPSS hereby agree that such provision shall then be deemed modified to the extent required to make it valid and enforceable to the fullest extent under applicable state law and public policy.

b. The subject matters that are made subject to Section 21.1(a) are any provisions of this Agreement (or any exhibit or other document referred to herein) pertaining to (i) termination of this Agreement, (ii) non-renewal of this Agreement, (iii) designation of jurisdiction and venue for dispute resolution proceedings, (iv) "choice of law" provisions that specify which state's law would apply in a dispute resolution proceeding, (v) certain types of mandatory franchisee "releases," and (vi) any other provision that is inconsistent with a valid and applicable state law that was specifically intended to protect the rights of franchisees.

c. If a mediator, arbitrator or court of competent jurisdiction declares any provision of this Agreement (or any exhibit or other document referred to herein), other than the provisions corresponding to the subject matters referenced in Section 21.1(b), to be invalid or unenforceable, but such provision could be rendered valid and enforceable if modified, then Franchisee and TUPSS hereby agree that TUPSS shall have the right, in its sole discretion, to modify such invalid or unenforceable provision to the extent required to render such provision valid and enforceable, including, without limitation, the right to delete the provision in its entirety.

d. The remainder of this Agreement shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of such provision. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this Section shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision. Each party shall execute and deliver to the other any further documents that may be reasonably required to effectuate fully the provisions hereof.

21.2 This Agreement and all other writings referred to herein, including the exhibits (including, but not limited to, the executed Contract Carrier Agreement), Data Security Requirements, Manuals, and Advertising Co-op Guidebook, contain the entire agreement of the parties pertaining to the subject-matter hereof. No prior or contemporaneous representations, inducements, promises, or agreements, oral or otherwise, between the parties not set forth herein shall be of any force and effect, provided, however, that TUPSS does not disclaim the representations it made in the Franchise Disclosure Document it previously delivered to Franchisee.

21.3 The table of contents, headings and captions contained herein are for the purposes of convenience and reference only and are not to be construed as a part of this Agreement. All terms used herein shall be construed to include the number and gender as the context of this Agreement may require. The terms of all Exhibits hereto are hereby incorporated

into and made a part of this Agreement as if the same had been set forth in full herein. As used in this Agreement, the words "include," "includes" or "including" are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, acceptance, approval or authorization of TUPSS which Franchisee may be required to obtain hereunder may be given or withheld by TUPSS in its sole discretion, and on any occasion where TUPSS is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets TUPSS's Standards and Specifications or satisfaction, TUPSS may do so in its sole subjective judgment. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against the drafter hereof, whether under any rule of construction or otherwise. To the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all parties hereto. TUPSS and Franchisee intend that if any provision of this Agreement is susceptible to two or more constructions, one of which would render the provision enforceable and the other or others of which would render the provision unenforceable, then the provision shall be given the meaning that renders it enforceable. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement.

22. MISCELLANEOUS

22.1 In addition to all other remedies herein granted, if Franchisee shall default in the performance of any of its obligations or breach any term or condition of this Agreement or any related agreement, TUPSS may, at its election, immediately or at any time thereafter, without waiving any claim for breach hereunder and without notice to Franchisee, cure such default for the account and on behalf of Franchisee, and the cost to TUPSS thereof shall be due and payable on demand, shall be deemed to be additional compensation due to TUPSS hereunder, and shall be added to the amount of compensation next accruing hereunder, at the election of TUPSS.

Besides and without limiting Franchisee's obligation to reimburse TUPSS for the cost of curing Franchisee's breaches under this Agreement, as provided in the preceding paragraph, and besides and without limiting Franchisee's indemnification obligations under Section 17.1 above, Franchisee acknowledges that its deviation from any contractual requirement, including any Standard and Specification, is a violation of this Agreement and will trigger incalculable administrative and management costs for TUPSS to address the violation (separate and apart from any damages Franchisee's violation might cause to the System, TUPSS's business opportunities, and the goodwill associated with the Marks). Therefore, Franchisee agrees that, to compensate TUPSS for its incalculable administrative and management costs due to Franchisee's operational violations, Franchisee must pay TUPSS its then current non-compliance fee (the "Non-Compliance Fee") for each deviation from a contractual requirement, including any Standard and Specification, cited by TUPSS. (The Non-Compliance Fee does not apply to payment defaults for which TUPPS may charge late fees and interest under this Agreement) TUPSS and Franchisee deem the Non-Compliance Fee to be a reasonable estimate of TUPSS's administrative and management costs. TUPSS may debit Franchisee's account for Non-Compliance Fees or set off monies otherwise due and payable to Franchisee to cover the payment of Non-Compliance Fees. TUPSS must receive the Non-Compliance Fee within five (5) days after TUPSS notifies Franchisee that it is charging it due to Franchisee's violation. TUPSS need not give Franchisee a

cure opportunity before charging the Non-Compliance Fee. Charging the Non-Compliance Fee does not prevent TUPSS from seeking to recover damages to the System, its business opportunities, or the goodwill associated with the Marks due to Franchisee's violation, seeking injunctive relief to restrain any subsequent or continuing violation and/or formally defaulting Franchisee and terminating this Agreement under Section 12.

22.2 This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

22.3 The submission of this Agreement does not constitute an offer, and this Agreement shall become effective only upon the counter-execution thereof by TUPSS. This Agreement shall not be binding on TUPSS unless and until it shall have been accepted and signed on its behalf by an authorized signing officer of TUPSS. This Agreement shall not become effective until and unless Franchisee shall have been furnished by TUPSS with all disclosure documents, in written form, as may be required under or pursuant to Applicable Law for requisite time periods.

22.4 Franchisee, and its Owners, jointly and severally acknowledge that they have carefully read this Agreement and all other related documents to be executed concurrently or in conjunction with the execution hereof, that they have had the opportunity to consult with counsel and financial advisers in connection with entering into this Agreement, that they understand the nature of this Agreement, and that they intend to comply herewith and be bound hereby.

Initial

1. **Consideration In Exchange For Covenantor's Covenants in This Agreement.** Covenantor hereby expressly acknowledges and confirms that all of the valuable benefits, advantages and opportunities enjoyed by Covenantor immediately upon (and solely as a result of) Covenantor's (or, as applicable, Covenantor's legal entity) becoming a franchisee under the Franchise Agreement (which occurs simultaneous to, and corresponding with, the execution of this ancillary Agreement) serve as valuable and adequate consideration received in simultaneous exchange for all of Covenantor's promises and covenants made in this Agreement below.

2. **Covenantor's In-Term Non-Competition and Non-Solicitation Covenants.** During the term of the Franchise Agreement corresponding to this Agreement, and without geographic restriction, Covenantor shall not directly or indirectly (such as through corporations or other entities controlled by Covenantor or by or through or in conjunction with any other individual person or persons including, but not limited to, Covenantor's spouse (if any) and employees):

entice or attempt to persuade or entice any employee of any The UPS Store Center to discontinue their employment with such Center; and

iii. own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, be landlord to, franchise, make loans to, or have any interest in any business which is the same or competitive with, or substantially similar to any The UPS Store Center, and which is located within what was formerly the protected franchise territory granted under the Franchise Agreement corresponding to this Agreement (with such restriction limited to a two (2) year period following the Conclusion of the Franchise Agreement corresponding to this Agreement); and

iv. for a one (1) year period following TUPSS's termination of any of its Corporate Accounts, enter into any business relationship with such terminated (former) Corporate Account(s).

c. As an alternative to Section 3(b)(iii) above, and only if the applicable former Center is located in a state that maintains a statutory or common law public policy disfavoring the enforceability of post-term non-competition covenants against franchisees, then upon the Conclusion of the Franchise Agreement corresponding to this Agreement, and for the time period thereafter and geographic restriction set forth below, Covenantor shall not directly (or indirectly, such as through corporations or other entities controlled by Covenantor or by or through or in conjunction with any other individual person or persons, including, but not limited to, Covenantor's spouse (if any) and employees) own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, be landlord to, franchise, make loans to, or have any interest in any business which is the same or competitive with, or substantially similar to any Center, and:

4. Exception to Non-Competition Covenants. The non-competition covenants described above shall not apply to the ownership by Covenantor of less than five percent (5%) beneficial interest in the outstanding equity securities of any publicly held corporation.

5. Suspension of Non-Compete Time Periods During Dispute Resolution Proceedings. In the event that this Agreement or this Agreement's corresponding Franchise Agreement become the subject of any mediation, arbitration or litigation, then the applicable post-term time periods referenced above in

_____
Initial

Section 3 (or as may be determined by any mediator, arbitrator or judge) shall (a) be suspended during the entirety of any such dispute resolution proceedings; and to the maximum extent found enforceable, (b) begin to run from the date that Covenantor complies with this Agreement.

6. Severability. It is the parties' desire and intention that the covenants contained in this Agreement shall be construed as agreements severable from and independent of each other and of any other provision of this or any contract or agreement between the parties, except that any violation of Section 2 of this Agreement by Covenantor shall also constitute a default by the Franchisee of the Franchise Agreement corresponding to this Agreement. It is the parties' further desire and intention that if any court of competent jurisdiction finds (in a final judgment to which TUPSS and Covenantor are parties) that any portion of any covenant in this Agreement is invalid or unenforceable, then, the maximum legally allowable restriction permitted by applicable law shall control and bind Covenantor.

7. Injunction. Covenantor recognizes and agrees that the injury that TUPSS and certain of its franchisees will suffer in the event of Covenantor's breach of any covenant contained in this Agreement cannot be compensated by monetary damages alone, and Covenantor therefore agrees that in the event of a breach of threatened breach by Covenantor of this Agreement, TUPSS, in addition to and not in limitation of, any other rights, remedies, or damages available to TUPSS at law, in equity, under this Agreement or otherwise, shall be entitled to seek an injunction from any court of competent jurisdiction in order to prevent or restrain any such breach by Covenantor or by Covenantor's agents, representatives, partners, co-owners, or any and all other persons directly or indirectly acting for or with him/her.

8. Enforcement Costs. Covenantor promises to pay to TUPSS all of the costs and expenses (including reasonable attorneys' fees) incurred by TUPSS in connection with its enforcement of this Agreement.

9. Choice of Law, Venue and Jurisdiction. This Agreement shall be (a) deemed made and entered into, and (b) construed and governed under and in accordance with the laws of the State where the Center associated with the Franchise Agreement (that is owned and operated by Covenantor or, as applicable, Covenantor's legal entity) is located. Exclusive venue and jurisdiction of any suit arising under this Agreement shall lie within the federal or state courts located within the State where the Center for the Franchise Agreement corresponding to this Agreement is located.

10. Counter-Parts, Entire Agreement, Amendments. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument. The parties may execute such counter-parts via facsimile ("fax"). This Agreement contains the entire agreement of the parties pertaining to the subject-matter hereof and no prior or contemporaneous representations, inducements, promises, or agreements, oral or otherwise, between the parties not set forth herein shall be of any force and effect. Any modifications to this Agreement must be accomplished by a written agreement signed by both parties. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

The parties hereby agree to the following terms and conditions:

1. Creation and Attachment of Security Interest. Franchisee and the undersigned Personal Guarantors jointly and severally hereby grant and assign to Secured Party first, prior, and superior security interests (subject to section 11.2(a) of the parties' Franchise Agreement) in and to all the collateral described in paragraph 2 of this Security Agreement, to secure full and prompt payment of all royalty fees, marketing fees, credit sales in the form of trade receivables, performance of all other covenants pursuant to any Individual or Area Franchise Agreements ("Franchise Agreement") executed by Franchisee and Secured Party as Franchisor and any extensions and renewals thereof, equipment leases or sales, promissory notes, and all other obligations now due Franchisor or hereafter incurred (the "Obligations").

The security interest hereby created shall attach immediately on execution of this Security Agreement by Franchisee and shall secure the payment of all Obligations now due Secured Party or hereafter incurred. Should the Franchisee or its successors in interest sell, contract to sell, or otherwise dispose of or transfer the Collateral described below, or any interest therein, except for the sale of inventory or stock in trade in the ordinary course of business, all outstanding sums due Franchisor under any agreement and hereby secured will be immediately due and payable. Franchisee further agrees to notify the Secured Party within the time period stated in the Franchise Agreement prior to any attempted transfer by Franchisee and to comply with the transfer provisions of the Franchise Agreement including, but not limited to, completion and approval by Secured Party of its then-current transfer package.

In the event that any collateral is given to secure the Obligations hereunder which require perfection by possession and the collateral is not presently or hereafter delivered to Secured Party, it will nevertheless be deemed to be collateral for the Obligations.

2. Description of Collateral. The Collateral covered by this Security Agreement and in which a security interest is hereby granted and transferred to Secured Party is as follows:

> All interests in any The UPS Store® Center(s) or Area(s) either now owned or in which Franchisee gains rights in the future, all of Franchisee's tangible and intangible personal property comprising such Center(s) and Area(s) including, without limitation, all accounts, accounts receivable, cash, cash deposits, amounts owed by other than customers, chattel paper, collateral, deposit and checking accounts, equipment (including computers, peripherals, and software), goods, instruments, inventory, note proceeds, royalties or sales fees owed to the Franchisee by TUPSS, stock in trade, trade receivables, contract rights, including, but not limited to, at interests in the Franchise Agreement, general intangibles including business trade name and goodwill, and all of the above, wherever located, whether now owned or hereafter acquired, including the products and proceeds thereof, all replacements and substitutions thereof, and all additions, replacements, attachments and accessions in which Franchisee now or hereafter has an interest (the "Collateral").

3. Security Interest in Proceeds. Franchisee also hereby grants and transfers to Secured Party a security interest in any and all proceeds, as defined in Section 9306 of the Uniform Commercial Code of California, of the Collateral or any part of the Collateral. Provided, however, that nothing in this paragraph shall constitute, or be deemed to constitute, a grant of authority to Franchisee to sell, lease, or otherwise dispose of or encumber the Collateral, or any part of the Collateral, without the prior written consent of Secured Party, except for inventory or stock in trade sold in the ordinary course of business.

4. Representations and Warranties by Franchisee. Franchisee hereby represents and warrants and covenants to Secured Party that:

a. Except for the security interest created by this Security Agreement, Franchisee is the full legal and equitable owner of all the Collateral and no other person or entity has any right, title, interest or claim in or to the Collateral or any part of the Collateral, other than a purchase money security interest in which Franchisee shall notify Secured Party within five (5) days of any interest in any part of the collateral.

b. The Collateral described in paragraph 2 of this Security Agreement is presently located at Franchisee's franchise location(s) except to the extent such collateral is a general intangible or contract such as the Franchise Agreement and will not, during the continuance of this Security Agreement, be removed from those premises without the prior written consent of the Secured Party.

c. If a corporation, Franchisee has been duly incorporated and is existing as a corporation in good standing under the laws of its jurisdiction and has authority to enter into and perform this Security Agreement.

d. Franchisee utilizes no trade names in the conduct of its business, except as stated above and in its Franchise Agreement with Secured Party, and has not changed its name, been the surviving entity in a merger, or acquired any other business.

e. Franchisee will not change its corporate name, trade name, or transfer its interest in the same without notifying Secured Party five (5) business days prior to such event and shall not violate any obligations of its Franchise Agreement with respect thereto.

5. Repair of Collateral. To the extent such collateral is tangible, Franchisee shall maintain the Collateral, and each part of the Collateral, in good order and repair at Franchisee's own cost and expense and shall never use the Collateral, or any part of the Collateral, in a manner resulting, or likely to result, in waste or unreasonable deterioration of the Collateral.

6. Insurance. To the extent such collateral is tangible, and until final termination of this Security Agreement, Franchisee, at Franchisee's own cost and expense, shall keep the Collateral, and all parts of the Collateral, insured for its full value against damage or loss resulting from any and all risks to which it might foreseeably be exposed and risks designated by Secured Party. Each such policy of insurance shall be issued by an insurance company acceptable to Secured Party and shall provide for the loss payable under it being paid to both Franchisee and Secured Party as their interests may appear. A duplicate copy of each such policy shall be delivered by Franchisee to Secured Party.

7. **Taxes and Assessments.** Franchisee shall pay from its own funds, as they become due, any and all taxes and assessments levied or assessed against the Collateral, or any part of the Collateral, prior to the final termination of this Security Agreement.

8. **Disposition of Collateral.** Franchisee shall keep the Collateral separate and identifiable from other property owned by Franchisee or located on the same premises as Collateral, and Franchisee shall not, without the prior written consent of Secured Party, sell, encumber or otherwise dispose of any portion of the Collateral, except as authorized in this Security Agreement.

Franchisee shall take necessary steps to preserve the liability of account debtors, obligors and secondary parties whose obligations are part of the Collateral; transfer possession of all instruments, documents, and chattel paper that are part of the Collateral to Secured Party immediately, or as to those hereafter acquired, immediately following acquisition; notify Secured Party of any change occurring in or to the Collateral, or in any fact or circumstance warranted or represented by Franchisee in this Security Agreement or furnished to Secured Party or if any Event of Default occurs.

9. **First and Prior Lien.** This Security Agreement grants to Secured Party a first and prior lien to secure the prompt payment of all Obligations. If Secured Party disposes of all or any part of the Collateral following default by the Franchisee, all proceeds from such disposition shall be applied first against all monetary obligations incurred under any promissory notes and equipment leases, in the order in which such indebtedness was incurred, and thereafter to the payment of monetary obligations due Secured Party pursuant to any Franchise Agreement, and any renewals, amendments, or extensions thereof. For the purpose of this paragraph, an extended, amended, or renewed Franchise Agreement will be considered executed on the date of the original Franchise Agreement.

10. **Inspection Rights.** To the extent the collateral is tangible, Secured Party, either in person or by agent, shall have the right at any and all reasonable times and at reasonable intervals to enter the premises where the Collateral is located and inspect the Collateral.

11. **Payment by Secured Party.** Secured Party may, at its option, but shall not be required to, pay on behalf of Franchisee and on the account of Franchisee any taxes, assessments, liens, insurance premiums, repair costs or maintenance costs that, pursuant to the terms of this Security Agreement, should have been but were not paid by Franchisee. Secured Party shall also have the right, at its option, to enter the premises where the Collateral or any part of the Collateral is located, and cause to be performed, as agent and on the account of Franchisee, any such acts as Secured Party may deem necessary for the proper repair or maintenance of the Collateral or any part of the Collateral if applicable. Any moneys expended or expenses incurred by Secured Party under this paragraph shall also be secured by the security interest created by this Security Agreement and shall be due and payable by Franchisee to Secured Party, together with interest at the maximum rate allowed by law, on demand.

12. **Assignment by Secured Party.** Secured Party may assign its rights under this Security Agreement and the security interest created by this Security Agreement. Should Secured Party assign its rights under this Security Agreement or the security interest created by this Security Agreement, Secured Party's assignee shall be entitled, on written notice of the assignment being given by Secured Party to Franchisee, to all performance required of Franchisee by this Security Agreement and all payments, moneys and other performance secured by this Security Agreement including compliance with the Franchise Agreement.

13. Default. The following occurrences of any one or more of the following events shall constitute an Event of Default hereunder:

a. Failure to pay any royalty fee, marketing fee, credit sale, or other charges in respect to any obligations under the Franchise Agreement or failure to pay any principal, interest, or other charges due under any promissory note or equipment lease now or hereafter made by Franchisee in favor of Secured Party.

b. Breach of any covenant or agreement herein set forth or set forth in any Franchise Agreement or any other agreement, heretofore, now, or hereafter executed by Franchisee in favor of Secured Party.

c. Breach of any of the Obligations, as defined herein.

d. Any representation, warranty, certificate, or other information made or furnished to Secured Party by or on behalf of Franchisee under this Agreement which is false or misleading in any material respect, either now or at any time made or furnished.

e. Loss, theft, damage, or destruction of any material portion of the collateral for which there is either no insurance coverage or for which, in the opinion of Secured Party, there is insufficient insurance coverage.

f. The making of any levy, seizure, attachment or lien upon the Collateral.

g. The Franchisee or any of its subsidiaries or guarantors (1) terminate or suspend the operation of any portion of its business as presently conducted; (2) apply for or consent to the appointment of a receiver, trustee, or liquidator of itself or of all or a substantial part of its assets; (3) be unable, or admit in writing its inability to pay its debts as they fall due; (4) make a general assignment for the benefit of its creditors; (5) be adjudicated a bankrupt or insolvent; or (6) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or to take advantage of any insolvency law or an answer admitting the material allegations of a petition filed against it in any bankruptcy, reorganization, or insolvency proceeding, or any action taken by it for the purpose of effecting any of the foregoing.

h. The collateral declines in value or becomes unsatisfactory to the Secured Party.

14. Remedies. Should Franchisee fail to perform any provision of this Security Agreement to be performed on its part, or should Franchisee fail to pay any obligation secured by this Security Agreement or the security interest created by this Security Agreement as it becomes due, or should there occur an Event of Default, then Franchisee shall be in default of this Security Agreement and Secured Party shall have all the rights and remedies afforded a secured party under the default provisions of the Uniform Commercial Code of California on the date of this Security Agreement and, in addition, shall have the following rights and remedies:

a. accelerate the maturity of any or all promissory notes owing to TUPSS by Franchisee without notice;

b. enter on Franchisee's premises to assemble and take possession of the Collateral;

c. require Franchisee to assemble the Collateral and make its possession available to Secured Party at a place designated by Secured Party that is reasonably convenient to both Franchisee and Secured Party;

d. enter Franchisee's premises, render the Collateral, if tangible, unusable and dispose of it in the manner provided by the Uniform Commercial Code of California on Franchisee's premises;

e. sell any or all of the Collateral free and clear of all rights and claims of Franchisee therein and thereto at any public or private sale, first deducting from the proceeds all costs and expenses of such sale including, but not limited to, preparing the tangible collateral for sale, storing and handling the Collateral, advertising the sale and then deducting the primary indebtedness secured by and through this Security Agreement;

f. sell, assign and deliver the whole, or any part of said collateral security and the property which said security covers at public or private sale, without demand, advertisement or notice to the undersigned, which are hereby expressly waived and released. At any such sales, the Secured Party may purchase any or all of the property sold free from any claim or right of redemption of the undersigned, which are hereby waived and released except as provided by law; and

g. have the right to take over the franchised business (Center or Area Franchise) designated above free and clear of all rights and claims of any other party. In order to facilitate the transfer of the franchised business, Franchisee shall fully and promptly cooperate with Secured Party to prepare and sign any and all documents which Secured Party might deem reasonably necessary to effect the transfer from Franchisee to Secured Party.

15. Financing Statement. Concurrently with the execution of this Security Agreement, Franchisee agrees to execute any financing statements or other documents required to perfect the security interest created by this Security Agreement. Such financing statements or other documents shall be on forms approved by the State where the Franchise is located and shall be filed with the Secretary of State, County Recorder or other appropriate governmental authority, and Franchisee shall forthwith pay Secured Party all filing fees required to file such statements.

Franchisee hereby irrevocably agrees to fully and promptly cooperate with Secured Party to prepare and sign any and all documents which Secured Party might deem reasonably necessary to effectively and timely protect and effectuate this Security Agreement. The undersigned, both personally and on behalf of Franchisee if it is a business entity, hereby authorize Secured Party, any of Secured Party's assignees, and any of their authorized agents or employees, to act as special agent or attorney-in-fact for the undersigned and Franchisee if it is a business entity, and each of them, to execute and sign on behalf of the Franchisee such financing statements or other documents as Secured Party or its assignees, agents, or employees deems necessary or appropriate under the Uniform Commercial Code (or similar law). Franchisee hereby further agrees not to take any action which would delay, diminish, frustrate, or void this Security Agreement. Franchisee understands that time is of the essence regarding all actions to be taken under this Security Agreement.

16. Waiver. Neither the acceptance of any partial or delinquent payment by Secured Party nor Secured Party's failure to exercise any of its rights or remedies on default by Franchisee shall be a waiver of the default, a modification of this Security Agreement or Franchisee's obligations under this Security Agreement, or a waiver of any subsequent default by Franchisee.

17. **Notices.** Except as otherwise expressly provided in this Security Agreement or by law, any and all notices or other communications required or permitted by this Security Agreement or by law to be served on, given to, or delivered to either party to this Security Agreement shall be in writing and shall be deemed duly served, given, delivered and received when personally delivered to the party to whom it is directed, or in lieu of such personal delivery, when deposited in the United States mail, certified or registered, postage prepaid, addressed to Secured Party at 6060 Cornerstone Court West, San Diego, California 92121-3795, or to Franchisee at the address listed in Secured Party's files as the location of the Franchisee's Franchise. Either Party, Franchisee or Secured Party, may change their address for the purpose of this paragraph by giving written notice of such change to the other party in the manner provided in this paragraph.

18. **Binding on Heirs and Assigns.** This Security Agreement and each of its provisions shall be binding on and shall inure to the benefit of the respective parties hereto, their respective representatives and heirs, executors, administrators, successors and assigns of each of the parties hereto. Nothing contained in this paragraph, however, shall be deemed a consent to the sale, assignment or transfer of the Collateral or its obligations under this Security Agreement by Franchisee.

19. **Sole and Only Agreement.** This Security Agreement, and all other writings referred to herein, including any promissory notes or equipment leases as may be executed by Franchisee, constitute the sole and only agreements between the parties respecting the Collateral or the security interests granted in the Collateral. This Security Agreement correctly sets forth the rights, duties and obligations of each party to the other party with respect to the Collateral and the security interest hereby created in the Collateral as of this date. Any prior written or oral agreements, alleged promises, negotiations or representations concerning the subject matter of this Security Agreement not expressly set forth herein or in the writings referred to herein, including any promissory notes or equipment leases, are of no force or effect. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

20. **Venue and Governing Law.** The parties hereby consent that venue and jurisdiction for all actions enforcing and/or arising out of this Security Agreement shall be litigated in the state or federal courts in the City of San Diego, County of San Diego, State of California, U.S.A., to the exclusion of the courts of any other country, State or County. This Security Agreement shall be construed in accordance with the laws of the State of California.

21. **Validity.** Should any part of this Security Agreement, for any reason, be declared invalid, then such portion shall be invalid only to the extent of the prohibition without invalidating or affecting the remaining provisions of the Security Agreement, or without invalidating or altering said provisions of this Security Agreement within states or localities where they are not prohibited by law or court decrees.

22. **Warranty.** The undersigned represents and warrants that Franchisee owns the Collateral and is fully authorized and empowered to execute this Security Agreement in favor of Secured Party and consents to the grant of the security interest created by this Security Agreement in favor of Secured Party, both personally and on behalf of Franchisee if it is a business entity.

LESSOR hereby leases to **LESSEE** and **LESSEE** hereby leases from **LESSOR** the equipment described herein, subject to the terms and conditions hereafter expressed.

SECTION 1. EQUIPMENT LEASED: LESSOR hereby leases to **LESSEE** and **LESSEE** hereby leases from **LESSOR** the Equipment as listed in the schedule attached hereto, marked as Exhibit "A" and made a part hereof (hereinafter the "Equipment").

SECTION 2. TERM OF LEASE: The term of this Lease shall be for a period commencing on the date herein referenced above and concluding on the date or term as specified in Exhibit "A."

SECTION 3. PAYMENT: LESSEE agrees to pay **LESSOR,** as payment for the Equipment, the amount designated in the schedule in Exhibit A, such payment to be paid on or before the first day of each month until the total amount is fully paid.

SECTION 4. SECURITY DEPOSIT: Upon the execution of this Lease, **LESSEE** shall deposit with **LESSOR** as a security deposit for the faithful performance by **LESSEE** of its obligations hereunder the amount specified in Exhibit "A" as initial Down Payment and security deposit. The security deposit may be applied by **LESSOR** to pay any indebtedness of **LESSEE** under this Lease by giving written notice to **LESSEE.** Upon such notification, **LESSEE** shall, within seven (7) days, restore the security deposit to the full original amount.

SECTION 5. LOCATION: The Equipment leased under this Lease shall be kept at the **LESSEE'S** address as set forth in Exhibit "A" and will not be moved to a new location without the prior written consent of **LESSOR. LESSEE** represents that said Equipment shall be utilized in its business or commercial concern. No item of Equipment will be used for personal, family or household purposes.

SECTION 6. OWNERSHIP OF EQUIPMENT: LESSEE hereby acknowledges that the Equipment is owned solely and exclusively by **LESSOR. LESSEE** shall have no right or interest in such Equipment except as expressly set forth in this Lease. **LESSEE** shall at all times protect and defend at its own cost and expense, the ownership of **LESSOR** against all claims, liens and other legal or equitable actions. Additionally, if **LESSOR** supplies **LESSEE** with labels stating that the Equipment is owned by **LESSOR, LESSEE** shall affix and keep the same in a prominent place on each item of Equipment.

LESSEE further authorizes **LESSOR** to insert in this Lease, or attachments hereto, any serial numbers or other identification data of the Equipment when determined by **LESSOR.**

SECTION 7. LESSOR'S RIGHT OF INSPECTION: LESSOR shall have the right at any time during business hours to enter upon the premises where the Equipment is located for the purpose of inspecting or observing the use, maintenance and operation of such Equipment.

SECTION 8. LESSEE'S INSPECTION AND ACCEPTANCE: LESSEE acknowledges that it has inspected every item of Equipment delivered under this Lease, that all such Equipment is without defect, and that **LESSEE** has accepted such Equipment in good condition. If **LESSEE** does not provide notice and a complete description of any defects within a period of seven (7) days from the date of delivery of

any such Equipment, all such Equipment shall be conclusively deemed to be in good condition and **LESSEE** shall have waived any rights against **LESSOR** regarding the condition of the Equipment.

SECTION 9. RETURN OF EQUIPMENT: Upon the expiration or termination of this Lease, **LESSEE** agrees to return to **LESSOR,** at **LESSEE'S** own expense, the Equipment in as good condition, normal wear and tear excepted, as when delivered to **LESSEE. LESSEE,** at its expense, during the term, and until the return of the Equipment to **LESSOR,** shall properly maintain the Equipment and shall use it in a careful manner, and shall comply with all governmental statutes, ordinances, and regulations, and all laws relating to its installation, use, or maintenance, and obtain all permits and licenses and shall keep the Equipment in good repair and furnish all parts, mechanisms, and devices required therefor. **LESSEE SHALL NOT MAKE ANY ALTERATIONS, ADDITIONS, OR IMPROVEMENTS TO THE EQUIPMENT WITHOUT LESSOR'S PRIOR WRITTEN CONSENT. ALL ADDITIONS AND IMPROVEMENTS MADE TO THE EQUIPMENT SHALL BELONG TO THE LESSOR .**

SECTION 10. FINANCING STATEMENTS: The undersigned, both personally and on behalf of **LESSEE** if it is a business entity, hereby authorize **LESSOR,** any of **LESSOR'S** assignees, and any of their authorized agents or employees, to act as special agent or attorney-in fact for the undersigned and **LESSEE** if it is a business entity, and each of them, to execute and sign on behalf of the **LESSEE** such financing statements or other documents as **LESSOR** or its assignees, agents, or employees deem necessary or appropriate under the Uniform Commercial Code (or similar law) to protect their interests in all jurisdictions where such authorization is permitted by law. **LESSEE** hereby further agrees not to take any action which would delay, diminish, frustrate, or void this Equipment Lease. **LESSEE** understands that time is of the essence regarding all actions to be taken under this Equipment Lease.

SECTION 11. WARRANTIES: LESSOR DOES NOT MAKE ANY WARRANTIES, EXPRESS OR IMPLIED, NOR SHALL ANY WARRANTIES ARISE BY OPERATION OF LAW, AS TO EQUIPMENT LEASED, INCLUDING FITNESS FOR ANY PARTICULAR PURPOSE, MERCHANTABILITY, DESIGN, CAPACITY, OR PERFORMANCE, AND, AS TO LESSOR, LESSEE LEASES THE EQUIPMENT "AS IS."

TO THE FULLEST EXTENT ALLOWED UNDER LAW, ALL WARRANTIES MADE BY THE VENDOR, MANUFACTURER, OR SUPPLIER OF THE EQUIPMENT ARE ASSIGNED BY LESSOR TO LESSEE. IN THE EVENT OF ANY CLAIM CONCERNING THE LOCATION, INSTALLATION, REPAIR, OR USE OF THE EQUIPMENT, LESSEE'S SOLE REMEDY, IF ANY, SHALL BE AGAINST THE VENDOR, MANUFACTURER, OR SUPPLIER OF THE EQUIPMENT.

NO DEFECT, REGARDLESS OF THE COURSE OR CONSEQUENCE, SHALL RELIEVE LESSEE FROM PERFORMING ITS OBLIGATIONS UNDER THIS LEASE, INCLUDING, BUT NOT LIMITED TO, THE MONTHLY LEASE PAYMENT.

LESSEE UNDERSTANDS AND AGREES THAT NEITHER THE MANUFACTURER, VENDOR OR SUPPLIER, NOR ANY SALESMAN OR OTHER AGENT OF THE MANUFACTURER, VENDOR OR SUPPLIER, IS AN AGENT OF LESSOR. NO SALESMAN OR AGENT OF VENDOR, MANUFACTURER OR SUPPLIER IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OR CONDITION OF THIS LEASE, AND NO REPRESENTATION AS TO THE EQUIPMENT OR ANY OTHER MATTER BY THE VENDOR, MANUFACTURER OR SUPPLIER SHALL IN ANY WAY AFFECT LESSEE'S DUTY TO MAKE PAYMENTS OR PERFORM ITS OTHER OBLIGATIONS AS SET FORTH IN THIS LEASE.

SECTION 12. EQUIPMENT IS PERSONAL PROPERTY: The Equipment leased under this Lease is and will at all times remain personal property, notwithstanding that such Equipment or any part thereof may now be or hereafter become attached or affixed to any other property.

SECTION 13. LATE FEES: Should **LESSEE** fail to make any monthly payments under this Lease within thirty (30) days after the invoice date for such payment, **LESSEE** shall pay to **LESSOR** a late fee of five percent (5%) of the delinquent amount, with a minimum of One Dollar ($1.00) and a maximum of Ten Dollars, ($10.00), whichever is less, for each month or part thereof for which the payment shall be delinquent.

SECTION 14. LOSS OR DAMAGE TO EQUIPMENT:

14.1. LESSEE assumes all risks of loss or damage to Equipment from any cause. No loss of or damage to the Equipment shall impair any obligation of **LESSEE** under this Lease, including the obligation to make monthly payments, and all such obligations shall continue in full force and effect.

14.2. In the event of loss or damage to the Equipment, the **LESSOR,** at its option, may take the following actions:

A. if in **LESSOR'S** judgment, the Equipment is lost or damaged beyond repair so as to be unusable for the purpose for which the Equipment is intended, and if the **LESSOR** recovers the fair market value of the equipment lost or damaged, the Lease shall terminate with respect to such equipment; or

B. if in the **LESSOR'S** judgment, the Equipment is capable of being replaced or repaired, and if **LESSOR** shall have recovered less than the fair market value of the Equipment, **LESSOR** may, at its option, and at **LESSEE'S** cost, repair or replace the lost or damaged Equipment.

SECTION 15. INDEMNITY: LESSEE shall indemnify and hold harmless **LESSOR,** its agents, employees, officers and directors against any and all claims, actions, proceedings, expenses, damages or liabilities, including attorneys' fees, arising out of the manufacture, selection, purchase, delivery, possession, use, operation, or return of the Equipment or the recovery of claims for damage or loss to the Equipment under any applicable insurance policies maintained by the **LESSEE.**

Liability and responsibility for personal injuries or property damage arising out of the use, operation, or transportation of the Equipment shall be borne by **LESSEE** and **LESSEE** shall indemnify and hold harmless **LESSOR,** its agents, employees, officers and directors against all such liability.

SECTION 16. INSURANCE: LESSEE shall obtain and maintain at all times during the term of this Lease, at **LESSEE'S** expense, full coverage insurance, including fire, flood, vandalism, malicious mischief, burglary, theft, including personal injury and third party property damage insurance in an amount equal to the full value of all Equipment with such insurance issued by an insurance company approved by **LESSOR.**

Upon signing of this Lease, the **LESSEE** shall instruct its insurance company, agent, or broker to confirm to the **LESSOR** in writing that the necessary insurance has been obtained and inform the **LESSOR** of the name of the insurance company and a full description of the coverage. Within thirty (30) days after the date of this Lease, **LESSEE** shall forward to the **LESSOR** a copy of an endorsement naming **LESSOR** as additional insured and loss payee. The confirmation of insurance shall include a certified or notarized

acknowledgement by the insurance company that said insurance is in full force and effect. If **LESSEE** fails to purchase and maintain insurance in accordance with the terms and conditions of this Lease, **LESSOR** shall have the right, but not the obligation, to purchase such insurance on **LESSEE'S** behalf, to pay the premium for such insurance, and add such premium to the gross amounts due under this Lease, plus a reasonable fee. **LESSOR** may apply proceeds of said insurance to replace or repair the Equipment and/or to satisfy **LESSEE'S** obligation hereunder.

SECTION 17. TAXES, FEES AND LIENS: LESSEE shall pay all taxes, assessments, and license and registration fees that may now or hereafter be imposed on the ownership, leasing, possession or use of the Equipment, excluding, however, all taxes on or measured by **LESSOR'S** income, or taxes prohibited by law to be charged against **LESSEE. LESSOR** has the right to impose, in lieu of sales or use taxes, an administrative fee sufficient to pay all such taxes and **LESSOR'S** administrative costs. If **LESSEE** fails to pay the same before the delinquency date, **LESSOR** may but is not obligated to pay the same, and add same to the gross amounts due under this Lease plus a reasonable fee. **LESSEE** shall indemnify **LESSOR** for any additional taxes resulting from **LESSEE** making any additions or modifications to the Equipment.

SECTION 18. NON-CANCELABLE LEASE: This Lease cannot be cancelled or terminated except as expressly provided herein.

SECTION 19. FREEDOM FROM LIENS: LESSEE shall keep Equipment free and clear from any claim, levy, lien, and encumbrance or any other legal process. **LESSEE** shall promptly notify **LESSOR,** in writing, of the receipt of notice of any such claim, levy, lien, or legal process. **LESSEE** shall pay the cost of defending or removing such claim, levy, lien, or legal process, unless the same be attributable to the acts or omissions of **LESSOR.**

SECTION 20. DEFAULT: Notwithstanding **LESSOR'S** rights and remedies as set forth herein, if **LESSEE** shall fail to make any payment hereunder provided for within ten (10) days after the same becomes due and payable, or if **LESSEE** fails to perform any other obligation within 10 days after **LESSOR** shall have demanded in writing the performance thereof; or if **LESSEE** shall abandon the Equipment; or in the event of any monetary or other default by **LESSEE** (or any entity in which **LESSEE** has a proprietary interest) in any other agreements entered into with **LESSOR,** including, without limitation, any franchise agreement, promissory note or security agreement; or if any proceeding in bankruptcy, receivership, insolvency, debt or debt moratorium laws, or any law for the relief of or relating to debtors shall be commenced by or against **LESSEE** or its property, or the appointment of a receiver or trustee to take possession of the property of **LESSEE,** or the subjection of **LESSEE'S** property to any levy, seizure, attachment, garnishment, assignment, or sale for or by, any creditor or governmental agency; or if **LESSEE** makes an assignment for the benefit of its creditors; or if **LESSEE** makes any misrepresentations or false statements as to the **LESSEE'S** credit or financial standing in connection with and execution of this Lease; or if **LESSEE** permits any other entity or person to use the Equipment without the prior written consent of **LESSOR, LESSOR** shall have the right and option, but shall not be obligated to, exercise anyone of the following remedies, which remedies or any others may be exercised by **LESSOR** without notice to **LESSEE:**

A. **REPOSSESSION: LESSOR** and/or its agents may, without prior notice or liability or legal process, enter into any premises under control or jurisdiction of **LESSEE** or any agent of **LESSEE**, where said Equipment may be believed to be located, and repossess said Equipment, disconnecting and separating all thereof from any other property and using all means necessary where permitted by applicable law. **LESSEE** expressly waives any action or right to action of any kind whatsoever against **LESSOR** growing out of the removal, repossession, or retention of said Equipment. **LESSOR** may, at its option, sue at

law or in equity to enforce the performance of this Lease or recover damages for breach thereof.

B. **ACCELERATION:** To declare all sums due hereunder and to become due hereunder or due under or to become due under any other agreement entered into between **LESSOR** and **LESSEE** (or any entity in which **LESSEE** has a proprietary interest) including, without limitation, any franchise agreement, promissory note or security agreement, immediately due and payable.

C. **RECOVERY OF SUMS DUE OR TO BECOME DUE: LESSOR** may recover all lease payments and other amounts due as of the date of such default or in the event suit is thereafter filed by **LESSOR** for same, recover all lease payments and other sums that may accrue thereafter.

Any proceeds of sale or any lease fees received under a new Lease, less **LESSOR'S** expenses of taking possession, reasonable attorneys' fees and/or collection fees, storage fees, reconditioning fees, if any, and sale or new leasing fees, shall be applied under **LESSEE'S** obligations as set forth above. **LESSEE'S** liability shall not be reduced by reason of any failure of **LESSOR** to sell or re-lease the Equipment. In the event the obligations of **LESSEE** hereunder are guaranteed by a guarantor or guarantors, **LESSOR** shall not be obligated to proceed against any such guarantor or guarantors before resorting to its remedies against **LESSEE.** In the event that **LESSOR** institutes any action hereunder, this Lease shall be deemed to have been entered into at the offices of **LESSOR** at San Diego, California, and all performance on the part of **LESSEE,** including the payment of all sums due hereunder, shall be deemed to have been required to be performed by **LESSEE** at the offices of **LESSOR** at San Diego, California.

TRANSFER UPGRADE AGREEMENT

Attention: To comply with applicable law, Prospective Buyer is not permitted to sign this Transfer Upgrade Agreement until (i) ******fourteen (14) calendar days after the date when Prospective Buyer received the initial (FDD) copy of this document, and (ii) seven (7) calendar days after the date when Prospective Buyer and Seller received execution (signable) copies of this Transfer Upgrade Agreement. ***HANDWRITTEN CHANGES TO THIS TRANSFER UPGRADE AGREEMENT ARE STRICTLY PROHIBITED.*** **(**May differ in some states; check with your local The UPS Store representative.)**

This TRANSFER UPGRADE AGREEMENT ("Upgrade Agreement") is made between:

The UPS Store, Inc. ("TUPSS"); and [NOT A PARTY IF THE CENTER IS LOCATED IN A TUPSS-OWNED AREA] _____ ("Area Franchisee"); and _____ ("Seller"); and _____ ("Prospective Buyer").

BACKGROUND

Prospective Buyer and Seller have entered (or are planning to enter) into a purchase and sale agreement for the transfer (the "Transfer") of the Seller's rights under its franchise agreement ("Seller's Franchise Agreement") for Center Number _____ (the "Center").

As one condition of TUPSS's consent to the Transfer, TUPSS requires that the Center undergo upgrades to computers, equipment, fixtures and décor (collectively "Upgrades") as described and itemized on the "Rider to Transfer Upgrade Agreement" (also referred to as "Rider") which is attached to the execution copies of this agreement. TUPSS estimates the Upgrades' combined cost with local labor to be $_____. However, if TUPSS authorizes Prospective Buyer to purchase any Upgrade items that result in a reduction to the above estimated Upgrades cost as reflected on the Rider's "grand total" line, then: (a) such revised grand total shall constitute a modification to TUPSS's Upgrade cost estimated above; and (b) such updated Upgrades cost shall be the amount that must be funded into escrow solely by Prospective Buyer, as provided in Section 2 below.

THE PARTIES AGREE AS FOLLOWS:

1. This Upgrade Agreement shall become effective on the date that it is counter-signed by TUPSS (the "Effective Date").

2. Prospective Buyer is solely responsible for (a) paying for all required Upgrades, (b) depositing all required Upgrade monies into an Upgrade escrow account controlled solely by TUPSS, and (c) implementing all of the Upgrades specified in the attached Rider by TUPSS. Even if a purchase and sale agreement executed between Prospective Buyer and Seller purports to require Seller to fund (or implement) some or all required Upgrades, all parties understand and agree that this Upgrade Agreement shall govern, requiring (and permitting) only Prospective Buyer to fund and implement all required Upgrades.

3. Ninety (90) Day Deadline for Completing Upgrades

Completion of the Upgrades (as specified by TUPSS above) must be accomplished to TUPSS's satisfaction by the Prospective Buyer no later than ninety (90) days after the effective date of the Prospective Buyer's Franchise Agreement, unless additional time beyond ninety (90) days is provided on the attached Rider in which case such additional time as specified shall be granted.

4. Center Development Coordination Responsibilities & Center Development Fee.

(a) The Prospective Buyer must utilize a "Center Development Coordinator" to supervise and coordinate the completion of the required Upgrades. **THE PROSPECTIVE BUYER AGREES THAT IT SHALL ONLY USE TUPSS'S DESIGNATED CENTER DEVELOPMENT COORDINATOR, AND NO ONE ELSE, FOR THIS FUNCTION. IF THE CENTER HAS AN AREA FRANCHISEE, THEN THE AREA FRANCHISEE SHALL BE THE CENTER DEVELOPMENT COORDINATOR. IF THE CENTER HAS NO AREA FRANCHISEE, THEN TUPSS SHALL BE THE CENTER DEVELOPMENT COORDINATOR.**

(b) In exchange for receipt of these services and as disclosed in Item 5 of the Prospective Buyer's Franchise Disclosure Document ("FDD"), the Prospective Buyer must pay a "Center Development Fee" which shall be: (i) equal to twenty percent (20%) of the local labor and local material costs of Upgrades incurred by the Prospective Buyer; and (ii) except that for Center transfers which result in a relocation or remodel of the Center (including "facelifts" which are remodels without Design changes) this Center Development Fee shall be $5,000. This amount shall not include products supplied by TUPSS or by a TUPSS-approved vendor. The Prospective Buyer must pay such Center Development Fee as stated in a demand submitted by the Center Development Coordinator.

(c) Summary of Center Development Coordinator's Obligations.

The Center Development Coordinator will be required to enter into a Center Development Coordination Agreement ("CDCA") as supplied by TUPSS. Under this Upgrade Agreement and under the CDCA, the Center Development Coordinator is obligated to perform, without limitation, the following types of supervisory and coordination duties: (i) complete, review and submit all Upgrade-related purchase orders to vendors (including to TUPSS), (ii) scheduling approved contractors' installation of fixtures, computers, equipment and decor Upgrades, (iii) ensuring that any installation or other Upgrade-related services performed by contractors at Prospective Franchisee's Center be completed in full compliance with TUPSS's specifications, and (iv) delivering to TUPSS, **no later than ninety (90) days after the effective date of Prospective Franchisee's Franchise Agreement or by such extended deadline(s) as may be provided by TUPSS in the Rider,** all required digital photographs, cost ledger and paid receipts that will be evaluated by TUPSS for purposes of determining whether compliance was successfully completed.

5. Estimates are Just That: Estimates Only.

Prospective Buyer acknowledges that (a) the dollar amount listed for Upgrades in the attached Rider to Transfer Agreement is an ***estimate only***; (b) product and material prices are subject to change without prior notice; (c) labor cost estimates are based upon national averages; and (d) Prospective Buyer may have to spend additional amounts for Upgrades to the extent that these estimates are below the actual amounts required to complete all Upgrades.

6. TUPSS's Authority to Designate Upgrade Payments from Escrow as Either Direct to Vendor or Reimbursement to Franchisee.

TUPSS reserves the right to designate each particular required Upgrade as either (a) to be paid directly from the escrowed Upgrade monies to the TUPSS-approved vendor(s) that complete or provide such Upgrades, or (b) to be paid to the Prospective Buyer in reimbursement of such Prospective Buyer's payment to TUPSS-approved vendor(s), only if the Center is deemed by

TUPSS to be compliant. If and when TUPSS makes such designations, Prospective Buyer agrees to comply with such designations. In general, but without limitation, TUPSS will permit payments for TUPSS-approved products to be made directly to vendors, and TUPSS will (generally) require that payment for Upgrade-related services be reimbursed to the Prospective Buyer, only after TUPSS has confirmed that such services were performed in accordance with TUPSS's specifications.

7. Return to Prospective Buyer of Any Remaining and Unused Escrowed Upgrades Monies.

After TUPSS confirms (through review of digital photographs, cost ledger and paid receipts, etc.) that all Upgrades have been completed to TUPSS's satisfaction, TUPSS will, within thirty (30) business days thereafter remit any remaining and unused escrowed Upgrade monies to the Prospective Buyer, after first applying those funds against any monies owed by Prospective Buyer (or by any affiliate of Prospective Buyer) to TUPSS. Prospective Buyer understands and agrees that if this Agreement's Rider permits Prospective Buyer to complete certain specified Upgrades by a deadline that exceeds the ninety (90) day deadline set forth in Section 3 above (the "Phase Two Upgrades"), TUPSS retains the right to hold any remaining Upgrade monies, to be used for such Phase Two required Upgrades.

8. If Completion Deadline is Not Met, TUPSS Reserves the Right to Complete Upgrades with Escrowed Upgrade Funds.

A critical factor in TUPSS's decision of whether to approve Prospective Buyer for franchise ownership is such party's agreement to timely complete all required Upgrades, as specified in this Upgrade Agreement. If, for any reason, TUPSS does not receive confirmation to TUPSS's satisfaction that all required Upgrades were completed prior to the above-referenced ninety (90) day deadline, then TUPSS reserves the right, and is hereby be fully authorized by Prospective Buyer, to immediately thereafter complete all required Upgrades by such party as TUPSS may designate (which may be TUPSS, the Area Franchisee, or a third party).

UNDER SUCH CIRCUMSTANCES, PROSPECTIVE BUYER PROMISES TO: (a) FULLY COOPERATE IN MAKING ITS CENTER ACCESSIBLE TO THE PARTY THAT TUPSS DESIGNATES TO COMPLETE SUCH UPGRADES, AND (b) DIRECTLY PAY TO THE CENTER DEVELOPMENT COORDINATOR ANY AMOUNT REQUIRED TO COMPLETE THE UPGRADES THAT IS IN EXCESS OF THE ESTIMATED AMOUNTS THAT WERE ESCROWED BY THE PROSPECTIVE BUYER. IF, FOR ANY REASON, THE ESCROWED UPGRADE FUNDS HAVE NOT BEEN FULLY APPLIED TOWARD THE COMPLETION OF THOSE CENTER UPGRADES PRIOR TO PROSPECTIVE BUYER'S SALE OF THE CENTER TO A TUPSS-APPROVED PURCHASER, SUCH FUNDS SHALL REMAIN TO BE APPLIED FOR THE CENTER UPGRADES AND NOT RETURNED TO PROPSECTIVE BUYER.

9. Violation. Prospective Buyer and Seller agree that any violation by Prospective Buyer and/or Seller of this Upgrade Agreement shall constitute a material violation of the Prospective Buyer's Franchise Agreement (if executed) and/or of the Seller's Franchise Agreement, as applicable.

10. Miscellaneous. This Upgrade Agreement shall be construed in accordance with the law of the State of California. Exclusive venue and jurisdiction will lie within the courts of the State of California or within the courts of the United States of America. This Upgrade Agreement (including attached Rider) constitutes the entire agreement between the parties concerning the subject matter hereof, and supersedes any and all prior or contemporaneous written or oral representations and understandings regarding such subject matter including the purchase and sale agreement executed between the Prospective Buyer and the Seller; without limiting the foregoing

it is agreed that to the extent there is any inconsistency between this Upgrade Agreement and any other agreement between Prospective Buyer and Seller, the terms of this Agreement shall govern. This Upgrade Agreement cannot be modified except by a written amendment signed by all of the parties hereto. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

Please sign and date, etc., as requested below, to acknowledge that you have read, understand and agree to be bound by the terms stated above.

RENEWAL UPGRADE AGREEMENT

This RENEWAL UPGRADE AGREEMENT ("Upgrade Agreement") is made between:

The UPS Store, Inc. ("TUPSS"); and [NOT A PARTY IF THE CENTER IS LOCATED IN A TUPSS-OWNED] _____ ("Area Franchisee"); and_____ ("Franchisee").

BACKGROUND

Franchisee seeks to renew its franchise for Center Number _____ (the "Center") under a then-current version of TUPSS's franchise agreement.

As one condition of TUPSS's Consent to the Renewal, TUPSS requires that the Center undergo upgrades to computers, equipment, fixtures and décor (collectively "Upgrades") as described and itemized on the "Rider to the Renewal Upgrade Agreement" which is attached to the execution copies of this Agreement. TUPSS estimates the Upgrades' combined cost with local labor to be $_____. However, if TUPSS authorizes Franchisee to purchase any Upgrade items that result in a reduction to the above estimated Upgrades cost as reflected on the Rider's "grand total" line, then: (a) such revised grand total shall constitute a modification to TUPSS's Upgrade cost estimated above; and (b) such updated Upgrades cost shall be the amount that must be funded by the Franchisee, as provided in Section 2 below.

THE PARTIES AGREE AS FOLLOWS:

1. This Upgrade Agreement shall become effective on the date that it is counter-signed by TUPSS (the "Effective Date").

2. Franchisee has agreed that it alone is responsible for paying for and implementing all of the Upgrades, as are specified below by TUPSS. TUPSS's execution of this Upgrade Agreement does not commit TUPSS to renew Franchisee's franchise for the Center if Franchisee otherwise fails to comply with all the conditions for renewal stated in Franchisee's current Franchise Agreement.

3. Applicable Dates:

(a) No later than sixty (60) days prior to the end of Center's 10-year Franchise Agreement term, Franchisee agrees to purchase from TUPSS all of the equipment (including computers) required in order to upgrade Franchisee's Center to then-current System Standards and Specifications for POS/CMS, hardware, software and any other computer-related systems required for Center. Franchisee agrees to complete (to TUPSS's satisfaction) all of the Upgrades (as specified below by TUPSS) no later than the ninety (90) days after the effective date of the Renewal Franchise Agreement unless additional time beyond the ninety (90) days is provided on the attached Rider in which case such additional time as specified shall be granted.

4. Center Development Coordination Responsibilities & Center Development Fee.

(d) The Franchisee must utilize a "Center Development Coordinator" to supervise and coordinate the completion of the required Upgrades. **THE FRANCHISEE AGREES THAT IT SHALL ONLY USE TUPSS'S DESIGNATED CENTER DEVELOPMENT COORDINATOR, AND NO ONE ELSE, FOR THIS FUNCTION. IF THE CENTER**

HAS AN AREA FRANCHISEE, THEN THE AREA FRANCHISEE SHALL BE THE CENTER DEVELOPMENT COORDINATOR. IF THE CENTER HAS NO AREA FRANCHISEE, THEN TUPSS SHALL BE THE CENTER DEVELOPMENT COORDINATOR.

(e) In exchange for receipt of these services, the Franchisee must pay a "Center Development Fee" which shall be: (i) equal to twenty percent (20%) of the local labor and local material costs of Upgrades incurred by the Franchisee; and (ii) except that for Center renewals which result in a relocation or remodel of the Center (including "facelifts" which are remodels without Design changes) this Center Development Fee shall be $5,000. This amount shall not include products supplied by TUPSS or by a TUPSS-approved vendor. The Franchisee must pay such Center Development Fee as stated in an invoice submitted by the Center Development Coordinator.

(f) Summary of Center Development Coordinator's Obligations.

The Center Development Coordinator will be required to enter into a Center Development Coordination Agreement ("CDCA") as supplied by TUPSS. Under this Upgrade Agreement and under the CDCA, the Center Development Coordinator is obligated to perform, without limitation, the following types of supervisory and coordination duties: (i) complete, review and submit all Upgrade-related purchase orders to vendors (including to TUPSS), (ii) scheduling approved contractors' installation of fixtures, computers, equipment and decor Upgrades, (iii) ensuring that any installation or other Upgrade-related services performed by contractors at Franchisee's Center be completed in full compliance with TUPSS's specifications, and (iv) delivering to TUPSS, **no later than ninety (90) days after the effective date of the Renewal Franchise Agreement or by such extended deadline(s) as may be provided in the Rider,** all required digital photographs, cost ledger and paid receipts that will be evaluated by TUPSS for purposes of determining whether compliance was successfully completed.

5. Estimates are Just That: Estimates Only

Franchisee acknowledges that (a) the dollar amount listed above for Upgrades is an ***estimate only***, and (b) Franchisee may have to spend additional amounts for Upgrades to the extent that these estimates are below the actual amounts required to complete all Upgrades.

6. Violation. Franchisee understands that any violation of this Upgrade Agreement shall constitute a material violation of the Center's Franchise Agreement.

7. Miscellaneous. This Upgrade Agreement shall be construed in accordance with the law of the State of California. Exclusive venue and jurisdiction will lie within the courts of the State of California or within the courts of the United States of America. This Upgrade Agreement constitutes the entire agreement between the parties concerning the subject matter hereof, and supersedes any and all prior or contemporaneous written or oral representations and understandings regarding such subject matter. This Upgrade Agreement cannot be modified except by a written amendment signed by all of the parties hereto. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

RE-OPENING UPGRADE AGREEMENT

Attention: To comply with applicable law, New Franchisee is not permitted to sign this Re-Opening Upgrade Agreement until (i) ** fourteen (14) calendar days after the date when New Franchisee received the initial (FDD) copy of this document, and (ii) seven (7) calendar days after the date when New Franchisee received execution (signable) copies of this Re-Opening Upgrade Agreement. ***EXCEPT FOR CHECKING THE BOX IN PARAGRAPH 3, HANDWRITTEN CHANGES TO THIS AGREEMENT ARE STRICTLY PROHIBITED.*** (** May differ in some states; check with your local The UPS Store representative).

This RE-OPENING UPGRADE AGREEMENT ("Upgrade Agreement") is made between:

The UPS Store, Inc. ("TUPSS"); and [NOT A PARTY IF THE CENTER IS LOCATED IN A TUPSS-OWNED AREA] _____ ("Area Franchisee"); and _____ _____ ("New Franchisee").

BACKGROUND

New Franchisee seeks to purchase a new The UPS Store® franchise by entering into a franchise agreement with TUPSS ("Franchise Agreement") in connection with the re-opening ("Re-Opening") of Center # ___ ("Center") whose previous franchisee had their franchise agreement terminated by TUPSS.

As one condition of TUPSS's consent to the Re-Opening, TUPSS requires that the Center undergo upgrades to computers, equipment, fixtures and décor (collectively "Upgrades") as described and itemized on the "Rider to Re-Opening Upgrade Agreement" which is attached to the execution copies of this agreement. TUPSS estimates the Upgrades' combined cost with local labor to be $_____. However, if TUPSS authorizes New Franchisee to purchase any Upgrade items that result in a reduction to the above estimated Upgrades cost as reflected on the Rider's "grand total" line, then: (a) such revised grand total shall constitute a modification to TUPSS's Upgrade cost estimated above; and (b) such updated Upgrades cost shall be the amount that must be funded into escrow solely by New Franchisee, as provided in Section 2 below.

THE PARTIES AGREE AS FOLLOWS:

1. This Upgrade Agreement shall become effective on the date that it is counter-signed by TUPSS (the "Effective Date").

2. New Franchisee is solely responsible for (a) paying for all Upgrades, (b) depositing all required Upgrade monies into an Upgrade escrow account controlled solely by TUPSS, and (c) implementing all of the Upgrades specified in the attached Rider by TUPSS.

3. **Applicable Dates:**

   (a) When New Franchisee is required to pay all other fees that it owes to TUPSS in connection with its purchase of a new franchise for the Center, New Franchisee must also deliver to TUPSS an amount equal to the cost of Upgrades as estimated by TUPSS above.

   (b) New Franchisee's Franchise Agreement for the Center shall be null and void if New Franchisee does not timely pay to TUPSS the Upgrades amount estimated by TUPSS above.

(c) Completion of the Upgrades (as specified by TUPSS above) must be accomplished (to TUPSS's satisfaction) by New Franchisee no later than ninety (90) days after the effective date of New Franchisee's Franchise Agreement, unless additional time beyond ninety (90) days is provided on the attached Rider in which case such additional time as specified shall be granted.

4. Center Development Coordination, Center Development Fee and Coordinator Responsibilities

(a) New Franchisee must utilize a "Center Development Coordinator" to supervise and coordinate the completion of the required Upgrades. **THE NEW FRANCHISEE AGREES THAT IT SHALL ONLY USE TUPSS'S DESIGNATED CENTER DEVELOPMENT COORDINATOR, AND NO ONE ELSE, FOR THIS FUNCTION. IF THE CENTER HAS AN AREA FRANCHISEE, THEN THE AREA FRANCHISEE SHALL BE THE CENTER DEVELOPMENT COORDINATOR. IF THE CENTER HAS NO AREA FRANCHISEE, THEN TUPSS SHALL BE THE CENTER DEVELOPMENT COORDINATOR.**

(b) In exchange for receipt of these services and as disclosed in Item 5 of New Franchisee's Franchise Disclosure Document ("FDD"), New Franchisee must pay a "Center Development Fee" which shall be: (i) equal to twenty percent (20%) of the local labor and local material costs of Upgrades incurred by New Franchisee; and (ii) except that for Center re-openings which result in a relocation or remodel of the Center (including "facelifts" which are remodels without Design changes) this Center Development Fee shall be $5,000. This amount shall not include products supplied by TUPSS or by a TUPSS-approved vendor. New Franchisee must pay such Center Development Fee as stated in a demand submitted by the Center Development Coordinator.

(c) Summary of Center Development Coordinator's Obligations.

The Center Development Coordinator will be required to enter into a Center Development Coordination Agreement ("CDCA") as supplied by TUPSS. Under this Upgrade Agreement and under the CDCA, the Center Development Coordinator is obligated to perform, without limitation, the following types of supervisory and coordination duties: (i) complete, review and submit all Upgrade-related purchase orders to vendors (including to TUPSS), (ii) scheduling approved contractors' installation of fixtures, computers, equipment and décor Upgrades, (iii) ensuring that any installation or other Upgrade-related services performed by contractors at New Franchisee's Center be completed in full compliance with TUPSS's specifications, and (iv) delivering to TUPSS, **no later than ninety (90) days after the effective date of New Franchisee's Franchise Agreement or by such deadline(s) as may be provided in the Rider,** all required digital photographs, cost ledger and paid receipts that will be evaluated by TUPSS for purposes of determining whether compliance was successfully completed.

5. Estimates are Just That: Estimates Only

New Franchisee acknowledges that (a) the dollar amount listed above for Upgrades is an ***estimate only***, (b) product and material prices are subject to change without prior notice; (c) labor cost estimates are based upon national averages; and (d) New Franchisee may have to spend additional

amounts for Upgrades to the extent that these estimates are below the actual amounts required to complete all Upgrades.

6. **TUPSS's Authority to Designate Upgrade Payments from Escrow as Either Direct to Vendor or Reimbursement to New Franchisee.**

TUPSS reserves the right to designate each particular required Upgrade as either (a) to be paid directly from the escrowed Upgrade monies to the TUPSS-approved vendor(s) that complete or provide such Upgrades, or (b) to be paid to New Franchisee in reimbursement of such New Franchisee's payment to TUPSS-approved vendor(s), only if the Center is deemed by TUPSS to be compliant. If and when TUPSS makes such designations, New Franchisee agrees to comply with such designations. In general, but without limitation, TUPSS will permit payments for TUPSS-approved products to be made directly to vendors, and TUPSS will (generally) require that payment for Upgrade-related services be reimbursed to the New Franchisee, only after TUPSS has confirmed that such services were performed in accordance with TUPSS's specifications.

7. **Return to New Franchisee of Any Remaining and Unused Escrowed Upgrades Monies.**

After TUPSS confirms (through review of digital photographs, cost ledger and paid receipts, etc.) that all Upgrades have been completed to TUPSS's satisfaction, TUPSS will, within thirty (30) business days thereafter remit any remaining and unused escrowed Upgrade monies to the New Franchisee, after first applying those funds against any monies owed by New Franchisee (or by any affiliate of New Franchisee) to TUPSS. Prospective Buyer understands and agrees that if this Agreement's Rider permits Prospective Buyer to complete certain specified Upgrades by a deadline that exceeds the ninety (90) day deadline set forth in Section 3 above (the "Phase Two Upgrades"), TUPSS retains the right to hold any remaining Upgrade monies, to be used for such Phase Two required Upgrades.

8. **If Completion Deadline is Not Met, TUPSS Reserves the Right to Complete Upgrades with Escrowed Upgrade Funds.**

A critical factor in TUPSS's decision of whether to approve New Franchisee for franchise ownership is such party's agreement to timely complete all required Upgrades, as specified in this Upgrade Agreement. If, for any reason, TUPSS does not receive confirmation to TUPSS's satisfaction that all required Upgrades were completed prior to the above-referenced ninety (90) day deadline, then TUPSS reserves the right, and is hereby be fully authorized by New Franchisee, to immediately thereafter complete all required Upgrades by such party as TUPSS may designate (which may be TUPSS, the Area Franchisee, or a third party).

UNDER SUCH CIRCUMSTANCES, NEW FRANCHISEE PROMISES TO: (a) FULLY COOPERATE IN MAKING ITS CENTER ACCESSIBLE TO THE PARTY THAT TUPSS DESIGNATES TO COMPLETE SUCH UPGRADES, AND (b) DIRECTLY PAY TO THE CENTER DEVELOPMENT COORDINATOR ANY AMOUNT REQUIRED TO COMPLETE THE UPGRADES THAT IS IN EXCESS OF THE ESTIMATED AMOUNTS THAT WERE ESCROWED BY NEW FRANCHISEE.

9. **Violation.** New Franchisee agrees that any violation by it of this Upgrade Agreement shall constitute a material violation of New Franchisee's Franchise Agreement for the Center.

10. **Miscellaneous.** This Upgrade Agreement shall be construed in accordance with the law of the State of California. Exclusive venue and jurisdiction will lie within the courts of the State of California or within the courts of the United States of America. This Upgrade Agreement (including attached Rider) constitutes the entire agreement between the parties concerning the subject matter hereof, and supersedes any and all prior or contemporaneous written or oral representations and understandings regarding such subject matter. This Upgrade Agreement cannot be modified except by a written amendment signed by all of the parties hereto. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

Please sign and date, etc., as requested below, to acknowledge that you have read, understand and agree to be bound by the terms stated above.

ADDENDUM TO LEASE

This Addendum to Lease ("Addendum") is by and between _____ ("Landlord");

and _____ ("Tenant"); and The UPS Store, Inc. ("Franchisor").

The Parties Agree as Follows:

1. This Addendum supplements and is a binding part of the lease between Landlord and Tenant dated _____, 20___, (and any renewals thereof) (the "Lease") for the leased premises located at _____ (the "Premises").

To the extent that there is any inconsistency between the terms of the Lease and the terms of this Addendum, the terms of this Addendum shall govern and control.

2. This Addendum may only be amended in a writing that is signed by all parties.

3. During the Lease's term (and any extensions of such term) the Premises shall be used solely for the operation of a The UPS Store® retail center.

a. Except as incidental to a tenant's transactions, or to any pharmacy, grocery or health and beauty aid store tenant, or to any tenant over 2,500 square feet, Landlord agrees not to lease any space to a tenant, nor allow any of its current tenants, including temporary vendors, to offer, sell or provide any of the following products or services: packing and shipping services; UPS®, DHL®, FedEx® or any other related overnight delivery and/or courier services; sales of USPS® metered mail; printing services (including color and black and white photocopying, digital printing; digital imaging, binding, on-line printing/document access; mounting, laminating; large format printing, and the production of banners); mailbox services. Tenant shall have the right to enforce this provision by injunction, in addition to Tenant's other legal remedies upon breach hereof. In addition base rent shall abate by fifty percent (50%) during any such period of breach.

4. For value received, Tenant hereby assigns its rights under the Lease (or, if applicable, under a renewal term lease) to Franchisor, and Landlord hereby consents to such assignment, subject to the following conditions:

a. One of these events ("Events") has occurred:

(i) Tenant has failed to cure defaults under the Lease, or

(ii) non-renewal of the Lease, or

(iii) termination and/or expiration of Tenant's TUPSS Franchise Agreement during the Lease's term (or during any extension of such term); and

b. Franchisor sends written notice ("Franchisor Notice") to the Landlord and Tenant confirming that Franchisor exercises its right (not obligation) to accept such Lease assignment within thirty (30) days; and

c. If the applicable Event included a Lease default by Tenant, Franchisor fully cures such default within fifteen (15) business days of the Franchisor Notice. If Franchisor fails to fully cure the defaults to Landlord's satisfaction by such deadline, the assignment would be rendered null and void.

Upon receipt by Landlord of an assumption agreement under which the assignee agrees to assume: (i) the Lease (or, if applicable, renewal lease), and (ii) all of Franchisor's duties thereunder, Franchisor shall thereupon be released from all liability as tenant from and after such date of assignment, without need for additional written confirmation of such release from Landlord to Franchisor.

5. a. Landlord promises to send to Franchisor and area franchisee copies of any notices of default or termination or non-renewal that it gives to Tenant, as well as notice of material changes to the terms of this Lease, estoppel, or change of ownership of the property governed by the Lease at the same time Landlord sends any such notice to Tenant. Landlord will send to Tenant, no later than twelve (12) months in advance, notice of any pending renewal lease option or pending end of lease term.

b. All written notices described herein must use a commercial overnight courier with next day delivery (and receipt provided), or certified mail (postage prepaid, return receipt requested). For all purposes, Franchisor shall be contacted at: Legal Department, The UPS Store, Inc., 6060 Cornerstone Court West, San Diego, CA 92121 and area franchisee shall be contacted at:_____.

(For Landlord's and Tenant's mailing addresses, see the signature lines below.)

6. Franchisor does not assume any obligation under the Lease, (or, if applicable, under a renewal term lease) unless and until Franchisor expressly assumes such Lease (or, if applicable renewal term lease) obligation as provided in Section 4 above.

7. Landlord shall not unreasonably withhold its consent if and when Franchisor (if it has exercised its rights under this Addendum) seeks to assign the Lease (or, if applicable, renewal term lease) to any third party that is creditworthy according to Landlord's original qualification criteria for the Lease and meets Franchisor's requirements for franchise ownership.

8. During the term of this Lease (and any renewals thereof), any security interest held by Landlord in Tenant's assets must be subordinated to that of any lender (as indicated by UCC search) that finances Tenant's purchase of such assets.

9. In the event Tenant ceases operations or closes, and Franchisor does not exercise its assignment rights hereunder, Franchisor (or its representative) may enter the Premises without being guilty of trespass to effect de-identification or removal of Franchisor's proprietary equipment, software and brand-identifying trade dress.

10. Franchisor shall be entitled to recover from Tenant all amounts it pays to Landlord to cure Tenant's defaults under the Lease, including interest and reasonable collection costs.

THE UPS STORE® FRANCHISEE
UPS INCENTIVE PROGRAM
CONTRACT CARRIER AGREEMENT

THIS CONTRACT CARRIER AGREEMENT ("Agreement") is entered into between UNITED PARCEL SERVICE, INC., an Ohio corporation ("UPS"), and _____ a The UPS Store, Inc. ("TUPSS"), franchisee ("Participating Franchisee", "you", or "your").

RECITALS

A. TUPSS is a franchisor of retail outlets (each, "The UPS Store Center") that provide a variety of postal, business, and communications services to businesses and the general public.

B. UPS is an interstate carrier providing transportation and related services to shippers, including The UPS Store Centers.

C. Participating Franchisee is an independently-owned and operated franchisee of TUPSS, and has requested UPS services for itself and its The UPS Store Center patrons ("patrons").

For and in consideration of the mutual covenants and conditions contained in this Agreement, UPS and Participating Franchisee agree as follows:

AGREEMENT

1. **Agreement for Services; Incorporated Terms**. UPS will provide services to you as stated in this Agreement and in the published applicable UPS Rate and Service Guide and UPS Tariff/Terms and Conditions of Service in effect at the time of shipment. The terms and conditions of the UPS Rate and Service Guide and the UPS Tariff/Terms and Conditions of Service can be found at www.ups.com, and are incorporated in this Agreement by this reference. If there is a conflict between the terms of this Agreement on the one hand, and the terms and conditions in the UPS Rate and Service Guide and UPS Tariff/Terms and Conditions of Service on the other, the terms of the UPS Tariff/Terms and Conditions of Service and UPS Rate and Service Guide will prevail. Addenda One, Two and Three constitute a part of this Agreement and are incorporated into this Agreement by this reference.

2. **Carrier of Choice**. You agree that this Agreement is based on the needs of Participating Franchisee, and that UPS will be your preferred and recommended carrier of choice for all small package ground, air, and international shipments.

3. **Term.** This Agreement is effective ("Effective Date") as of the date that it is countersigned below by UPS. This Agreement's term shall end upon the earlier of: (1) the conclusion (without renewal) of the Franchise Agreement's natural term, or (2) the earlier termination of: (a) this Agreement, or (b) the Franchise Agreement.

4. **Termination.**

   a. Termination for Default. If Participating Franchisee defaults in its performance of its obligations of this Agreement, including without limitation a violation of UPS's designated maximum Retail rates for UPS shipping services, UPS may elect to terminate this Agreement if Participating Franchisee fails to cure the default as specified by UPS within thirty (30) days of receipt of written notice from UPS. Notwithstanding the foregoing, if you receive from UPS three (3) or more written notices of default under this Agreement within any twelve (12)

consecutive month period, then, whether or not the default was curable and/or cured after receipt of notice: (i) such repeated defaults shall be considered incurable, and (ii) UPS may terminate this Agreement at the same time as, or any time after, UPS notifies you of the third default, with such termination to become effective upon your receipt of such notice of termination.

b. Termination for TUPSS Termination of Franchise Agreement. If TUPSS terminates your Franchise Agreement due to your failure to cure any material default of such Franchise Agreement as required by TUPSS, such termination shall be deemed to be a simultaneous uncured and incurable default under this Agreement and shall automatically and simultaneously result in the immediate termination of this Agreement without any required notice or other action by UPS.

c. Termination For Failure to Timely Pay. Notwithstanding subsection (a) and (b), above, UPS may suspend service or terminate this Agreement in its discretion upon your failure to timely pay any or all charges owed to UPS for services rendered.

5. Incentives.

a. The incentives referenced in Addendum One to this Agreement are contingent upon your execution of this Agreement and the The UPS Store Franchise Agreement. You must supply a signed copy of this Agreement to the TUPSS corporate office.

b. UPS may, in its sole and absolute discretion, modify (a) the maximum UPS Retail rates for UPS shipping services, and (b) the incentives provided to you; provided, however that UPS will give ninety (90) days prior written notice of any proposed reduction in the incentives provided to you, and UPS will, before implementation, address the proposed reduction with PACE.

6. Maximum Retail Price. You may not charge more than the maximum UPS Retail rates designated by UPS for the various UPS shipping services offered by your The UPS Store Center. You will accurately input all billing adjustments and requests for compensation.

7. Payment. UPS requires an electronic funds transfer ("EFT") payment program for the amount of your UPS bill. Each week your bank deducts the amount from your checking account and transfers the payment electronically to UPS. Each payment is shown on your regular bank statement. You agree that you will timely pay all charges owed to UPS for services rendered. UPS reserves the right to suspend credit and/or terminate this Agreement, and the right to suspend alternative payment terms or require payment at the time service is requested, in the event that you do not timely pay any or all charges owed to UPS for services rendered.

8. Participating Franchisee as Shipper.

a. You understand and agree that you will be considered the shipper for all shipments tendered by you to UPS. All services provided by UPS pursuant to this Agreement are provided to you as the shipper, and not to your patrons.

b. UPS shall have no obligation to deal with your patrons in any matters concerning UPS services provided to you under your shipper number, including, without limitation, tracing requests, claims, guarantees, COD preparation or remittance, return of undeliverable packages, proper packaging and labeling, or billing. You may provide your patrons with your UPS tracking number(s) for shipment(s) of packages tendered to you, and UPS may, at its discretion, respond directly to your patrons if they submit such tracking requests to UPS.

c. All claims for loss or damage or requests for refunds must be submitted to UPS by you, and not by your patrons. Any UPS claim payments will be paid to you and you agree that you shall immediately provide that claim payment to the appropriate patron. Any UPS refund payments will be paid to you with the exception of an Enhanced Guaranteed Service Refund ("EGSR"), which shall be paid as set forth in Addendum Three of this Agreement. With the sole exception of EGSR, you agree that you are solely responsible for the issuance of any refunds and/or payment of any claims to your patrons.

9. **Unauthorized Shipments; Hazardous Materials; Security**. You agree not to ship via UPS articles that UPS is not authorized to accept or that UPS states in the effective UPS Rate and Service Guide and UPS Tariff/Terms and Conditions of Service that it will not accept, and to ensure that any packages tendered by you to UPS comply with UPS's terms of service as set forth in the UPS Tariff/Terms and Conditions of Service. You agree not to ship via UPS any "Hazardous Materials" (those materials regulated under Title 49 of the Code of Federal Regulations). You agree to cooperate with UPS in connection with security measures that currently are in place, and that may be in place in the future, relating to shipment of packages tendered to you by your patrons for shipment.

10. **Proper Packaging and Labeling**.

a. You agree to supply UPS with electronic package level detail and packaging labeling in a form acceptable to UPS, as may be modified or updated at UPS's discretion, for every package tendered by you to UPS. Package level detail includes, but is not limited to: consignee's full name, complete delivery address, package weight and zone, service option, and package tracking number. Package labeling includes, but is not limited to: 1Z tracking numbers bar code, MaxiCode, postal bar code, UPS Routing Code, and appropriate service icon.

b. With the sole exception of international shipments, all packages (including letters) tendered by you to UPS will bear your return address only and not that of a patron. International packages and letters tendered by you to UPS should show the patron's telephone number and name and address as the return address on the UPS shipping label.

11. **Use of Automated Shipping System; Effective Rates**. You will process all packages tendered by you to UPS under your UPS shipper number using the iShip shipping system and the current applicable rates. Use of a non-compliant manifest system or incorrect rates will result in a charge of the greater of $0.50 per package, or $35.00 per week, and UPS may terminate this Agreement in the event that you use a non-compliant manifest system or incorrect rates and fail to cure such default as required.

12. **Resources Provided to Participating Franchisee**. UPS will provide to you for the life of this Agreement the following resources: Placement on the UPS Service Locator, Dedicated Support Resources, and 1-800 Support Line.

13. **International Special Commodities - Personal Effects**. In addition to other services provided to you, UPS will provide international transportation of special commodities as set forth in Addendum Two.

14. Value Added Services; Accessorial Charges

a. Saturday Air Pick-Up.

i. If a package is tendered during the regularly-scheduled Saturday pickup; the Saturday pickup charge will be waived. Any subsequent requests for additional pickups on the same day will incur a Saturday pickup charge.

ii. If a Saturday pickup is needed, but The UPS Store location does not have a regularly-scheduled pickup for Saturday, The UPS Store location must call or request a pickup via the Internet. The fee for the first request of that day will be waived. Any subsequent requests for additional pickups on the same day incur a charge.

b. Address Corrections. UPS agrees to waive the accessorial fee for address corrections for Participating Franchisees.

c. UPS Delivery Intercept – Redirected Packages. UPS agrees to waive the accessorial fee for UPS Delivery Intercept redirect requests for Participating Franchisees.

d. UPS Provided Label Printer. UPS agrees to waive the weekly charge for the use of the UPS Provided Printers for Participating Franchisee.

15. Confidentiality; Advertising.

a. You agree that this Agreement, including its existence and all of its terms and conditions, and all rates and other information provided to you by UPS is proprietary information of UPS and the property of UPS. You and UPS acknowledge the competitive value of the information and agree to keep such information strictly confidential and, except to TUPSS, not to disclose it or any part of it to any third person without UPS's prior written consent.

b. You agree that, except as required by law, you will make no public statement or advertisement that mentions UPS except in compliance with the provisions of your The UPS Store Franchise Agreement or with the prior written approval of UPS.

16. Indemnification.

a. UPS Indemnification of You.

UPS agrees to indemnify, defend, and hold harmless you, your parent or subsidiary companies, and the officers, directors, agents and employees of each of them, and your and their successors and assigns ("Indemnified Party" or, as applicable, "Indemnified Parties") from (and by directly paying, not merely reimbursing the Indemnified Parties) all claims, demands, expenses (including reasonable attorneys' and consultants' fees), liabilities, causes of action, enforcement procedures, and suits of any kind or nature, whether such claim is brought by a government agency or any other person or entity (hereinafter "Claims"), which any of the Indemnified Parties may hereinafter incur as a result of:

i. any package received by you under the "UPS Drop Off Program", or other similar program that may be put in place during the Term of this Agreement which requires you to receive packages as a delivery location, except to the extent that such Claims allege or result from the Indemnified Party or Parties' (1) failure to comply with the inspection obligations relating to Hazardous Materials packages set forth in the "Packaging and Shipping Services" section of the "Center Operations Manual" in effect at the time of shipment (which obligations are incorporated by reference into

TUPSS's Franchise Agreement with you); (2) failure to comply with UPS requirements applicable to a package (including failure to comply with Section 3.8 (Hazardous Materials Service) of the UPS Tariff); or (3) negligence, recklessness, or intentional misconduct in connection with receiving and processing such package; and

ii. injury or death of any person, damage, loss, or destruction of improvements to real property or any tangible personal property to the extent caused by or resulting from UPS's negligent acts or omissions, except to the extent caused by an Indemnified Party; provided, however, that this subsection shall not permit indemnification of any loss or damage to packages received and processed by you as the UPS shipper (*i.e.*, using your UPS shipper number), which shall be governed by the UPS Tariff/Terms and Conditions of Service in effect at the time of shipping.

b. Your Indemnification of UPS.

You agree to indemnify, defend, and hold harmless UPS, its parent, subsidiaries, and affiliated entities, and the officers, directors, agents, and employees of each of them, and its and their successors and assigns ("UPS Indemnified Party" or, as applicable, "UPS Indemnified Parties") from any and all claims, demands, expenses (including reasonable attorneys' and consultants' fees), liabilities, causes of action, enforcement procedures, and suits of any kind or nature, whether brought by a government agency or any other person or entity, ("Claims"), which any of the UPS Indemnified Parties may hereinafter incur arising from or relating to:

i. any package received by you under the "UPS Drop Off Program", or other similar program that may be put in place during the Term of this Agreement which requires you to receive packages as a delivery location but only where such Claims allege or result from the Indemnified Party or Parties' (1) failure to comply with the inspection obligations relating to Hazardous Materials packages set forth in the "Packaging and Shipping Services" section of the "Center Operations Manual" in effect at the time of shipment; (2) failure to comply with UPS requirements applicable to a package (including failure to comply with Section 3.8 (Hazardous Materials Service) of the UPS Tariff); or (3) negligence, recklessness, or intentional misconduct in connection with receiving and processing such package;

ii. your noncompliance with government laws or regulations or UPS requirements applicable to a package tendered by you to UPS using your shipper number, including without limitation, failure to comply with the UPS Tariff/Terms and Conditions of Service regarding prohibited or restricted items and Section 3.8 (Hazardous Materials), or your inspection obligations relating to Hazardous Materials packages set forth in the "Packaging and Shipping Services" section of the "Center Operations Manual" in effect at the time of shipment;

iii. your negligence, recklessness, or intentional misconduct in connection with receiving and processing packages (including Drop Off packages);

iv. injury to persons or property on or about your premises;

v. any action by a patron against UPS for loss or damage to a package, irrespective of the cause of such loss or damage; or arising from your failure to transmit to a patron a UPS claim payment made to you relating to such patron's package; and

vi. any prohibited sale, sharing, transfer or assignment of your UPS shipper number, as set forth in Section 18.

17. Audit. UPS may randomly audit you for compliance with this Agreement and you agree to cooperate with UPS during this audit.

18. No Transfer of UPS Shipper Number. You agree not to sell, assign, or otherwise transfer any benefit of your UPS shipper number without the prior written authorization of UPS. You further agree that you shall not share your UPS shipper number with any patron or allow any patron to use your UPS Shipper number for shipments from any geographical location other than your own The UPS Store Center without UPS's prior written authorization. You represent and warrant that you will tender packages under your UPS shipper number only at your Participating Franchisee geographical location as approved by UPS. If, without the prior written authorization of UPS, you sell, assign, share, or otherwise transfer your UPS shipper number to another party, or tender packages under your UPS shipper number at a geographical location other than your Participating Franchisee location, you agree to pay on UPS's request a per package penalty ("Unauthorized Package Fee") for any package tendered in violation of this provision, and to indemnify the UPS Indemnified Parties, as set forth in Section 16. The Unauthorized Package Fee shall be in the amount of the UPS Retail Rate without incentive(s) and including all applicable accessorials and surcharges for each package tendered in violation of this provision.

19. Relationship of the Parties. It is the express intention of UPS and Participating Franchisee that Participating Franchisee is not an employee, agent, joint venturer, or partner of UPS and nothing in this Agreement shall be interpreted or construed to create or establish such relationship. UPS and Participating Franchisee acknowledge that neither UPS nor TUPSS is responsible for (i) the payment of any obligations incurred by Participating Franchisee pursuant to this Agreement and (ii) the acts and/or omissions of Participating Franchisee. UPS and Participating Franchisee further acknowledge and agree that Participating Franchisee, in its sole discretion and not under the direction or control of UPS, provides its services to the general public, and that Participating Franchisee shall determine the means, methods, or manner of performing its services.

20. Entire Agreement. This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof, and supersedes all prior agreements, proposals, oral or written, and all other communications between the parties with respect to such subject matter. Nothing in this Agreement or any related agreement is intended to disclaim the representations TUPSS, the franchisor, has made in its franchise disclosure document.

21. Assignment; Successors and Assigns. Participating Franchisee may not assign or permit an assignment (by operation of law or otherwise) of its rights or obligations under or interest in this Agreement without the prior written consent of UPS. This Agreement will be binding upon and will inure to the benefit of the respective parties hereto and their respective heirs, legal representatives, successors and permitted assigns.

If the foregoing correctly sets forth the understanding between Participating Franchisee and UPS, please indicate your agreement by signing a copy of this Agreement and returning it to the address below.

A. You agree to accept UPS Authorized Return Service (ARS), Air Shipping Document (ASD), UPS Internet Shipping (UIS), and all other letters and packages tendered to you for shipment via UPS under UPS shipper numbers other than your own, subject to any and all UPS drop-off requirements that may be implemented by UPS in the future (the "UPS Drop-off Program").

B. Effective at the time of this Agreement, the UPS Drop-off Program applies solely to a previously manifested package tendered by a UPS customer and taken to a location of The UPS Store, which is the first introduction of the package into the UPS network. UPS reserves the right to modify without notice the UPS Drop-off Program requirements.

C. UPS agrees to provide you the following fee (payable on a monthly basis) for each eligible Drop-off Letter and Package you accept, on the condition that you must process all Drop-off Letters and Packages on your iShip CMS or other UPS approved similar systems in order to receive payment of such fees:

Product	Actual Weight	$ Amount
Manifesting Method		
ASD / SPU / BIN (Ground & Air)	<20 lbs 21-50 51-70 71-150	$1.10 $1.50 $2.00 $3.00
All Return Services (no weight breaks)	Ground Air	$1.10 $1.10

D. You understand and agree that you are prohibited from charging any fee whatsoever in connection with Drop-off Letters and Packages at your Center (including, for example, any inspection fee or repackaging fee), except only (1) as provided in subsection "E" below where UPS has provided written authorization; or (2) for charges for performing packaging services purchased by the patron.

E. You understand and agree that UPS, in its sole and absolute discretion, reserves the right to authorize certain The UPS Store Centers located in Special Venue locations to charge drop-off fees in the amounts specified by TUPSS, where special market conditions make such fees necessary. Such fees may not be charged without advance written authorization from UPS. Where such written authorization is provided, you will not receive drop-off fees from UPS under the UPS Drop-off Program. See Item 16 of TUPSS's Franchise Disclosure Document.

3. Other UPS Programs and Services

You further agree that any program or service that UPS may offer that involves or requires you to accept, receive, or store packages or letters that may be picked up or delivered to or from your The UPS Store Center is within your reasonable expectations.

UPS is entitled at any time to demand from Participating Franchisee proof that Participating Franchisee has complied with all applicable laws and regulations. Participating Franchisee shall indemnify and hold UPS harmless for any liability, penalty, or cost arising out of failure of a shipment or accompanying documentation fully to comply with applicable laws and regulations, or the need to comply with requirements of authorities during transportation.

6. Disposals or Returns. Where UPS is unable to deliver a package to the consignee for any reason beyond its control, UPS shall retain the right at its sole discretion to dispose of the package at shipper's cost. Notwithstanding the foregoing, if applicable laws or regulations related to the transport of Personal Effects change in a manner that makes the handling, transport or delivery of Personal Effects materially more burdensome, and such burden cannot be alleviated by modifying the operations in agreement with Participating Franchisee, UPS may, at its sole discretion and notwithstanding anything else in this Agreement, either adjust the price proportionately or terminate this service for Personal Effects, or part thereof immediately. Any price adjustment resulting from a new law or regulation shall become effective upon thirty (30) days' notice to Participating Franchisee or upon the effective date of the new law or regulation, whichever occurs first.

ADDENDUM THREE

ENHANCED GUARANTEED SERVICE REFUND ("EGSR")

1. Construction. Capitalized terms used in this Addendum and not otherwise defined herein shall have the respective meanings ascribed to them in the Agreement. Notwithstanding anything to the contrary contained in the Agreement, the UPS Rate and Service Guides and Tariff/Terms and Conditions of Service in effect at the time of shipping (collectively, the "UPS Documentation"), you agree that in the event of any conflict between the terms and conditions of the UPS Documentation and the terms and conditions of this Addendum, the terms and conditions of this Addendum shall control and prevail. The UPS Documentation is modified only to the extent specifically set forth in this Addendum.

2. Enhanced GSR Requests. Any enhanced guaranteed service refund ("EGSR") request related to a package tendered by you to UPS for shipment must be based upon an actual refund request from a patron to you, but must be submitted to, and subsequently processed with, UPS in its entirety by you and not by your patrons. Any EGSR request you submit shall be subject to the UPS Documentation (as modified by this Addendum). UPS will reimburse qualified EGSR requests in an amount up to the UPS Retail Rate for shipping charges and up to the UPS Retail Accessorials Rate (not the Net Billed Rate) for refundable accessorial service options for the package to which the EGSR relates.

Refundable accessorial service options under this EGSR program, subject to change by UPS in its sole discretion, consist solely of (i) Delivery Area Surcharge – Commercial, (ii) Delivery Area Surcharge – Residential, (iii) Saturday Delivery Surcharge, (iv) Extended Area Surcharge, and (v) Worldwide Express Plus Surcharge. UPS is not responsible for refund of amount you charge above the UPS retail rates described herein. All EGSR payments made by UPS related to any EGSR request you submit will be paid by check (a "Refund Check").

Any Refund Check issuing on any EGSR request you submit will be made out to the patron on whose behalf you tendered the shipment giving rise to the EGSR request (the "Refunded Customer"). All Refund Checks will be sent to the applicable Refunded Customer at the Refunded Customer's address; provided, however, that you may instruct UPS to send a Refund Check to you if, and only if, you have a USPS Form 1583 on file for the applicable Refunded Customer. Any instruction to send a Refund Check to a Refunded Customer must be accompanied by the correct mailing address for the Refunded Customer and UPS reserves the right, in its sole discretion, to send the Refund Check to you or to the Refunded Customer.

Notwithstanding anything to the contrary in this Addendum or elsewhere in the Agreement, you agree that you are solely responsible for ensuring that any Refund Check sent to you is delivered to the applicable Refunded Customer. UPS will use the data you submit in conjunction with an EGSR request (including, but not limited to, a Refunded Customer's mailing address) solely to facilitate the processing of that request.

3. Indemnity. You agree that the UPS Documentation sets forth your sole remedy, and UPS's sole liability, related to any package tendered by you to UPS for shipment by UPS that is not delivered on time. You also agree that your indemnification obligations as set forth in the Agreement shall additionally include, in regards to any package tendered by you to UPS for shipment by UPS, an obligation to defend, indemnify and hold harmless UPS from and against claims made by third parties (including patrons) related to (a) the issuance or payment of, or UPS's refusal to issue or pay, any EGSR for any such package, or (b) the untimely delivery of any such package.

CENTER OPTION AGREEMENT

This Center Option Agreement ("Agreement"), by and between THE UPS STORE, INC., a Delaware Corporation ("TUPSS"), and (full legal name) _____ ("Option Holder"), is entered into on the date counter-signed by TUPSS (see signature page; the "Effective Date") with reference to the following facts:

A. TUPSS's principal business is the sale of, and support for, franchises to operate "THE UPS STORE®" centers ("Centers") offering delivery, postal, packaging, communications and other business services.

B. TUPSS desires to expand its network of Centers by offering to qualified candidates certain exclusive rights to secure sites for Centers within designated territories.

C. Option Holder desires to purchase from TUPSS an option in accordance with the terms and upon the conditions contained in this Agreement.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

I. GRANT OF OPTION

1.1 Grant of Option

(a) In consideration of the **NON-REFUNDABLE** option fee in the amount of $_____ ("Option Fee"), TUPSS hereby grants to Option Holder, and Option Holder hereby accepts, an option ("Option") to become eligible to acquire a site or sites for a Center or Centers (as applicable) to be located solely within the geographic territory ("Option Territory") set forth in Exhibit "B."

(b) Option Holder acknowledges that the Option Territory will either be:

(i) Larger than Option Holder's potential Center franchise territory or territories;

or

(ii) Identical to Option Holder's potential Center franchise territory or territories when the site or sites for such potential Centers have been identified after that this Agreement has been executed.

1.2 Consideration

(a) Option Holder acknowledges that (i) the Option Fee paid to TUPSS is solely in exchange for the Option granted in Section 1.1 above, and (ii) TUPSS has fully earned the Option Fee upon execution of this Agreement.

(b) Option Holder acknowledges that the Option Fee will **NOT** be applied as a credit against any franchise fee nor any other fee owed to TUPSS.

II. EXERCISE OF OPTION

2.1 No Requirement to Exercise Option

Option Holder's Option rights are not obligations. This Agreement in no way requires Option Holder to exercise its Option.

2.2 How the Option is Exercised

If Option Holder desires to exercise its Option rights, Option Holder must do so by the deadline(s) stated in the Option Schedule (Exhibit "A") solely by doing each of the following tasks to TUPSS's satisfaction:

(a) Submit to TUPSS such information regarding the proposed site or sites as TUPSS may require, and such submitted site or sites must satisfy TUPSS's site criteria; and

(b) With the assistance of TUPSS (or its Area Franchisee), deliver to TUPSS one or more executed leases or real estate purchase contracts, for a site or sites located within the Option Territory; and

(c) Sign with TUPSS a then-current Franchise Agreement(s), and all related agreements and documents, including but not limited to TUPSS's form Lease Addendum.

(d) Pay to TUPSS the applicable Initial Franchise Fee, Training Fee, Design Fee, Center Development Fee and Initial Marketing Plan Fee. (Amounts set forth in FDD).

2.3 Centers Developed Outside of Option Territory

If during the term of this Agreement Option Holder satisfies the exercise requirements set forth in Section 2.2 (a) – (d) above for one or more newly constructed Centers (i.e., a Center not previously developed or operated by TUPSS, a franchisee, or any other party) that are located **outside of** the Option Territory, then TUPSS shall still count such Center(s) toward satisfaction of the Option Schedule.

III. EXPIRATION & DEFAULT / TERMINATION

3.1 Expiration of this Agreement and of Option.

Subject to earlier termination as provided in Section 3.2 below, this Agreement and Option Holder's Option will continue until the "Expiration Date" which is the earlier of (a) the date of the final Exercise deadline stated in the Option Schedule, or (b) the date when TUPSS has both granted site approval and counter-signed a Franchise Agreement (and all related agreements and documents) for the last site referenced in the Option Schedule.

3.2 Termination of this Agreement Without Opportunity to Cure Default

Option Holder will be in material default of this Agreement, without requiring TUPSS to provide Option Holder any opportunity to cure such default, and with such default resulting in the termination of this Agreement and of the Option effective immediately without further notice from TUPSS upon the occurrence of any of the following events:

(a) Option Holder fails to timely Exercise its Option, with respect to ANY of the deadlines referenced in the Option Schedule; or

(b) Any notice(s) sent by TUPSS to Option Holder, confirming: (i) Option Holder's material default of any Franchise Agreement executed between the parties; or (ii) failure by Option Holder to satisfy TUPSS's then-current "expandability" criteria (i.e., criteria for ownership of additional Centers); or

(c) If this Agreement is assigned by Option Holder.

3.3 Effect of Expiration and/or Termination of this Agreement and of the Option

Upon the expiration and/or termination of this Agreement and of the Option, TUPSS may, within Option Holder's former Option Territory, operate or grant options or franchise rights to others to operate Centers, subject to any territorial rights granted by TUPSS in any Franchise Agreement(s) that it may have entered into with Option Holder.

IV. OTHER PROVISIONS

4.1 Information Provided by TUPSS to Option Holder

TUPSS will be obligated to promptly provide Option Holder with (i) types of information regarding the proposed site or sites that TUPSS may require at the time of site submittal, and (ii) TUPSS's site approval criteria.

4.2 Nature of Relationship Between TUPSS and Option Holder

(a) Option Holder has no authority (express or implied) to act or purport to act as agent, employee, partner, joint-venturer or representative of TUPSS for any purpose.

(b) **THIS AGREEMENT IS NOT A FRANCHISE AGREEMENT, NOR A PROMISE OR COMMITMENT BY TUPSS TO OFFER OPTION HOLDER ONE OR MORE FRANCHISES.** TUPSS is **NOT** obligated to enter into a Franchise Agreement or Agreements with the Option Holder if Option Holder defaults under this Agreement.

4.3 Assignment by Option Holder

The rights and duties created by this Agreement are personal to Option Holder. Therefore, Option Holder's rights under this Agreement may **NOT** be assigned to any third party.

In all cases, except where prohibited by applicable law, Option Holder waives any right to trial by jury.

4.5 Non-Binding Mediation

Before either TUPSS or Option Holder may initiate any lawsuit or other legal action against the other, they pledge to attempt first to resolve the controversy arising out of this Agreement ("Dispute") under non-binding mediation conducted in accordance with the Commercial Mediation Rules of the American Arbitration Association within 15 days after either party first gives written notice ("Mediation Notice") of such Disputes. The mediation shall take place at TUPSS's corporate office headquarters. The fees and expenses of the mediator shall be equally shared by TUPSS and Option Holder. The mediator shall be disqualified as a witness, expert or counsel for any party with regard to the Dispute and any related manner.

4.6 Notices

(a) Whenever this Agreement requires that one party notify the other, such notice must be in writing and sent via UPS Next Day Air. Such notice will be deemed delivered one day after it is sent via UPS Next Day Air. .

(b) Notices sent to TUPSS must be sent to: Franchise Sales Department, 6060 Cornerstone Court West, San Diego, California 92121 (or such other location to which TUPSS's corporate headquarters may be relocated). Notices sent to Option Holder must be sent to the following address:

4.7 Severability

If any provision of this Agreement (including all exhibits) is declared by an arbitrator or court of competent jurisdiction to be invalid or unenforceable, the invalid or unenforceable provision(s) will be deemed deleted, and the remainder of this Agreement will continue in full force and effect.

The parties intend that if any provision of this Agreement is susceptible to two or more interpretations, one of which would render the provision enforceable and the other(s) of which would render the provision unenforceable, then the provision shall be given the meaning that renders it enforceable.

4.8 Entire Agreement, Amendment

This Agreement (including all Exhibits) constitutes the entire understanding of the parties regarding the Option rights granted by TUPSS to Option Holder. This Agreement supersedes any and all prior or contemporaneous, written or oral, agreements, representations, or understandings that may exist or may have existed between the parties. Any modifications to this Agreement must be accomplished by a written agreement signed by both parties. Nothing in this Agreement or any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

Instructions: Use this version of the LOI only if you do NOT currently own at least a 50% interest in a The UPS Store® franchise.

LETTER OF INTENT FOR A THE UPS STORE FRANCHISE

Dear Prospective Franchisee:

Thank you for your interest in The UPS Store! This letter of intent ("LOI") is a binding agreement between you (as identified below) and The UPS Store, Inc. ("TUPSS" or "we," "us," "our"). The terms and conditions of this LOI are as follows:

1. You must sign this LOI and pay to us a $7,500.00 Initial Application Fee ("IAF") if, as someone who does not currently own at least a 50% interest in a The UPS Store franchise, you seek to: (a) develop a newly constructed Center and purchase a new franchise directly from us; or (b) purchase the existing franchise rights from our Area Franchisee under the Site Development Program ("SDP," as explained in FDD Item 5); or (c) purchase the existing franchise rights from a non-SDP existing Center that is opened to the public for business (i.e., a franchise transfer).

2. You are not permitted to sign this LOI or pay to us the IAF until after fourteen (14) calendar[1] days from the date on which you received our FDD. After you sign this LOI, you may deliver to us (or to our representative): (a) the $7,500.00 IAF check made payable to "The UPS Store, Inc.," and (b) your signed and dated copy of this LOI.

3. This LOI does **not** create nor promise to you a The UPS Store franchise. You would only acquire such franchise rights if and when we and you were to enter into a Franchise Agreement, either as a result of: (a) the sale of such franchise rights by us, or (b) the sale of such franchise rights by one of our existing franchisees in accordance with our SDP process or our Center "transfer" process. You intend, but are not obligated, to buy one of our franchises as a result of this LOI.

4. Upon our counter-signature of this LOI and acceptance of your IAF, we will process your completed Franchise Application Package. We will promptly thereafter notify you in writing as to which of the following applies:

   (a) Your application is rejected upon initial review. If this occurs, we will promptly refund to you your entire IAF.

   (b) We will likewise refund to you your entire IAF if, after we notify you that your application is **preliminarily** approved {see sub-section 4(c) below}, we inform you that your application did not receive **final** approval. However, if your failure to receive our final approval is based solely upon your inability to obtain a business loan from a prospective lender that you identified, then in order for you to receive a refund of your entire IAF under this provision, the following must have occurred. Namely, you must have: (i) notified us of your written loan denial(s); and (ii) applied to, and received written denials from, a maximum of three prospective lenders that are identified for you by us.

[1] If you are located in Michigan or Rhode Island, please consult with our Area Franchisee (if one exists) or our other local representative. In these states, you might possibly have to wait ten (10) business days instead of fourteen (14) calendar days; again please check with our local representative to confirm which waiting period applies for you.

(c) You are preliminarily approved to purchase a new franchise directly from TUPSS, either unconditionally or subject to your satisfaction of one or more conditions, such as, for example: (i) sale of assets and/or obtaining a business loan in order to fund your franchise; or (ii) verification of continuing household income.

(d) You agree that if our preliminary approval letter sent to you does not make your final approval contingent upon your obtaining a business loan, then your inability to obtain a business loan will not serve as a basis for our refunding the entire IAF to you.

IF 4(b) OCCURS, YOU UNDERSTAND AND ACCEPT THE RISK THAT IF, FOR ANY REASON, YOU FAIL TO TIMELY SATISFY ANY OF OUR WRITTEN CONDITIONS FOR FINAL APPROVAL, REFUSE TO ACCEPT A FRANCHISE THAT WE MAY OFFER TO YOU, OR OTHERWISE FAIL TO ENTER INTO A FRANCHISE AGREEMENT WITH TUPSS PRIOR TO THE CONCLUSION OF THIS LOI AGREEMENT'S TERM, WE WILL RETAIN $3,750.00 OF YOUR IAF AND REFUND TO YOU ONLY $3,750.00 OF YOUR IAF. OUR $3,750.00 IS EARNED AS A RESULT OF THE TIME, ENERGY AND EXPERTISE DEVOTED TO YOU AND WHICH WOULD OTHERWISE BE DEVOTED TO APPLICANTS SEEKING TO PURCHASE ONE OF OUR THE UPS STORE FRANCHISES.

You further acknowledge that by paying the IAF and signing this LOI, we have not and do not promise that you would be approved to purchase a new or existing franchise that is located **at any particular site or within any particular geographic area.** We will attempt to accommodate your site and area preferences. However, if we later grant final approval for you to purchase a new The UPS Store franchise, you understand and accept the risk that you may not be approved for a particular site (or within a particular area) that you desire – including any site or area that you may have discussed with us (or our representative) prior to or after your signing this LOI and paying your IAF.

(e) If you have told us that you only wish to purchase one of our existing franchised Centers (including possibly the purchase of an SDP Center from our Area Franchisee) and if you give us a copy of your fully executed agreement ("Buy-Sell Contract") that proposes all of the terms of your purchase of one of our existing franchised Centers, then we will notify you in writing which of the following applies:

(i) We reasonably withhold our consent to such proposed purchase, or we exercise our right of first refusal (under the seller's Franchise Agreement) to purchase the seller's franchise rights and other assets on the same terms and conditions that are contained in your Buy-Sell Contract. If either of these occurs, TUPSS will promptly refund to you your entire IAF.

(ii) You are preliminarily approved to begin TUPSS's Center "transfer" process, subject to your (and your proposed seller's) need to satisfy all of our conditions imposed by such process.

IF YOU DO NOT, FOR ANY REASON, SATISFY ALL OF OUR TRANSFER PROCESS REQUIREMENTS PRIOR TO THE CONCLUSION OF THIS LOI'S SIX (6) MONTH TERM, WE WILL THEN RETAIN $3,750.00 OF YOUR IAF AND REFUND TO YOU

ONLY $3,750.00 OF YOUR IAF. THIS $3,750.00 PARTIAL IAF REFUND IS EXPRESSLY SUBJECT TO SECTION 12 BELOW.

5. TUPSS's criteria for approval are defined solely by TUPSS. All types of preliminary approvals noted above are valid for six (6) months from the date that they are communicated to you in writing.

6. If we grant final approval to your application and you purchase a franchise, then your entire $7,500.00 IAF shall be credited to applicable fees and/or costs as designated by TUPSS.

7. If and when you sign a Franchise Agreement, you will be required to pay to us all remaining applicable fees, as explained in Items 5 and 6 of your FDD. This means that you (and/or your seller, if you are buying an SDP or non-SDP existing franchise) must pay to TUPSS the remainder (if any) of all applicable fees after crediting to you your IAF as described above in paragraph 6.

8. If you purchase an existing non-SDP franchised ("Transfer") Center, then the "Transfer Upgrade Agreement" (an exhibit to our Franchise Agreement) will require that only you (the buyer) pay and perform all image, equipment and computer "upgrade" amounts, which will be estimated by us in such agreement. Therefore, you should receive and consider TUPSS's estimated amount of such upgrades as set forth in such Transfer Upgrade Agreement **before** you negotiate and finalize your Buy-Sell contract's purchase price.

9. You promise to us that during the term of this LOI you will diligently work with our Area Franchisee, or with our other designated representative, as follows:

   (a) If you seek to purchase a new franchise directly from us for a newly constructed (non-SDP) Center, you must also:

      (i) Submit for our review a proposed Center location in the form required by us;
      (ii) Receive our written acceptance of such proposed new location; and
      (iii) Submit to us a fully executed Center lease, including a fully executed Addendum to Lease, which is Exhibit I to our Franchise Agreement.

   (b) If you seek to purchase the existing franchise rights from an Area Franchisee for an SDP Center that has not opened to the public for business (or been opened for 6 months or less), then you must comply with TUPSS's SDP process in FDD Item 5.

   (c) If you seek to purchase a Transfer Center, you must fully comply with our "transfer" process as is detailed in our transfer materials and work diligently and cooperatively with all of our representatives, including, but not limited to, our Transfer Department personnel.

   (d) If we approve your franchise application, we may possibly share with you certain of our proprietary and confidential training materials prior to your entering into a franchise agreement with us. If this occurs, you understand and hereby agree that if you do not, for whatever reason, enter into a franchise agreement with us, you will not: (i) use these training materials for any non-The UPS Store purpose, and (ii) disclose those proprietary and confidential training materials to anyone other than

your co-applicants (if any), your employees that would work at your franchised Center (if any), and your professional advisors (e.g., attorney, accountant).

10. Your rights under this LOI are personal to you and may not be sold, transferred, assigned, pledged or encumbered to any third party.

11. The term of this LOI commences on the date we counter-sign (below) and concludes **six (6) months** from that date ("LOI Conclusion Date"). Extensions of this LOI term beyond the LOI Conclusion Date must be in a writing that is signed by both you and us.

If by the LOI Conclusion Date we have not, for any reason, entered into a Franchise Agreement with you, then: (a) you and we will have no further obligation to each other, and (b) we will retain a $3,750.00 portion of your IAF in consideration of our time, effort and expertise expended, and (c) we will promptly refund to you a $3,750.00 portion of your IAF, expressly subject to Section 12 below.

12. If: (1) you or your Primary Operator attend some or all of one or more Franchisee training courses (see a description of such training in FDD Items 5 and 11); and (2) you do not complete the purchase of an existing (i.e., transfer) The UPS Store franchise, we will retain, as fully earned, the full (or, if applicable, pro-rated) portion of the fee(s) corresponding to such completed training ("Earned Training Fees"). If you did not separately pay for such (partially or fully) completed training, we will deduct the Earned Training Fees from the $3,750.00 refunded portion of your IAF.

13. We may terminate this LOI at any time prior to the LOI Conclusion Date by providing written notice to you: (a) if we learn that you have made any false, misleading, inaccurate or incomplete statements to us or to any of our representatives in the course of any communication or application submitted to us; or (b) if you fail to successfully complete our franchisee training program to our satisfaction; or (c) if you fail to comply with any of your obligations under this LOI; or (d) we ever refund your entire IAF in accordance with the terms and conditions of this LOI.

14. By your execution of this LOI, you promise to us that you: (a) had full opportunity to review this LOI and the FDD with your attorney prior to your signing this LOI; (b) are signing this LOI after having made such independent investigation of us and our operations as you desire; and (c) have not received nor relied upon any representations by us or by any of our authorized representatives that are contrary to the terms and conditions of this LOI or of the FDD.

15. This LOI constitutes the entire agreement between you and us as to our business relationship and supersedes in its entirety any and all prior or contemporaneous discussions, understandings, arrangements or agreements that may have occurred or existed between you and us (or any of our representatives). You and we may amend this LOI only in a writing that we both sign. Nothing in this Agreement or any related agreement is intended to disclaim the representations we have made in our franchise disclosure document.

Please acknowledge your agreement with these terms and conditions by signing and dating below. As was noted in paragraph 2 above, be sure that your signature date below is no earlier than fourteen calendar[1] days from the date you received your FDD. Then, return to your Area Franchisee (if one exists) or to our other designated representative your signed and dated copy of

this LOI, together with your $7,500.00 IAF check and your completed Franchise Application Package.

Your signed LOI, IAF check and completed Franchise Application Package will be forwarded to us. If everything is in order, we will promptly counter-sign this LOI and return to you a fully executed copy of this LOI for your records.

We thank you for your interest in our franchise opportunity.

Sincerely,

THE UPS STORE, INC.

LETTER OF INTENT FOR A THE UPS STORE FRANCHISE

Dear Prospective Franchisee:

Thank you for your interest in The UPS Store! This letter of intent ("LOI") is a binding agreement between you (as identified below) and The UPS Store, Inc. ("TUPSS" or "we," "us," "our"). The terms and conditions of this LOI are as follows:

1. You must sign this LOI and pay to us a $3,750.00 Initial Application Fee ("IAF") if, as someone who currently owns an interest in a The UPS Store franchise, you seek to: (a) develop a newly constructed Center and purchase a new franchise directly from us; or (b) purchase the existing franchise rights from our Area Franchisee under the Site Development Program ("SDP," as explained in FDD Item 5); or (c) purchase the existing franchise rights from a non-SDP existing Center that is opened to the public for business (i.e., a franchise transfer).

2. You are not permitted to sign this LOI or pay to us the IAF until after fourteen (14) calendar[1] days from the date on which you received our FDD. After you sign this LOI, you may deliver to us (or to our representative): (a) the $3,750.00 IAF check made payable to "The UPS Store, Inc.," and (b) your signed and dated copy of this LOI.

3. This LOI does **not** create nor promise to you a The UPS Store franchise. You would only acquire such franchise rights if and when we and you were to enter into a Franchise Agreement, either as a result of: (a) the sale of such franchise rights by us, or (b) the sale of such franchise rights by one of our existing franchisees in accordance with our SDP process or our Center "transfer" process. You intend, but are not obligated, to buy one of our franchises as a result of this LOI.

4. Upon our counter-signature of this LOI and acceptance of your IAF, we will process your completed Franchise Application Package. We will promptly thereafter notify you in writing as to which of the following applies:

   (a) Your application is rejected upon initial review. If this occurs, we will promptly refund to you your entire IAF.

   (b) We will likewise refund to you your entire IAF if, after we notify you that your application is **preliminarily** approved {see sub-section 4(c) below}, we inform you that your application did not receive **final** approval. However, if your failure to receive our final approval is based solely upon your inability to obtain a business loan from a perspective lender that you identified, then in order for you to receive a refund of your entire IAF under this provision, the following must have occurred. Namely, you must have: (i) notified us of your written loan denial(s); and (ii) applied

[1] If you are located in Michigan or Rhode Island, please consult with our Area Franchisee (if one exists) or our other local representative. In these states, you might possibly have to wait ten (10) business days instead of fourteen (14) calendar days; again please check with our local representative to confirm which waiting period applies for you.

to, and received written denials from, a maximum of three prospective lenders that are identified for you by us.

(c) You are preliminarily approved to purchase a new franchise directly from TUPSS, either unconditionally or subject to your satisfaction of one or more conditions, such as, for example: (i) sale of assets and/or obtaining a business loan in order to fund your franchise; or (ii) verification of continuing household income.

(d) You agree that if our preliminary approval letter sent to you does not make your final approval contingent upon your obtaining a business loan, then your inability to obtain a business loan will not serve as a basis for our refunding the entire IAF to you.

IF 4(b) OCCURS, YOU UNDERSTAND AND ACCEPT THE RISK THAT IF, FOR ANY REASON, YOU FAIL TO TIMELY SATISFY ANY OF OUR WRITTEN CONDITIONS FOR FINAL APPROVAL, REFUSE TO ACCEPT A FRANCHISE THAT WE MAY OFFER TO YOU, OR OTHERWISE FAIL TO ENTER INTO A FRANCHISE AGREEMENT WITH TUPSS PRIOR TO THE CONCLUSION OF THIS LOI AGREEMENT'S TERM, WE WILL RETAIN $2,500.00 OF YOUR IAF AND REFUND TO YOU ONLY $1,250.00 OF YOUR IAF. OUR $2,500.00 IS EARNED AS A RESULT OF THE TIME, ENERGY AND EXPERTISE DEVOTED TO YOU AND WHICH WOULD OTHERWISE BE DEVOTED TO APPLICANTS SEEKING TO PURCHASE ONE OF OUR THE UPS STORE FRANCHISES.

If 4(b) occurs, you further acknowledge that by paying the IAF and signing this LOI, we have not and do not promise that you would be approved to develop a newly constructed franchise that is located **at any particular site or within any particular geographic area.** We will attempt to accommodate your site and area preferences. However, if we later grant final approval for you to purchase a new The UPS Store franchise, you understand and accept the risk that you may not be approved for a particular site (or within a particular area) that you desire – including any site or area that you may have discussed with us (or our representative) prior to or after your signing this LOI and paying your IAF.

(e) If you have told us that you only wish to purchase one of our existing franchised Centers (including possibly the purchase of an SDP Center from our Area Franchisee) and if you give us a copy of your fully executed agreement ("Buy-Sell Contract") that proposes all of the terms of your purchase of one of our existing franchised Centers, then we will notify you in writing which of the following applies:

(i) We reasonably withhold our consent to such proposed purchase, or we exercise our right of first refusal (under the seller's Franchise Agreement) to purchase the seller's franchise rights and other assets on the same terms and conditions that are contained in your Buy-Sell Contract. If either of these occur, TUPSS will promptly refund to you your entire IAF; or

(ii) You are preliminarily approved to begin TUPSS's Center "transfer" process, subject to your (and your proposed seller's) need to satisfy all of our conditions imposed by such process.

IF YOU DO NOT, FOR ANY REASON, SATISFY ALL OF OUR TRANSFER PROCESS REQUIREMENTS PRIOR TO THE CONCLUSION OF THIS LOI'S TWELVE (12) MONTH TERM, WE WILL THEN RETAIN $2,500.00 OF YOUR IAF AND REFUND TO YOU ONLY $1,250.00 OF YOUR IAF.

5. Our criteria for approval are defined solely by us. All types of preliminary approvals described above are valid for only for the term of this LOI, which is six (6) months, unless extended in writing by us.

6. If we grant final approval to your application and you purchase a franchise, then your entire $3,750.00 IAF shall be credited to applicable fees and/or costs as designated by TUPSS.

7. If and when you sign our Franchise Agreement, you will be required to pay to us all remaining applicable fees, as explained in Items 5 and 6 of your FDD. This means that you (and/or your seller, if you are buying an SDP or non-SDP existing franchise) must pay to us the remainder (if any) of all applicable fees after we credit to you your IAF as described above in paragraph 6.

8. If you purchase an existing franchised ("Transfer") Center, then the "Transfer Upgrade Agreement" (an exhibit to our Franchise Agreement) will require that only you (the buyer) pay and perform all image, equipment and computer "upgrade" amounts, which will be estimated by us in such agreement. Therefore, you should receive and consider our estimated amount of such upgrades as set forth in such Transfer Upgrade Agreement **before** you negotiate and finalize your Buy-Sell contract's purchase price.

9. You promise to us that during the term of this LOI you will diligently work with our Area Franchisee, or with our other designated representative, as follows:

   (a) If you seek to purchase a new franchise directly from us for a newly constructed (non-SDP) Center, you must also:

      (i) Submit for our review one or more proposed Center locations in the form we require;
      (ii) Receive our written acceptance of your proposed new location; and
      (iii) Submit to us a fully executed Center lease, including a fully executed Addendum to Lease, which is Exhibit I to our Franchise Agreement.

   (b) If you seek to purchase the existing franchise rights from an Area Franchisee for an SDP Center that has not opened to the public for business (or been opened for 6 months or less), then you must comply with TUPSS's SDP process in FDD Item 5.

   (c) If you seek to purchase a Transfer Center, you must fully comply with our "transfer" process as is detailed in our transfer materials and work diligently and cooperatively with all of our representatives, including, but not limited to, our Transfer Department personnel.

   (d) If we approve your franchise application, we may possibly share with you certain of our proprietary and confidential training materials prior to your entering into a franchise agreement with us. If this occurs, you understand and hereby agree that if

you do not, for whatever reason, enter into a franchise agreement with us, you will not: (i) use these training materials for any non-The UPS Store purpose, and (ii) disclose those proprietary and confidential training materials to anyone other than your co-applicants (if any), your employees that would work at your franchised Center (if any), and your professional advisors (e.g., attorney, accountant).

10. Your rights under this LOI are personal to you and may not be sold, transferred, assigned, pledged or encumbered to any third party.

11. The term of this LOI commences on the date we counter-sign (below) and concludes **twelve (12) months** from that date ("LOI Conclusion Date"). Extensions of this LOI term beyond the LOI Conclusion Date must be in a writing that is signed by both you and us.

If by the LOI Conclusion Date we have not, for any reason, entered into a Franchise Agreement with you, then: (a) you and we will have no further obligation to each other, and (b) we will retain a $2,500.00 portion of your IAF in consideration of our time, effort and expertise expended, and (c) we will promptly refund to you a $1,250 portion of your IAF.

12. We may terminate this LOI at any time prior to the LOI Conclusion Date by providing written notice to you: (a) if we learn that you have made any false, misleading, inaccurate or incomplete statements to us or to any of our representatives in the course of any communication or application submitted to us; or (b) if you fail to successfully complete our franchisee training program to our satisfaction; or (c) if you fail to comply with any of your obligations under this LOI; or (d) we ever refund your entire IAF in accordance with the terms and conditions of this LOI.

13. By your execution of this LOI, you promise to us that you: (a) had full opportunity to review this LOI and the FDD with your attorney prior to your signing this LOI; (b) are signing this LOI after having made such independent investigation of us and our operations as you desire; and (c) have not received nor relied upon any representations by us or by any of our authorized representatives that are contrary to the terms and conditions of this LOI or of the FDD.

14. This LOI constitutes the entire agreement between you and us as to our business relationship and supersedes in its entirety any and all prior or contemporaneous discussions, understandings, arrangements or agreements that may have occurred or existed between you and us (or any of our representatives). You and we may amend this LOI only in a writing that we both sign. Nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in our franchise disclosure document.

Please acknowledge your agreement with these terms and conditions by signing and dating below. As was noted in paragraph 2 above, be sure that your signature date is no earlier than fourteen calendar[1] days from the date you received your FDD. Then, return to your Area Franchisee or to our designated representative your signed and dated copy of this LOI, together with your $3,750.00 IAF check and your completed Franchise Application Package.

Your signed LOI, IAF check and completed Franchise Application Package will be forwarded to us. If everything is in order, we will promptly counter-sign this LOI and return to you a fully executed copy of this LOI for your records.

We thank you for your interest in our franchise opportunity.

Sincerely,

STATE SPECIFIC ADDENDA / FORMS OF GENERAL RELEASE (IN RENEWAL AND TRANSFER CONTEXTS)

Some states have statutes (and possibly court decisions) which may supersede some of the terms and conditions set forth in our Franchise Agreement (and other applicable documents) which govern the franchise relationship between The UPS Store, Inc. (TUPSS) and you (the Franchisee). You should consult with your attorney to learn the extent to which any such laws may apply to you.

You should understand that Sections 21.l(a) and 21.l(b) of the Franchise Agreement provide (in summary – see these Sections for actual governing language) as follows:

> It is possible that one or more of certain types of provisions in the Franchise Agreement (and other applicable documents) that you signed with TUPSS may be declared by an arbitrator, mediator or court to be invalid or unenforceable because they are inconsistent with a state law that was specifically intended to protect the rights of franchisees in that state.
>
> In these situations, you and TUPSS are agreeing (at the time we sign our Franchise Agreement) that if such provision(s) could be rendered valid and enforceable if modified, then it is our mutual desire that such provision(s) will then be modified to the extent required to make such provision(s) valid and enforceable to the fullest extent under applicable state law and public policy.

Some (but not all) of the areas in which states have enacted laws to protect the rights of franchisees include: (i) termination of franchise agreements; (ii) non-renewal of franchise agreements; (iii) designation of jurisdiction and venue for dispute resolution proceedings; (iv) waivers of rights to a jury trial; (v) "choice of law" provisions that specify which state's law would apply in a dispute resolution proceeding; and (vi) certain types of mandatory franchisee "releases".

CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. Neither the franchisor nor any person in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such person from membership in such association or exchange.

3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

   (a) California Law Regarding Termination and Nonrenewal. California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning termination or nonrenewal of a franchise. If the Franchise Agreement contains any provision that is inconsistent with the law, the law will control.

   (b) Post Termination Noncompetition Covenants. The Non-Competition and Non-Solicitation Agreement contains a covenant not to compete which extends beyond the termination/expiration of the franchise. This provision might not be fully enforceable under California law, but we will enforce it to the extent enforceable.

   (c) Liquidated Damages Provision. The Franchise Agreement contains a liquidated damage clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

(d) The Franchise Agreement provides for termination upon insolvency, bankruptcy, or re-organization. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.), but will enforce it to the extent enforceable.

(e) Section 31125 of the Franchise Investment Law requires us to give you a disclosure document approved by the Commissioner of Corporations before we ask to you consider a material modification of your franchise agreement.

(f) You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

MICHIGAN

DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN:

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchise to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating a franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation.

This subsection applies only if: (i) the term of the franchise is less than 5 years and, (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right or first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding the notice above should be directed to the State of Michigan, Michigan Department of Attorney General, Consumer Protection Division, Attention: Franchise, 670 Law Building, Lansing, MI 48913, (517) 373-7117.

MINNESOTA

Minn. Stat. Section 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the TUPSS disclosure document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws or the jurisdiction.

Minn. Rule Part 2860.440J prohibits a franchisee from waiving his rights to a jury trial or consenting to liquidated damages, termination penalties or judgment notes. To the extent that any such provisions exist under the TUPSS disclosure document or Franchise Agreement, they are hereby rendered void with respect to all franchisees governed under the laws of Minnesota. If TUPSS ever seeks injunctive relief against Franchisee, a court will determine (a) whether or not a bond is required and, if a bond is required, (b) the amount of the bond.

This state has a statute which may supersede the Franchise Agreement in your relation with us including the areas of termination and renewal of your franchise: [Stat. Section 80C.14]. Specifically, Minnesota law provides franchisees with certain termination and non-renewal rights. Minnesota Statute Section 80C.14, Subdivisions 3, 4, and 5 requires, except in certain specified cases, that a franchisee be given 90 days notice of a termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement.

Minn. Rule Part 2860.4400D prohibits a franchisee to assent to a general release. To the extent that any such general release is purported to be required by TUPSS's Franchise Agreement or disclosure document, it is hereby rendered void with respect to all franchisees governed under the laws of Minnesota.

To the extent that any Limitations of Claims sections exist under TUPSS's disclosure document or Franchise Agreement, such sections are hereby revised to comply with Minn. Stat. Section 80C.17, Subdivision 5.

Minnesota Amendment to Franchise Agreement

This Minnesota Amendment to Franchise Agreement ("Amendment") is entered into between The UPS Store, Inc. ("TUPSS") and the undersigned franchisee ("Franchisee") and becomes effective on the date that it is counter-signed by TUPSS. The parties agree that this Amendment hereby amends the parties' Franchise Agreement, as set forth below:

1. Minn. Stat. Section 80C.21 and Minn. Rule 2860.4400J prohibit TUPSS from requiring litigation to be conducted outside Minnesota. In addition, nothing in TUPSS's Franchise Agreement can abrogate or reduce any of Franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or Franchisee's rights to any procedure, forum or remedies provided for by the laws or the jurisdiction.

2. Minn. Rule Part 2860.440J prohibits a franchisee from waiving his rights to a jury trial or consenting to liquidated damages, termination penalties or judgment notes. To the extent that any such provisions exist under TUPSS's Franchise Agreement, they are hereby rendered void with respect to all franchisees governed under the laws of Minnesota. If TUPSS ever seeks injunctive relief against Franchisee, a court will determine (a) whether or not a bond is required and, if a bond is required, (b) the amount of the bond.

3. The State of Minnesota has a statute which may supersede the Franchise Agreement in your relation with TUPSS, including the areas of termination and renewal of Franchisee's franchise: [Stat. Section 80C.14]. Specifically, Minnesota law provides franchisees with certain termination and non-renewal rights. Minnesota Statute Section 80C.14, Subdivisions 3, 4, and 5 require, except in certain specified cases, that a franchisee be given 90 days' notice of a termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement.

4. Minn. Rule Part 2860.4400D prohibits a franchisee to assent to a general release. To the extent that any such general release is purported to be required by TUPSS's Franchise Agreement, it is hereby rendered void with respect to all franchisees governed under the laws of Minnesota.

5. To the extent that any Limitations of Claims sections exist under TUPSS's Franchise Agreement, such sections are hereby revised to comply with Minn. Stat. Section 80C.17, Subdivision 5.

RENEWAL RELEASE AGREEMENT

This Renewal Release Agreement ("**Release**") is entered into between The UPS Store, Inc. ("**TUPSS**") and _____ ("**Renewing Franchisee**") and becomes effective on the date counter-signed below by TUPSS.

Background

A. On _____, the parties (or their predecessors) entered into a franchise agreement ("**Initial Franchise Agreement**") for Center # _____ (the "**Center**").

B. The Franchise Agreement permits Renewing Franchisee to renew the Center's franchise rights only if TUPSS first confirms that Renewing Franchisee has satisfied all of the conditions to renewal that are specified in the Initial Franchise Agreement.

C. Included among the above-referenced renewal conditions is the requirement that Renewing Franchisee execute a general release, in a form prescribed by TUPSS, in favor of TUPSS and all related parties defined below as "**Released Parties**" from any claims arising during the term of the Center's Initial Franchise Agreement.

D. Franchisee has sought, and TUPSS has approved, the renewal of the Center's franchise rights for an additional ten (10) year term, pursuant to a renewal franchise agreement ("**Renewal Franchise Agreement**"), subject to the execution of this Release.

NOW, THEREFORE, as part of the Center's franchise renewal process and in exchange for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, TUPSS and Renewing Franchisee hereby agree as follows:

RELEASE: Renewing Franchisee, on behalf of: (i) itself; and (ii) if it is a legal entity (corporation, LLC, etc.) all of its shareholders, equity owners, and guarantors (collectively "**Releasing Parties**"), hereby expressly, voluntarily and forever releases, waives and discharges TUPSS, UPS, as well as all past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and its, and each of their, past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS's area franchisees and franchisees (collectively "**Released Parties**"), of and from any and all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected involving any Released Parties.

Renewing Franchisee agrees that this General Release is intended to be a full and final compromise, release and settlement of all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected, relating to any contract rights described above and shall be effective as a bar and as a knowing and voluntary waiver of any and all of Renewing Franchisees rights and benefits conferred upon them by any and all federal, state and local statutes, regulations, ordinances or laws of equity including but not limited to Section 1542 of the California Civil Code, which reads as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor".

Renewing Franchisee acknowledges that different or additional facts may be discovered in addition to what (he/she) now knows or believes to be true with respect to the matters herein released, and that (he/she) agrees that this General Release shall be and remain in effect in all respects as complete and final releases of the matters released, notwithstanding any different or additional facts.

Renewing Franchisee represents that (he/she) is the sole possessor of any claims or causes of action being released, and that (he/she) has not assigned or otherwise transferred said claims or causes of actions.

Renewing Franchisee agrees that (he/she) will not, at any time hereafter, commence, maintain or prosecute any action, at law or otherwise, or assert any claim against the Released Parties herein released and/or execute or enforce any judgment against the parties herein released, for damages, losses or for equitable relief relating to the matters herein released.

Renewing Franchisee agrees that this Release shall bind and be binding upon (his/her) heirs, personal representatives, spouse, executors, administrators, and assigns, and shall inure to the benefit of their agents, employees, servants and successors.

This Release constitutes the entire agreement of the parties regarding the subject matter hereof and may be modified only in writing and agreed to and signed by all parties. This Release shall be construed and interpreted under the laws of the State of California (but nothing in this Release is intended to make applicable to this Release any statute, law, regulation, decision, rule or order that would not by its own terms be applicable). This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

This Release is executed by the individuals below, each of whom represents by signing that he or she is duly authorized to enter into and sign this Agreement on behalf of the party so indicated, including (for Renewing Franchisee) all co-owners. This Release shall be binding on: (a) Renewing Franchisee and (b) if Franchisee is a legal entity, all of the individual owners and co-owners of that legal entity.

CONSENT TO TRANSFER AGREEMENT

_____, ("**Buyer**") has entered an agreement to purchase from _____ ("**Seller**") the franchise rights and other assets pertaining to Center # _____ (hereinafter referred to as the "**Center**"). Buyer and Seller understand that Seller's Franchise Agreement for the Center requires the consent of Seller's franchisor, The UPS Store, Inc. ("**TUPSS**"), as a prerequisite to any transfer of Seller's franchise rights to Buyer.

TUPSS's date of signature (below) is the effective date of this Consent to Transfer Agreement.

Buyer and Seller agree that the Center shall be transferred by Seller to Buyer on the "**Transfer Date**". The Transfer Date shall be the date when TUPSS counter-signs (and makes effective) Buyer's Franchise Agreement for the Center. TUPSS will not counter-sign Buyer's Franchise Agreement until after it confirms that all of its requirements for consent to transfer have been satisfied including, without limitation: (a) TUPSS's receipt of all monies owed to it as confirmed on TUPSS's Final Demand (such monies typically sent to TUPSS from the Center's escrowed sales proceeds and received by TUPSS no later than one business day after the Center's escrow closing); and (b) any other actions required under TUPSS's transfer process that need to be completed by the Buyer and/or Seller.

TUPSS acknowledges that effective upon the Transfer Date: (a) Seller is relieved of all of his/her/its in-term duties to be performed after the Transfer Date under Seller's Franchise Agreement and under other agreements that were entered into with TUPSS as exhibits to Seller's Franchise Agreement, and (b) if Seller is a corporation, LLC or partnership, then all persons owning an equity ownership interest in Seller and in the Center's franchise rights ("**Owners**") are relieved of all of their in-term duties under their Continuing Personal Guaranty with respect to obligations to be performed after the Transfer Date; **EXCEPT THAT** Seller and (if applicable) Owners hereby acknowledge that the transfer of the Center from Seller to Buyer does not terminate their post-term obligations under: (a) Seller's Franchise Agreement, (b) (if applicable) under Seller's Non-Competition and Non-Solicitation Agreement, and (c) under Owners' Continuing Personal Guarantee. Such continuing post-term legal obligations include Seller's and Owners' duty to not disclose TUPSS's confidential information and trade secrets as well as their duty to comply with their post-term non-competition and non-solicitation covenants to the maximum extent permitted under applicable law. Nothing in this Consent to Transfer Agreement is intended to relieve Seller, Owners or TUPSS of any obligations to be performed prior to the Transfer Date under the Seller's Franchise Agreement or under other agreements that were entered into as exhibits to Seller's Franchise Agreement.

TUPSS and Buyer acknowledge that the term of the Buyer's Franchise Agreement will conclude ten years from the effective date of the Buyer's new Franchise Agreement and this requires TUPSS's receipt prior to the Transfer Date of a Pro-Rated Renewal Fee needed to bring the Buyer's Franchise Agreement up to a full ten-year term.

Buyer acknowledges that he/she/it is purchasing the franchise rights and other Center assets directly from an existing TUPSS franchisee who is selling them for his/her/its own

account, and that this transaction has not been effected by or through any efforts or actions by TUPSS.

In entering into the Purchase and Sale Agreement for the Center, the Buyer and Seller each acknowledge that they have not relied on any representations from TUPSS (including any of its related entities or authorized representatives), United Parcel Service, Inc. ("**UPS**") (including any of its related entities or authorized representatives) or from any TUPSS Area Franchisee and that they have had the opportunity to consult with their own financial, accounting, and legal advisors, and each party has independently satisfied itself that all of the terms and conditions of the sale and purchase, including, without limitation, the purchase price, are satisfactory and acceptable to them.

Effective upon the Transfer Date, Seller (and all partners, officers, directors, owners and principals of Seller, if an entity) agrees to indemnify and hold harmless TUPSS and UPS, their past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and each of their (including TUPSS's and UPS's) past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS's area franchisees and franchisees, from any debts, liabilities, obligations, claims, demands, actions, causes of action, losses, damages, costs or expenses of any nature, arising from or in any way connected with Seller's acts or omissions in connection with its pre-transfer ownership of the Center.

Effective upon the Transfer Date, Buyer and Seller (and all partners, officers, directors, owners and principals of Buyer and Seller, if entities) shall indemnify and hold harmless TUPSS and UPS, their past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and each of their (including TUPSS's and UPS's) past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS's area franchisees and franchisees, from any debts, claims, demands, actions, causes of action, liabilities, damages, losses, costs, expenses or obligations of any nature, arising from or in any way connected with the parties' Purchase and Sale Agreement or with the transfer of the Center.

Seller agrees to do no act and agrees to make no statement which causes, or which could reasonably be anticipated to cause, harm to the goodwill associated with the Center, TUPSS, UPS or with the TUPSS network of franchises as a whole. Seller also agrees to do no act and agrees to make no statement which interferes with, or which could reasonably be anticipated to interfere with, Buyer's or TUPSS's relationships with its franchisees, prospective franchisees, or other business relationships.

This Consent to Transfer Agreement and any agreements attached hereto constitutes the entire agreement of the parties regarding the subject matter hereof and may be modified only in writing and agreed to and signed by all parties. The right and duties granted to Buyer and Seller by this Consent to Transfer Agreement are personal to such parties and may not be assigned to any third party without the prior written consent from TUPSS. This agreement shall be construed and interpreted under the laws of the State of California (but nothing in this Consent to Transfer Agreement is intended to make applicable to this Agreement any statute, law, regulation, decision, rule or order that would not by its own terms be applicable). This

agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

In consideration of TUPSS consenting to the transfer of the Center, Buyer and Seller hereby forever releases, waives and discharges TUPSS, UPS, as well as all past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and its, and each of their, past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS's area franchisees and franchisees (collectively "**Released Parties**"), of and from any and all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected involving any Released Parties.

Buyer and Seller agree that this General Release is intended to be a full and final compromise, release and settlement of all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected, relating to any contract rights described above, and Buyer and Seller expressly waives the provisions of Section 1542 of the California Civil Code, which reads as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

Buyer and Seller acknowledge that different or additional facts may be discovered in addition to what (he/she) now knows or believes to be true with respect to the matters herein released, and that (he/she) agrees that this General Release shall be and remain in effect in all respects as complete and final releases of the matters released, notwithstanding any different or additional facts.

Buyer and Seller represent that (he/she) is the sole possessor of any claims or causes of action being released, and that (he/she) has not assigned or otherwise transferred said claims or causes of actions.

Buyer and Seller agree that (he/she) will not, at any time hereafter, commence, maintain or prosecute any action, at law or otherwise, or assert any claim against the parties herein released and/or execute or enforce any judgment against the parties herein released, for damages, losses or for equitable relief relating to the matters herein released.

Buyer and Seller agree that this general release shall bind and be binding upon (his/her) heirs, personal representatives, spouse, executors, administrators, and assigns, and shall inure to the benefit of their agents, employees, servants and successors.

This Consent to Transfer Agreement is signed by the individuals below, each of whom represents by signing that he or she is duly authorized to enter into and sign this Agreement on behalf of the party so indicated. This agreement shall be binding on all parties to this Consent to Transfer Agreement and, if Buyer and Seller are entities, on the respective individual owners and partners of Buyer and Seller as well.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
The UPS Store, Inc.
Atlanta, Georgia

We have audited the accompanying financial statements of The UPS Store, Inc. (an indirectly wholly owned subsidiary of United Parcel Service, Inc.) (the "Company"), which comprise the balance sheets as of December 31, 2014 and 2013, and the related statements of income and retained earnings and cash flows for each of the three years in the period ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The UPS Store, Inc. as of December 31, 2014 and 2013, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

Related Party Transactions

As discussed in Note 11 to the financial statements, the accompanying financial statements have been prepared from the separate records maintained by The UPS Store, Inc., and may not necessarily be indicative of the conditions that would have existed or the results of operations if the Company had been operated as an unaffiliated company. Portions of certain expenses represent allocations made from home-office items applicable to the Company as a whole. Our opinion is not modified with respect to this matter.

1. ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES

Organization—The UPS Store, Inc. (TUPSS or the "Company") is an indirectly wholly owned subsidiary of United Parcel Service, Inc. (UPS or "Parent"). The Company grants territorial franchise rights for the operation or sale of service centers specializing in postal, packaging, business, and communication services. The Company operates and franchises in all 50 states in the United States, the District of Columbia and Puerto Rico, and internationally through master licensees in Canada and India.

Since April 1, 2003, all new franchise sales, purchases of existing franchises, and renewals of existing franchises located in the 50 states have been offered under "The UPS Store" service mark. All then-existing eligible franchises in the 50 states had the option to amend their current agreement to become "The UPS Store" or continue under their original agreement until the renewal of their franchise agreement or sale of their center. During the years ended December 31, 2014, 2013, and 2012, the Company did not sell any new "Mail Boxes Etc." franchises domestically.

Basis of Financial Statements—The accompanying financial statements include the accounts of The UPS Store, Inc. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition—The Company enters into individual and area franchise agreements in the United States and master license agreements in Canada and India. Individual franchise agreements grant the exclusive right to open and operate a franchise center. Area franchise agreements grant the exclusive right to sell individual franchise centers in a designated area. Master license agreements grant the exclusive right to sell individual and area franchise rights within the areas specified under the respective agreements and contain a development provision, which obligates the franchisee to open a predetermined number of retail locations within a specified period of time.

Franchise fee revenues related to individual and area franchise agreements are recognized upon the Company's completion of all significant obligations and satisfaction of all material conditions of the franchise agreement or area franchise agreement. Franchise fee revenue related to the renewal of individual and area franchise agreements is recognized upon the latest of full payment of fees or renewal date. Franchise fee revenue related to the transfer of individual and area franchise rights is recognized when payment is received and the Company has performed substantially all of the initial services as required by the franchise agreement. Revenue related to master license sales is deferred and recognized ratably based on the terms and commitments of the master license agreement. During the years ended December 31, 2014, 2013, and 2012, the Company did not sell any new master licenses.

The Company has recognized revenue and cost related to freight charges billed to the franchisees for the shipping of supplies and equipment on a gross basis in the statements of income and retained earnings. Freight revenue amounted to $1,012, $955, and $750 during the years ended December 31, 2014, 2013, and 2012, respectively, and is included in "interest income and other" in the accompanying statements of income and retained earnings. The corresponding cost was $1,076, $1,025, and $837 for the years ended December 31, 2014, 2013, and 2012, respectively, and is included in "franchise operations" in the accompanying statements of income and retained earnings.

On a monthly basis, all individual franchisees are required to pay royalty and marketing fees to the Company of 6% of the franchisee's sales. Such fees are recognized as revenue based upon reported or estimated sales activity of the franchisees. Revenues from sales of supplies and equipment, net of any sales incentives offered, are recognized when orders are shipped and title passes.

The franchisees' National Media Fund and National Advertising Fund administer national advertising programs. Advertising fees of generally 2.5% of the franchisees' sales are collected by the Company for the National Media Fund or National Advertising Fund. Such advertising fees and cash amounts are not included in the accompanying financial statements. As of December 31, 2014 and 2013, the Company was holding cash in trust of $12 and $10, respectively, on behalf of the National Media Fund and National Advertising Fund.

Accounts Receivable—Losses on accounts receivable are recognized when they are incurred, which requires the Company to make its best estimate of the probable losses inherent in the Company's customer receivables at each balance sheet date. These estimates require consideration of historical loss experience, adjusted for current conditions, trends in customer payment frequency, and judgments about the probable effects of relevant observable data, including present economic conditions and the financial health of specific customers and market sectors. The Company's risk management process includes standards and policies for reviewing major account exposures and concentrations of risk.

Receivables from franchisees include trade receivables, lease receivables, and notes receivable. Credit is extended based on an evaluation of the franchisee's financial condition. Lease receivables are collateralized by the equipment and fixtures being leased. Notes receivable are secured by the assets of the borrowers' franchise service centers, and guaranteed by each borrower personally. Trade receivables are not collateralized. Estimated credit losses are provided for in the accompanying financial statements. Interest income on notes receivable is recorded on an accrual basis as earned.

Inventories—Inventories consist of supplies and equipment held for resale or lease to franchisees. Inventories are stated at the lower of cost or market with cost determined on an average cost basis, which approximates the first-in, first-out method. As of December 31, 2014 and 2013, inventories totaled $518 and $1,155, respectively, and are included in other current assets in the accompanying balance sheets.

Property, Plant, and Equipment—Property, plant, and equipment are stated at cost, less accumulated depreciation and amortization. Depreciation and amortization are provided on a straight-line basis over the estimated useful lives of the assets, which are as follows: building and improvements—10 to 31.5 years; leasehold improvements—3 to 10 years; office furniture—5 years; and technology equipment—3 to 5 years. Depreciation and amortization expense of property, plant, and equipment totaled $876, $1,061, and $1,436 for the years ended December 31, 2014, 2013, and 2012, respectively.

At December 31, 2014, the gross amount of equipment recorded under capital leases was $59 and related accumulated depreciation was $57.

Intangible Assets—Intangible assets consist of franchise rights, capitalized software, and reacquired area rights as of December 31, 2014 and 2013. Franchise rights are amortized on a straight-line basis over an estimated useful life of 18 years. Amortization expense for franchise rights totaled $4,324 for the year ended December 31, 2014, $4,324 for the year ended December 31, 2013, and $4,324 for the year ended December 31, 2012. Capitalized software is amortized over either three or five years. Amortization expense for capitalized software totaled $1,585, $2,643, and $2,298 for the years ended December 31, 2014, 2013, and 2012, respectively. Reacquired area rights are amortized on a straight-line basis over an estimated useful life of 20 years. Amortization expense for reacquired area rights totaled $1,923, $1,923, and $1,676 for the years ended December 31, 2014, 2013, and 2012, respectively.

Impairment of Long-Lived Assets—The Company reviews long-lived assets (inclusive of property, plant and equipment and intangible assets) with finite lives for impairment when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable based on the undiscounted future net cash flows of the asset. If the carrying amount of the asset is determined not to be recoverable, a write-down to fair value is recorded. Impairment losses during the years ended December 31, 2014, 2013, and 2012 were $1,299, $0, and $0, respectively.

Goodwill—Goodwill represents the excess of the purchase price over the fair value of the net assets acquired and is not amortized. The Company reviews goodwill for impairment at least annually and whenever events or changes in circumstances indicate that the asset might be impaired.

In assessing the Company's goodwill for impairment, management initially evaluates qualitative factors to determine if it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative assessment is not conclusive and it is necessary to calculate the fair value of a reporting unit, then the Company utilizes a two-step process to test goodwill for impairment. Step one consists of estimating and comparing the fair value of the reporting unit to its carrying value. The Company determines the fair value of the reporting unit by using a discounted cash flow model. If the carrying amount of a reporting unit exceeds the reporting unit's fair value, the Company performs the second step of the goodwill impairment test to determine the amount of impairment loss. The second step requires the fair value of the reporting unit to be allocated to all identifiable assets and liabilities of the reporting unit as if the reporting unit had been acquired in a business combination at the date of the impairment test. The excess of the estimated fair value of the reporting unit over the fair value of assets and liabilities represents the implied fair value of goodwill. The impairment expense represents the carrying amount of goodwill over the implied fair value of goodwill. If the fair value of the reporting unit is determined to be more than its carrying value, no goodwill impairment is recognized. Management concluded that there was no impairment of goodwill during the years ended December 31, 2014, 2013, and 2012.

Fair Value Measurements—The carrying amount of the Company's financial instruments, including accounts receivable, accounts payable, and accrued liabilities, approximates fair value due to the relatively short-term nature of these instruments. The carrying amount of the Company's notes receivable approximates fair value based on estimated discounted future cash flows using discount rates that reflect the risk associated with similar types of loans. The carrying amount of notes payable and capital lease obligations approximates fair value based on interest rates currently available to the Company for borrowings with similar terms and maturities. Based on discount rates currently offered by the Company for leases with similar terms and maturities, the fair value of leases receivable is estimated to be approximately $1,130 and $1,728 as of December 31, 2014 and 2013, respectively.

Certain nonfinancial assets are measured at fair value on a nonrecurring basis, including property, plant, and equipment; goodwill; and intangible assets. These assets are not measured at fair value on a

recurring basis; however, they are subject to fair value adjustments in certain circumstances, such as when there is evidence of impairment. No such measurements were required for the years ended December 31, 2014, 2013, and 2012.

Income Taxes—Income taxes are accounted for using an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. In estimating future tax consequences, the Company generally considers all expected future events other than proposed changes in the tax law or rates. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are provided if it is more likely than not that a deferred tax asset will not be realized by the Company or UPS.

The Company recognizes liabilities for uncertain tax positions based on a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates that it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any. Once it is determined that the position meets the recognition threshold, the second step requires management to estimate and measure the tax benefit as the largest amount that is more likely than not to be realized upon ultimate settlement. To estimate such amounts, management must determine the probability of various possible outcomes. The Company reevaluates these uncertain tax positions on a quarterly basis. This evaluation is based on factors including, but not limited to, changes in facts or circumstances, changes in tax law, effectively settled issues under audit, and new audit activity. Such a change in recognition or measurement could result in the recognition of a tax benefit or an additional charge to the tax provision.

The Company is included in a consolidated U.S. federal income tax return and several combined U.S. state tax returns filed by UPS. Separate U.S. state returns are also filed for the Company in certain states. In accordance with UPS's intercorporate tax allocation policy, UPS charges or credits the Company amounts that are intended to approximate what the Company would incur if it filed all returns on a separate basis. The Company does not directly pay any income taxes to the U.S. taxing authorities. The Company's practice is to recognize interest income and expense and penalties associated with income tax matters as a component of income tax expense.

Accounting Standards Issued but Not Yet Effective—In May 2014, the FASB issued an accounting standards update (ASU) that changes the revenue recognition for companies that enter into contracts with customers to transfer goods or services. This amended guidance requires revenue to be recognized in an amount that reflects the consideration to which the company expects to be entitled for those goods and services when the performance obligation has been satisfied. This amended guidance also requires enhanced disclosures regarding the nature, amount, timing and uncertainty of revenue and related cash flows arising from contracts with customers. This amended guidance is effective for the year beginning January 1, 2019 and early adoption is permitted in the year beginning January 1, 2017. We are evaluating the impact of this ASU on the Company's financial statements.

Other accounting pronouncements issued, but not effective until after December 31, 2014, are not expected to have a significant effect on the Company's financial statements.

10. EMPLOYEE BENEFIT PLANS

The Company sponsors various retirement and pension plans, including defined benefit and defined contribution plans, which cover all of the Company's employees.

Pensions Benefits—UPS sponsors a defined benefit retirement plan for substantially all employees of the Company who meet minimum age and service conditions. The UPS Retirement Plan is noncontributory and generally provides for retirement benefits based on average compensation levels earned by employees prior to retirement. UPS allocates pension expense to the Company for participating employees. The allocation is made on a pro rata basis and, as such, is impacted by the various assumptions (discount rate, return on plan assets, etc.) that UPS utilizes in determining its pension obligation. Pension expense allocated for the Company's employees participating in the UPS Retirement Plan totaled $87, $262, and $173 for the years ended December 31, 2014, 2013, and 2012, respectively.

U.S. Postretirement Medical Benefits—The Company also participates in UPS-sponsored postretirement medical plans in the United States that provide health care benefits to the Company's retirees who meet certain eligibility requirements. Generally, this includes employees with at least 10 years of service who have reached age 55 and employees who are eligible for postretirement medical benefits from a UPS-sponsored plan. UPS has the right to modify or terminate certain of these plans. These benefits have been provided to certain retirees on a noncontributory basis; however, in many cases, retirees are required to contribute all or a portion of the total cost of the coverage. Other postretirement benefits expense of the Company totaled $224, $189, and $244 in 2014, 2013, and 2012, respectively.

No separate computation of the net assets, accumulated postretirement benefit obligation, or funded status for the benefit plans described above has been determined for the Company.

Defined Contribution Plans—The Company also sponsors several defined contribution plans for employees. The Company matches, in shares of UPS common stock or cash, a portion of the participating employees' contributions. Matching contributions charged to expense were $534, $503, and $467 for 2014, 2013, and 2012, respectively.

Stock Compensation—UPS also sponsors, and the Company participates in, the UPS Incentive Compensation Plan, which permits the grant of nonqualified stock options, incentive stock options, stock appreciation rights, restricted stock, performance shares, performance units, and management incentive awards to eligible employees. Persons earning the right to receive awards under this plan are determined annually by the Compensation Committee of the UPS Board of Directors. Compensation expense related to the UPS Incentive Compensation Plan totaled $3,892, $3,685, and $4,171 in 2014, 2013, and 2012, respectively. Stock-based compensation expense included in these amounts for stock options is immaterial.

11. RELATED-PARTY TRANSACTIONS AND DUE FROM PARENT

Related-Party Transactions—The accompanying financial statements have been prepared from the separate records maintained by the Company and are not necessarily indicative of the conditions that would have existed or the results of operations if the Company had been operated as an unaffiliated company. Portions of certain expenses represent allocations made from the Parent and its affiliates. Additionally, the Company utilizes UPS and an affiliate for its shipping services and franchisee call center services, respectively.

The Parent provided administrative services and allocated certain estimated overhead costs to the Company for which the Company is charged a fee. These administrative fees totaled $6,797, $6,327, and $7,540 in 2014, 2013, and 2012, respectively, and are included in "franchise operations" in the accompanying statements of income and retained earnings. The Parent reviews annually the methodology to allocate estimated overhead to subsidiaries. Management believes the allocation method is representative of the proportion of costs incurred by the Company.

In addition, the Company incurs royalty fees to the Parent equal to 2% of royalty revenue recognized by TUPSS. These fees are presented separately as "royalty to Parent" in the accompanying statements of income and retained earnings. Other accrued expenses included royalties payable to a UPS affiliate of $528 and $498 as of December 31, 2014 and 2013, respectively.

The Company recognized interest income from the Parent of $42, $2, and $195 in 2014, 2013, and 2012, respectively.

Due from Parent—Included in the due from Parent account are the effects of related-party transactions as well as the distribution of excess cash from the Company to UPS on a daily basis. Because UPS has determined that it will continue to distribute excess funds from the Company to UPS, the Company has classified the due from Parent account as an offset against shareholders' equity. Accordingly, the corresponding net change in the due from Parent account has been included in the accompanying statements of cash flows as a financing activity.

In 2012, the Company declared a dividend of $159,034 and returned capital of $72,064, which were settled through the due from Parent account, reducing the due from Parent account by $231,098.

In 2014, the Company declared a dividend of $35,000, which reduced the Company's receivable from its Parent.

12. LITIGATION

The Company and UPS are defendants in various lawsuits brought by franchisees who operate Mail Boxes Etc. centers and The UPS Store locations. These lawsuits relate to the rebranding of the Mail Boxes Etc. centers to The UPS Store, The UPS Store business model, the representations made in connection with the rebranding and the sale of The UPS Store franchises, and UPS's sale of services in the franchisee's territories.

The Company has denied any liability with respect to these claims and intends to defend itself vigorously. Morgate LLC., et. al. (described in Item 3 of the Franchise Disclosure Document) includes claims brought by both individual plaintiffs and plaintiffs who elected to pursue their claims as a class. On March 5 and 6, 2013, the parties participated in a settlement conference and reached a settlement with the individual plaintiffs, who collectively owned 143 franchised centers, for $4,200 which was recorded as of December 31, 2012, as an accrued liability and paid on November 8, 2013.

The claims of the class in Morgate LLC., et. al. are not part of the settlement, and those claims remain pending. At this time, the Company cannot determine the amount of liability or a range of liability that may result from the claims of the Morgate class and other pending litigation or whether such liability, if any, would have a material adverse effect on its financial condition, results of operations, or liquidity. Accordingly, no amounts have been accrued for this contingency.

13. SUBSEQUENT EVENTS

The Company evaluated subsequent events through April 28, 2015, which represents the date the financial statements were issued.

NOTE 1. SUMMARY OF ACCOUNTING POLICIES

Basis of Financial Statements and Business Activities

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), and include the accounts of United Parcel Service, Inc., and all of its consolidated subsidiaries (collectively "UPS" or the "Company"). All intercompany balances and transactions have been eliminated.

UPS concentrates its operations in the field of transportation services, primarily domestic and international letter and package delivery. Through our Supply Chain & Freight subsidiaries, we are also a global provider of specialized transportation, logistics, and financial services.

Use of Estimates

The preparation of our consolidated financial statements requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, the reported amounts of revenues and expenses and the disclosure of contingencies. Estimates have been prepared on the basis of the most current and best information, and actual results could differ materially from those estimates.

Revenue Recognition

U.S. Domestic and International Package Operations—Revenue is recognized upon delivery of a letter or package.

Forwarding and Logistics—Freight forwarding revenue and the expense related to the transportation of freight are recognized at the time the services are completed. Material management and distribution revenue is recognized upon performance of the service provided. Customs brokerage revenue is recognized upon completing documents necessary for customs entry purposes.

Freight—Revenue is recognized upon delivery of a less-than-truckload ("LTL") or truckload ("TL") shipment.

We utilize independent contractors and third-party carriers in the performance of some transportation services. In situations where we act as principal party to the transaction, we recognize revenue on a gross basis; in circumstances where we act as an agent, we recognize revenue net of the cost of the purchased transportation.

Financial Services—Income on loans and direct finance leases is recognized on the effective interest method. Accrual of interest income is suspended at the earlier of the time at which collection of an account becomes doubtful or the account becomes 90 days delinquent. Income on operating leases is recognized on the straight-line method over the terms of the underlying leases.

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments that are readily convertible into cash. We consider securities with maturities of three months or less, when purchased, to be cash equivalents. The carrying amount of these securities approximates fair value because of the short-term maturity of these instruments.

Investments

Marketable securities are either classified as trading or available-for-sale securities and are carried at fair value. Unrealized gains and losses on trading securities are reported as investment income on the statements of consolidated income. Unrealized gains and losses on available-for-sale securities are reported as accumulated other comprehensive income ("AOCI"), a separate component of shareowners' equity. The amortized cost of debt securities is adjusted for amortization of premiums and accretion of discounts to maturity. Such amortization and accretion is included in investment income, along with interest and dividends. The cost of securities sold is based on the specific identification method; realized gains and losses resulting from such sales are included in investment income.

We periodically review our available-for-sale investments for indications of other-than-temporary impairment considering many factors, including the extent and duration to which a security's fair value has been less than its cost, overall economic and market conditions and the financial condition and specific prospects for the issuer. Impairment of available-for-sale securities results in a charge to income when a market decline below cost is other-than-temporary.

Accounts Receivable

Losses on accounts receivable are recognized when they are incurred, which requires us to make our best estimate of the probable losses inherent in our customer receivables at each balance sheet date. These estimates require consideration of historical loss experience, adjusted for current conditions, trends in customer payment frequency, and judgments about the probable effects of relevant observable data, including present economic conditions and the financial health of specific customers and market sectors. Our risk management process includes standards and policies for reviewing major account exposures and concentrations of risk.

Our total allowance for doubtful accounts as of December 31, 2014 and 2013 was $121 and $122 million, respectively. Our total provision for doubtful accounts charged to expense during the years ended December 31, 2014, 2013 and 2012 was $143, $129 and $155 million, respectively.

Inventories

Jet fuel, diesel, and unleaded gasoline inventories are valued at the lower of average cost or market. Fuel and other materials and supplies inventories are recognized as inventory when purchased, and then charged to expense when used in our operations. Total inventories were $344 and $403 million as of December 31, 2014 and 2013, respectively, and are included in "other current assets" on the consolidated balance sheets.

Property, Plant and Equipment

Property, plant and equipment are carried at cost. Depreciation and amortization are provided by the straight-line method over the estimated useful lives of the assets, which are as follows: Vehicles—3 to 15 years; Aircraft—12 to 30 years; Buildings —20 to 40 years; Leasehold Improvements—lesser of asset useful life or lease term; Plant Equipment—3 to 20 years; Technology Equipment—3 to 5 years. The costs of major airframe and engine overhauls, as well as routine maintenance and repairs, are charged to expense as incurred.

Interest incurred during the construction period of certain property, plant and equipment is capitalized until the underlying assets are placed in service, at which time amortization of the capitalized interest begins, straight-line, over the estimated useful lives of the related assets. Capitalized interest was $11, $14 and $18 million for 2014, 2013, and 2012, respectively.

We review long-lived assets for impairment when circumstances indicate the carrying amount of an asset may not be recoverable based on the undiscounted future cash flows of the asset. If the carrying amount of the asset is determined not to be recoverable, a write-down to fair value is recorded. Fair values are determined based on quoted market values, discounted cash flows, or external appraisals, as applicable. We review long-lived assets for impairment at the individual asset or the asset group level for which the lowest level of independent cash flows can be identified.

Goodwill and Intangible Assets

Costs of purchased businesses in excess of net identifiable assets acquired (goodwill), and indefinite-lived intangible assets are tested for impairment at least annually, unless changes in circumstances indicate an impairment may have occurred sooner. We are required to test goodwill on a "reporting unit" basis. A reporting unit is the operating segment unless, for businesses within that operating segment, discrete financial information is prepared and regularly reviewed by management, in which case such a component business is the reporting unit.

In assessing goodwill for impairment, we initially evaluate qualitative factors to determine if it is more likely than not that the fair value of a reporting unit is less than its carrying amount. We consider several factors, including macroeconomic conditions, industry and market conditions, overall financial performance of the reporting unit, changes in management, strategy or customers, and relevant reporting unit-specific events such as a change in the carrying amount of net assets, a more likely than not expectation of selling or disposing all, or a portion, of a reporting unit, and the testing for recoverability of a significant asset group within a reporting unit. If this qualitative assessment results in a conclusion that it is more likely than not that the fair value of a reporting unit exceeds the carrying value, then no further testing is performed for that reporting unit.

If the qualitative assessment is not conclusive and it is necessary to calculate the fair value of a reporting unit, then we utilize a two-step process to test goodwill for impairment. First, a comparison of the fair value of the applicable reporting unit with the aggregate carrying value, including goodwill, is performed. If the carrying amount of a reporting unit exceeds its calculated fair value, then the second step is performed, and an impairment charge is recognized for the amount, if any, by which the carrying amount of goodwill exceeds its implied fair value. We primarily determine the fair value of our reporting units using a discounted cash flow model, and supplement this with observable valuation multiples for comparable companies, as applicable.

Finite-lived intangible assets, including trademarks, licenses, patents, customer lists, non-compete agreements and franchise rights are amortized on a straight-line basis over the estimated useful lives of the assets, which range from 1 to 22 years. Capitalized software is amortized over 5 years.

Self-Insurance Accruals

We self-insure costs associated with workers' compensation claims, automotive liability, health and welfare, and general business liabilities, up to certain limits. Insurance reserves are established for estimates of the loss that we will ultimately incur on reported claims, as well as estimates of claims that have been incurred but not yet reported. Recorded balances are based on reserve levels, which incorporate historical loss experience and judgments about the present and expected levels of cost per claim.

Pension and Postretirement Benefits

We incur certain employment-related expenses associated with pension and postretirement medical benefits. These pension and postretirement medical benefit costs for company-sponsored benefit plans are calculated using various actuarial assumptions and methodologies, including discount rates, expected returns on plan assets, healthcare cost trend rates, inflation, compensation increase rates, mortality rates, and other factors. Actuarial assumptions are reviewed on an annual basis, unless circumstances require an interim remeasurement date for any of our plans.

We recognize changes in the fair value of plan assets and net actuarial gains or losses in excess of a corridor (defined as 10% of the greater of the fair value of plan assets or the plans' projected benefit obligations) in pension expense annually at December 31st each year. The remaining components of pension expense, primarily service and interest costs and the expected return on plan assets, are recorded on a quarterly basis.

We participate in a number of trustee-managed multiemployer pension and health and welfare plans for employees covered under collective bargaining agreements. Our contributions to these plans are determined in accordance with the respective collective bargaining agreements. We recognize expense for the contractually required contribution for each period, and we recognize a liability for any contributions due and unpaid (included in "other current liabilities").

Income Taxes

Income taxes are accounted for on an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in our consolidated financial statements or tax returns. In estimating future tax consequences, we generally consider all expected future events other than proposed changes in the tax law or rates. Valuation allowances are provided if it is more likely than not that a deferred tax asset will not be realized.

We recognize liabilities for uncertain tax positions based on a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates that it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any. Once it is determined that the position meets the recognition threshold, the second step requires us to estimate and measure the tax benefit as the largest amount that is more likely than not to be realized upon ultimate settlement. It is inherently difficult and subjective to estimate such amounts, as we have to determine the probability of various possible outcomes. We reevaluate these uncertain tax positions on a quarterly basis. This evaluation is based on factors including, but not limited to, changes in facts or circumstances, changes in tax law, effectively settled issues under audit, and new audit activity. Such a change in recognition or measurement could result in the recognition of a tax benefit or an additional charge to the tax provision.

Foreign Currency Translation

We translate the results of operations of our foreign subsidiaries using average exchange rates during each period, whereas balance sheet accounts are translated using exchange rates at the end of each period. Balance sheet currency translation adjustments are recorded in AOCI. Pre-tax currency transaction gains, net of hedging, included in other operating expenses and investment income were $14, $76 and $10 million in 2014, 2013 and 2012, respectively.

Stock-Based Compensation

All share-based awards to employees are measured based on their fair values and expensed over the period during which an employee is required to provide service in exchange for the award (the vesting period). We issue employee share-based awards under the UPS Incentive Compensation Plan that are subject to specific vesting conditions; generally, the awards cliff vest or vest ratably over a three or five year period (the "nominal vesting period") or at the date the employee retires (as defined by the plan), if earlier. Compensation cost is recognized immediately for awards granted to retirement-eligible employees, or over the period from the grant date to the date retirement eligibility is achieved, if that is expected to occur during the nominal vesting period.

Fair Value Measurements

Our financial assets and liabilities measured at fair value on a recurring basis have been categorized based upon a fair value hierarchy. Level 1 inputs utilize quoted prices in active markets for identical assets or liabilities. Level 2 inputs are based on other observable market data, such as quoted prices for similar assets and liabilities, and inputs other than quoted prices that are observable, such as interest rates and yield curves. Level 3 inputs are developed from unobservable data reflecting our own assumptions, and include situations where there is little or no market activity for the asset or liability.

Certain non-financial assets and liabilities are measured at fair value on a nonrecurring basis, including property, plant, and equipment, goodwill and intangible assets. These assets are not measured at fair value on a recurring basis; however, they are subject to fair value adjustments in certain circumstances, such as when there is evidence of an impairment. A general description of the valuation methodologies used for assets and liabilities measured at fair value, including the general classification of such assets and liabilities pursuant to the valuation hierarchy, is included in each footnote with fair value measurements present.

Derivative Instruments

All financial derivative instruments are recorded on our consolidated balance sheets at fair value. Derivatives not designated as hedges must be adjusted to fair value through income. If a derivative is designated as a hedge, changes in its fair value that are considered to be effective, as defined, either (depending on the nature of the hedge) offset the change in fair value of the hedged assets, liabilities or firm commitments through income, or are recorded in AOCI until the hedged item is recorded in income. Any portion of a change in a hedge’s fair value that is considered to be ineffective, or is excluded from the measurement of effectiveness, is recorded immediately in income.

Adoption of New Accounting Standards

In January 2014, the FASB issued an accounting standards update that adds new disclosure requirements for investments in qualified affordable housing projects through limited liability entities. If certain conditions are met, the cost of an entity's investment in proportion to the tax credits and other tax benefits it receives may be amortized and included as a component of income tax expense. In January 2008, we adopted the fair value option for our investments in certain investment partnerships that were previously accounted for under the equity method; therefore, this accounting standards update did not have any effect on our consolidated financial position or results of operations.

Other accounting pronouncements adopted during the periods covered by the consolidated financial statements did not have a material impact on our consolidated financial position or results of operations.

Accounting Standards Issued But Not Yet Effective

In April 2014, the FASB issued an accounting standards update that changes the requirements for reporting discontinued operations. This update will have the impact of reducing the frequency of disposals reported as discontinued operations, by requiring such a disposal to represent a strategic shift that has a major effect on an entity's operations and financial results. This update also expands the disclosures for discontinued operations, and requires new disclosures related to individually significant disposals that do not qualify as discontinued operations. This new guidance becomes effective for us prospectively in the first quarter of 2015. This amended guidance will only have a potential impact to the extent that we discontinue any operations in future periods.

In May 2014, the FASB issued an accounting standards update that changes the revenue recognition for companies that enter into contracts with customers to transfer goods or services. This amended guidance requires revenue to be recognized in an amount that reflects the consideration to which the company expects to be entitled for those goods and services when the performance obligation has been satisfied. This amended guidance also requires enhanced disclosures regarding the nature, amount, timing and uncertainty of revenue and related cash flows arising from contracts with customers. This amended guidance is effective for us beginning in the first quarter of 2017 and early adoption is not permitted. At this time, we do not expect this new guidance to have a material impact on our consolidated financial position or results of operations.

In June 2014, the FASB issued an accounting standards update for companies that grant their employees share-based payments in which the terms of the award provide that a performance target that affects vesting could be achieved after the requisite service period. This new guidance becomes effective for us beginning in the first quarter of 2015, but early adoption is permitted. This new guidance is not expected to have a material impact on our consolidated financial position or results of operations.

Other accounting pronouncements issued, but not effective until after December 31, 2014, are not expected to have a material impact on our consolidated financial position or results of operations.

Changes in Presentation

Certain prior year amounts have been reclassified to conform to the current year presentation. These reclassifications had no impact on our financial position or results of operations.

NOTE 2. CASH AND INVESTMENTS

The following is a summary of marketable securities classified as trading and available-for-sale at December 31, 2014 and 2013 (in millions):

	Cost	Unrealized Gains	Unrealized Losses	Estimated Fair Value
2014				
Current marketable securities:				
U.S. government and agency debt securities	$ 321	$ 1	$ (1)	$ 321
Mortgage and asset-backed debt securities	89	1	(1)	89
Corporate debt securities	534	—	—	534
U.S. state and local municipal debt securities	2	—	—	2
Other debt and equity securities	46	—	—	46
Total marketable securities	$ 992	$ 2	$ (2)	$ 992

2013	Cost	Unrealized Gains	Unrealized Losses	Estimated Fair Value
Current marketable securities:				
U.S. government and agency debt securities	$ 355	$ —	$ (1)	$ 354
Mortgage and asset-backed debt securities	76	1	(2)	75
Corporate debt securities	146	1	(1)	146
U.S. state and local municipal debt securities	2	—	—	2
Other debt and equity securities	3	—	—	3
Total marketable securities	$ 582	$ 2	$ (4)	$ 580

Of the total estimated fair value in marketable securities listed above, $430 million as of December 31, 2014 was classified as "trading", with unrealized gains and losses recognized in investment income within the statements of consolidated income (no amounts were classified as "trading" as of December 31, 2013). The remaining estimated fair value of marketable securities was classified as "available-for-sale", with related unrealized gains and losses, net of tax, recognized in AOCI.

The gross realized gains on sales of marketable securities totaled $1, $11 and $15 million in 2014, 2013, and 2012, respectively. The gross realized losses totaled $0, $6 and $6 million in 2014, 2013, and 2012, respectively. There were no impairment losses recognized on marketable securities during 2014, 2013 or 2012.

Investment Other-Than-Temporary Impairments

We have concluded that no other-than-temporary impairment losses existed as of December 31, 2014. In making this determination, we considered the financial condition and prospects of the issuer, the magnitude of the losses compared with the investments' cost, the probability that we will be unable to collect all amounts due according to the contractual terms of the security, the credit rating of the security and our ability and intent to hold these investments until the anticipated recovery in market value occurs.

Unrealized Losses

The following table presents the age of gross unrealized losses and fair value by investment category for all securities in a loss position as of December 31, 2014 (in millions):

	Less Than 12 Months		12 Months or More		Total	
	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses
U.S. government and agency debt securities	$ 147	$ (1)	$ —	$ —	$ 147	$ (1)
Mortgage and asset-backed debt securities	—	—	21	(1)	21	(1)
Corporate debt securities	—	—	—	—	—	—
U.S. state and local municipal debt securities	—	—	—	—	—	—
Other debt and equity securities	—	—	—	—	—	—
Total marketable securities	$ 147	$ (1)	$ 21	$ (1)	$ 168	$ (2)

The unrealized losses for the U.S. government and agency debt securities and mortgage and asset-backed debt securities are primarily due to changes in market interest rates. We have both the intent and ability to hold the securities contained in the previous table for a time necessary to recover the cost basis.

Maturity Information

The amortized cost and estimated fair value of marketable securities at December 31, 2014, by contractual maturity, are shown below (in millions). Actual maturities may differ from contractual maturities because the issuers of the securities may have the right to prepay obligations without prepayment penalties.

	Cost	Estimated Fair Value
Due in one year or less	$ 459	$ 459
Due after one year through three years	439	439
Due after three years through five years	15	15
Due after five years	77	77
	990	990
Equity securities	2	2
	$ 992	$ 992

Non-Current Investments and Restricted Cash

Restricted cash is primarily associated with our self-insurance requirements. We entered into an escrow agreement with an insurance carrier to guarantee our self-insurance obligations. This agreement requires us to provide cash collateral to the insurance carrier, which is invested in money market funds and similar cash equivalent type assets. Additional cash collateral provided is reflected in "other investing activities" in the statements of consolidated cash flows. As of December 31, 2014 and 2013, we had $442 and $425 million in self-insurance restricted cash, respectively.

We held a $19 million investment in a variable life insurance policy to fund benefits for the UPS Excess Coordinating Benefit Plan at both December 31, 2014 and 2013. The quarterly change in investment fair value is recognized in "investment income" on the statements of consolidated income. Additionally, we held escrowed cash related to the acquisition and disposition of certain assets, primarily real estate, of $28 million as of December 31, 2014 (none as of December 31, 2013).

The amounts described above are classified as “investments and restricted cash” in the consolidated balance sheets.

Fair Value Measurements

Marketable securities utilizing Level 1 inputs include active exchange-traded equity securities and equity index funds, and most U.S. Government debt securities, as these securities all have quoted prices in active markets. Marketable securities utilizing Level 2 inputs include asset-backed securities, corporate bonds and municipal bonds. These securities are valued using market corroborated pricing, matrix pricing or other models that utilize observable inputs such as yield curves.

We maintain holdings in certain investment partnerships that are measured at fair value utilizing Level 3 inputs (classified as “other investments” in the tables below, and as “other non-current assets” in the consolidated balance sheets). These partnership holdings do not have quoted prices, nor can they be valued using inputs based on observable market data. These investments are valued internally using a discounted cash flow model with two significant inputs: (1) the after-tax cash flow projections for each partnership, and (2) a risk-adjusted discount rate consistent with the duration of the expected cash flows for each partnership. The weighted-average discount rates used to value these investments were 7.81% and 8.65% as of December 31, 2014 and 2013, respectively. These inputs and the resulting fair values are updated on a quarterly basis.

The following table presents information about our investments measured at fair value on a recurring basis as of December 31, 2014 and 2013, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value (in millions):

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
2014				
Marketable securities:

Additionally, we monitor our other property, plant and equipment categories for any indicators that the carrying value of the assets may not be recoverable. No impairment charges on property, plant and equipment were recorded in 2014, 2013 or 2012.

NOTE 4. COMPANY-SPONSORED EMPLOYEE BENEFIT PLANS

We sponsor various retirement and pension plans, including defined benefit and defined contribution plans which cover our employees worldwide.

U.S. Pension Benefits

In the U.S. we maintain the following single-employer defined benefit pension plans: The UPS Retirement Plan, the UPS Pension Plan, the UPS IBT Pension Plan and the UPS Excess Coordinating Benefit Plan, a non-qualified plan.

The UPS Retirement Plan is noncontributory and includes substantially all eligible employees of participating domestic subsidiaries who are not members of a collective bargaining unit, as well as certain employees covered by a collective bargaining agreement. This plan generally provides for retirement benefits based on average compensation levels earned by employees prior to retirement. Benefits payable under this plan are subject to maximum compensation limits and the annual benefit limits for a tax-qualified defined benefit plan as prescribed by the Internal Revenue Service (“IRS”).

The UPS Excess Coordinating Benefit Plan is a non-qualified plan that provides benefits to certain participants in the UPS Retirement Plan for amounts that exceed the benefit limits described above.

The UPS Pension Plan is noncontributory and includes certain eligible employees of participating domestic subsidiaries and members of collective bargaining units that elect to participate in the plan. This plan generally provides for retirement benefits based on service credits earned by employees prior to retirement.

The UPS IBT Pension Plan is noncontributory and includes employees that were previously members of the Central States, Southeast and Southwest Areas Pension Fund (“Central States Pension Fund”), a multiemployer pension plan, in addition to other eligible employees who are covered under certain collective bargaining agreements. This plan generally provides for retirement benefits based on service credits earned by employees prior to retirement.

International Pension Benefits

We also sponsor various defined benefit plans covering certain of our international employees. The majority of our international obligations are for defined benefit plans in Canada and the United Kingdom. In addition, many of our international employees are covered by government-sponsored retirement and pension plans. We are not directly responsible for providing benefits to participants of government-sponsored plans.

U.S. Postretirement Medical Benefits

We also sponsor postretirement medical plans in the U.S. that provide healthcare benefits to our retirees who meet certain eligibility requirements and who are not otherwise covered by multiemployer plans. Generally, this includes employees with at least 10 years of service who have reached age 55 and employees who are eligible for postretirement medical benefits from a Company-sponsored plan pursuant to collective bargaining agreements. We have the right to modify or terminate certain of these plans. These benefits have been provided to certain retirees on a noncontributory basis; however, in many cases, retirees are required to contribute all or a portion of the total cost of the coverage.

Defined Contribution Plans

We also sponsor several defined contribution plans for all employees not covered under collective bargaining agreements, and for certain employees covered under collective bargaining agreements. The Company matches, in shares of UPS common stock or cash, a portion of the participating employees' contributions. Matching contributions charged to expense were $95, $90 and $83 million for 2014, 2013 and 2012, respectively.

Contributions are also made to defined contribution money purchase plans under certain collective bargaining agreements. Amounts charged to expense were $82, $80 and $80 million for 2014, 2013 and 2012, respectively.

Actuarial Assumptions

The table below provides the weighted-average actuarial assumptions used to determine the net periodic benefit cost.

	U.S. Pension Benefits			U.S. Postretirement Medical Benefits			International Pension Benefits		
	2014	2013	2012	2014	2013	2012	2014	2013	2012
Discount rate	5.32%	4.42%	5.64%	4.89%	4.21%	5.47%	4.35%	4.00%	4.63%
Rate of compensation increase	4.29%	4.16%	4.50%	N/A	N/A	N/A	3.22%	3.03%	3.58%
Expected return on assets	8.75%	8.75%	8.75%	8.75%	8.75%	8.75%	6.29%	6.90%	7.20%

The table below provides the weighted-average actuarial assumptions used to determine the benefit obligations of our plans.

	U.S. Pension Benefits		U.S. Postretirement Medical Benefits		International Pension Benefits	
	2014	2013	2014	2013	2014	2013
Discount rate	4.40%	5.32%	4.18%	5.14%	3.56%	4.40%
Rate of compensation increase	4.29%	4.29%	N/A	N/A	3.08%	3.30%

A discount rate is used to determine the present value of our future benefit obligations. To determine our discount rate for our U.S. pension and postretirement benefit plans, we use a bond matching approach to select specific bonds that would satisfy our projected benefit payments. We believe the bond matching approach reflects the process we would employ to settle our pension and postretirement benefit obligations. For our international plans, the discount rate is determined by matching the expected cash flows of a sample plan of similar duration to a yield curve based on long-term, high quality fixed income debt instruments available as of the measurement date. These assumptions are updated each measurement date, which is typically annually.

As of December 31, 2014, the impact of each basis point change in the discount rate on the projected benefit obligation of the pension and postretirement medical benefit plans are as follows (in millions):

	Increase (Decrease) in the Projected Benefit Obligation	
	Pension Benefits	Postretirement Medical Benefits
One basis point increase in discount rate	$ (65)	$ (3)
One basis point decrease in discount rate	$ 69	$ 3

The Society of Actuaries' ("SOA") published mortality tables and improvement scales are used in developing the best estimate of mortality for plans in the U.S. On October 27, 2014, the SOA published updated mortality tables and an updated improvement scale, both of which reflect longer anticipated lifetimes. Based on an evaluation of these new tables and our perspective of future longevity, we updated the mortality assumptions for purposes of measuring pension and other postretirement benefit obligations at December 31, 2014. The change to the mortality assumption increased the year-end pension and other postretirement benefit obligations by $1.119 billion and $51 million, respectively. At December 31, 2014, we also revised the retirement assumptions for non-union plan participants based on recent retirement experience. The change to the retirement assumption decreased the year-end pension and other postretirement benefit obligations by $383 and $234 million, respectively.

An assumption for the expected return on plan assets is used to determine a component of net periodic benefit cost for the fiscal year. This assumption for our U.S. plans was developed using a long-term projection of returns for each asset class, and taking into consideration our target asset allocation. The expected return for each asset class is a function of passive, long-term capital market assumptions and excess returns generated from active management. The capital market assumptions used are provided by independent investment advisors, while excess return assumptions are supported by historical performance, fund mandates and investment expectations. In addition, we compare the expected return on asset assumption with the average historical rate of return these plans have been able to generate.

For plans outside the U.S., consideration is given to local market expectations of long-term returns. Strategic asset allocations are determined by plan, based on the nature of liabilities and considering the demographic composition of the plan participants.

Healthcare cost trends are used to project future postretirement benefits payable from our plans. For year-end 2014 U.S. plan obligations, future postretirement medical benefit costs were forecasted assuming an initial annual increase of 7.0%, decreasing to 4.5% by the year 2020 and with consistent annual increases at those ultimate levels thereafter.

Assumed healthcare cost trends can have a significant effect on the amounts reported for our postretirement medical plans. A one-percent change in assumed health care cost trend rates would have had the following effects on 2014 results (in millions):

	1% Increase	1% Decrease
Effect on total of service cost and interest cost	$ 4	$ (4)
Effect on postretirement benefit obligation	$ 89	$ (98)

The accumulated benefit obligation for our pension plans as of the measurement dates in 2014 and 2013 was $35.867 and $28.586 billion, respectively.

Benefit payments under the pension plans include $19 and $16 million paid from employer assets in 2014 and 2013, respectively. Benefit payments (net of participant contributions) under the postretirement medical benefit plans include $122 and $108 million paid from employer assets in 2014 and 2013, respectively. Such benefit payments from employer assets are also categorized as employer contributions.

At December 31, 2014 and 2013, the projected benefit obligation, the accumulated benefit obligation, and the fair value of plan assets for pension plans with benefit obligations in excess of plan assets were as follows (in millions):

	Projected Benefit Obligation Exceeds the Fair Value of Plan Assets		Accumulated Benefit Obligation Exceeds the Fair Value of Plan Assets

Pension and Postretirement Plan Assets

The applicable benefit plan committees establish investment guidelines and strategies, and regularly monitor the performance of the funds and portfolio managers. Our investment guidelines address the following items: governance, general investment beliefs and principles, investment objectives, specific investment goals, process for determining/maintaining the asset allocation policy, long-term asset allocation, rebalancing, investment restrictions/prohibited transactions, portfolio manager structure and diversification (which addresses limits on the amount of investments held by any one manager to minimize risk), portfolio manager selection criteria, plan evaluation, portfolio manager performance review and evaluation, and risk management (including various measures used to evaluate risk tolerance).

We invest pension assets in accordance with applicable laws and regulations. The long-term primary investment objectives for our pension assets are to: (1) provide for a reasonable amount of long-term growth of capital, with prudent exposure to risk; and protect the assets from erosion of purchasing power; (2) provide investment results that meet or exceed the plans' expected long-term rate of return; and (3) match the duration of the liabilities and assets of the plans to reduce the potential risk of large employer contributions being necessary in the future. The plans strive to meet these objectives by employing portfolio managers to actively manage assets within the guidelines and strategies set forth by the benefit plan committees. These managers are evaluated by comparing their performance to applicable benchmarks.

Fair Value Measurements

Pension assets utilizing Level 1 inputs include equity investments, corporate debt instruments, and U.S. government securities. Fair values were determined by closing prices for those securities traded on national stock exchanges, while securities traded in the over-the-counter market and listed securities for which no sale was reported on the valuation date are valued at the mean between the last reported bid and asked prices.

Level 2 assets include certain bonds that are valued based on yields currently available on comparable securities of other issues with similar credit ratings, mortgage-backed securities that are valued based on cash flow and yield models using acceptable modeling and pricing conventions, and certain investments that are pooled with other investments held by the trustee in a commingled employee benefit trust fund. The investments in the commingled funds are valued by taking the percentage owned by the respective plan in the underlying net asset value of the trust fund, which was determined in accordance with the paragraph above.

Certain investments' estimated fair value is based on unobservable inputs that are not corroborated by observable market data and are thus classified as Level 3. These investments include commingled funds comprised of corporate and government bonds, hedge funds, real estate investments and private equity funds. The fair values may, due to the inherent uncertainty of valuation for those alternative investments, differ significantly from the values that would have been used had a ready market for the alternative investments existed, and the differences could be material. These investments are described further below:

- Hedge Funds: We maintain plan assets invested in hedge funds that pursue multiple strategies to diversify risk and reduce volatility. Investments in hedge funds are valued using reported net asset values as of December 31. These assets are primarily invested in a portfolio of diversified, direct investments and funds of hedge funds. Most of these funds allow redemptions either quarterly or semi-annually after a two to three month notice period, while other funds allow for redemption after only a brief notification period with no restriction on redemption frequency. At December 31, 2014, unfunded commitments to these hedge funds totaling approximately $90 million are expected to be contributed over the remaining investment period, typically ranging between three and six years.

- Risk Parity Funds: We maintain plan assets invested in risk parity strategies in order to provide diversification and balance risk / return objectives. Investments in risk parity funds are valued using reported net asset values as of December 31. These strategies reflect a multi-asset class balanced risk approach generally consisting of equity, interest rates, credit, and commodities. These funds allow for monthly redemptions with only a brief notification period. No unfunded commitments existed with respect to these hedge funds as of December 31, 2014.

- Real Estate and Private Equity Funds: We maintain plan assets invested in limited partnership interests in various private equity and real estate funds. These private equity and real estate investment funds are valued using fair values per the most recent partnership audited financial reports, adjusted as appropriate for any lag between the date of the financial reports and December 31. The real estate investments consist of U.S. and non-U.S. real estate investments and are broadly diversified. Limited provision exists for the redemption of these interests by the general partners that invest in these funds until the end of the term of the partnerships, typically ranging between 10 and 15 years from the date of inception. An active secondary market exists for similar partnership interests, although no particular value (discount or premium) can be guaranteed. At December 31, 2014, unfunded commitments to such limited partnerships totaling approximately $1.01 billion are expected to be contributed over the remaining investment period, typically ranging between three and six years.

Our funding policy for U.S. plans is to contribute amounts annually that are at least equal to the amounts required by applicable laws and regulations, or to directly fund payments to plan participants, as applicable. International plans will be funded in accordance with local regulations. Additional discretionary contributions may be made when deemed appropriate to meet the long-term obligations of the plans. Expected benefit payments for pensions will be primarily paid from plan trusts. Expected benefit payments for postretirement medical benefits will be paid from plan trusts and corporate assets.

NOTE 5. MULTIEMPLOYER EMPLOYEE BENEFIT PLANS

We contribute to a number of multiemployer defined benefit plans under the terms of collective bargaining agreements that cover our union-represented employees. These plans generally provide for retirement, death and/or termination benefits for eligible employees within the applicable collective bargaining units, based on specific eligibility/participation requirements, vesting periods and benefit formulas. The risks of participating in these multiemployer plans are different from single-employer plans in the following aspects:

- Assets contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- If we negotiate to cease participating in a multiemployer plan, we may be required to pay that plan an amount based on our allocable share of its underfunded status, referred to as a "withdrawal liability". However, cessation of participation in a multiemployer plan and subsequent payment of any withdrawal liability is subject to the collective bargaining process.
- If any of the multiemployer pension plans in which we participate enter critical status, and our contributions are not sufficient to satisfy any rehabilitation plan funding schedule, we could be required under the Pension Protection Act of 2006 to make additional surcharge contributions to the multiemployer pension plan in the amount of five to ten percent of the existing contributions required by our labor agreement. Such surcharges would cease upon the ratification of a new collective bargaining agreement, and could not recur unless a plan re-entered critical status at a later date.

The discussion that follows sets forth the financial impact on our results of operations and cash flows for the years ended December 31, 2014, 2013 and 2012 from our participation in multiemployer benefit plans. As part of the overall collective bargaining process for wage and benefit levels, we have agreed to contribute certain amounts to the multiemployer benefit plans during the contract period. The multiemployer benefit plans set benefit levels and are responsible for benefit delivery to participants. Future contribution amounts to multiemployer benefit plans are determined only through collective bargaining, and we have no additional legal or constructive obligation to increase contributions beyond the agreed-upon amounts (except potential surcharges under the Pension Protection Act of 2006 as described above).

The number of employees covered by our multiemployer health and welfare plans increased during 2014, affecting the comparability of contributions with prior years, as a result of provisions of the new collective bargaining agreement with the International Brotherhood of Teamsters (“Teamsters”) discussed below. The number of employees covered by our multiemployer pension plans has remained consistent over the past three years, and there have been no significant changes that affect the comparability of 2014, 2013 and 2012 contributions. We recognize expense for the contractually-required contribution for each period, and we recognize a liability for any contributions due and unpaid at the end of a reporting period.

Status of Collective Bargaining Agreements

As of December 31, 2014, we had approximately 270,000 employees employed under a national master agreement and various supplemental agreements with local unions affiliated with the Teamsters. During 2014, the Teamsters ratified a new national master agreement (“NMA”) with UPS that will expire on July 31, 2018. The economic provisions in the NMA included wage rate increases, as well as increased contribution rates for healthcare and pension benefits. Most of these economic provisions were retroactive to August 1, 2013, which was the effective date of the NMA. In the second quarter of 2014, we remitted $278 million for these retroactive economic benefits; this payment had an immaterial impact on net income, as these retroactive economic benefits had been accrued since the July 31, 2013 expiration of the prior agreement.

In addition to the retroactive economic provisions of the NMA, there were certain changes to the delivery of healthcare benefits that were effective at various dates. These changes impact approximately 36,000 full-time and 73,000 part-time active employees covered by the NMA and the UPS Freight collective bargaining agreement (collectively referred to as the “NMA Group”), as well as approximately 16,000 employees covered by other collective bargaining agreements (the “Non-NMA Group”). These provisions are discussed further below in the "Changes to the Delivery of Active and Postretirement Healthcare Benefits" section.

We have approximately 2,600 pilots who are employed under a collective bargaining agreement with the Independent Pilots Association ("IPA"), which became amendable at the end of 2011. In February 2014, UPS and the IPA requested and have received mediation by the National Mediation Board for the ongoing contract negotiations.

Our airline mechanics are covered by a collective bargaining agreement with Teamsters Local 2727, which became amendable November 1, 2013. In addition, approximately 3,100 of our auto and maintenance mechanics who are not employed under agreements with the Teamsters are employed under collective bargaining agreements with the International Association of Machinists and Aerospace Workers (“IAM”). In 2014, the IAM ratified new collective bargaining agreements that will expire on July 31, 2019.

Multiemployer Pension Plans

The following table outlines our participation in multiemployer pension plans for the periods ended December 31, 2014, 2013 and 2012, and sets forth our calendar year contributions accrued for each plan. The "EIN/Pension Plan Number" column provides the Employer Identification Number ("EIN") and the three-digit plan number. The most recent Pension Protection Act zone status available in 2014 and 2013 relates to the plans' two most recent fiscal year-ends. The zone status is based on information that we received from the plans' administrators and is certified by each plan's actuary. Among other factors, plans certified in the red zone are generally less than 65% funded, plans certified in the orange zone are both less than 80% funded and have an accumulated funding deficiency or are expected to have a deficiency in any of the next six plan years, plans certified in the yellow zone are less than 80% funded, and plans certified in the green zone are at least 80% funded. The "FIP/RP Status Pending/Implemented" column indicates whether a financial improvement plan ("FIP") for yellow/orange zone plans, or a rehabilitation plan ("RP") for red zone plans, is either pending or has been implemented. As of December 31, 2014, all plans that have either a FIP or RP requirement have had the respective FIP or RP implemented.

Our collectively-bargained contributions satisfy the requirements of all implemented FIPs and RPs and do not currently require the payment of any surcharges. In addition, minimum contributions outside of the agreed upon contractual rate are not required. For the plans detailed in the following table, the expiration date of the associated collective bargaining agreements was July 31, 2018, with the exception of the Automotive Industries Pension Plan and the IAM National Pension Fund / National Pension Plan which both have a July 31, 2019 expiration date. For all plans detailed in the following table, we provided more than 5% of the total plan contributions from all employers for 2014, 2013 and 2012 (as disclosed in the Form 5500 for each respective plan).

Certain plans have been aggregated in the "all other multiemployer pension plans" line in the following table, as the contributions to each of these individual plans were not material.

Agreement with the New England Teamsters and Trucking Industry Pension Fund

In 2012, we reached an agreement with the New England Teamsters and Trucking Industry Pension Fund ("NETTI Fund"), a multiemployer pension plan in which UPS is a participant, to restructure the pension liabilities for approximately 10,200 UPS employees represented by the Teamsters. The agreement reflected a decision by the NETTI Fund's trustees to restructure the NETTI Fund through plan amendments to utilize a "two pool approach", which effectively subdivided the plan assets and liabilities between two groups of beneficiaries. As part of this agreement, UPS agreed to withdraw from the original pool of the NETTI Fund, of which it had historically been a participant, and reenter the NETTI Fund's newly-established pool as a new employer.

Upon ratification of the agreement by the Teamsters in September 2012, we withdrew from the original pool of the NETTI Fund and incurred an undiscounted withdrawal liability of $2.162 billion to be paid in equal monthly installments over 50 years. The undiscounted withdrawal liability was calculated by independent actuaries employed by the NETTI Fund, in accordance with the governing plan documents and the applicable requirements of the Employee Retirement Income Security Act of 1974. In 2012, we recorded a charge to expense to establish an $896 million withdrawal liability on our consolidated balance sheet, which represents the present value of the $2.162 billion future payment obligation discounted at a 4.25% interest rate. This discount rate represents the estimated credit-adjusted market rate of interest at which we could obtain financing of a similar maturity and seniority. As this agreement is not a contribution to the plan, the amounts reflected in the previous table do not include this $896 million non-cash transaction.

The $896 million charge to expense recorded in 2012 is included in "compensation and benefits" expense in the statements of consolidated income. We impute interest on the withdrawal liability using the 4.25% discount rate, while the monthly payments made to the NETTI Fund reduce the remaining balance of the withdrawal liability.

Our status in the newly-established pool of the NETTI Fund is accounted for as the participation in a new multiemployer pension plan, and therefore we recognize expense based on the contractually-required contribution for each period, and we recognize a liability for any contributions due and unpaid at the end of a reporting period.

As of December 31, 2014 and 2013, we had $878 and $884 million, respectively, recognized in "other non-current liabilities" on our consolidated balance sheets representing the remaining balance of the NETTI withdrawal liability. Based on the borrowing rates currently available to the Company for long-term financing of a similar maturity, the fair value of the NETTI withdrawal liability as of December 31, 2014 and 2013 was $913 and $783 million. We utilized Level 2 inputs in the fair value hierarchy of valuation techniques to determine the fair value of this liability.

Multiemployer Health and Welfare Plans

We also contribute to several multiemployer health and welfare plans that cover both active and retired employees. Health care benefits are provided to participants who meet certain eligibility requirements as covered under the applicable collective bargaining unit. The following table sets forth our calendar year plan contributions and accruals. Certain plans have been aggregated in the "all other multiemployer health and welfare plans" line in the table, as the contributions to each of these individual plans are not material.

The increase in 2014 contributions to the Central States, South East & South West Areas Health and Welfare Fund, the Teamsters Western Region & Local 177 Health Care Plan, and the Health & Welfare Insurance Fund Teamsters Local 653 plan are related to the changes to the delivery of active and postretirement healthcare benefits described below.

Changes to the Delivery of Active and Postretirement Healthcare Benefits

Prior to ratification, the NMA Group and Non-NMA Group employees received their healthcare benefits through UPS-sponsored active and postretirement health and welfare benefit plans. Effective June 1, 2014, we ceased providing healthcare benefits to active NMA Group employees through these UPS-sponsored benefit plans, and the responsibility for providing healthcare benefits for active employees was assumed by three separate multiemployer healthcare funds (the "Funds"). The responsibility for providing healthcare benefits for the active Non-NMA Group employees was also assumed by the Funds on various dates up to January 1, 2015, depending on the ratification date of the applicable collective bargaining agreement. We will make contributions to the Funds based on negotiated fixed hourly or monthly contribution rates for the duration of the NMA and other applicable collective bargaining agreements.

Additionally, the Funds assumed the obligation to provide postretirement healthcare benefits to the employees in the NMA Group who retire on or after January 1, 2014. The postretirement healthcare benefit obligation for the employees in the Non-NMA Group was assumed by the Funds for employees retiring on or after January 1, 2014 or January 1, 2015, depending on the applicable collective bargaining agreement. In exchange for the assumption of the obligation to provide postretirement healthcare benefits to the NMA Group and Non-NMA Group, we transferred cash totaling $2.271 billion to the Funds in the second quarter of 2014. UPS-sponsored health and welfare benefit plans retained responsibility for providing postretirement healthcare coverage for employees in the NMA Group who retired from UPS prior to January 1, 2014, and for employees in the Non-NMA Group who retire from UPS prior to the January 1, 2014 or January 1, 2015 effective date in the applicable collective bargaining agreement.

Accounting Impact of Health and Welfare Plan Changes

Income Statement Impact:

We recorded a pre-tax charge of $1.066 billion ($665 million after-tax) in the second quarter of 2014 for the health and welfare plan changes described above. The components of this charge, which was included in "compensation and benefits" expense in the statement of consolidated income, are as follows:

- *Partial Plan Curtailment*: We recorded a $112 million pre-tax curtailment loss due to the elimination of future service benefit accruals. This curtailment loss represents the accelerated recognition of unamortized prior service costs.
- *Remeasurement of Postretirement Obligation*: We recorded a $746 million pre-tax loss due to the remeasurement of the postretirement benefit obligations of the affected UPS-sponsored health and welfare benefit plans.
- *Settlement*: We recorded a $208 million pre-tax settlement loss, which represents the recognition of unamortized actuarial losses associated with the postretirement obligation for the NMA Group.

We recorded an additional pre-tax charge of $36 million ($22 million after-tax) in the fourth quarter of 2014 upon ratification of the collective bargaining agreements covering the Non-NMA Group, related to the remeasurement and settlement of the postretirement benefit obligation associated with those employees.

Balance Sheet and Cash Flow Impact:

During 2014, as part of the health and welfare plan changes described previously, we transferred cash totaling $2.271 billion to the Funds, which was accounted for as a settlement of our postretirement benefit obligations (see note 4). We received approximately $854 million of cash tax benefits (through reduced U.S. Federal and state quarterly income tax payments) in 2014.

For NMA Group employees who retired prior to January 1, 2014 and remained with the UPS-sponsored health and welfare plans, the changes to the contributions, benefits and cost sharing provisions in these plans resulted in an increase in the postretirement benefit obligation, and a corresponding decrease in pre-tax AOCI, of $13 million upon ratification.

NOTE 6. BUSINESS ACQUISITIONS, GOODWILL AND INTANGIBLE ASSETS

The following table indicates the allocation of goodwill by reportable segment (in millions):

	U.S. Domestic Package	International Package	Supply Chain & Freight	Consolidated
Balance on January 1, 2013	$ —	$ 430	$ 1,743	$ 2,173

Currency / Other	—	(23)	(48)	(71)
Balance on December 31, 2014	$ —	$ 449	$ 1,735	$ 2,184

Business Acquisitions

2014 Acquisitions:

The goodwill acquired in the International Package segment was related to our October 2014 acquisition of i-parcel, LLC. ("i-parcel"), a U.S.-based international e-commerce enabler and logistics company that operates in the U.S. and U.K. The goodwill acquired in the Supply Chain & Freight segment was related to our February 2014 acquisition of Polar Speed Distribution Limited ("Polar Speed"), a U.K.-based company that provides temperature-sensitive pharmaceutical supply chain solutions in the U.K. and continental Europe.

The purchase price allocation for acquired companies can be modified for up to one year from the date of acquisition. The acquisition of Polar Speed and i-parcel were not material to our consolidated financial position or results of operations.

2013 Acquisitions:

The goodwill acquired in the Supply Chain & Freight segment was related to our July 2013 acquisition of Cemelog Ltd. (“Cemelog”), a Hungary-based medical logistics provider that operates in Central and Eastern Europe. The goodwill acquired in the International Package segment was largely related to our October 2013 acquisition of the assets and operations of two Costa Rican-based companies: (1) Union Pak de Costa Rica, S.A., a small package delivery company, and (2) SEISA Brokerage, a customs brokerage company. Both companies had long-standing relationships with UPS as authorized service contractors.

Goodwill Impairment

We test our goodwill for impairment annually, as of October 1st, on a reporting unit basis. Our reporting units are comprised of the Europe, Asia, Americas and ISMEA (Indian Subcontinent, Middle East and Africa) reporting units in the International Package reporting segment, and the Forwarding, Logistics, UPS Freight, The UPS Store, and UPS Capital reporting units in the Supply Chain & Freight reporting segment.

In assessing our goodwill for impairment, we initially evaluate qualitative factors to determine if it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative assessment is not conclusive and it is necessary to calculate the fair value of a reporting unit, then we utilize a two-step process to test goodwill for impairment. First, a comparison of the fair value of the applicable reporting unit with the aggregate carrying value, including goodwill, is performed. We primarily determine the fair value of our reporting units using a discounted cash flow model, and supplement this with observable valuation multiples for comparable companies, as applicable. If the carrying amount of a reporting unit exceeds the reporting unit’s fair value, we perform the second step of the goodwill impairment test to determine the amount of impairment loss. The second step includes comparing the implied fair value of the affected reporting unit’s goodwill with the carrying value of that goodwill.

In 2014, we utilized the two-step process to test goodwill for impairment for all of our reporting units. We did not have any goodwill impairment charges in 2014, 2013 or 2012. Cumulatively, our Supply Chain & Freight reporting segment has recorded goodwill impairment charges of $622 million, while our International and U.S. Domestic Package segments have not recorded any impairment charges.

Licenses with a carrying value of $5 million as of December 31, 2014 are deemed to be indefinite-lived intangibles, and therefore are not amortized. Impairment tests for indefinite-lived intangibles are performed on an annual basis. All of our other recorded intangible assets are deemed to be finite-lived intangibles, and are thus amortized over their estimated useful lives. Impairment tests for these intangible assets are only performed when a triggering event occurs that indicates that the carrying value of the intangible may not be recoverable. We incurred impairment charges on intangible assets of $13 million during 2013, while there were no impairments of any finite-lived or indefinite-lived intangible assets in 2014 or 2012.

Amortization of intangible assets was $195, $185 and $244 million during 2014, 2013 and 2012, respectively. Expected amortization of finite-lived intangible assets recorded as of December 31, 2014 for the next five years is as follows (in millions): 2015—$277; 2016—$212; 2017—$153; 2018—$100; 2019—$57. Amortization expense in future periods will be affected by business acquisitions, software development, licensing agreements, sponsorships and other factors.

NOTE 7. DEBT AND FINANCING ARRANGEMENTS

The following table sets forth the principal amount, maturity or range of maturities, as well as the carrying value of our debt obligations, as of December 31, 2014 and 2013 (in millions). The carrying value of these debt obligations can differ from the principal amount due to the impact of unamortized discounts or premiums and valuation adjustments resulting from interest rate swap hedging relationships.

Commercial Paper

We are authorized to borrow up to $10.0 billion under our U.S. commercial paper program. We had $772 million outstanding under this program as of December 31, 2014. We also maintain a European commercial paper program under which we are authorized to borrow up to €5.0 billion in a variety of currencies. As of December 31, 2014, there were no amounts outstanding under this program. The amount of commercial paper outstanding under these programs in 2015 is expected to fluctuate.

Fixed Rate Senior Notes

We have completed several offerings of fixed rate senior notes. All of the notes pay interest semiannually, and allow for redemption of the notes by UPS at any time by paying the greater of the principal amount or a "make-whole" amount, plus accrued interest. We subsequently entered into interest rate swaps on several of these notes, which effectively converted the fixed interest rates on the notes to variable LIBOR-based interest rates. The average interest rate payable on these notes, including the impact of the interest rate swaps, for 2014 and 2013, respectively, were as follows:

	Principal Value	Maturity	Average Effective Interest Rate	
			2014	2013
3.875% senior notes	1,000	2014	0.94%	0.97%
1.125% senior notes	375	2017	0.60%	0.64%

5.125% senior notes	1,000	2019	1.97%	2.01%
3.125% senior notes	1,500	2021	1.06%	1.11%
2.45% senior notes	1,000	2022	0.82%	0.86%

On April 1, 2014, our $1.00 billion 3.875% senior notes matured and were repaid in full. The principal balance of the senior notes was repaid from the proceeds of short-term commercial paper issuances.

8.375% Debentures

The 8.375% debentures consist of two separate tranches, as follows:

- $276 million of the debentures have a maturity of April 1, 2030. These debentures have an 8.375% interest rate until April 1, 2020, and, thereafter, the interest rate will be 7.62% for the final 10 years. These debentures are redeemable in whole or in part at our option at any time. The redemption price is equal to the greater of 100% of the principal amount and accrued interest, or the sum of the present values of the remaining scheduled payout of principal and interest thereon discounted to the date of redemption (at a benchmark treasury yield plus five basis points) plus accrued interest.
- $424 million of the debentures have a maturity of April 1, 2020. These debentures are not subject to redemption prior to maturity.

Interest is payable semiannually on the first of April and October for both debentures and neither debenture is subject to sinking fund requirements. We subsequently entered into interest rate swaps on the 2020 notes, which effectively converted the fixed interest rates on the notes to variable LIBOR-based interest rates. The average interest rate payable on the 2020 notes, including the impact of the interest rate swaps, for 2014 and 2013 was 4.99% and 5.03%, respectively.

Floating Rate Senior Notes

The floating rate senior notes bear interest at either one or three-month LIBOR, less a spread ranging from 30 to 45 basis points. The average interest rate for 2014 and 2013 was 0.00% for both years. These notes are callable at various times after 30 years at a stated percentage of par value, and putable by the note holders at various times after 10 years at a stated percentage of par value. The notes have maturities ranging from 2049 through 2064. In 2014 and 2013, we redeemed notes with a principal value of $1 and $4 million, respectively, after put options were exercised by the note holders.

In December 2014, we issued a floating rate senior note with a principal balance of $90 million that bears interest at three-month LIBOR less 30 basis points. This note matures in 2064.

Capital Lease Obligations

We have certain property, plant and equipment subject to capital leases. Some of the obligations associated with these capital leases have been legally defeased. The recorded value of our property, plant and equipment subject to capital leases is as follows as of December 31 (in millions):

	2014	2013
Vehicles	$ 86	$ 49
Aircraft	2,289	2,289
Buildings	197	181
Plant Equipment	—	2
Technology Equipment	—	—
Accumulated amortization	(781)	(727)
	$ 1,791	$ 1,794

These capital lease obligations have principal payments due at various dates from 2015 through 3005.

Facility Notes and Bonds

We have entered into agreements with certain municipalities to finance the construction of, or improvements to, facilities that support our U.S. Domestic Package and Supply Chain & Freight operations in the United States. These facilities are located around airport properties in Louisville, Kentucky; Dallas, Texas; and Philadelphia, Pennsylvania. Under these arrangements, we enter into a lease or loan agreement that covers the debt service obligations on the bonds issued by the municipalities, as follows:

- Bonds with a principal balance of $149 million issued by the Louisville Regional Airport Authority associated with our Worldport facility in Louisville, Kentucky. The bonds, which are due in January 2029, bear interest at a variable rate, and the average interest rates for 2014 and 2013 were 0.05% and 0.09%, respectively.
- Bonds with a principal balance of $42 million and due in November 2036 issued by the Louisville Regional Airport Authority associated with our air freight facility in Louisville, Kentucky. The bonds bear interest at a variable rate, and the average interest rates for 2014 and 2013 were 0.05% and 0.08%, respectively.
- Bonds with a principal balance of $29 million issued by the Dallas / Fort Worth International Airport Facility Improvement Corporation associated with our Dallas, Texas airport facilities. The bonds are due in May 2032 and bear interest at a variable rate, however the variable cash flows on the obligation have been swapped to a fixed 5.11%.
- Bonds with a principal balance of $100 million issued by the Delaware County, Pennsylvania Industrial Development Authority associated with our Philadelphia, Pennsylvania airport facilities. The bonds, which are due in December 2015, bear interest at a variable rate, and the average interest rates for 2014 and 2013 were 0.04% and 0.07%, respectively.

Pound Sterling Notes

The Pound Sterling notes consist of two separate tranches, as follows:

- Notes with a principal amount of £66 million accrue interest at a 5.50% fixed rate, and are due in February 2031. These notes are not callable.
- Notes with a principal amount of £455 million accrue interest at a 5.125% fixed rate, and are due in February 2050. These notes are callable at our option at a redemption price equal to the greater of 100% of the principal amount and accrued interest, or the sum of the present values of the remaining scheduled payout of principal and interest thereon discounted to the date of redemption at a benchmark U.K. government bond yield plus 15 basis points and accrued interest.

We maintain cross-currency interest rate swaps to hedge the foreign currency risk associated with the bond cash flows for both tranches of these bonds. The average fixed interest rate payable on the swaps is 5.45%.

Contractual Commitments

We lease certain aircraft, facilities, land, equipment and vehicles under operating leases, which expire at various dates through 2038. Certain of the leases contain escalation clauses and renewal or purchase options. Rent expense related to our operating leases was $676, $575 and $619 million for 2014, 2013 and 2012, respectively.

The following table sets forth the aggregate minimum lease payments under capital and operating leases, the aggregate annual principal payments due under our long-term debt, and the aggregate amounts expected to be spent for purchase commitments (in millions).

As of December 31, 2014, we had outstanding letters of credit totaling approximately $1.064 billion issued in connection with our self-insurance reserves and other routine business requirements. We also issue surety bonds as an alternative to letters of credit in certain instances, and as of December 31, 2014, we had $640 million of surety bonds written.

Available Credit

We maintain two credit agreements with a consortium of banks. One of these agreements provides revolving credit facilities of $1.5 billion, and expires on March 27, 2015. Generally, amounts outstanding under this facility bear interest at a periodic fixed rate equal to LIBOR for the applicable interest period and currency denomination, plus an applicable margin. Alternatively, a fluctuating rate of interest equal to the highest of (1) JPMorgan Chase Bank's publicly announced prime rate, (2) the Federal Funds effective rate plus 0.50%, and (3) LIBOR for a one month interest period plus 1.00%, plus an applicable margin, may be used at our discretion. In each case, the applicable margin for advances bearing interest based on LIBOR is a percentage determined by quotations from Markit Group Ltd. for our 1-year credit default swap spread, subject to a minimum rate of 0.10% and a maximum rate of 0.75%. The applicable margin for advances bearing interest based on the prime rate is 1.00% below the applicable margin for LIBOR advances (but not lower than 0.00%). We are also able to request advances under this facility based on competitive bids for the applicable interest rate. There were no amounts outstanding under this facility as of December 31, 2014.

The second agreement provides revolving credit facilities of $1.0 billion, and expires on March 28, 2019. Generally, amounts outstanding under this facility bear interest at a periodic fixed rate equal to LIBOR for the applicable interest period and currency denomination, plus an applicable margin. Alternatively, a fluctuating rate of interest equal to the highest of (1) JPMorgan Chase Bank's publicly announced prime rate, (2) the Federal Funds effective rate plus 0.50%, and (3) LIBOR for a one month interest period plus 1.00%, plus an applicable margin, may be used at our discretion. In each case, the applicable margin for advances bearing interest based on LIBOR is a percentage determined by quotations from Markit Group Ltd. for our credit default swap spread, interpolated for a period from the date of determination of such credit default swap spread in connection with a new interest period until the latest maturity date of this facility then in effect (but not less than a period of one year). The minimum applicable margin rate is 0.10% and the maximum applicable margin rate is 0.75% per annum. The applicable margin for advances bearing interest based on the prime rate is 1.00% below the applicable margin for LIBOR advances (but not less than 0.00%). We are also able to request advances under this facility based on competitive bids. There were no amounts outstanding under this facility as of December 31, 2014.

Debt Covenants

Our existing debt instruments and credit facilities subject us to certain financial covenants. As of December 31, 2014 and for all prior periods presented, we have satisfied these financial covenants. These covenants limit the amount of secured indebtedness that we may incur, and limit the amount of attributable debt in sale-leaseback transactions, to 10% of net tangible assets. As of December 31, 2014, 10% of net tangible assets is equivalent to $2.380 billion; however, we have no covered sale-leaseback transactions or secured indebtedness outstanding. We do not expect these covenants to have a material impact on our financial condition or liquidity.

Fair Value of Debt

Based on the borrowing rates currently available to the Company for long-term debt with similar terms and maturities, the fair value of long-term debt, including current maturities, is approximately $12.257 and $11.756 billion as of December 31, 2014 and 2013, respectively. We utilized Level 2 inputs in the fair value hierarchy of valuation techniques to determine the fair value of all of our debt instruments.

NOTE 8. LEGAL PROCEEDINGS AND CONTINGENCIES

We are involved in a number of judicial proceedings and other matters arising from the conduct of our business activities.

Although there can be no assurance as to the ultimate outcome, we have generally denied, or believe we have a meritorious defense and will deny, liability in all litigation pending against us, including (except as otherwise noted herein) the matters described below, and we intend to defend vigorously each case. We have accrued for legal claims when, and to the extent that, amounts associated with the claims become probable and can be reasonably estimated. The actual costs of resolving legal claims may be substantially higher or lower than the amounts accrued for those claims.

For those matters as to which we are not able to estimate a possible loss or range of loss, we are not able to determine whether the loss will have a material adverse effect on our business, financial condition or results of operations or liquidity. For matters in this category, we have indicated in the descriptions that follow the reasons that we are unable to estimate the possible loss or range of loss.

Judicial Proceedings

We are a defendant in a number of lawsuits filed in state and federal courts containing various class action allegations under state wage-and-hour laws. At this time, we do not believe that any loss associated with these matters would have a material adverse effect on our financial condition, results of operations or liquidity.

UPS and our subsidiary The UPS Store, Inc., are defendants in *Morgate v. The UPS Store, Inc. et al*. an action in the Los Angeles Superior Court brought on behalf of a certified class of all franchisees who chose to rebrand their Mail Boxes Etc. franchises to The UPS Store in March 2003. Plaintiff alleges that UPS and The UPS Store, Inc. misrepresented and omitted facts to the class about the market tests that were conducted before offering the class the choice of whether to rebrand to The UPS Store. The trial is scheduled for June 2015.

There are multiple factors that prevent us from being able to estimate the amount of loss, if any, that may result from the remaining aspects of this case, including: (1) we are vigorously defending ourselves and believe we have a number of meritorious legal defenses; and (2) it remains uncertain what evidence of damages, if any, plaintiffs will be able to present. Accordingly, at this time, we are not able to estimate a possible loss or range of loss that may result from this matter or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

In *AFMS LLC v. UPS and FedEx Corporation*, a lawsuit filed in federal court in the Central District of California in August 2010, the plaintiff asserts that UPS and FedEx violated U.S. antitrust law by conspiring to refuse to negotiate with third-party negotiators retained by shippers and by individually imposing policies that prevent shippers from using such negotiators. UPS and FedEx have moved for summary judgment. There has been no ruling on those motions. The case does not have a trial date scheduled. The Antitrust Division of the U.S. Department of Justice ("DOJ") has an ongoing civil investigation of our policies and practices for dealing with third-party negotiators. We are cooperating with this investigation. We deny any liability with respect to these matters and intend to vigorously defend ourselves. There are multiple factors that prevent us from being able to estimate the amount of loss, if any, that may result from these matters including: (1) we believe that we have a number of meritorious defenses; (2) the Court has not ruled on the pending dispositive motions; and (3) the DOJ investigation is pending. Accordingly, at this time, we are not able to estimate a possible loss or range of loss that may result from these matters or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

In Canada, four purported class-action cases were filed against us in British Columbia (2006); Ontario (2007) and Québec (2006 and 2013). The cases each allege inadequate disclosure concerning the existence and cost of brokerage services provided by us under applicable provincial consumer protection legislation and infringement of interest restriction provisions under the Criminal Code of Canada. The British Columbia class action was declared inappropriate for certification and dismissed by the trial judge. That decision was upheld by the British Columbia Court of Appeal in March 2010, which ended the case in our favor. The Ontario class action was certified in September 2011. Partial summary judgment was granted to us and the plaintiffs by the Ontario motions court. The complaint under the Criminal Code was dismissed. No appeal is being taken from that decision. The allegations of inadequate disclosure were granted and we are appealing that decision. The motion to authorize the 2006 Québec litigation as a class action was dismissed by the motions judge in October 2012; there was no appeal, which ended that case in our favor. The 2013 Québec litigation also has been dismissed. We deny all liability and are vigorously defending the one outstanding case in Ontario. There are multiple factors that prevent us from being able to estimate the amount of loss, if any, that may result from this matter, including: (1) we are vigorously defending ourselves and believe that we have a number of meritorious legal defenses; and (2) there are unresolved questions of law and fact that could be important to the ultimate resolution of this matter. Accordingly, at this time, we are not able to estimate a possible loss or range of loss that may result from this matter or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

Other Matters

In January 2008, a class action complaint was filed in the United States District Court for the Eastern District of New York alleging price-fixing activities relating to the provision of freight forwarding services. UPS was not named in this case. In July 2009, the plaintiffs filed a First Amended Complaint naming numerous global freight forwarders as defendants. UPS and UPS Supply Chain Solutions are among the 60 defendants named in the amended complaint. After two rounds of motions to dismiss, in October 2014, UPS entered into a settlement agreement with the plaintiffs to settle the remaining claims asserted against UPS for an immaterial amount. The court granted preliminary approval of the settlement on December 16, 2014. The settlement is subject to final court approval.

In August 2010, competition authorities in Brazil opened an administrative proceeding to investigate alleged anticompetitive behavior in the freight forwarding industry. Approximately 45 freight forwarding companies and individuals are named in the proceeding, including UPS, UPS SCS Transportes (Brasil) S.A., and a former employee in Brazil. UPS submitted its written defenses to these allegations in April 2014. UPS intends to continue to defend itself in these proceedings. In November 2012, the Commerce Commission of Singapore initiated an investigation with respect to similar matters.

We are cooperating with each of these investigations, and intend to continue to vigorously defend ourselves. There are multiple factors that prevent us from being able to estimate the amount of loss, if any, that may result from these matters including: (1) we are vigorously defending each matter and believe that we have a number of meritorious legal defenses; (2) there are unresolved questions of law that could be of importance to the ultimate resolutions of these matters, including the calculation of any potential fine; and (3) there is uncertainty about the time period that is the subject of the investigations. Accordingly, at this time, we are not able to estimate a possible loss or range of loss that may result from these matters or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

On March 29, 2013, we entered into a Non-Prosecution Agreement ("NPA") with the United States Attorney's Office in the Northern District of California in connection with an investigation by the Drug Enforcement Administration of shipments by illicit online pharmacies. Under the NPA, we forfeited $40 million to the government, admitted to a Statement of Facts describing the conduct leading to the agreement, and agreed to implement an online pharmacy compliance program. The term of the NPA is two years. We have petitioned the government to shorten that term in its discretion to a lesser period pursuant to the terms of the NPA. The NPA did not have a material impact on our financial condition, results of operations or liquidity.

In January 2014, we received a Civil Investigative Demand from the DOJ seeking documents related to possible violations of the False Claims Act ("FCA") in connection with delivery services provided to government customers where guaranteed commitment times allegedly were not met. The General Services Administration - Office of Inspector General had previously sought similar documents. The Company has been cooperating with these inquiries and is in discussions with the DOJ to resolve all claims by the federal government regarding this matter. We do not believe that a negotiated resolution would have a material adverse effect on our financial condition, results of operations or liquidity. We also have been contacted by several states requesting this information. The Company has been cooperating with these inquiries.

It is not possible to predict the potential outcome of the state inquiries at this stage, or to reasonably estimate the range or amount of possible loss, if any, that may result from these investigations based on a number of factors, including: (1) the investigations are not complete; (2) these matters are at an early stage and there are unresolved questions of law and fact that could be of importance to the ultimate resolution of these matters; (3) the scope and size of potentially affected government customers and the time period covered by potential claims remains uncertain; and (4) our current intention to vigorously defend any claims of FCA violations. Accordingly, at this time, we are not able to estimate a possible loss or range of loss that may result from these matters or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

On February 18, 2015, the State and City of New York filed suit against UPS arising from alleged shipments of cigarettes to New York State and City residents. The complaint asserts claims under various federal and state laws. The complaint also includes a claim that UPS violated the Assurance of Discontinuance it entered into with the New York Attorney General concerning cigarette deliveries in 2005. There are multiple factors that prevent us from being able to estimate the amount of loss, if any, that may result from this case, including: (1) we are vigorously defending ourselves and believe we have a number of meritorious factual and legal defenses; and (2) it remains uncertain what evidence of their claims and damages, if any, plaintiffs will be able to present. Accordingly, at this time, we are not able to estimate a possible loss or range of loss that may result from this matter or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

We are a defendant in various other lawsuits that arose in the normal course of business. We do not believe that the eventual resolution of these other lawsuits (either individually or in the aggregate), including any reasonably possible losses in excess of current accruals, will have a material adverse effect on our financial condition, results of operations or liquidity.

NOTE 9. SHAREOWNERS' EQUITY

Capital Stock, Additional Paid-In Capital, and Retained Earnings

We maintain two classes of common stock, which are distinguished from each other by their respective voting rights. Class A shares of UPS are entitled to 10 votes per share, whereas class B shares are entitled to one vote per share. Class A shares are primarily held by UPS employees and retirees, as well as trusts and descendants of the Company's founders, and these shares are fully convertible into class B shares at any time. Class B shares are publicly traded on the New York Stock Exchange ("NYSE") under the symbol "UPS". Class A and B shares both have a $0.01 par value, and as of December 31, 2014, there were 4.6 billion class A shares and 5.6 billion class B shares authorized to be issued. Additionally, there are 200 million preferred shares authorized to be issued, with a par value of $0.01 per share; as of December 31, 2014, no preferred shares had been issued.

The following is a rollforward of our common stock, additional paid-in capital, and retained earnings accounts (in millions, except per share amounts):

On February 14, 2013, the Board of Directors approved a new share repurchase authorization of $10.0 billion, which replaced an authorization previously announced in 2012. This new share repurchase authorization has no expiration date. As of December 31, 2014, we had $4.152 billion of this share repurchase authorization remaining.

From time to time, we enter into share repurchase programs with large financial institutions to assist in our buyback of company stock. These programs allow us to repurchase our shares at a price below the weighted average UPS share price for a given period. During the fourth quarter of 2014, we entered into an accelerated share repurchase program, which allowed us to repurchase $400 million of shares (3.7 million shares). The program was completed in December 2014.

In order to lower the average cost of acquiring shares in our ongoing share repurchase program, we periodically enter into structured repurchase agreements involving the use of capped call options for the purchase of UPS class B shares. We pay a fixed sum of cash upon execution of each agreement in exchange for the right to receive either a pre-determined amount of cash or stock. Upon expiration of each agreement, if the closing market price of our common stock is above the pre-determined price, we will have our initial investment returned with a premium in either cash or shares (at our election). If the closing market price of our common stock is at or below the pre-determined price, we will receive the number of shares specified in the agreement. We paid net premiums of $47 and $93 million during 2014 and 2013, respectively, related to entering into and settling capped call options for the purchase of class B shares. As of December 31, 2014, we had outstanding options for the purchase of 1.7 million shares with an average strike price of $100.01 per share that will settle in the first and second quarters of 2015.

Deferred Compensation Obligations and Treasury Stock

We maintain a deferred compensation plan whereby certain employees were previously able to elect to defer the gains on stock option exercises by deferring the shares received upon exercise into a rabbi trust. The shares held in this trust are classified as treasury stock, and the liability to participating employees is classified as "deferred compensation obligations" in the shareowners' equity section of the consolidated balance sheets. The number of shares needed to settle the liability for deferred compensation obligations is included in the denominator in both the basic and diluted earnings per share calculations. Employees are generally no longer able to defer the gains from stock options exercised subsequent to December 31, 2004. Activity in the deferred compensation program for the years ended December 31, 2014, 2013 and 2012 is as follows (in millions):

NOTE 10. STOCK-BASED COMPENSATION

The UPS Incentive Compensation Plan permits the grant of nonqualified and incentive stock options, stock appreciation rights, restricted stock and stock units, and restricted performance shares and units, to eligible employees. The number of shares reserved for issuance under the Incentive Compensation Plan is 27 million. Each share issued pursuant to restricted stock units and restricted performance units (collectively referred to as "Restricted Units"), stock options and other permitted awards will reduce the share reserve by one share. We had 16 million shares available to be issued under the Incentive Compensation Plan as of December 31, 2014.

There are currently three primary awards granted to eligible employees under the UPS Incentive Compensation Plan, including the Management Incentive Award, Long-Term Incentive Performance Award and Non-Qualified Stock Option Award. These awards are discussed in the following paragraphs. The total expense recognized in our income statement under all stock compensation award programs was $536, $513 and $547 million during 2014, 2013 and 2012, respectively. The associated income tax benefit recognized in our income statement was $199, $190 and $201 million during 2014, 2013 and 2012, respectively. The cash income tax benefit received from the exercise of stock options and the lapsing of Restricted Units was $261, $286 and $265 million during 2014, 2013 and 2012, respectively.

Management Incentive Award

Non-executive management earning the right to receive the Management Incentive Award are determined annually by the Salary Committee, which is comprised of executive officers of the Company. Awards granted to executive officers are determined annually by the Compensation Committee of the UPS Board of Directors. Our Management Incentive Award program provides, with certain exceptions, that one-half to two-thirds of the annual Management Incentive Award will be made in Restricted Units (depending upon the level of management involved). The other one-third to one-half of the award is in the form of cash or unrestricted shares of class A common stock, and is fully vested at the time of grant.

Upon vesting, Restricted Units result in the issuance of the equivalent number of UPS class A common shares after required tax withholdings. Except in the case of death, disability, or retirement, Restricted Units granted for our Management Incentive Award generally vest over a five year period with approximately 20% of the award vesting at each anniversary date of the grant. The entire grant is expensed on a straight-line basis over the requisite service period. All Restricted Units granted are subject to earlier cancellation or vesting under certain conditions. Dividends earned on Restricted Units are reinvested in additional Restricted Units at each dividend payable date.

Long-Term Incentive Performance Award granted prior to 2014

We awarded Restricted Units in conjunction with our Long-Term Incentive Performance Award program to certain eligible employees. The Restricted Units ultimately granted under the Long-Term Incentive Performance Award program are based upon the achievement of certain performance measures, including growth in consolidated revenue and operating return on invested capital, each year during the performance award cycle, and other measures, including the achievement of an adjusted earnings per share target, over the entire three year performance award cycle. The Restricted Units granted under this program vest at the end of the three year performance award cycle, except in the case of death disability, or retirement, in which case immediate vesting occurs.

As of December 31, 2014, we had the following Restricted Units outstanding, including reinvested dividends, that were granted under our Management Incentive Award program and Long-Term Incentive Performance Award program (granted prior to 2014):

	Shares (in thousands)	Weighted Average Grant Date Fair Value	Weighted Average Remaining Contractual Term (in years)	Aggregate Intrinsic Value (in millions)
Nonvested at January 1, 2014	12,748	$ 74.60		
Vested	(6,455)	71.61		
Granted	5,064	92.35		
Reinvested Dividends	363	N/A		
Forfeited / Expired	(161)	81.73		
Nonvested at December 31, 2014	11,559	$ 82.58	1.39	$ 1,285
Restricted Units Expected to Vest	11,292	$ 82.62	1.38	$ 1,255

The fair value of each Restricted Unit is the NYSE closing price of class B common stock on the date of grant. The weighted-average grant date fair value of Restricted Units granted during 2014, 2013 and 2012 was $92.35, $80.18 and $77.21, respectively. The total fair value of Restricted Units vested was $579, $510 and $627 million in 2014, 2013 and 2012, respectively. As of December 31, 2014, there was $483 million of total unrecognized compensation cost related to nonvested Restricted Units. That cost is expected to be recognized over a weighted average period of three years.

Long-Term Incentive Performance Award granted in 2014

Beginning with the Long-Term Incentive Performance grant in 2014, the performance targets are equally-weighted among consolidated operating return on invested capital, growth in consolidated revenue, and total shareowner return relative to a peer group of companies. The Restricted Units granted under this award generally vest at the end of a three-year period (except in the case of death disability, or retirement, in which case immediate vesting occurs on a prorated basis). The number of Restricted Units earned will be based on the percentage achievement of the performance targets set forth on the grant date. The range of percentage achievement can vary from 0% to 200% of the target award.

For the two-thirds of the award related to consolidated operating return on invested capital and growth in consolidated revenue, we recognize the grant-date fair value of these units (less estimated forfeitures) as compensation expense ratably over the vesting period, based on the number of awards expected to be earned. The remaining one-third of the award related to total shareowner return relative to a peer group is valued using a Monte Carlo model. This portion of the award was valued at a share payout of 109.84% of the target grant, and is recognized as compensation expense (less estimated forfeitures) ratably over the vesting period.

As of December 31, 2014, we had the following Restricted Units outstanding, including reinvested dividends, that were granted under our 2014 Long-Term Incentive Performance Award:

	Shares (in thousands)	Weighted Average Grant Date Fair Value	Weighted Average Remaining Contractual Term (in years)	Aggregate Intrinsic Value (in millions)
Nonvested at January 1, 2014	—	$ —		
Vested	(28)	96.98		
Granted	932	96.98		
Reinvested Dividends	17	N/A		
Forfeited / Expired	(106)	96.98		
Nonvested at December 31, 2014	815	$ 96.98	2.08	$ 91
Performance Units Expected to Vest	777	$ 96.98	2.08	$ 86

The fair value of each Restricted Unit is the NYSE closing price of class B common stock on the date of grant. The weighted-average grant date fair value of Restricted Units granted during 2014 was $96.98. The total fair value of Restricted Units vested was $2 million in 2014. As of December 31, 2014, there was $54 million of total unrecognized compensation cost related to nonvested Restricted Units. That cost is expected to be recognized over a weighted average period of two years.

Nonqualified Stock Options

We maintain fixed stock option plans, under which options are granted to purchase shares of UPS class A common stock. Stock options granted in connection with the Incentive Compensation Plan must have an exercise price at least equal to the NYSE closing price of UPS class B common stock on the date the option is granted.

Executive officers and certain senior managers receive a non-qualified stock option grant annually, in which the value granted is determined as a percentage of salary. Options granted generally vest over a five year period with approximately 20% of the award vesting at each anniversary date of the grant. All options granted are subject to earlier cancellation or vesting under certain conditions. Option holders may exercise their options via the tender of cash or class A common stock, and new class A shares are issued upon exercise.

The following is an analysis of options to purchase shares of class A common stock issued and outstanding:

	Shares (in thousands)	Weighted Average Exercise Price	Weighted Average Remaining Contractual Term (in years)	Aggregate Intrinsic Value (in millions)
Outstanding at January 1, 2014	5,212	$ 73.73		
Exercised	(1,620)	72.52		
Granted	127	96.98		
Forfeited / Expired	(28)	72.82		
Outstanding at December 31, 2014	3,691	$ 75.07	2.85	$ 133
Options Vested and Expected to Vest	3,691	$ 75.07	2.85	$ 133
Exercisable at December 31, 2014	3,356	$ 74.20	2.35	$ 124

The fair value of each option grant is estimated using the Black-Scholes option pricing model. The weighted average assumptions used, by year, and the calculated weighted average fair values of options, are as follows:

	2014	2013	2012
Expected dividend yield	2.56%	2.75%	2.77%
Risk-free interest rate	2.40%	1.38%	1.63%
Expected life in years	7.5	7.5	7.5
Expected volatility	24.26%	24.85%	25.06%
Weighted average fair value of options granted	$ 20.48	$ 15.50	$ 14.88

Expected volatilities are based on the historical returns on our stock and the implied volatility of our publicly-traded options. The expected dividend yield is based on the recent historical dividend yields for our stock, taking into account changes in dividend policy. The risk-free interest rate is based on the term structure of interest rates at the time of the option grant. The expected life represents an estimate of the period of time options are expected to remain outstanding, and we have relied upon a combination of the observed exercise behavior of our prior grants with similar characteristics, the vesting schedule of the grants, and an index of peer companies with similar grant characteristics in estimating this variable.

We received cash of $85, $292 and $122 million during 2014, 2013 and 2012, respectively, from option holders resulting from the exercise of stock options. The total intrinsic value of options exercised during 2014, 2013 and 2012 was $47, $92 and $39 million, respectively. As of December 31, 2014, there was $1 million of total unrecognized compensation cost related to nonvested options. That cost is expected to be recognized over a weighted average period of 3 years and 2 months.

The following table summarizes information about stock options outstanding and exercisable at December 31, 2014:

	Options Outstanding			Options Exercisable

Discounted Employee Stock Purchase Plan

We maintain an employee stock purchase plan for all eligible employees. Under this plan, shares of UPS class A common stock may be purchased at quarterly intervals at 95% of the NYSE closing price of UPS class B common stock on the last day of each quarterly period. Employees purchased 0.9, 1.1 and 1.2 million shares at average prices of $95.67, $79.74 and $72.17 per share during 2014, 2013 and 2012, respectively. This plan is not considered to be compensatory, and therefore no compensation cost is measured for the employees' purchase rights.

NOTE 11. SEGMENT AND GEOGRAPHIC INFORMATION

We report our operations in three segments: U.S. Domestic Package operations, International Package operations and Supply Chain & Freight operations. Package operations represent our most significant business and are broken down into regional operations around the world. Regional operations managers are responsible for both domestic and export products within their geographic area.

U.S. Domestic Package

Domestic Package operations include the time-definite delivery of letters, documents and packages throughout the United States.

International Package

International Package operations include delivery to more than 220 countries and territories worldwide, including shipments wholly outside the United States, as well as shipments with either origin or destination outside the United States. Our International Package reporting segment includes the operations of our Europe, Asia, Americas and ISMEA (Indian Subcontinent, Middle East and Africa) operating segments.

Supply Chain & Freight

Supply Chain & Freight includes our forwarding and logistics operations, UPS Freight and other aggregated business units. Our forwarding and logistics business provides services in more than 195 countries and territories worldwide, and includes international air and ocean freight forwarding, customs brokerage, distribution and post-sales services, and mail and consulting services. UPS Freight offers a variety of LTL and TL services to customers in North America. Other aggregated business units within this segment include The UPS Store, UPS Capital and UPS Customer Solutions.

In evaluating financial performance, we focus on operating profit as a segment's measure of profit or loss. Operating profit is before investment income, interest expense and income taxes. The accounting policies of the reportable segments are the same as those described in the summary of accounting policies (see note 1), with certain expenses allocated between the segments using activity-based costing methods. Unallocated assets are comprised primarily of cash, marketable securities, and certain investment partnerships.

The income tax expense (benefit) for the years ended December 31 consists of the following (in millions):

Non-U.S.	818	634	590
	$ 4,637	$ 6,674	$ 974

A reconciliation of the statutory federal income tax rate to the effective income tax rate for the years ended December 31 consists of the following:

	2014	2013	2012
Statutory U.S. federal income tax rate	35.0%	35.0%	35.0%
U.S. state and local income taxes (net of federal benefit)	1.2	2.1	—
Non-U.S. tax rate differential	(2.4)	(1.3)	(6.1)
Nondeductible/nontaxable items	1.3	(0.2)	(0.4)
U.S. federal tax credits	(1.5)	(1.2)	(7.4)
Other	1.0	0.1	(4.0)
Effective income tax rate	34.6%	34.5%	17.1%

Our effective tax rate increased to 34.6% in 2014, compared with 34.5% in 2013, largely due to the impact of the gain from liquidating a foreign subsidiary in early 2013 not being taxable (see note 15), offset by favorable changes in the proportion of our taxable income in certain U.S. and non-U.S. jurisdictions relative to total pre-tax income and the increase in U.S. Federal and state tax credits relative to total pre-tax income.

Beginning in 2012, we were granted a tax incentive for certain of our non-U.S. operations, which is effective through December 31, 2017 and may be extended through December 31, 2022 if additional requirements are satisfied. The tax incentive is conditional upon our meeting specific employment and investment thresholds. The impact of this tax incentive decreased non-U.S. tax expense by $21 and $20 million for 2014 and 2013, respectively.

Deferred tax liabilities and assets are comprised of the following at December 31 (in millions):

Amounts recognized in the consolidated balance sheets:		
Current deferred tax assets	$ 590	$ 684
Current deferred tax liabilities (included in other current liabilities)	(18)	(48)
Non-current deferred tax assets	652	110
Non-current deferred tax liabilities	(83)	(1,244)
Net deferred tax asset (liability)	$ 1,141	$ (498)

The valuation allowance changed by $(43), $31 and $15 million during the years ended December 31, 2014, 2013 and 2012, respectively.

We have U.S. state and local operating loss and credit carryforwards as follows (in millions):

	2014	2013
U.S. state and local operating loss carryforwards	$ 815	$ 546
U.S. state and local credit carryforwards	$ 52	$ 42

The operating loss carryforwards expire at varying dates through 2034. The state credits can be carried forward for periods ranging from three years to indefinitely.

We also have non-U.S. loss carryforwards of approximately $586 million as of December 31, 2014, the majority of which may be carried forward indefinitely. As indicated in the table above, we have established a valuation allowance for certain non-U.S. and state carryforwards, due to the uncertainty resulting from a lack of previous taxable income within the applicable tax jurisdictions.

Undistributed earnings of foreign subsidiaries amounted to approximately $4.683 billion at December 31, 2014. Those earnings are considered to be indefinitely reinvested and, accordingly, no deferred income taxes have been provided thereon. Upon distribution of those earnings in the form of dividends or otherwise, we would be subject to income taxes and withholding taxes payable in various jurisdictions, which could potentially be offset by foreign tax credits. Determination of the amount of unrecognized deferred income tax liability is not practicable because of the complexities associated with its hypothetical calculation.

The following table summarizes the activity related to our unrecognized tax benefits (in millions):

	Tax	Interest	Penalties

The total amount of gross unrecognized tax benefits as of December 31, 2014, 2013 and 2012 that, if recognized, would affect the effective tax rate was $166, $185 and $224 million, respectively. We also had gross recognized tax benefits of $54, $281 and $280 million recorded as of December 31, 2014, 2013 and 2012, respectively, associated with outstanding refund claims for prior tax years. We had a net payable recorded with respect to prior years' income tax matters in the accompanying consolidated balance sheets as of December 31, 2014, and a net receivable recorded with respect to prior years' income tax matters as of December 31, 2013 and 2012. We have also recognized a receivable for interest of $4, $25 and $23 million for the recognized tax benefits associated with outstanding refund claims as of December 31, 2014, 2013 and 2012, respectively. Our continuing practice is to recognize interest and penalties associated with income tax matters as a component of income tax expense.

We file income tax returns in the U.S. federal jurisdiction, most U.S. state and local jurisdictions, and many non-U.S. jurisdictions. We have substantially resolved all U.S. federal income tax matters for tax years prior to 2010.

In June 2011, we received an IRS Revenue Agent Report ("RAR") covering income taxes for tax years 2005 through 2007. The income tax RAR proposed adjustments related to the value of acquired software and intangibles, research credit expenditures, and the amount of deductible costs associated with our British Pound Sterling Notes exchange offer completed in May 2007. Receipt of the RAR represents only the conclusion of the examination process. We disagreed with some of the proposed adjustments related to these matters. Therefore, we filed protests and, in the third quarter of 2011, the IRS responded to our protests and forwarded the case to IRS Appeals.

In July 2013, we began resolution discussions with IRS Appeals on the income tax matters. In the second quarter of 2014, we reached a final resolution with IRS Appeals on all income tax matters for the 2005 through 2007 tax years and received a net refund of tax and interest totaling $145 million during the second quarter of 2014. The resolution of these matters and subsequent refund of tax and interest did not have a material impact on net income.

In February 2014, we began resolution discussions with IRS Appeals related to an RAR received for tax years 2008 and 2009. In the third quarter of 2014, we reached a final resolution with IRS Appeals on all income tax matters for the 2008 and 2009 tax years. In the fourth quarter of 2014 we received a net refund of tax and interest totaling $26 million. The resolution of these matters and subsequent refund of tax and interest did not have a material impact on net income.

A number of years may elapse before an uncertain tax position is audited and ultimately settled. It is difficult to predict the ultimate outcome or the timing of resolution for uncertain tax positions. It is reasonably possible that the amount of unrecognized tax benefits could significantly increase or decrease within the next twelve months. Items that may cause changes to unrecognized tax benefits include the timing of interest deductions and the allocation of income and expense between tax jurisdictions. These changes could result from the settlement of ongoing litigation, the completion of ongoing examinations, the expiration of the statute of limitations or other unforeseen circumstances. At this time, an estimate of the range of the reasonably possible change cannot be made.

NOTE 13. EARNINGS PER SHARE

The following table sets forth the computation of basic and diluted earnings per share (in millions, except per share amounts):

	2014	2013	2012
Numerator:			
Net income attributable to common shareowners	$ 3,032	$ 4,372	$ 807
Denominator:			
Weighted average shares	913	937	957
Deferred compensation obligations	1	1	1
Vested portion of restricted shares	2	2	2
Denominator for basic earnings per share	916	940	960
Effect of dilutive securities:			
Restricted performance units	7	7	8
Stock options	1	1	1
Denominator for diluted earnings per share	924	948	969
Basic earnings per share	$ 3.31	$ 4.65	$ 0.84
Diluted earnings per share	$ 3.28	$ 4.61	$ 0.83

Diluted earnings per share for the years ended December 31, 2014, 2013, and 2012 exclude the effect of 0.1, 0.1 and 2.6 million shares, respectively, of common stock that may be issued upon the exercise of employee stock options because such effect would be antidilutive.

NOTE 14. DERIVATIVE INSTRUMENTS AND RISK MANAGEMENT

Risk Management Policies

We are exposed to market risk, primarily related to foreign exchange rates, commodity prices and interest rates. These exposures are actively monitored by management. To manage the volatility relating to certain of these exposures, we enter into a variety of derivative financial instruments. Our objective is to reduce, where it is deemed appropriate to do so, fluctuations in earnings and cash flows associated with changes in foreign currency rates, commodity prices and interest rates. It is our policy and practice to use derivative financial instruments only to the extent necessary to manage exposures. As we use price sensitive instruments to hedge a certain portion of our existing and anticipated transactions, we expect that any loss in value for those instruments generally would be offset by increases in the value of those hedged transactions. We do not hold or issue derivative financial instruments for trading or speculative purposes.

Credit Risk Management

The forward contracts, swaps and options discussed below contain an element of risk that the counterparties may be unable to meet the terms of the agreements. However, we minimize such risk exposures for these instruments by limiting the counterparties to financial institutions that meet established credit guidelines and monitoring counterparty credit risk to prevent concentrations of credit risk with any single counterparty.

We have agreements with all of our active counterparties (covering the majority of our derivative positions) containing early termination rights and/or zero threshold bilateral collateral provisions whereby cash is required based on the net fair value of derivatives associated with those counterparties. Events such as a counterparty credit rating downgrade (depending on the ultimate rating level) could also allow us to take additional protective measures such as the early termination of trades. At December 31, 2014, we held cash collateral of $548 million under these agreements.

In connection with the agreements described above, we could also be required to provide additional collateral or terminate transactions with certain counterparties in the event of a downgrade of our credit rating. The amount of collateral required would be determined by the net fair value of the associated derivatives with each counterparty. At December 31, 2014, we were required to post $1 million in collateral with our counterparties. At December 31, 2014, there were no instruments in a net liability position that were not covered by the zero threshold bilateral collateral provisions.

We have not historically incurred, and do not expect to incur in the future, any losses as a result of counterparty default.

Accounting Policy for Derivative Instruments

We recognize all derivative instruments as assets or liabilities in the consolidated balance sheets at fair value. The accounting for changes in the fair value of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, we must designate the derivative, based upon the exposure being hedged, as a cash flow hedge, a fair value hedge or a hedge of a net investment in a foreign operation.

A cash flow hedge refers to hedging the exposure to variability in expected future cash flows that is attributable to a particular risk. For derivative instruments that are designated and qualify as a cash flow hedge, the effective portion of the gain or loss on the derivative instrument is reported as a component of AOCI, and reclassified into earnings in the same period during which the hedged transaction affects earnings. The remaining gain or loss on the derivative instrument in excess of the cumulative change in the present value of future cash flows of the hedged item, or hedge components excluded from the assessment of effectiveness, are recognized in the statements of consolidated income during the current period.

A fair value hedge refers to hedging the exposure to changes in the fair value of an existing asset or liability on the consolidated balance sheets that is attributable to a particular risk. For derivative instruments that are designated and qualify as a fair value hedge, the gain or loss on the derivative instrument is recognized in the statements of consolidated income during the current period, as well as the offsetting gain or loss on the hedged item.

A net investment hedge refers to the use of cross currency swaps, forward contracts or foreign currency denominated debt to hedge portions of our net investments in foreign operations. For hedges that meet the effectiveness requirements, the net gains or losses attributable to changes in spot exchange rates are recorded in the cumulative translation adjustment within AOCI. The remainder of the change in value of such instruments is recorded in earnings.

Types of Hedges

Commodity Risk Management

Currently, the fuel surcharges that we apply to our domestic and international package and LTL services are the primary means of reducing the risk of adverse fuel price changes on our business. We periodically enter into option contracts on energy commodity products to manage the price risk associated with forecasted transactions involving refined fuels, principally jet-A, diesel and unleaded gasoline. The objective of the hedges is to reduce the variability of cash flows, due to changing fuel prices, associated with the forecasted transactions involving those products. We have designated and account for these contracts as cash flow hedges of the underlying forecasted transactions involving these fuel products and, therefore, the resulting gains and losses from these hedges are recognized as a component of fuel expense or revenue when the underlying transactions occur.

Foreign Currency Risk Management

To protect against the reduction in value of forecasted foreign currency cash flows from our international package business, we maintain a foreign currency cash flow hedging program. Our most significant foreign currency exposures relate to the Euro, British Pound Sterling, Canadian Dollar, Chinese Renminbi and Hong Kong Dollar. We hedge portions of our forecasted revenue denominated in foreign currencies with option contracts. We have designated and account for these contracts as cash flow hedges of anticipated foreign currency denominated revenue and, therefore, the resulting gains and losses from these hedges are recognized as a component of international package revenue when the underlying sales transactions occur.

We also hedge portions of our anticipated cash settlements of intercompany transactions subject to foreign currency remeasurement using foreign currency forward contracts. We have designated and account for these contracts as cash flow hedges of forecasted foreign currency denominated transactions, and therefore the resulting gains and losses from these hedges are recognized as a component of other operating expense when the underlying transactions are subject to currency remeasurement.

We have foreign currency denominated debt obligations and capital lease obligations associated with our aircraft. For some of these debt obligations and leases, we hedge the foreign currency denominated contractual payments using cross-currency interest rate swaps, which effectively convert the foreign currency denominated contractual payments into U.S. Dollar denominated payments. We have designated and account for these swaps as cash flow hedges of the forecasted contractual payments and, therefore, the resulting gains and losses from these hedges are recognized in the statements of consolidated income when the currency remeasurement gains and losses on the underlying debt obligations and leases are incurred.

Interest Rate Risk Management

Our indebtedness under our various financing arrangements creates interest rate risk. We use a combination of derivative instruments, including interest rate swaps and cross-currency interest rate swaps, as part of our program to manage the fixed and floating interest rate mix of our total debt portfolio and related overall cost of borrowing. The notional amount, interest payment and maturity dates of the swaps match the terms of the associated debt being hedged. Interest rate swaps allow us to maintain a target range of floating rate debt within our capital structure.

We have designated and account for interest rate swaps that convert fixed rate interest payments into floating rate interest payments as hedges of the fair value of the associated debt instruments. Therefore, the gains and losses resulting from fair value adjustments to the interest rate swaps and fair value adjustments to the associated debt instruments are recorded to interest expense in the period in which the gains and losses occur. We have designated and account for interest rate swaps that convert floating rate interest payments into fixed rate interest payments as cash flow hedges of the forecasted payment obligations. The gains and losses resulting from fair value adjustments to these interest rate swaps are recorded to AOCI.

We periodically hedge the forecasted fixed-coupon interest payments associated with anticipated debt offerings, using forward starting interest rate swaps, interest rate locks or similar derivatives. These agreements effectively lock a portion of our interest rate exposure between the time the agreement is entered into and the date when the debt offering is completed, thereby mitigating the impact of interest rate changes on future interest expense. These derivatives are settled commensurate with the issuance of the debt, and any gain or loss upon settlement is amortized as an adjustment to the effective interest yield on the debt.

Outstanding Positions

The notional amounts of our outstanding derivative positions were as follows as of December 31, 2014 and 2013 (in millions):

		2014	2013

As of December 31, 2014, we had no outstanding commodity hedge positions. The maximum term over which we are hedging exposures to the variability of cash flow is 35 years.

Balance Sheet Recognition

The following table indicates the location on the consolidated balance sheets in which our derivative assets and liabilities have been recognized, and the related fair values of those derivatives as of December 31, 2014 and 2013 (in millions). The table is segregated between those derivative instruments that qualify and are designated as hedging instruments and those that are not, as well as by type of contract and whether the derivative is in an asset or liability position.

We have master netting arrangements with substantially all of our counterparties giving us the right of offset for our derivative positions. However, we have not elected to offset the fair value positions of our derivative contracts recorded on our consolidated balance sheets. The columns labeled "net amounts if right of offset had been applied" indicate the potential net fair value positions by type of contract and location on the consolidated balance sheets had we elected to apply the right of offset.

Income Statement and AOCI Recognition

The following table indicates the amount of gains and losses that have been recognized in AOCI for the years ended December 31, 2014 and 2013 for those derivatives designated as cash flow hedges (in millions):

	Amount of Gain (Loss) Recognized in AOCI on Derivative (Effective Portion)	
Derivative Instruments in Cash Flow Hedging Relationships	**2014**	**2013**
Interest rate contracts	$ (5)	$ 6
Foreign exchange contracts	358	44
Commodity contracts	—	(48)
Total	$ 353	$ 2

As of December 31, 2014, $135 million of pre-tax gains related to cash flow hedges that are currently deferred in AOCI are expected to be reclassified to income over the 12 month period ended December 31, 2015. The actual amounts that will be reclassified to income over the next 12 months will vary from this amount as a result of changes in market conditions.

The amount of ineffectiveness recognized in income on derivative instruments designated in cash flow hedging relationships was immaterial for the years ended December 31, 2014, 2013 and 2012.

The following table indicates the amount and location in the statements of consolidated income in which derivative gains and losses, as well as the associated gains and losses on the underlying exposure, have been recognized for those derivatives designated as fair value hedges for the years ended December 31, 2014 and 2013 (in millions):

Derivative Instruments in Fair Value Hedging Relationships	Location of Gain (Loss) Recognized in Income	Amount of Gain (Loss) Recognized in Income		Hedged Items in Fair Value Hedging Relationships	Location of Gain (Loss) Recognized in Income	Amount of Gain (Loss) Recognized in Income	
		2014	2013			2014	2013
Interest rate contracts	Interest Expense	$ 90	$ (306)	Fixed-Rate Debt and Capital Leases	Interest Expense	$ (90)	$ 306

Additionally, we maintain some foreign exchange forward, interest rate swap, and commodity contracts that are not designated as hedges. These foreign exchange forward contracts are intended to provide an economic offset to foreign currency remeasurement risks for certain assets and liabilities in our consolidated balance sheets. These interest rate swap contracts are intended to provide an economic hedge of a portfolio of interest bearing receivables. These commodity contracts are intended to provide a short-term economic offset to fuel expense changes due to price fluctuations.

We also periodically terminate interest rate swaps and foreign currency options by entering into offsetting swap and foreign currency positions with different counterparties. As part of this process, we de-designate our original swap and foreign currency contracts. These transactions provide an economic offset that effectively eliminates the effects of changes in market valuation.

We have entered into several interest rate basis swaps, which effectively convert cash flows based on variable LIBOR-based interest rates to cash flows based on the prevailing federal funds interest rate. These swaps are not designated as hedges, and all amounts related to fair value changes and settlements are recorded to interest expense in the statements of consolidated income.

The following is a summary of the amounts recorded in the statements of consolidated income related to fair value changes and settlements of these foreign currency forward, interest rate swap, and commodity contracts not designated as hedges for the years ended December 31, 2014 and 2013 (in millions):

Derivative Instruments Not Designated in Hedging Relationships	Location of Gain (Loss) Recognized in Income	Amount of Gain (Loss) Recognized in Income

Foreign exchange contracts	Investment Income	7	(5)
Interest rate contracts	Interest Expense	(5)	(4)

Fair Value Measurements

Our foreign currency, interest rate and energy derivatives are largely comprised of over-the-counter derivatives, which are primarily valued using pricing models that rely on market observable inputs such as yield curves, currency exchange rates and commodity forward prices, and therefore are classified as Level 2. The fair values of our derivative assets and liabilities as of December 31, 2014 and 2013 by hedge type are as follows (in millions):

NOTE 15. TERMINATION OF TNT TRANSACTION

TNT Termination Fee and Related Costs

On January 30, 2013, the European Commission issued a formal decision prohibiting our proposed acquisition of TNT Express N.V. ("TNT Express"). As a result of the prohibition by the European Commission, the condition of our offer requiring European Union competition clearance was not fulfilled, and our proposed acquisition of TNT Express could not be completed. Given this outcome, UPS and TNT Express entered a separate agreement to terminate the merger protocol, and we withdrew our formal offer for TNT Express. We paid a termination fee to TNT Express of €200 million ($268 million) under this agreement, and also incurred transaction-related expenses of $16 million during the first quarter of 2013. The combination of these items resulted in a pre-tax charge of $284 million ($177 million after-tax), which impacted our International Package segment.

Gain upon the Liquidation of a Foreign Subsidiary

Subsequent to the termination of the merger protocol, we liquidated a foreign subsidiary that would have been used to acquire the outstanding shares of TNT Express in connection with the proposed acquisition. Upon the liquidation of this subsidiary in the first quarter of 2013, we realized a pre-tax foreign currency gain of $245 million ($213 million after-tax), which impacted our International Package segment.

Operating profit for the quarter ended December 31, 2014 was impacted by two items, as follows:

- A mark-to-market loss of $1.062 billion on our pension and postretirement benefit plans related to the remeasurement of plan assets and liabilities recognized outside of a 10% corridor (allocated as follows—U.S. Domestic Package $660 million, International Package $200 million, Supply Chain & Freight $202 million). This loss reduced net income by $670 million, and basic and diluted earnings per share by $0.74.

- A pre-tax charge of $36 million associated with the remeasurement and settlement of postretirement health and welfare benefit obligations for certain employees covered by collective bargaining agreements (allocated as follows—U.S. Domestic Package $33 million, International Package $1 million, Supply Chain & Freight $2 million). This charge reduced net income by $22 million, and basic and diluted earnings per share by $0.02.

Operating profit for the quarter ended June 30, 2014 was impacted by a pre-tax charge of $1.066 billion associated with curtailment, remeasurement and settlement of postretirement health and welfare benefit obligations for certain employees covered by collective bargaining agreements (allocated as follows—U.S. Domestic Package $957 million, International Package $27 million, Supply Chain & Freight $82 million). This charge reduced net income by $665 million, and basic and diluted earnings per share by $0.73 and $0.72, respectively.

The curtailment, remeasurement and settlement charges described above that impacted the quarters ended June 30, 2014 and December 31, 2014 are discussed further in note 5.

Operating profit for the quarter ended March 31, 2013 was impacted by two items: (1) The termination fee and transaction-related expenses for our proposed acquisition of TNT Express, and (2) The foreign currency gain realized upon the liquidation of a subsidiary that would have been used to acquire the shares of TNT Express. These two items are discussed further in note 15. The combination of these two items reduced the operating profit for the International Package segment by $39 million, increased net income by $36 million, and increased basic and diluted earnings per share by $0.04.

Item 9. ***Changes in and Disagreements with Accountants on Accounting and Financial Disclosure***

None.

Item 9A. ***Controls and Procedures***

Evaluation of Disclosure Controls and Procedures:

As of the end of the period covered by this report, management, including our chief executive officer and chief financial officer, evaluated the effectiveness of the design and operation of our disclosure controls and procedures and internal controls over financial reporting. Based upon, and as of the date of, the evaluation, our chief executive officer and chief financial officer concluded that the disclosure controls and procedures were effective to ensure that information required to be disclosed in the reports we file and submit under the Exchange Act is recorded, processed, summarized and reported as and when required and is accumulated and communicated to our management, including the Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control:

There were no changes in the Company's internal controls over financial reporting during the quarter ended December 31, 2014 that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Management's Report on Internal Control Over Financial Reporting:

UPS management is responsible for establishing and maintaining adequate internal controls over financial reporting for United Parcel Service, Inc. and its subsidiaries (the "Company"). The independent registered public accounting firm of Deloitte & Touche LLP, as auditors of the consolidated balance sheets of United Parcel Service, Inc. and its subsidiaries as of December 31, 2014 and the related statements of consolidated income, consolidated comprehensive income and consolidated cash flows for the year ended December 31, 2014, has issued an attestation report on the Company's internal control over financial reporting, which is included herein.

Report of Independent Registered Public Accounting Firm

Board of Directors and Shareowners
United Parcel Service, Inc.
Atlanta, Georgia

We have audited the internal control over financial reporting of United Parcel Service, Inc. and subsidiaries (the "Company") as of December 31, 2014, based on criteria established in *Internal Control—Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed by, or under the supervision of, the company's principal executive and principal financial officers, or persons performing similar functions, and effected by the company's board of directors, management, and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may not be prevented or detected on a timely basis. Also, projections of any evaluation of the effectiveness of the internal control over financial reporting to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2014, based on the criteria established in *Internal Control—Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated financial statements as of and for the year ended December 31, 2014 of the Company and our report dated February 27, 2015 expressed an unqualified opinion on those financial statements.

LITIGATION DISCLOSURES

Certain Area Franchisees were involved in the following disclosable litigation. Except as described below, no litigation about our Area Franchisees is required to be disclosed in Item 3 of the disclosure document.

1. Morgate LLC, et al. vs. Mail Boxes Etc., Inc.; BSG Holdings Inc.; BSG Holdings Subsidiary Inc.; United Parcel Service, Inc., a Delaware Corporation; United Parcel Service, Inc., an Ohio Corporation; United Parcel Service, Inc., a New York Corporation; Garcher Enterprises, Inc.; Gary and Cheryl Williams; and Rocky Romanella (Superior Court for the State of California, County of Los Angeles, Case No. BC 294647, filed April 25, 2003). Six franchisees and a franchisee association originally filed a complaint against United Parcel Service, Inc. ("UPS"), several officers of UPS, and an area franchisee, but not us, alleging that UPS, in implementing the program under which most franchisees re-branded their Mail Boxes Etc. stores as "The UPS Store," violated California, New York, and Illinois franchise laws, the Massachusetts unfair trade practices act, and Section 17200 of the California Business and Professions Code and committed tortious interference. In the early stages of the lawsuit, plaintiffs sought a preliminary injunction to enjoin, among other things, the continued offering of the franchise agreement amendment by which franchisees re-branded as The UPS Store and also sought rescission and damages for the franchisees who had re-branded. The court denied the plaintiffs' motion for a preliminary injunction. Plaintiffs subsequently filed a 3rd amended complaint which, among other things, removed the franchisee association as a plaintiff and added some defendants, including us. The 4th amended complaint included over 100 additional plaintiff-franchisees and added breach of contract and state franchise or deceptive trade practices/unfair competition law claims. It also alleged class action claims on behalf of The UPS Store franchisees. We and UPS filed a motion to strike and demurrer to the 7th amended complaint, which had added over a half-dozen common law tort causes of action. The court granted our motion. Plaintiffs sought a writ from the Court of Appeal regarding certain claims that the trial court had dismissed in the 6th and 7th amended complaints. In March of 2005, the Morgate plaintiffs offered to dismiss their lawsuit against Garcher and the Williams. Both Garcher and the Williams were dismissed with prejudice from the lawsuit. Some of the Morgate plaintiffs had alleged causes of action against Garcher and the Williams which included claims of misrepresentation. The parties agreed to the dismissal in exchange for the Williams and Garcher agreeing to release, among other claims, potential claims they had against the Morgate plaintiffs who had sued them. On July 26, 2005, the Court of Appeal issued an order affirming the demurrers on certain causes of action brought under the California Franchise Investment Law ("CFIL") as to those plaintiffs who did not sign the amendment by which franchisees re-branded as The UPS Store. The Court of Appeal overruled the demurrer to the tortious interference with contractual relations cause of action, concluding that certain price and service allegations in the 6th and 7th amended complaints should not have been stricken. Plaintiffs subsequently filed 8th, 9th, and 10th amended complaints, which modified certain allegations and plaintiffs. We and UPS answered the 10th amended complaint filed on January 11, 2006.

On December 1, 2005, plaintiffs filed a motion for preliminary injunction, seeking to enjoin us from requiring those plaintiffs whose franchise agreements were up for renewal to re-brand as The UPS Store as a condition of renewal. We successfully defeated that preliminary injunction motion. On July 14,

2006, plaintiffs filed a motion for class certification, which the court denied. The Court of Appeal reversed the superior court's order denying class certification on October 18, 2007. In the meantime, on July 17, 2006, we and the other defendants filed motions for summary judgment against 43 plaintiffs. On November 21, 2006, the superior court granted us summary judgment as to 3 plaintiffs who were scheduled for trial in November 2006. On April 3, 2007, the superior court awarded us and the other defendants $261,355 in attorneys' fees and also stayed the action until the plaintiffs' appeal from the November 2006 summary judgment was decided. On May 23, 2008, the California Court of Appeal reversed the superior court's summary judgment award. The Court of Appeal did not conclude that we and the other defendants had engaged in any wrongdoing. Rather, it held that there were certain triable issues of fact.

On October 10, 2008, plaintiffs filed a new motion for class certification, which defendants opposed. The matter was continued several times. Ultimately, on October 30, 2009, the court certified a nationwide class of former Mail Boxes Etc. Center franchisees who converted to The UPS Store Centers on or before March 21, 2003. The defendants filed a motion for summary judgment that was granted. The class representative filed an appeal. The Court of Appeal reversed the ruling and remanded to the trial court for further proceedings.

On September 3, 2008, the trial court set a trial date of February 17, 2009 as to three plaintiffs who did not convert to The UPS Store, which subsequently was extended and ultimately vacated. The court allowed defendants to file new motions for summary judgment or summary adjudication against the first three plaintiffs and one additional plaintiff with a 2001 franchise agreement, which they did on October 3, 2008. In the course of briefing, the first three trial plaintiffs voluntarily dismissed their claims under California consumer protection statutes. At a hearing on January 5, 2009, the court denied the motions for summary judgment against the first three plaintiffs. At a hearing on February 25, 2009, the court denied the motion directed to the plaintiff with a 2001 agreement.

The court thereafter issued an order severing one issue of contract interpretation for a bench trial. That trial was conducted on August 3 and 4, 2009. On October 30, 2009, the court issued a final ruling that we did not breach the franchise agreement by requiring franchisees to execute a The UPS Store franchise agreement as a condition of renewal. The court stayed the case until January 13, 2010 so that Plaintiffs could, if they wished, seek immediate appellate review of that ruling. Plaintiffs filed a petition for writ review on November 25, 2009. The Court of Appeal denied the writ petition. On February 10, 2010, the court set a trial date of April 26, 2010 for the first three plaintiffs with 1993 form franchise agreements. Shortly before the trial was to begin, the trial court ruled that most of the opinions of plaintiffs' damages expert were inadmissible. One of the three plaintiffs then dismissed all of its claims except its claim that we did not have the right to require it to execute a The UPS Store franchise agreement as a condition of renewal, and allowed judgment to be entered against it. That plaintiff filed an appeal. On November 8, 2011, the Court of Appeal affirmed the trial court ruling. On February 21, 2012, McDougal filed a Petition for Review with the California Supreme Court, which denied the petition. Jurisdiction was returned to the trial court for further proceedings regarding the remaining plaintiffs. On March 4 and 5, 2013, the parties participated in a settlement conference and reached a settlement in which 143 franchised centers would be paid $4,200,000. The settlement was finalized on or about October 31, 2013. The claims of the class are not part of the settlement, and those claims remain pending. On March 31, 2014, plaintiff filed a Thirteenth Amended Complaint alleging various misrepresentation claims based on California common and statutory law. The court has set a trial date of February 1, 2016, to try the claim of the class representative. After that trial is complete, the court will determine whether and how the claims of the class can be tried. We intend to defend this action vigorously.

2. Triple Z Postal Services, Inc. v. United Parcel Service, Inc., Mail Boxes, Etc., Inc., Atlantic Mailboxes, Inc. and Tripp Singer (Supreme Court of New York County, New York, Index No.

05/118057, filed December 30, 2005). Plaintiff, a former franchisee, sued us, UPS, and the area franchisee asserting claims for tortious interference with contract, tortious interference with prospective business advantage, fraud, fraudulent misrepresentation, and violation of Sections 340 and 349 of New York's General Business Law (New York's Donnelly Act and Consumer Protection Act, respectively). Plaintiff alleged that implementing the Gold Shield Program breached the franchise agreement; however, it did not assert a breach of contract claim. Plaintiff sought compensatory, treble and punitive damages from UPS, us and/or the area franchisee totaling approximately $54 million, attorneys' fees, a declaration that the Gold Shield Program is illegal, the voiding of all Gold Shield Amendments in New York, and an injunction against further Gold Shield Amendments in New York. On November 28, 2006, the Court granted our and UPS's motions to dismiss the entire case for improper venue. Plaintiff re-filed the action in San Diego Superior Court on December 29, 2006 and filed a notice of appeal from the dismissal order on January 2, 2007. Triple Z did not name Tripp Singer or Atlantic Mailboxes Inc. as defendants in the California action. This case was related to the Morgate case above and the parties stipulated to a stay of the action pending resolution of the appeal from summary judgment in Morgate. After the appeal in Morgate was resolved in favor of TUPSS and UPS, we and Triple Z participated in a settlement conference on October 29, 2013, at which we settled the case with a payment to Triple Z of $21,000.

3. PCTAN Investment Inc., et al. v. Mail Boxes Etc., Inc., a Delaware corporation; N2, Inc., a California corporation; and Navnit Bhalla, an individual (Superior Court of California, San Mateo County, Case No.: CIV 459177, filed November 28, 2006). Plaintiff was a franchisee who alleged that it purchased a The UPS Store from defendants based on misrepresentations and omissions. Plaintiff maintained that substantial risk factors such as competition from United Parcel Service were not disclosed, that certain contractual obligations including relating to shipping prices were not met, and that we terminated the franchise without good cause. Plaintiff alleged breach of contract, fraud, negligent misrepresentation, violations of the California Franchise Investment Law; violations of the California Franchise Investment Act and violations of the California Business & Professions Code section 17200. On October 19, 2007 we filed a motion for summary judgment. Before the summary judgment motion was heard, the parties agreed to resolve the dispute for the sole purpose of compromising and settling disputed claims. Resolution of this matter did not constitute an admission of the truth or correctness of any claims asserted. Under the terms of the settlement, we agreed to pay plaintiffs $100,000.

4. Beverly J. Fisher, Edgar D. Evans and E & B Enterprises, Inc. v. Lawrence J. Rogoff, Lisa W. Rogoff, Lawrence J. Rogoff, Inc. and Cost Club Wholesale, Inc. (CV 2003-019117, Superior Court of the State of Arizona, filed on or about October 7, 2003). A prospective franchisee sued an Area Franchisee for breach of contract, consumer fraud, common law fraud, breach of fiduciary duty, and conversion in connection with the proposed transfer of a franchised store. The prospective franchisee alleged, among other things, that the defendants concealed certain brand and price testing activities that led to changes in the franchise system which the prospective franchisee claimed diminished the value of the franchised business it was seeking to purchase. The complaint sought restitution of $163,716, prejudgment interest, unspecified amount of compensatory and punitive damages, a constructive trust, and attorneys' fees. We were not a party in the action. The matter settled on or about July 7, 2005 through a payment by the Area Franchisee (who had re-sold the business but had not paid plaintiff the funds from the sale) of $175,000 (to which we contributed $17,000).

5. Shrejee Corporation and Punam Patel v. Nanvit Bhalla, Neelam Bhalla and Mail Boxes Etc., Inc. (Superior Court of San Mateo County, California, Case No. CIV 449614, filed September 15, 2005). Plaintiffs, former franchisees, asserted claims for breach of contract, general negligence, breach of fiduciary duty, and violation of Cal. Bus. & Prof. Code § 17200 arising out of a finder agreement entered into between plaintiffs and their area franchisees. Plaintiffs alleged that the area franchisees breached the finder agreement and acted as unlicensed business opportunity brokers in violation of California law and that we were vicariously liable for the area franchisees' actions. Plaintiffs sought unspecified damages in

excess of $25,000, attorneys' fees, and treble and exemplary damages. On February 8, 2006, the court dismissed plaintiffs' claim against us for breach of fiduciary duty without leave to amend and plaintiffs' claim against us for negligence with leave to amend. The court also struck plaintiffs' requests for treble and exemplary damages. The parties agreed to resolve the dispute for the sole purpose of compromising and settling disputed claims. The resolution did not constitute an admission of the truth or correctness of any claims asserted by either party. Under the settlement, we agreed to pay plaintiffs $37,500.

6. 3A, Inc., Tanmor, Inc., Ridgepac, Inc., Ridge Assets, Inc., Ridgedown, Inc., Tommys Doc Squad, LLC, Ridge Logistics, LLC, Ridge Pen, LLC, Tompack, LLC, Bigpack, LLC, Robpack, LLC, NYPS, LLC, Robert Hagan and Thomas Hagan v. Atlantic Mailboxes, Inc., and Tripp Singer (Supreme Court of the State of New York, County of New York, Index. No. 650013/14, filed January 3, 2014). Former franchisees and their affiliates sued an Area Franchisee and another franchisee for tortious interference with business relations, defamation, violation of New York General Business Law §687, negligent misrepresentation, and fraud. The plaintiffs allege, among other things, that the defendants inaccurately reported to us that the plaintiffs' centers were charging in excess of UPS retail rates in breach of their franchise agreements and contract carrier agreements. The plaintiffs also claim that the Area Franchisee allegedly did not disclose to them that other franchisees had purportedly artificially inflated sales data as a result of alleged billing discrepancies. The complaint seeks $20,000,000 in compensatory damages, $50,000,000 in punitive damages, and attorneys' fees. We are not a party to the action. On March 19, 2014, the defendants moved to dismiss all of the plaintiffs' claims. On November 7, 2014, the Court granted the defendants' motion to dismiss. On December 19, 2014, the plaintiffs filed an amended complaint, asserting only claims of tortious interference with business relations and defamation and only against the Area Franchisee. On February 3, 2015, the Area Franchisee moved to dismiss the amended complaint. As of May 12, 2015, the motion to dismiss was fully submitted to the Court. Oral argument has been set for December 1, 2015. No discovery is taking place.

7. Morton, LLC v. The UPS Store, Inc., United Parcel Service Company, Inc., Flannery Investment Group, Inc., and Jeffrey H. Flannery *et al.* (Circuit Court of Shelby County, Alabama, Case No. 58-CV-2015-900813.00, filed September 10, 2015). Plaintiff, a current The UPS Store® franchisee with two Centers in Alabama, filed a complaint alleging that its decision to purchase its second The UPS Store® Center franchise was based on fraudulent misrepresentations and the concealment of facts by the defendants. Plaintiff claims that before acquiring its second The UPS Store® Center franchise, our area franchisee had affirmed that the plaintiff would be the only United Parcel Service Authorized Shipping Outlet ("ASO") in the plaintiff's geographical territory and that an ASO and a The UPS Store® franchise location would not open in the same area. Plaintiff claims that only after signing the franchise agreement for its second The UPS Store® Center did it learn that another entity had rights as an ASO in the same geographic territory. Plaintiff asserts that the defendants concealed this fact to induce the plaintiff to sign a franchise agreement believing it had exclusive rights in the geographic territory. Plaintiff seeks an unspecified amount of costs and compensatory and punitive damages. The defendants intend to defend this action vigorously.

3. Security Interest in Proceeds

Franchisee also hereby grants and transfers to Secured Party a security interest in any and all proceeds, as defined in Section 9306 of the Uniform Commercial Code of California, of the Collateral or any part of the Collateral. Provided, however, that nothing in this paragraph shall constitute, or be deemed to constitute, a grant of authority to Franchisee to sell, lease, or otherwise dispose of or encumber the Collateral, or any part of the Collateral, without the prior written consent of Secured Party, except for inventory or stock in trade sold in the ordinary course of business.

4. Representations and Warranties by Franchisee

Franchisee hereby represents and warrants and covenants to Secured Party that:

a. Except for the security interest created by this Security Agreement, Franchisee is the full legal and equitable owner of all the Collateral and no other person or entity has any right, title, interest or claim in or to the Collateral or any part of the Collateral, other than a purchase money security interest in which Franchisee shall notify Secured Party within five (5) days of any interest in any part of the Collateral.

b. The Collateral described in paragraph 2 of this Security Agreement is presently located at Franchisee's franchise location(s) except to the extent such Collateral is a general intangible or contract such as the Franchise Agreement and will not, during the continuance of this Security Agreement, be removed from those premises without the prior written consent of the Secured Party.

c. If a corporation, Franchisee has been duly incorporated and is existing as a corporation in good standing under the laws of its jurisdiction and has authority to enter into and perform this Security Agreement.

d. Franchisee utilizes no trade names in the conduct of its business, except as stated above and in its Franchise Agreement with Secured Party, and has not changed its name, been the surviving entity in a merger, or acquired any other business.

e. Franchisee will not change its corporate name, trade name, or transfer its interest in the same without notifying Secured Party five (5) business days prior to such event and shall not violate any obligations of its Franchise Agreement with respect thereto.

5. Repair of Collateral

To the extent such Collateral is tangible, Franchisee shall maintain the Collateral, and each part of the Collateral, in good order and repair at Franchisee's own cost and expense and

shall never use the Collateral, or any part of the Collateral, in a manner resulting, or likely to result, in waste or unreasonable deterioration of the Collateral.

6. Insurance

To the extent such Collateral is tangible, and until final termination of this Security Agreement, Franchisee, at Franchisee's own cost and expense, shall keep the Collateral, and all parts of the Collateral, insured for its full value against damage or loss resulting from any and all risks to which it might foreseeably be exposed and risks designated by Secured Party. Each such policy of insurance shall be issued by an insurance company acceptable to Secured Party and shall provide for the loss payable under it being paid to both Franchisee and Secured Party as their interests may appear. A duplicate copy of each such policy shall be delivered by Franchisee to Secured Party.

7. Taxes and Assessments

Franchisee shall pay from its own funds, as they become due, any and all taxes and assessments levied or assessed against the Collateral, or any part of the Collateral, prior to the final termination of this Security Agreement.

8. Disposition of Collateral

Franchisee shall keep the Collateral separate and identifiable from other property owned by Franchisee or located on the same premises as Collateral, and Franchisee shall not, without the prior written consent of Secured Party, sell, encumber or otherwise dispose of any portion of the Collateral, except as authorized in this Security Agreement.

Franchisee shall take necessary steps to preserve the liability of account debtors, obligors and secondary parties whose obligations are part of the Collateral; transfer possession of all instruments, documents, and chattel paper that are part of the Collateral to Secured Party immediately, or as to those hereafter acquired, immediately following acquisition; notify Secured Party of any change occurring in or to the Collateral, or in any fact or circumstance warranted or represented by Franchisee in this Security Agreement or furnished to Secured Party or if any Event of Default occurs.

9. First and Prior Lien

The Security Agreement grants to Secured Party a first and prior lien to secure the prompt payment of all Obligations. If Secured Party disposes of all or any part of the Collateral following default by the Franchisee, all proceeds from such disposition shall be applied first against all monetary obligations incurred under any promissory notes and equipments leases, in the order in which such indebtedness was incurred, and thereafter to the payment of monetary obligations due Secured Party pursuant to any Franchise Agreement, and any renewals, amendments, or extensions thereof. For the purpose of this paragraph, an extended, amended, or renewed Franchise Agreement will be considered executed on the date of the original Franchise Agreement.

10. Inspection Rights

To the extent the Collateral is tangible, Secured Party, either in person or by agent, shall have the right at any and all reasonable times and at reasonable intervals to enter the premises where the Collateral is located and inspect the Collateral.

11. Payment by Secured Party

Secured Party may, at its option, but shall not be required to, pay on behalf of Franchisee and on the account of Franchisee any taxes, assessments, liens, insurance premiums, repair costs or maintenance costs that, pursuant to the terms of this Security Agreement, should have been but were not paid by Franchisee. Secured Party shall also have the right, at its option, to enter the premises where the Collateral or any part of the Collateral is located, and cause to be performed, as agent and on the account of Franchisee, any such acts as Secured Party may deem necessary for the proper repair or maintenance of the Collateral or any part of the Collateral if applicable. Any moneys expended or expenses incurred by Secured Party under this paragraph shall also be secured by the security interest created by this Security Agreement and shall be due and payable by Franchisee to Secured Party, together with interest at the maximum rate allowed by law, on demand.

12. Assignment by Secured Party

Secured Party may assign its rights under this Security Agreement and the security interest created by this Security Agreement. Should Secured Party assign its rights under this Security Agreement or the security interest created by this Security Agreement, Secured Party's assignee shall be entitled, on written notice of the assignment being given by Secured Party to Franchisee, to all performance required of Franchisee by this Security Agreement and all payments, moneys and other performance secured by this Security Agreement including compliance with the Franchise Agreement.

13. Default

The following occurrences or any one or more of the following events shall constitute an Event of Default hereunder:

a. Failure to pay any royalty fee, marketing fee, credit sale, or other charges in respect to any obligations under the Franchise Agreement or failure to pay any principal, interest, or other charges due under any promissory note or equipment lease now or hereafter made by Franchisee in favor of Secured Party.

b. Breach of any covenant or agreement herein set forth or set forth in any Franchise Agreement or any other agreement, heretofore, now, or hereafter executed by Franchisee in favor of Secured Party.

c. Breach of any of the Obligations, as defined herein.

d. Any representation, warranty, certificate, or other information made or furnished to Secured Party by or on behalf of Franchisee under this Agreement which is false or misleading in any material respect, either now or at any time made or furnished.

e. Loss, theft, damage, or destruction of any material portion of the Collateral for which there is either no insurance coverage or for which, in the opinion of Secured Party, there is insufficient insurance coverage.

f. The making of any levy, seizure, attachment or lien upon the Collateral.

g. The Franchisee or any of its subsidiaries or guarantors (1) terminate or suspend the operation of any portion of its business as presently conducted; (2) apply for or consent to the appointment of a receiver, trustee, or liquidator of itself or of all or a substantial part of its assets; (3) be unable, or admit in writing its inability to pay its debts as they fall due; (4) make a general assignment for the benefit of its creditors; (5) be adjudicated a bankrupt or insolvent; or (6) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or to take advantage of any insolvency law or an answer admitting the material allegations of a petition filed against it in any bankruptcy, reorganization, or insolvency proceeding, or any action shall be taken by it for the purpose of effecting any of the foregoing.

h. The Collateral materially declines in value or becomes unsatisfactory to the Secured Party in its reasonable judgment.

14. Remedies

Should Franchisee fail to perform any provision of this Security Agreement to be performed on its part, or should Franchisee fail to pay any obligation secured by this Security Agreement or the security interest created by this Security Agreement as it becomes due, or should there occur an Event of Default, then Franchisee shall be in default of this Security Agreement and Secured Party shall have all the rights and remedies afforded a secured party under the default provisions of the Uniform Commercial Code of California on the date of this Security Agreement and, in addition, shall have the following rights and remedies:

a. accelerate the maturity of any or all promissory notes owing to The UPS Store, Inc. by Franchisee without notice;

b. enter on Franchisee's premises to assemble and take possession of the Collateral;

c. require Franchisee to assemble the Collateral and make its possession available to Secured Party at a place designated by Secured Party that is reasonably convenient to both Franchisee and Secured Party;

d. enter Franchisee's premises, render the Collateral, if tangible, unusable and dispose of it in the manner provided by the Uniform Commercial Code of California on Franchisee's premises;

e. sell any or all of the Collateral free and clear of all rights and claims of Franchisee therein and thereto at any public or private sale, first deducting from the proceeds all costs and expenses of such sale including, but not limited to, preparing the tangible Collateral for sale, storing and handling the Collateral, advertising the sale and then deducting the primary indebtedness secured by and through this Security Agreement;

f. sell, assign and deliver the whole, or any part of said Collateral security and the property which said security covers at public or private sale, without demand, advertisement or notice to the undersigned, which are hereby expressly waived and released. At any such sales, the Secured Party may purchase any or all of the property sold free from any claim or right of redemption of the undersigned, which are hereby waived and released except as provided by law; and

g. have the right to take over the franchised business (The UPS Store location or Area Franchise) designated above free and clear of all rights and claims of any other party. In order to facilitate the transfer of the franchised business, Franchisee shall fully and promptly cooperate with Secured Party to prepare and sign any and all documents which Secured Party might deem reasonably necessary to effect the transfer from Franchisee to Secured Party.

15. Financing Statement

Concurrently with the execution of this Security Agreement, Franchisee agrees to execute any financing statements or other documents required to perfect the security interest created by this Security Agreement. Such financing statements or other documents shall be on forms approved by the State where the Franchise is located and shall be filed with the Secretary of State, County Recorder or other appropriate governmental authority, and Franchisee shall forthwith pay Secured Party all filing fees required to file such statements.

Franchisee hereby irrevocably agrees to fully and promptly cooperate with Secured Party to prepare and sign any and all documents which Secured Party might deem reasonably necessary to effectively and timely protect and effectuate this Security Agreement. The undersigned, both personally and on behalf of Franchisee if it is a business entity, hereby authorize Secured Party, any of Secured Party's assignees, and any of their authorized agents or employees, to act as special agent or attorney-in-fact for the undersigned and Franchisee if it is a business entity, and each of them, to execute and sign on behalf of the Franchisee such financing statements or other documents as Secured Party or its assignees, agents, or employees deems necessary or appropriate under the Uniform Commercial Code (or similar law). Franchisee hereby further agrees not to take any action which would delay, diminish, frustrate, or void this Security Agreement. Franchisee understands that time is of the essence regarding all actions to be taken under this Security Agreement.

16. Waiver

Neither the acceptance of any partial or delinquent payment by Secured Party nor Secured Party's failure to exercise any of its rights or remedies on default by Franchisee shall be

a waiver of the default, a modification of this Security Agreement or Franchisee's obligations under this Security Agreement, or a waiver of any subsequent default by Franchisee.

17. Notices

Except as otherwise expressly provided in this Security Agreement or by law, any and all notices or other communications required or permitted by this Security Agreement or by law to be served on, given to, or delivered to either party to this Security Agreement shall be in writing and shall be deemed duly served, given, delivered and received when personally delivered to the party to whom it is directed, or in lieu of such personal delivery, when deposited in the United States mail, certified or registered, postage prepaid, addressed to Secured Party at 6060 Cornerstone Court West, San Diego, California 92121-3795, or to Franchisee at the address listed in Secured Party's files as the location of the Franchisee's The UPS Store location. Either party, Franchisee or Secured Party, may change their address for the purpose of this paragraph by giving written notice of such change to the other party in the manner provided in this paragraph.

18. Binding on Heirs and Assigns

This Security Agreement and each of its provisions shall be binding on and shall inure to the benefit of the respective parties hereto, their respective representatives and heirs, executors, administrators, successors and assigns of each of the parties hereto. Nothing contained in this paragraph, however, shall be deemed a consent to the sale, assignment or transfer of the Collateral or its obligations under this Security Agreement by Franchisee.

19. Sole and Only Agreement

This Security Agreement, and all other writings referred to herein, including any promissory notes or equipment leases as may be executed by Franchisee, constitute the sole and only agreements between the parties respecting the Collateral or the security interests granted in the Collateral. This Security Agreement correctly sets forth the rights, duties and obligations of each party to the other party with respect to the Collateral and the security interest hereby created in the Collateral as of this date. Any prior written or oral agreements, alleged promises, negotiations or representations concerning the subject matter of this Security Agreement not expressly set forth herein or in the writings referred to herein, including any promissory notes or equipment leases, are of no force of effect.

20. Venue and Governing Law

The parties hereby consent that venue and jurisdiction for all actions enforcing and/or arising out of this Security Agreement shall be litigated in the state or federal courts in the City of San Diego, County of San Diego, State of California, U.S.A., to the exclusion of the courts of any other State or County. This Security Agreement shall be construed in accordance with the laws of the State of California.

21. Validity

Should any part of this Security Agreement, for any reason, be declared invalid, then such portion shall be invalid only to the extent of the prohibition without invalidating or affecting the remaining provisions of the Security Agreement, or without invalidating or altering said provisions of this Security Agreement within states or localities where they are not prohibited by law or court decrees.

22. Warranty

The undersigned represents and warrants that Franchisee owns the Collateral and is fully authorized and empowered to execute this Security Agreement in favor of Secured Party and consents to the grant of the security interest created by this Security Agreement in favor of Secured Party, both personally and on behalf of Franchisee if it is a business entity.

SECURED PROMISSORY NOTE

Principal Sum: $

San Diego, California

Initial Rate: %

Margin: %

Minimum Rate: %

Initial Monthly Payment:**

$ for ( ) months beginning through

**Based on the initial interest rate of _____ and is subject to change as explained in the Variable Interest Rate Section.

FOR VALUE RECEIVED, the undersigned Makers, jointly and severally, promise to pay to the order of THE UPS STORE, INC., a Delaware Corporation, located at 6060 Cornerstone Court West, San Diego, California 92121-3795, or at such other place as holder may designate from time to time, the principal sum of _____ AND NO/100 DOLLARS together with interest on the unpaid balance of this Note beginning as of the date of the disbursement of the proceeds of this Note by The UPS Store, Inc. at the per annum rate equal to the variable interest rate described below, which interest rate shall be computed and payable monthly in arrears on the basis of a 365 day year and the actual days elapsed.

Variable Interest Rate:

From and after the date hereof until the first Adjustment Date (as hereinafter defined), interest shall accrue on this Note beginning at the Initial Rate set forth above. This Note has a variable interest feature. The interest rate may change from time to time if the Prime Rate identified below changes. The interest rate on this Note will be adjusted on the tenth (10th) day of each January (each such date an "**Adjustment Date**") following the date hereof. Subject to the limitations described in items (i) through (iii) below, the interest rate on any Adjustment Date shall be equal to the Prime Rate quoted on the last business day of the calendar year immediately prior to each such Adjustment Date, plus the Margin quoted above. Notwithstanding the foregoing, the following limitations to the interest rate shall apply:

(i) The interest rate on this Note shall not increase, or decrease, on any Adjustment Date by more than one percent (1%) per annum from the interest rate in effect prior to such Adjustment Date.

(ii) The interest rate on this Note shall not increase, or decrease, at any time during the term of this Note by more than five percent (5%) per annum from the Initial Rate set forth above.

(iii) The interest rate on this Note shall never be less than the Minimum Rate set forth above.

Prime Rate:

As used herein, "**Prime Rate**" shall mean the prime rate for domestic banks, as published from time to time in The Wall Street Journal, in the "Money Rates" section. If more than one such rate is published on any given day, the highest published rate shall be used to determine the Prime Rate under this Note. The Prime Rate is not necessarily the lowest rate offered by The UPS Store, Inc, nor by the lenders whose rates are surveyed by The Wall Street Journal. If The Wall Street Journal ceases to publish a prime rate, The UPS Store, Inc. may choose a substitute source for the Prime Rate under this Note or may choose a substitute index. If The UPS Store, Inc. chooses a substitute index, it may also choose a substitute Margin so that the new interest rate is substantially similar to the interest rate in effect under this Note at the time the prime rate ceases to be published in The Wall Street Journal.

Principal and Interest Payments:

Principal and interest shall be due and payable in _____ monthly payments, payable on the day of each month (each such day, including the last day of February, hereinafter referred to as a "**Payment Date**"), beginning with the first Payment Date of _____ after the date of this Note, and continuing on each Payment Date thereafter; provided that on the last Payment Date, by _____ the Maker shall pay in full all remaining principal and interest then outstanding under this note. Beginning on the first Payment Date after the date hereof, and continuing on each Payment Date until the first Adjustment Date following the date hereof, each monthly payment of principal and interest shall be in the amount of the Initial Monthly Payment set forth above. Beginning with the first Adjustment Date following the date hereof, and on each subsequent Adjustment Date thereafter, the payment amounts of principal and interest under this note will be adjusted based upon the interest rate in effect as of such Adjustment Date, and also based upon a principal repayment amount that shall enable all principal to be repaid fully as of the last Payment Date. As a result of any adjustment on any Adjustment Date, the resulting monthly payment due on this Note may increase, decrease or remain the same, depending upon the interest in effect on such Adjustment Date. Following each Adjustment Date, The UPS Store, Inc. promptly shall furnish to Maker a written statement setting forth the new monthly payment of principal and interest until the next such Adjustment Date. Any such new monthly payment furnished in writing from The UPS Store, Inc. to Maker automatically shall be deemed incorporated herein by reference, except in the case of manifest error.

Makers may prepay principal in any amount from time to time without penalty. Should any payment not be paid when due, it shall thereafter bear like interest as the principal. Payments shall first be credited against any outstanding fees and expenses, then against interest, and finally against principal. Should default be made in any payment due hereunder or in any other agreement between Makers and The UPS Store, Inc., the whole sum of principal and interest shall, at the option of the holder of this Note, become immediately due and payable; provided, however, that holder may not so declare the whole sum of principal and interest payable until after thirty (30) days of nonpayment have elapsed from the due date of the payment in question.

Makers shall pay holder a charge of five percent (5%) of the amount of the payment due for any payment of principal or interest which is not paid to holder within ten (10) days following the due date. Principal and interest is payable in lawful money of the United States.

In addition to other rights and remedies of holder contained herein, the holder of this Note may, at its option, accelerate the maturity of all amounts due hereunder upon the happening of any of the following events, in which event the unpaid balance of the Note (including unpaid principal, accrued and unpaid interest to the date of payment, any advances made by holder pursuant to this Note and any other charges or fees to which holder is entitled hereunder) shall become immediately due and payable without demand or notice: insolvency or commission of any act of insolvency; filing of a petition in bankruptcy, either voluntary or involuntary; institution of any proceeding under any bankruptcy or insolvency laws relating to the relief of debtors; entry of judgment; appointment of a receiver; issuance of a right of attachment; order of garnishment or subpoena in supplementary proceedings, execution or other similar process; assignment, mortgage or pledge of accounts receivable or other property without the written consent of the holder hereof; if at any time the holder shall consider the security of the loan unsatisfactory or insufficient and the undersigned shall not on demand furnish such further collateral or such payment on account as shall be satisfactory to the holder; if at any time, in the sole opinion of the holder hereof, the financial responsibility of the undersigned becomes impaired or unsatisfactory to the holder; or failure to pay any financial obligation whatsoever owing to The UPS Store, Inc.; or application is made by any judgment creditor for an order directing the holder hereof to pay over any money.

No extension of time for payment of all or any part of the amount owing herein at any time or times shall affect the liability of the undersigned or any guarantors. No failure or delay by the holder in exercising any right under this Note shall operate as a waiver of such right, nor shall any single or partial exercise of any right exclude the further exercise thereof or the exercise of any other right. Makers waive demand, presentment for payment, notice of nonpayment, notice of protest of this Note and the right to assert in any action or proceeding with regard to this Note any setoffs or counterclaims which the Makers may have.

This Note is secured by a Security Agreement. Should the undersigned or their successors in interest sell, contract to sell, lease, sublease or otherwise dispose of or transfer the collateral therein described or any interest therein; or should the undersigned not remain a franchisee of The UPS Store, Inc.; or should the undersigned default under any individual Franchise Agreement or Area Franchise Agreement or any other obligation to The UPS Store, Inc., at The UPS Store, Inc.'s election, all sums hereby secured will be immediately due and payable.

In the event any provision (or any part of any provision) contained in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision (or remaining part of the affected provision) of this Note but this Note shall be construed as if such invalid, illegal or unenforceable provision (or part thereof) has never been contained herein but only to the extent it is invalid, illegal or unenforceable.

Regardless of any provisions contained herein, holder shall never be entitled to receive, collect, or apply as interest on any note, any amount in excess of the maximum permitted by law, if any, and, in the event holder ever receives, collects or applies as interest any such excess, such amount which would be excessive interest shall be deemed a partial prepayment of principal and treated as such, but if the principal of the note is paid in full, any remaining excess shall forthwith be paid to makers. In determining whether or not the interest paid or payable exceeds the maximum permitted by law, makers and holder shall, to the extent permitted under applicable law, (i) characterize any nonprincipal payment as an expense, fee, or premium rather than as interest, (ii) exclude voluntary prepayments and the effects thereof, and (iii) amortize, prorate, allocate, and spread, in equal parts, the total amount of interest throughout the entire contemplated term of the note so that the interest rate is uniform throughout the entire term thereof, provided that if the note is paid and performed in full prior end of the full contemplated term thereof, and if the interest received for the actual period of existence thereof exceeds the maximum permitted by law, holder shall refund to makers the amount of such excess or credit the amount of such excess against the principal of the notes and holder shall not be subject to any penalties, if any, provided by any laws for contracting for, charging or receiving interest in excess of the maximum permitted by law. This Note is governed by the laws of the State of California.

GENERAL RELEASE IN CONNECTION WITH FINANCING

In consideration of The UPS Store, Inc. ("**TUPSS**") extending a loan to franchisee, franchisee hereby forever releases, waives and discharges TUPSS, UPS, as well as all past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and its, and each of their, past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS's area franchisees and franchisees (collectively "**Released Parties**"), of and from any and all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected, involving any Released Parties.

Franchisee agrees that this General Release is intended to be a full and final compromise, release and settlement of all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected, relating to the franchise agreement, and franchisee expressly waives the provisions of Section 1542 of the California Civil Code, which reads as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

Franchisee acknowledges that different or additional facts may be discovered in addition to what (he/she) now knows or believes to be true with respect to the matters herein released, and that (he/she) agrees that this General Release shall be and remain in effect in all respects as complete and final releases of the matters released, notwithstanding any different or additional facts.

Franchisee represents that (he/she) is the sole possessor of any claims or causes of action being released, and that (he/she) has not assigned or otherwise transferred said claims or causes of actions.

Franchisee agrees that (he/she) will not, at any time hereafter, commence, maintain or prosecute any action, at law or otherwise, or assert any claim against the parties herein released and/or execute or enforce any judgment against the parties herein released, for damages, losses or for equitable relief relating to the matters herein released.

Franchisee understands and agrees that this General Release sets forth the full and complete agreement of the parties, and that no statements or representations, other than those contained herein, have been made or relied upon by the undersigned as an inducement for executing this General Release.

Franchisee agrees that this General Release shall bind and be binding upon (his/her) heirs, personal representatives, spouse, executors, administrators, and assigns, and shall inure to the benefit of their agents, employees, servants and successors.

RISK FACTORS ASSOCIATED WITH THE PURCHASE OF A THE UPS STORE® FRANCHISE

In addition to the information contained in our Franchise Disclosure Document ("FDD") and other information obtained from visits and discussions with existing Franchisees and/or former Franchisees, you should carefully consider the following risks and other factors in deciding whether to purchase a The UPS Store franchise. You acknowledge that the following risks listed below are not an exhaustive list of every risk you may face. You may face additional risks beyond those listed below and your decision should be made after you have satisfied yourself that you fully understand all risks associated with the purchase of a The UPS Store franchise, including, but not limited to, those described below and the information given you by The UPS Store, Inc. ("TUPSS"), its officers, directors, agents, employees, representatives, affiliates, or any of its Area Franchisees or their staff members.

1. Establishment of New Business

You understand that the purchase of our Franchise is primarily the purchase of a license to establish and operate a new business under the trademark name of "The UPS Store" and that you are required to operate the business in accordance with TUPSS's pre-established business format. YOU UNDERSTAND THAT THE CREATION AND OPERATION OF A NEW BUSINESS INVOLVE A NUMBER OF RISKS, WHICH MEANS THAT IF YOU ARE NEVER ABLE TO OPERATE THE BUSINESS PROFITABLY, YOU COULD LOSE PART OR ALL OF YOUR INVESTMENT, PLUS ANY ADDITIONAL FUNDS THAT YOU CONTRIBUTE TO THE BUSINESS. YOU UNDERSTAND AND ACKNOWLEDGE THAT TUPSS CANNOT GUARANTEE THAT YOUR BUSINESS WILL EVER ACHIEVE PROFITABILITY, AND BY YOUR SIGNATURE ON THIS DOCUMENT YOU ARE AGREEING TO PURCHASE A THE UPS STORE FRANCHISE WITH FULL KNOWLEDGE OF THE RISKS DESCRIBED HEREIN.

2. Ability to Operate a The UPS Store Center (and to Provide Excellent Customer Service)

You understand that the ability to operate a profitable The UPS Store® Center requires a level of business and management skills and the capability of providing exceptionally good customer service. What TUPSS stresses to its Franchisees is that they must provide excellent customer service. Some individuals' personalities may not be compatible with dealing with the public or customers and, accordingly, the selection and management of employees to actually deal with the customers is critical in the operation of your Center. However, you understand that if your Center does not consistently provide the highest level of customer service, you may not be able to develop and/or sustain a sufficient customer base to ever achieve profitability.

3. Selection of Center Location and Lease Negotiation

You understand that while TUPSS or its Area Franchisee or TUPSS's third party designee may assist you in selecting a site for your Center and provide input regarding the terms and conditions of the Center's premises lease and may assist in negotiating the lease, the ultimate decision and final responsibility on whether to accept the site and the lease is yours. You hereby release and hold harmless TUPSS and its Area Franchisee and TUPSS's third party designees that perform site-related work for you from any liability resulting from their efforts to assist you in selecting a site or negotiating a Center premises lease. You further understand that TUPSS recommends that you retain your own attorney, real estate broker and/or business advisor to negotiate your Center's premises lease and explain to you any provisions of the lease that you do not understand. You also understand that there is a risk that the site you select or the lease you sign for your Center may not meet all of your expectations or desires. These include expectations regarding the amount of foot traffic, visibility of the site, amount of vehicular traffic, availability of parking spaces, mix of other tenants, performance of your landlord, amount of rent, and

other factors. If any of those or similar factors are not as anticipated, or should they change at any time after your Center has opened, you understand that your business might fail and you could lose part or all of your investment.

4. Center Development: Construction Coordination and Supervision Services

You understand that TUPSS requires you to discuss with your Center Development Coordinator, as that term is defined in Item 5 of TUPSS's FDD, the construction and build-out (or remodel) of your new Center and to obtain a bid from such Center Development Coordinator for the complete build-out (or, if applicable, remodel) of your Center. You further understand and acknowledge that:

a. You must use a licensed and bonded general contractor for the construction of your Center that is selected and provided by your Center Development Coordinator and/or by TUPSS;

b. As described in FDD Item 5, you are required to utilize the Center Development Coordinator designated by TUPSS, for the supervision and coordination of the buildout or (if applicable) remodeling of your Center. Your Center Development Coordinator will provide a detailed breakdown of associated costs for work to be done, including the Center Development Fee, in the amount specified in Item 5 of our current FDD. These Center development supervision and coordination services apply to new centers, remodels, relocations, conversions, and image upgrades;

c. Unless your Center Development Coordinator is an employee of TUPSS, it will be TUPSS's independent contractor (but not its agent) hired to provide construction coordination and supervision services for your Center;

d. TUPSS does not receive any compensation, fee, or other remuneration from the Center Development Coordinator in connection with a third-party Center Development Fee it earns for the performance of any construction supervision and coordination services;

e. Insofar as construction supervision and coordination services must necessarily be performed on-site at your Center, TUPSS cannot supervise or control the performance of any construction supervision and coordination services that may be rendered by the Center Development Coordinator (where such person is not an employee of TUPSS), and accordingly, by signing this document you agree that TUPSS cannot be liable for the performance or nonperformance of any construction supervision and coordination services provided by the Construction Coordination (where such person is not an employee of TUPSS).

5. Use of Professional Advisers, Accountants, and Attorneys

You understand that the referenced Franchise Agreement governs our relationship and you confirm that you have read the complete Franchise Agreement and understand that you have the right to have your own attorney explain to you any terms of the Franchise Agreement that you do not understand. If you did not understand any of the terms of the Franchise Agreement, including this exhibit, you understand that you have the right, if you desire, to consult with your own attorney. TUPSS strongly recommends that you consult with your own independent attorney regarding this Franchise Agreement, your Center lease, and all other documents and legal matters associated with your Center.

You understand that attempting to start up a new business, including a The UPS Store franchised business, is a complicated undertaking and will require both a substantial financial investment and personal time commitment to work at your business and on your business a substantial number of hours per week.

Although TUPSS will provide assistance and advice, TUPSS cannot guarantee your profitability as a TUPSS franchisee. You understand that your earnings and profits as our franchisee will be primarily dependent upon your own individual efforts in operating your Center. You understand that TUPSS strongly recommends that you consult with your own accountant or financial advisor in order to satisfy yourself concerning your ability to establish and operate a profitable business, taking into account the amount of working capital you have available, your anticipated debt service, your monthly expenses, and your other financial obligations.

6. NO REPRESENTATIONS OF EARNINGS OR PROFITS

YOU UNDERSTAND AND ACKNOWLEDGE THAT, EXCEPT AS PROVIDED IN ITEM 19 OF TUPSS'S FDD, NEITHER TUPSS, NOR ANY OF ITS OFFICERS, AGENTS, EMPLOYEES OR REPRESENTATIVES, NOR ANY TUPSS AREA FRANCHISEE, HAS MADE ANY CLAIMS OR REPRESENTATIONS WHATSOEVER REGARDING POTENTIAL REVENUES, EARNINGS OR PROFITS THAT YOU MAY ACHIEVE AS THE OWNER OF A THE UPS STORE FRANCHISE, AND THAT YOU HAVE NOT MADE A DECISION TO PURCHASE YOUR FRANCHISE BASED ON ANY SUCH REPRESENTATIONS.

7. Amount of Additional or Working Capital Start-Up Costs and Financial Requirements

You understand that TUPSS has disclosed to you an ESTIMATE of the amount of "additional funds" or working capital that you should have available to invest in the business in the early term or start-up phase of the operation of your Center. You acknowledge that you have read and understand footnote # 10 to your FDD's Item 7. This estimated amount could be needed to support the business in the start-up phase until it reaches a possible break-even point. This money will be needed to pay for such items as rent, employees' salaries, and other business expenses until the business generates enough revenues (cash flow) to cover those expenses. You further understand that the working capital that may be needed is in addition to other funds that you will need to cover all of your normal living expenses, such as food, clothing, housing, and other personal expenses. It is also important to understand that if your business never reaches a break-even point, no amount of working capital will be sufficient, and your business will eventually fail and you will probably lose all of your investment.

8. Pricing of Products and Services

You fully understand that although TUPSS publishes recommended pricing policies for product and services other than UPS shipping services, as an independent business owner you are free to establish your own pricing for products and services, other than UPS shipping services, sold in your Center. Should you elect to price such types of products and services too low, you may adversely affect margins; and should you elect to set prices too high, you may lose business to your competitors. In either case your profitability will suffer.

9. Failure to Participate in Recommended Business Activities

You hereby acknowledge that your failure to offer services or products recommended by TUPSS when and if available may have a significant detrimental effect on the revenues and profitability of your Center,

and you agree to accept full responsibility for any decisions that you may make to disregard TUPSS recommendations regarding offering of these services or products.

10. Local Marketing

You hereby acknowledge that you understand that the success or failure of your business will depend in part on your local marketing efforts. You hereby agree to engage actively and continuously in such local marketing efforts as "farming," flyer distribution, placement of coupons or insert advertisements in local newspapers, telephone books, and elsewhere, and that you will participate in the marketing efforts recommended by TUPSS, including an Ad Association.

11. No Ability to Compete at End of Term

You understand that your Franchise Agreement gives you a license to operate a The UPS Store Center for a period of 10 years. At that time, you have the right to request that your franchise be renewed for an additional 10-year term, provided that you comply with all of the obligations set forth in the Franchise Agreement. While TUPSS cannot arbitrarily refuse to renew your Franchise Agreement, there is no assurance that TUPSS will consent to renew your Agreement, and if TUPSS refuses to renew your Agreement or if you choose not to renew your Agreement, then you are aware that under your Non-Competition and Non-Solicitation Agreement (which is Exhibit D to your Franchise Agreement) you are prohibited from continuing to operate your Center or any similar business which competes with The UPS Store within the time period and geographic area set forth in such Non-Competition and Non-Solicitation Agreement.

You understand that if you elect not to renew your Franchise Agreement, then TUPSS has the right to purchase the assets of your Center at a specified price, in which case you will no longer own the business. In addition, TUPSS also has the right to go into court and seek a court order to require you to comply with the termination provisions of the Franchise Agreement, which may prohibit you from operating a competing business.

12. No Right to any Specified Level of Support

You understand that while TUPSS produces and distributes to its Franchise Owners various training materials, programs, manuals, newsletters, and may facilitate the holding of local, regional, and/or national conventions in order to encourage networking and the exchange of ideas for the purpose of promoting and making your Center more profitable, in the final analysis it is your responsibility to avail yourself of and to assimilate and use the information and ideas provided in order to operate your Center and make it as profitable as you can. While support may be provided by either TUPSS (or an Area Franchisee, if one is located in your area), you understand that there is no specified level of support that you will receive or are entitled to receive and you may not receive all of the support that you expect or believe that you should receive. You are strongly encouraged to talk with other current franchisees and former franchisees in order to determine for yourself whether you will be satisfied with the level of support provided by TUPSS and from within the Network in general. You understand that while TUPSS (or an Area Franchisee) can make recommendations or suggestions on how to improve your business, it will be up to you to carry out and implement those recommendations and suggestions, all of which may require expenditures of money (such as to upgrade fixtures and equipment in your Center or conduct promotional programs) or expenditures of time (such as keeping your Center open during evening hours and on weekends).

13. Risks of Taxes, Fees, and Burdensome Governmental Regulations

You understand that your Center is a small business operation and will be required to pay all existing and new taxes and fees and will be subject to a myriad of federal, state, and local laws and governmental regulations, including regulations concerning health, safety, environmental matters, toxic and hazardous materials, labor laws, worker safety and equal opportunity laws, compliance with the ADA (Americans with Disabilities Act) and new or proposed legislation, such as health insurance and related programs. You understand that TUPSS cannot advise you with regard to all such laws and regulations and that the profitability and even viability of your business may be affected by such laws and regulations.

14. Risk of Competition

You understand that each of the profit centers and services provided in your Center may be provided by others, including mailbox service, copying, packaging, and shipping and that new competitors, including well-established entities, such as the U.S. Postal Service, may appear at any time and may locate any type of retail outlet within your exclusive franchise territory. It is also possible that another Center may be located adjacent to your franchise territory, and depending upon circumstances, may even be placed ON THE BOUNDARY LINE of your franchise territory (but outside of your franchise territory). Any of these events may adversely affect your operations and profitability. You further understand that any "exclusive uses" you have in your Center lease may not be honored by your landlord or may not be enforced by a court.

15. Complaints and Litigation

You understand that TUPSS from time to time receives complaints from, threats, and lawsuits from customers of TUPSS franchisees, franchisees, and employees alleging fraud, misrepresentation, breach of contract, violation of unfair and deceptive trade practice acts, anti-trust laws, franchise laws, other tortious acts, and misconduct and violation of other laws. Adverse publicity resulting from such allegations may materially affect TUPSS and its franchisees, regardless of whether such allegations are valid or whether the Company is liable. The Company is the subject of several lawsuits filed by franchisees and, on several occasions, has filed suit against franchisees or former franchisees, generally to collect royalties, repossess equipment, or otherwise to enforce the Franchise Agreement. While TUPSS believes that it has not violated any franchise laws or misled or defrauded prospective franchisees, it cannot provide any assurance that an adverse result may not occur in any of those suits. Where the Company is a defendant it believes that it has valid defenses to the allegations made, but an existing or future lawsuit or claim could result in an adverse decision against the Company that could materially and adversely affect the Company's results of operations or liquidity.

Acknowledgment

By signing below, I hereby indicate that I FULLY UNDERSTAND AND ACCEPT ALL OF THE RISKS described above and all other risks not described above that may affect my ability to profitably operate my franchised business.
